

1
00:00:00,500 --> 00:00:09,410
mr. speaker members as you may recall

2
00:00:04,710 --> 00:00:14,280
two years ago the appropriations bill

3
00:00:09,410 --> 00:00:18,150
included a \$600,000 appropriation for

4
00:00:14,280 --> 00:00:22,460
the rural industrial development loan

5
00:00:18,150 --> 00:00:26,550
Act or for implementation of it

6
00:00:22,460 --> 00:00:28,859
\$600,000 now they're presently is in the

7
00:00:26,550 --> 00:00:30,720
revolving fund that was created pursuant

8
00:00:28,859 --> 00:00:32,820
to that appropriation in that act a

9
00:00:30,720 --> 00:00:35,670
hundred and seventy four thousand

10
00:00:32,820 --> 00:00:38,520
dollars that exists this very moment for

11
00:00:35,670 --> 00:00:41,489
the purpose of extending loans to people

12
00:00:38,520 --> 00:00:45,660
who might qualify under the Act

13
00:00:41,489 --> 00:00:50,309
now the the arts and humanities have

14

00:00:45,660 --> 00:00:54,180
been neglected I think too long and mr.

15
00:00:50,309 --> 00:00:55,829
Maddox wanted to know how we ranked with

16
00:00:54,180 --> 00:00:59,399
other states and our concern and

17
00:00:55,829 --> 00:01:02,219
interest over things that might make

18
00:00:59,399 --> 00:01:05,700
life worth living once we've got all

19
00:01:02,219 --> 00:01:10,110
these jobs and we rank just behind Guam

20
00:01:05,700 --> 00:01:12,360
campers if you add the states and

21
00:01:10,110 --> 00:01:17,810
territories and I think they're 55 in

22
00:01:12,360 --> 00:01:21,030
all we ranked 53rd in our interest as

23
00:01:17,810 --> 00:01:25,070
evidenced by the amount of money that we

24
00:01:21,030 --> 00:01:28,850
spend on arts and humanities now we gave

25
00:01:25,070 --> 00:01:31,350
rural industrial development loan act

26
00:01:28,850 --> 00:01:35,000
\$600,000 two years ago for this purpose

27
00:01:31,350 --> 00:01:37,140
they presently have a revolving fund and

28
00:01:35,000 --> 00:01:39,810
you know if you're going to take it from

29
00:01:37,140 --> 00:01:41,159
someplace you know just don't pick on

30
00:01:39,810 --> 00:01:43,649
the cripples these people have been

31
00:01:41,159 --> 00:01:46,920
crippled long enough mr. mr. pickels

32
00:01:43,649 --> 00:01:47,430
gentleman you yes sir yummy yields miss

33
00:01:46,920 --> 00:01:49,560
Maddox

34
00:01:47,430 --> 00:01:53,159
mr. Carr well if we take this money out

35
00:01:49,560 --> 00:01:54,750
of this although artsy humanities if we

36
00:01:53,159 --> 00:01:56,759
lose money from the federal matching

37
00:01:54,750 --> 00:01:58,079
funds in the arts and humanities if we

38
00:01:56,759 --> 00:02:00,149
take it out and we don't match it

39
00:01:58,079 --> 00:02:02,360
someway well even more than that this

40
00:02:00,149 --> 00:02:06,390
grant program

41

00:02:02,360 --> 00:02:07,770
it's the program that enables the low

42
00:02:06,390 --> 00:02:09,690
you know if you believe in local

43
00:02:07,770 --> 00:02:10,170
government now we do a lot of mouthing

44
00:02:09,690 --> 00:02:12,090
about

45
00:02:10,170 --> 00:02:14,130
we believe that onejust closest to the

46
00:02:12,090 --> 00:02:16,110
people is best for the people but this

47
00:02:14,130 --> 00:02:17,460
prior flies right into the teeth of it's

48
00:02:16,110 --> 00:02:19,020
quite a little bit surprised that mr.

49
00:02:17,460 --> 00:02:21,660
von dolan offered it because this

50
00:02:19,020 --> 00:02:23,460
particular program is the one that

51
00:02:21,660 --> 00:02:26,310
requires the local governments to come

52
00:02:23,460 --> 00:02:28,410
up with a match you know far up for an

53
00:02:26,310 --> 00:02:29,730
arts and humanities type program and

54
00:02:28,410 --> 00:02:31,380
there are a lot of bicentennial

55
00:02:29,730 --> 00:02:33,960
observances that are going to be funded

56
00:02:31,380 --> 00:02:35,850
this way and this encourages the local

57
00:02:33,960 --> 00:02:38,520
people you know through their theater

58
00:02:35,850 --> 00:02:42,060
groups their music groups their

59
00:02:38,520 --> 00:02:44,640
symphonies this is the kind of program

60
00:02:42,060 --> 00:02:47,130
that brings the Dallas Symphony into the

61
00:02:44,640 --> 00:02:49,670
culturally deprived areas of that city

62
00:02:47,130 --> 00:02:52,050
and if you've missed it on no one wants

63
00:02:49,670 --> 00:02:53,700
some money put in when you think you're

64
00:02:52,050 --> 00:02:55,800
hot other places in this bill that they

65
00:02:53,700 --> 00:02:59,130
can be taken from that's right there

66
00:02:55,800 --> 00:03:01,110
this is the anti Beethoven amendment now

67
00:02:59,130 --> 00:03:03,360
if you although if you're you know poor

68

00:03:01,110 --> 00:03:05,040
Olympic he was he couldn't hear very

69
00:03:03,360 --> 00:03:07,890
good but he's going to hear this boat I

70
00:03:05,040 --> 00:03:08,250
guarantee you the speaker gentleman

71
00:03:07,890 --> 00:03:10,650
yield

72
00:03:08,250 --> 00:03:12,090
I raised Admiral in the Texas Navy after

73
00:03:10,650 --> 00:03:14,459
yes I'll be glad to you gentlemen you

74
00:03:12,090 --> 00:03:16,290
haven't seen much mr. Cole well let me

75
00:03:14,459 --> 00:03:18,330
ask you the Appropriations Committee

76
00:03:16,290 --> 00:03:20,160
gave the Commission on the arts and

77
00:03:18,330 --> 00:03:22,080
humanities a certain amount but isn't it

78
00:03:20,160 --> 00:03:24,000
true that the substantive committee

79
00:03:22,080 --> 00:03:25,890
recommended even more than what the

80
00:03:24,000 --> 00:03:27,510
Appropriations Committee gave that's

81
00:03:25,890 --> 00:03:29,430
right but we didn't have enough mileage

82
00:03:27,510 --> 00:03:32,040
to go to Fort Knox to get it right

83
00:03:29,430 --> 00:03:34,980
actually we gave me words written down

84
00:03:32,040 --> 00:03:38,780
already is what I think we will point

85
00:03:34,980 --> 00:03:40,769
out probably about divided by five but

86
00:03:38,780 --> 00:03:43,440
what the subjective committee

87
00:03:40,769 --> 00:03:46,170
recommended as I recall it was it was

88
00:03:43,440 --> 00:03:48,600
about five times more than what we three

89
00:03:46,170 --> 00:03:51,810
or four five times more than the amount

90
00:03:48,600 --> 00:03:54,000
that was that's in the bill right I you

91
00:03:51,810 --> 00:03:56,010
agree mr. Cole well I think that money

92
00:03:54,000 --> 00:03:58,530
in this area of rocks and humanities is

93
00:03:56,010 --> 00:04:00,840
necessary for citizens of all levels of

94
00:03:58,530 --> 00:04:03,360
our society in this state I'm sorry I

95

00:04:00,840 --> 00:04:06,570
truly think that it is if we really are

96
00:04:03,360 --> 00:04:10,500
concerned about the quality of the life

97
00:04:06,570 --> 00:04:12,450
that we and our citizens live and for

98
00:04:10,500 --> 00:04:17,780
that reason I respectfully move to table

99
00:04:12,450 --> 00:04:20,600
mr. speaker but Devon told under close

100
00:04:17,780 --> 00:04:22,310
mr. Pinkerton fellow members I miss it

101
00:04:20,600 --> 00:04:26,900
mr. Pongo before you get started would

102
00:04:22,310 --> 00:04:28,400
you yield yes that this arts and

103
00:04:26,900 --> 00:04:31,550
humanities Commission which they're

104
00:04:28,400 --> 00:04:33,620
crying about up there has taken public

105
00:04:31,550 --> 00:04:37,370
money during the last biennium and spent

106
00:04:33,620 --> 00:04:39,560
it to buy the radio time to play

107
00:04:37,370 --> 00:04:41,300
classical music did you know state money

108
00:04:39,560 --> 00:04:44,450
is being used for that purpose

109
00:04:41,300 --> 00:04:46,010
no sir I'm I'm not aware of what the

110
00:04:44,450 --> 00:04:47,300
Arts and Humanities Commission is doing

111
00:04:46,010 --> 00:04:49,850
that's not the purpose of this I mean

112
00:04:47,300 --> 00:04:52,730
you also know mr. von dolan that they

113
00:04:49,850 --> 00:04:55,000
they're wanting to go into Houston and

114
00:04:52,730 --> 00:04:57,980
Dallas where they've had labor disputes

115
00:04:55,000 --> 00:05:00,110
with the Symphony Orchestra because

116
00:04:57,980 --> 00:05:02,830
they've demanded such a high salary and

117
00:05:00,110 --> 00:05:05,420
they want the state to fund and pay and

118
00:05:02,830 --> 00:05:06,770
subsidize a Symphony Orchestra did you

119
00:05:05,420 --> 00:05:09,260
know that's a part of the purpose of

120
00:05:06,770 --> 00:05:11,180
this grant money no mr. mr. Halliwell

121
00:05:09,260 --> 00:05:12,560
wasn't worth it mr. Vaughn Dolan you've

122

00:05:11,180 --> 00:05:14,410
got a good amendment and I hope the

123
00:05:12,560 --> 00:05:16,520
house has a good sense to vote for it

124
00:05:14,410 --> 00:05:19,180
mr. speaker with the gentleman yield for

125
00:05:16,520 --> 00:05:22,790
just one brief question

126
00:05:19,180 --> 00:05:25,520
well mr. Fontenot in a year aware that

127
00:05:22,790 --> 00:05:28,040
not one cent of state money was used to

128
00:05:25,520 --> 00:05:30,169
buy radio time not one penny of state

129
00:05:28,040 --> 00:05:31,880
money was used to buy radio time to play

130
00:05:30,169 --> 00:05:33,919
classical music if you tell me that

131
00:05:31,880 --> 00:05:35,930
Beethoven was paid paid for at federal

132
00:05:33,919 --> 00:05:39,169
expense I believe you mr. Cole you may

133
00:05:35,930 --> 00:05:41,660
believe me thank this speaker and fellow

134
00:05:39,169 --> 00:05:44,000
members that the question is not the

135
00:05:41,660 --> 00:05:46,760
Arts and Humanities Commission because I

136
00:05:44,000 --> 00:05:49,070
think they do do a good job and they've

137
00:05:46,760 --> 00:05:51,169
done a good job in our area I think

138
00:05:49,070 --> 00:05:53,450
though the question is is one that

139
00:05:51,169 --> 00:05:56,060
returns benefits to the state of Texas

140
00:05:53,450 --> 00:05:59,870
and I think the the record speaks for

141
00:05:56,060 --> 00:06:02,690
itself in the creation of 763 jobs and a

142
00:05:59,870 --> 00:06:05,060
return of 125,000 dollars annually to

143
00:06:02,690 --> 00:06:06,590
the state of Texas in new taxes as a

144
00:06:05,060 --> 00:06:08,330
result of the industry that's been

145
00:06:06,590 --> 00:06:10,669
brought into this state under this

146
00:06:08,330 --> 00:06:13,040
program I don't think it's hurting the

147
00:06:10,669 --> 00:06:14,510
Arts and Humanities Commission by taking

148
00:06:13,040 --> 00:06:16,460
a hundred thousand dollars a year that

149

00:06:14,510 --> 00:06:18,740
still leaves them 150 thousand the

150
00:06:16,460 --> 00:06:21,080
dollars a year increase over their

151
00:06:18,740 --> 00:06:23,360
present level I think it's a fair

152
00:06:21,080 --> 00:06:28,039
amendment and I'd ask asked for a no

153
00:06:23,360 --> 00:06:29,970
vote on the motion to table mr. bond

154
00:06:28,039 --> 00:06:31,920
Dolan sends up an amendment

155
00:06:29,970 --> 00:06:33,570
mr. car wheel moves the table the

156
00:06:31,920 --> 00:06:35,070
question occurs on a motion to table all

157
00:06:33,570 --> 00:06:37,260
those in favor the most the tables load

158
00:06:35,070 --> 00:06:47,160
our laws because the boat no division

159
00:06:37,260 --> 00:06:59,810
vote so Miss Halliwell voting no have

160
00:06:47,160 --> 00:06:59,810
all members voted so much mana voting No

161
00:07:06,650 --> 00:07:09,190
it

162
00:07:25,140 --> 00:07:30,150
there being 70 AD 33 knows a motion to

163
00:07:27,660 --> 00:07:37,250
table prevails chair of science presence

164
00:07:30,150 --> 00:07:39,090
and house the following HCR number 143

165
00:07:37,250 --> 00:07:44,010
calling Amanda clerk will read the

166
00:07:39,090 --> 00:07:45,960
amendment amendment by Corey o'them in

167
00:07:44,010 --> 00:07:48,440
the committee said mr. Corey ozoni

168
00:07:45,960 --> 00:07:48,440
amendment

169
00:08:03,330 --> 00:08:11,280
Thank You mr. speaker members I brought

170
00:08:07,800 --> 00:08:13,290
this amendment up with in mind some of

171
00:08:11,280 --> 00:08:14,730
what the author said last time that all

172
00:08:13,290 --> 00:08:16,920
the things that these council of

173
00:08:14,730 --> 00:08:18,810
governments do and that they're not

174
00:08:16,920 --> 00:08:22,080
ashamed of what they do and he says they

175
00:08:18,810 --> 00:08:23,820
do a great service so if this is true

176

00:08:22,080 --> 00:08:25,770
that I think that this certainly ought

177
00:08:23,820 --> 00:08:28,260
to be a rider that that ought to be

178
00:08:25,770 --> 00:08:31,440
acceptable to the author because what

179
00:08:28,260 --> 00:08:33,030
this simply does is requires that during

180
00:08:31,440 --> 00:08:34,470
this two-year period that each one of

181
00:08:33,030 --> 00:08:37,380
these council governments that receives

182
00:08:34,470 --> 00:08:39,270
this money must published it in a paper

183
00:08:37,380 --> 00:08:41,580
of general circulation at least three

184
00:08:39,270 --> 00:08:44,250
times during that period of time their

185
00:08:41,580 --> 00:08:47,280
financial statement including a list of

186
00:08:44,250 --> 00:08:49,740
the expenditures that their employees by

187
00:08:47,280 --> 00:08:51,540
job title I think it's time that some of

188
00:08:49,740 --> 00:08:53,610
the people got to see some of the people

189
00:08:51,540 --> 00:08:56,520
that they employ and so these

190
00:08:53,610 --> 00:08:58,140
boondoggles they do like I understand

191
00:08:56,520 --> 00:09:00,270
the Council of Governments here in the

192
00:08:58,140 --> 00:09:01,980
Austin area has an artist on the payroll

193
00:09:00,270 --> 00:09:04,680
now I don't really know what an artist

194
00:09:01,980 --> 00:09:06,870
has to do with planting government but I

195
00:09:04,680 --> 00:09:08,550
think it's time that the people of Texas

196
00:09:06,870 --> 00:09:11,670
got to see where all this money's going

197
00:09:08,550 --> 00:09:13,590
and as I told you yesterday the payroll

198
00:09:11,670 --> 00:09:15,420
for my Council of Governments is a

199
00:09:13,590 --> 00:09:17,820
million two hundred thousand dollars

200
00:09:15,420 --> 00:09:19,590
annually and I think it's only fair and

201
00:09:17,820 --> 00:09:22,650
right that the people of that district

202
00:09:19,590 --> 00:09:25,560
of that area get to see who's employed

203

00:09:22,650 --> 00:09:27,540
what type jobs are employed and what

204
00:09:25,560 --> 00:09:29,310
they're doing for all this money since

205
00:09:27,540 --> 00:09:30,990
we're going to go on and have this

206
00:09:29,310 --> 00:09:32,550
government without a vote of the people

207
00:09:30,990 --> 00:09:34,770
we're going to have them govern us

208
00:09:32,550 --> 00:09:36,870
without of other people the least that

209
00:09:34,770 --> 00:09:39,150
people can have is to know how much

210
00:09:36,870 --> 00:09:43,170
money's being spent and on what and I

211
00:09:39,150 --> 00:09:48,720
think that's a simple request move its

212
00:09:43,170 --> 00:09:53,430
adoption its head speak against the

213
00:09:48,720 --> 00:09:55,950
amendment mr. speaker members I'm not

214
00:09:53,430 --> 00:09:58,050
acquainted with any other State

215
00:09:55,950 --> 00:09:59,970
Department or agency that's required to

216
00:09:58,050 --> 00:10:04,350
make the kind of report mr. Kouri oath

217
00:09:59,970 --> 00:10:06,450
is he's asking to be made here I don't

218
00:10:04,350 --> 00:10:08,160
think these people have anything to hide

219
00:10:06,450 --> 00:10:10,320
and I think that they will be glad to

220
00:10:08,160 --> 00:10:13,860
make available to any citizen that would

221
00:10:10,320 --> 00:10:15,670
like to see a report of their income and

222
00:10:13,860 --> 00:10:18,550
expenditure

223
00:10:15,670 --> 00:10:21,220
such report now it's my understanding

224
00:10:18,550 --> 00:10:23,170
that these people are required to file

225
00:10:21,220 --> 00:10:27,190
with the office of the governor in

226
00:10:23,170 --> 00:10:30,850
January each year a complete report such

227
00:10:27,190 --> 00:10:33,760
as mr. Kouri oath is suggesting here and

228
00:10:30,850 --> 00:10:36,610
I would submit that I think what he is

229
00:10:33,760 --> 00:10:39,940
asking to be done can be very well done

230

00:10:36,610 --> 00:10:42,430
under the present system simply by the

231
00:10:39,940 --> 00:10:43,060
interested citizen asking for this

232
00:10:42,430 --> 00:10:45,880
report

233
00:10:43,060 --> 00:10:48,250
if such citizen would want a copy of it

234
00:10:45,880 --> 00:10:51,940
and then if it's something that appears

235
00:10:48,250 --> 00:10:55,240
to be needful of Correction in some way

236
00:10:51,940 --> 00:10:57,100
the citizen after getting the report can

237
00:10:55,240 --> 00:10:59,380
run anything that that citizen might

238
00:10:57,100 --> 00:11:02,680
water write in the newspaper

239
00:10:59,380 --> 00:11:06,180
this will add substantial increased

240
00:11:02,680 --> 00:11:09,090
expense to the operation of these

241
00:11:06,180 --> 00:11:11,260
segments of government and I would

242
00:11:09,090 --> 00:11:13,390
respectfully move to table this

243
00:11:11,260 --> 00:11:15,730
amendment I don't think it's needed mr.

244
00:11:13,390 --> 00:11:19,150
Kouri Oh close on its a moment Thank You

245
00:11:15,730 --> 00:11:21,370
mr. speaker members I don't believe mr.

246
00:11:19,150 --> 00:11:24,160
Head has given you the whole story

247
00:11:21,370 --> 00:11:30,370
all that is required here is not given

248
00:11:24,160 --> 00:11:32,350
to the governor these reports are asked

249
00:11:30,370 --> 00:11:34,630
because this also is not the normal

250
00:11:32,350 --> 00:11:36,970
state agency I don't know of any other

251
00:11:34,630 --> 00:11:39,550
state agency that by law has been made

252
00:11:36,970 --> 00:11:41,920
at government as you'll recall free

253
00:11:39,550 --> 00:11:44,320
sessions back we amended the law to make

254
00:11:41,920 --> 00:11:46,120
them a government and I think the least

255
00:11:44,320 --> 00:11:48,460
they can do is report to the people a

256
00:11:46,120 --> 00:11:51,460
govern what money they're spending and

257

00:11:48,460 --> 00:11:53,560
what kind of people are hired mr. Baker

258
00:11:51,460 --> 00:11:55,030
well gentleman yield the omits go off

259
00:11:53,560 --> 00:11:56,500
gentleman yields miss olive oil mr.

260
00:11:55,030 --> 00:11:58,060
Kouri thought your amendment is going to

261
00:11:56,500 --> 00:12:00,220
do they show the people what their money

262
00:11:58,060 --> 00:12:02,320
is being wasted for that's right right

263
00:12:00,220 --> 00:12:03,910
all right right right we're just trying

264
00:12:02,320 --> 00:12:07,380
to have a little open government this is

265
00:12:03,910 --> 00:12:09,760
my time to finally do a little reform

266
00:12:07,380 --> 00:12:12,010
y'all finally convinced me after last

267
00:12:09,760 --> 00:12:13,750
session out of reform so I'm on reform

268
00:12:12,010 --> 00:12:15,190
now and I think where we ought to really

269
00:12:13,750 --> 00:12:17,350
start reforming is where we've got

270
00:12:15,190 --> 00:12:19,660
people govern without a vote it's

271
00:12:17,350 --> 00:12:21,100
certainly a simple request for the

272
00:12:19,660 --> 00:12:22,780
government to lay out before the people

273
00:12:21,100 --> 00:12:27,660
and its governing how they're spending

274
00:12:22,780 --> 00:12:27,660
their money move

275
00:12:28,209 --> 00:12:33,649
okay mr. Torrio sends up an amendment

276
00:12:31,819 --> 00:12:35,689
and say it moves the table the question

277
00:12:33,649 --> 00:12:36,949
occurs on a motion table all Oden fair

278
00:12:35,689 --> 00:12:38,509
the motion table bow tie all those

279
00:12:36,949 --> 00:12:45,740
opposed vote no it's a record vote the

280
00:12:38,509 --> 00:12:50,120
clerk you ring the bell mr. Nugent you

281
00:12:45,740 --> 00:13:01,370

282
00:12:50,120 --> 00:13:10,459
record vote members the bail is not

283
00:13:01,370 --> 00:13:12,410
working but this is a record vote have

284

00:13:10,459 --> 00:13:16,449
all members voted Chalmette the Heatley

285
00:13:12,410 --> 00:13:16,449

286
00:13:21,860 --> 00:13:28,180
she'll mr. waters voting out she went so

287
00:13:24,890 --> 00:13:28,180
much many voting know instead of a

288
00:13:36,130 --> 00:13:44,880
show mr. green voting no show mr. manler

289
00:13:42,040 --> 00:13:44,880

290
00:14:01,640 --> 00:14:07,540
she went to green shave Oh ting

291
00:14:04,160 --> 00:14:07,540
president about voting instead of No

292
00:14:20,880 --> 00:14:23,540
all right

293
00:14:49,400 --> 00:14:54,080
there being 64 eyes and 72 nose one

294
00:14:52,610 --> 00:14:56,870
print not voting to motion to table

295
00:14:54,080 --> 00:15:03,640
fails falling substitute the clerk ring

296
00:14:56,870 --> 00:15:06,320
reader substitute substitute fire choreo

297
00:15:03,640 --> 00:15:10,180
I'm in the committee substitute for

298
00:15:06,320 --> 00:15:14,150
Senate bill 52 by adding on page 3 line

299
00:15:10,180 --> 00:15:17,230
71 after the words for such transfer its

300
00:15:14,150 --> 00:15:17,230
choreo Tony amendment

301
00:15:26,640 --> 00:15:31,750
now look here everywhere Stevens on

302
00:15:30,280 --> 00:15:33,940
shall annually huggbees

303
00:15:31,750 --> 00:15:37,260
in a newspaper of general circulation is

304
00:15:33,940 --> 00:15:37,260
not call it metal out of it

305
00:15:51,339 --> 00:15:54,339
yeah

306
00:16:14,680 --> 00:16:18,459
that's a choreo chthonian substitute mr.

307
00:16:16,990 --> 00:16:21,399
Baker beverage thank you

308
00:16:18,459 --> 00:16:22,899
we have made one change here in order to

309
00:16:21,399 --> 00:16:25,360
see if we can't come to agreement with

310
00:16:22,899 --> 00:16:27,639
committee where this is only required to

311

00:16:25,360 --> 00:16:30,009
do it annually and I had it written

312
00:16:27,639 --> 00:16:31,600
originally I think it was taking the

313
00:16:30,009 --> 00:16:33,819
writing it had them publish it three

314
00:16:31,600 --> 00:16:35,589
times each year and so we've changed

315
00:16:33,819 --> 00:16:41,769
where the public's least one time

316
00:16:35,589 --> 00:16:43,600
annually move is passing Armistead mr.

317
00:16:41,769 --> 00:16:46,509
speaker members I think the way mr.

318
00:16:43,600 --> 00:16:48,879
choreo has amended this now to read that

319
00:16:46,509 --> 00:16:51,040
this shall be done once a year I think

320
00:16:48,879 --> 00:16:53,439
this is right and proper and the

321
00:16:51,040 --> 00:16:56,829
committee be glad to accept all right

322
00:16:53,439 --> 00:16:59,110
mr. Torrio sends up substitute to the

323
00:16:56,829 --> 00:17:01,149
amendment the amendment question now

324
00:16:59,110 --> 00:17:03,279
zoning is acceptable to the committee to

325
00:17:01,149 --> 00:17:05,919
the authors is there objection to the

326
00:17:03,279 --> 00:17:08,230
adoption of substitute chair here non

327
00:17:05,919 --> 00:17:11,110
the substitute is adopted question now

328
00:17:08,230 --> 00:17:13,390
occurs on the amendment as amended or

329
00:17:11,110 --> 00:17:14,559
the amendment as substituting is there

330
00:17:13,390 --> 00:17:16,779
objection to the amendment as

331
00:17:14,559 --> 00:17:19,049
substituted sure here's nine the

332
00:17:16,779 --> 00:17:22,500
amendment as substituted is adopted

333
00:17:19,049 --> 00:17:22,500
Thank You members

334
00:17:33,400 --> 00:17:38,830
farling a member - clerk will read the

335
00:17:35,020 --> 00:17:41,170
amendment amendment to the amendment by

336
00:17:38,830 --> 00:17:45,700
P veto I'm in the committee substitute

337
00:17:41,170 --> 00:17:48,690
for Senate bill 52 by the truck

338

00:17:45,700 --> 00:17:48,690
let's move it though

339
00:18:08,530 --> 00:18:11,909
here's copy wine left

340
00:18:17,200 --> 00:18:25,000
you're gonna admit even to an

341
00:18:18,940 --> 00:18:27,280
explanation of its amendment but speaker

342
00:18:25,000 --> 00:18:28,870
members let me have your teach and I've

343
00:18:27,280 --> 00:18:31,030
got some thinkers here that I've just

344
00:18:28,870 --> 00:18:34,690
got from San Antonio and I think this

345
00:18:31,030 --> 00:18:36,610
house needs to know about we're going

346
00:18:34,690 --> 00:18:38,350
back to the parish ankle property one

347
00:18:36,610 --> 00:18:40,420
more time because I think you were a

348
00:18:38,350 --> 00:18:41,980
misread here yesterday and I think I've

349
00:18:40,420 --> 00:18:44,260
got some figures here that this house

350
00:18:41,980 --> 00:18:46,300
needs to know about before we make a

351
00:18:44,260 --> 00:18:48,760
mistake here that's going to heart you

352
00:18:46,300 --> 00:18:50,860
and me during the next campaign it's

353
00:18:48,760 --> 00:18:54,160
going to hard to his house for years and

354
00:18:50,860 --> 00:18:57,850
years to come so what this amendment

355
00:18:54,160 --> 00:19:00,900
would do would transpire the million

356
00:18:57,850 --> 00:19:04,510
dollars from the parish acre property

357
00:19:00,900 --> 00:19:06,400
and add a new subdivision in our bill

358
00:19:04,510 --> 00:19:11,470
for the construction of the William V

359
00:19:06,400 --> 00:19:13,540
travis state office building now between

360
00:19:11,470 --> 00:19:15,640
the senate bill in the House bill for

361
00:19:13,540 --> 00:19:18,670
building purposes there is six million

362
00:19:15,640 --> 00:19:20,710
dollars difference the Senate bill calls

363
00:19:18,670 --> 00:19:22,440
for 18 million dollars for building

364
00:19:20,710 --> 00:19:24,790
purposes here in the Capitol Complex

365

00:19:22,440 --> 00:19:27,880
including the parking garage that mr.

366
00:19:24,790 --> 00:19:31,980
Wilson talked about yesterday and the

367
00:19:27,880 --> 00:19:36,090
House bill contains 12 million dollars

368
00:19:31,980 --> 00:19:38,830
as mr. Wilson told you this money to buy

369
00:19:36,090 --> 00:19:40,750
the San Antonio field and it's coming

370
00:19:38,830 --> 00:19:43,990
out of the building funds and must go

371
00:19:40,750 --> 00:19:46,210
back there it will transfer this million

372
00:19:43,990 --> 00:19:48,490
dollars back to the building fund that

373
00:19:46,210 --> 00:19:51,070
is \$1,000,000 to the leaves we will not

374
00:19:48,490 --> 00:19:53,800
have to come up with now I call this

375
00:19:51,070 --> 00:19:58,630
morning the tax assessor collector for

376
00:19:53,800 --> 00:20:00,850
Travis County a better County excuse me

377
00:19:58,630 --> 00:20:03,580
they have just undergone a real

378
00:20:00,850 --> 00:20:06,400
valuation in Barrett County were the

379
00:20:03,580 --> 00:20:09,720
city's and the school and the county

380
00:20:06,400 --> 00:20:13,630
have all gone together and done a new

381
00:20:09,720 --> 00:20:17,610
complete revaluation of the San Antonio

382
00:20:13,630 --> 00:20:21,550
area the pay attention to this this page

383
00:20:17,610 --> 00:20:24,270
sacral property used to be owned by a

384
00:20:21,550 --> 00:20:27,300
San Antonio machine and supplier company

385
00:20:24,270 --> 00:20:29,400
it was purchased back in approximately

386
00:20:27,300 --> 00:20:33,870
1965 by

387
00:20:29,400 --> 00:20:35,610
the present owners of the property they

388
00:20:33,870 --> 00:20:38,700
haven't done anything with the property

389
00:20:35,610 --> 00:20:43,830
since that time it has not sold we all

390
00:20:38,700 --> 00:20:46,680
know that it has been on the market it's

391
00:20:43,830 --> 00:20:49,650
on the tax roll the land at the present

392

00:20:46,680 --> 00:20:53,210
time for seventy seven thousand eight

393
00:20:49,650 --> 00:20:55,650
hundred and twenty dollars that's a long

394
00:20:53,210 --> 00:20:59,670
ways from seven hundred and fifty

395
00:20:55,650 --> 00:21:01,380
thousand dollars you've heard different

396
00:20:59,670 --> 00:21:03,150
people come around here saying the land

397
00:21:01,380 --> 00:21:06,120
alone is worth the prize but that's

398
00:21:03,150 --> 00:21:08,910
simply not true the present owners don't

399
00:21:06,120 --> 00:21:11,490
even believe that the improvements are

400
00:21:08,910 --> 00:21:12,960
on the tax roll for five hundred seventy

401
00:21:11,490 --> 00:21:15,840
eight thousand eight hundred this

402
00:21:12,960 --> 00:21:17,490
includes the old boundary part that

403
00:21:15,840 --> 00:21:21,330
cannot be used by the state of Texas

404
00:21:17,490 --> 00:21:23,910
that's a total of six hundred fifty six

405
00:21:21,330 --> 00:21:26,070
thousand six hundred twenty dollars

406
00:21:23,910 --> 00:21:30,320
that's what its own attacks roll for at

407
00:21:26,070 --> 00:21:32,640
100% fair market value now get this the

408
00:21:30,320 --> 00:21:35,850
present owners of the property think

409
00:21:32,640 --> 00:21:39,210
thanks if that is too high and they are

410
00:21:35,850 --> 00:21:46,230
protesting their valuation that is now

411
00:21:39,210 --> 00:21:48,420
on this property now let me tell you one

412
00:21:46,230 --> 00:21:50,460
thing this twenty five thousand square

413
00:21:48,420 --> 00:21:52,770
foot office space it's not twenty five

414
00:21:50,460 --> 00:21:56,660
thousand it's twenty seven thousand

415
00:21:52,770 --> 00:21:59,490
seven hundred is on the tax roll at 65%

416
00:21:56,660 --> 00:22:03,570
depreciated get this it's on the tax

417
00:21:59,490 --> 00:22:07,470
roll at three dollars and six cents per

418
00:22:03,570 --> 00:22:10,050
square foot and the president owner says

419

00:22:07,470 --> 00:22:12,930
us to the high so they are protesting

420
00:22:10,050 --> 00:22:14,910
back that you were told here from this

421
00:22:12,930 --> 00:22:17,610
Mike yesterday there's worth twenty five

422
00:22:14,910 --> 00:22:21,690
dollars a square foot we need to know

423
00:22:17,610 --> 00:22:23,910
and any businessman needs to know the

424
00:22:21,690 --> 00:22:26,130
following thing who made this estimate

425
00:22:23,910 --> 00:22:27,720
that this building could be renovating

426
00:22:26,130 --> 00:22:29,670
for two hundred fifty thousand dollars

427
00:22:27,720 --> 00:22:31,830
that's ten dollars a square foot you

428
00:22:29,670 --> 00:22:32,610
can't buy a good carpet for ten dollars

429
00:22:31,830 --> 00:22:36,090
a square foot

430
00:22:32,610 --> 00:22:38,100
much less renovate a building who's

431
00:22:36,090 --> 00:22:40,029
going to use this buildings anybody told

432
00:22:38,100 --> 00:22:41,859
you who's going to move out and move

433
00:22:40,029 --> 00:22:46,359
this fee on it how much R it's going to

434
00:22:41,859 --> 00:22:48,429
be saved no how much would it save you

435
00:22:46,359 --> 00:22:49,749
haven't been told this you ality mentos

436
00:22:48,429 --> 00:22:51,879
who's going to use the belt in the

437
00:22:49,749 --> 00:22:55,359
reports I get nobody wants to use the

438
00:22:51,879 --> 00:22:57,399
building can you even get to this

439
00:22:55,359 --> 00:22:59,979
property is that good access roads have

440
00:22:57,399 --> 00:23:01,840
you been told this no you don't even

441
00:22:59,979 --> 00:23:04,599
know how much fun is going to Coast

442
00:23:01,840 --> 00:23:06,969
Highway Department go ahead in here and

443
00:23:04,599 --> 00:23:09,580
there roads where this building can be

444
00:23:06,969 --> 00:23:11,559
used are they parking lots for all these

445
00:23:09,580 --> 00:23:13,629
people to use you don't know that

446

00:23:11,559 --> 00:23:15,219
now last year they had some pictures and

447
00:23:13,629 --> 00:23:17,049
they were horrible looking pictures but

448
00:23:15,219 --> 00:23:19,389
you haven't seen them drag them out here

449
00:23:17,049 --> 00:23:21,669
and I think we're entitled to know that

450
00:23:19,389 --> 00:23:24,099
and mr. Sutton and arrest these people

451
00:23:21,669 --> 00:23:26,469
have pictures you're entitled for them

452
00:23:24,099 --> 00:23:28,629
to come out here and show you the

453
00:23:26,469 --> 00:23:30,129
pictures of this property and I'm asking

454
00:23:28,629 --> 00:23:32,769
the people up here to defend in this

455
00:23:30,129 --> 00:23:35,349
thing to tell me number one who's going

456
00:23:32,769 --> 00:23:37,749
to use it number two how much is going

457
00:23:35,349 --> 00:23:39,099
to save number three where are the

458
00:23:37,749 --> 00:23:41,499
pictures that the pictures are in the

459
00:23:39,099 --> 00:23:43,599
Capitol Complex we're tired of the see

460
00:23:41,499 --> 00:23:46,359
them let's land title to see a plan of

461
00:23:43,599 --> 00:23:48,460
this property to see of a any access

462
00:23:46,359 --> 00:23:50,469
roads see I mean railroads are running

463
00:23:48,460 --> 00:23:51,869
through this thing and let me tell you

464
00:23:50,469 --> 00:23:53,859
something that's there's so much

465
00:23:51,869 --> 00:23:56,649
irresponsible thing said about this

466
00:23:53,859 --> 00:23:58,509
property from this mic such as there are

467
00:23:56,649 --> 00:24:01,839
hundreds of thousands of dollars worth

468
00:23:58,509 --> 00:24:04,570
of scrap metal on this property listen

469
00:24:01,839 --> 00:24:06,700
people over this prop you're not stupid

470
00:24:04,570 --> 00:24:08,320
scrap has been at a real high price

471
00:24:06,700 --> 00:24:10,599
because hundreds of thousand dollars

472
00:24:08,320 --> 00:24:12,820
worth of scrap why I may go now here and

473

00:24:10,599 --> 00:24:15,940
so with the scrap if the land it sells

474
00:24:12,820 --> 00:24:20,229
worth on once every fifty thousand why

475
00:24:15,940 --> 00:24:22,450
are they protesting the 77840 dollars

476
00:24:20,229 --> 00:24:25,509
the valuation is placed on this property

477
00:24:22,450 --> 00:24:27,729
this is ridiculous in this house I will

478
00:24:25,509 --> 00:24:35,850
wake up and quit playing politics and

479
00:24:27,729 --> 00:24:38,129
quit cutting deals dagger

480
00:24:35,850 --> 00:24:40,389
[Applause]

481
00:24:38,129 --> 00:24:42,909
that's Parker to speak against the

482
00:24:40,389 --> 00:24:43,330
amendment and this speaker with Gemma

483
00:24:42,909 --> 00:24:45,729
Neil

484
00:24:43,330 --> 00:24:48,899
not at this time not at this time mr.

485
00:24:45,729 --> 00:24:51,669
bone mr. speaker and members

486
00:24:48,899 --> 00:24:52,750
now let's understand the P Verto

487
00:24:51,669 --> 00:24:56,120
amendment

488
00:24:52,750 --> 00:25:05,000
the pivotal amendment would eliminate

489
00:24:56,120 --> 00:25:07,250
the building in San Antonio for the

490
00:25:05,000 --> 00:25:10,220
construction of the William V travis

491
00:25:07,250 --> 00:25:13,490
office building which is a building that

492
00:25:10,220 --> 00:25:15,710
we have not recommended be funded so

493
00:25:13,490 --> 00:25:17,660
this million dollars would be placed up

494
00:25:15,710 --> 00:25:21,410
here which would give you about enough

495
00:25:17,660 --> 00:25:24,230
money to build the whole up here on 19th

496
00:25:21,410 --> 00:25:26,690
Street to dig a hole in the ground for

497
00:25:24,230 --> 00:25:29,420
the million dollars they asked for 23

498
00:25:26,690 --> 00:25:33,320
million we did not approve it within our

499
00:25:29,420 --> 00:25:35,270
our committee and he is placing again

500

00:25:33,320 --> 00:25:38,270
that for the construction of the William

501
00:25:35,270 --> 00:25:40,850
B travis office building which is a 23

502
00:25:38,270 --> 00:25:42,920
million dollar project so you could take

503
00:25:40,850 --> 00:25:47,450
this million and you could dig the hole

504
00:25:42,920 --> 00:25:51,110
but that's what you'd have now it's a

505
00:25:47,450 --> 00:25:53,630
legislative prerogative to tell the

506
00:25:51,110 --> 00:25:56,660
state agencies where they'll be he asked

507
00:25:53,630 --> 00:26:00,500
who would have to be there we can direct

508
00:25:56,660 --> 00:26:02,240
them to be there by many many ways in

509
00:26:00,500 --> 00:26:03,910
this situation they're paying at the

510
00:26:02,240 --> 00:26:08,300
present time

511
00:26:03,910 --> 00:26:11,600
over a million dollars in rent in this

512
00:26:08,300 --> 00:26:12,200
particular area there are roads to the

513
00:26:11,600 --> 00:26:15,040
building

514
00:26:12,200 --> 00:26:19,280
there are several roads to the building

515
00:26:15,040 --> 00:26:22,550
part of the area can be moved and ample

516
00:26:19,280 --> 00:26:25,430
parking can be placed there there is a

517
00:26:22,550 --> 00:26:28,360
present at the present time a 5-story

518
00:26:25,430 --> 00:26:31,630
office building with the removal of

519
00:26:28,360 --> 00:26:34,040
removable removing of the other

520
00:26:31,630 --> 00:26:36,860
buildings that are located there there

521
00:26:34,040 --> 00:26:39,820
would be ample parking and mr. Speaker I

522
00:26:36,860 --> 00:26:41,840
move to table much bigger with geminal

523
00:26:39,820 --> 00:26:46,160
gentleman yielding floor mr. Peavey

524
00:26:41,840 --> 00:26:47,720
little deal with mr. peepers oh yes we

525
00:26:46,160 --> 00:26:50,120
do have a State Building Commission

526
00:26:47,720 --> 00:26:51,380
don't we yes sir we sure do that

527

00:26:50,120 --> 00:26:54,050
Building Commission is charged with

528
00:26:51,380 --> 00:26:56,450
responsibility of determining priority

529
00:26:54,050 --> 00:26:58,780
of projects and looking into projects

530
00:26:56,450 --> 00:27:01,179
does it not that's correct

531
00:26:58,780 --> 00:27:03,010
and possibly they would be a bland sir

532
00:27:01,179 --> 00:27:07,120
all the questions that you raised today

533
00:27:03,010 --> 00:27:09,370
but they don't like anybody's interested

534
00:27:07,120 --> 00:27:11,980
in giving us answers but we don't raise

535
00:27:09,370 --> 00:27:14,620
from anybody doing know so we sure know

536
00:27:11,980 --> 00:27:16,809
this this in my opinion is just

537
00:27:14,620 --> 00:27:18,940
something put up here is a political

538
00:27:16,809 --> 00:27:19,750
deal and are trading off and it's

539
00:27:18,940 --> 00:27:22,120
ridiculous

540
00:27:19,750 --> 00:27:23,799
now mr. Peavey so uh you know we we

541
00:27:22,120 --> 00:27:25,809
spent about two or three hours on this

542
00:27:23,799 --> 00:27:27,190
issue yesterday didn't we yes sir I'm

543
00:27:25,809 --> 00:27:29,200
not going to play with it again but I

544
00:27:27,190 --> 00:27:31,960
felt like the house or out these figures

545
00:27:29,200 --> 00:27:33,700
I looked in all the major newspapers of

546
00:27:31,960 --> 00:27:36,159
the state this morning to see if I could

547
00:27:33,700 --> 00:27:38,110
find us any reference to this particular

548
00:27:36,159 --> 00:27:39,280
item and I couldn't find it don't you

549
00:27:38,110 --> 00:27:41,710
think that's a little strange

550
00:27:39,280 --> 00:27:43,990
yes sir don't you think this is a

551
00:27:41,710 --> 00:27:46,390
newsworthy item that we're talking about

552
00:27:43,990 --> 00:27:49,179
start looking into I certainly do mr.

553
00:27:46,390 --> 00:27:50,799
ban I think if people take this then

554

00:27:49,179 --> 00:27:52,539
they go back here and just one other

555
00:27:50,799 --> 00:27:54,280
thing I don't know whether this is true

556
00:27:52,539 --> 00:27:56,740
or not but I've just had a member come

557
00:27:54,280 --> 00:27:59,020
up to me it says he talked with a man

558
00:27:56,740 --> 00:28:00,970
yesterday now I don't wear this to an

559
00:27:59,020 --> 00:28:03,010
art and just pass it on his hair site

560
00:28:00,970 --> 00:28:05,140
misfit he talked with a man yesterday

561
00:28:03,010 --> 00:28:07,990
the speaker that no I will not yield

562
00:28:05,140 --> 00:28:10,330
that he talked with a man yesterday that

563
00:28:07,990 --> 00:28:13,840
had been offered the Perry Shanker

564
00:28:10,330 --> 00:28:15,580
property for \$250,000 and this man went

565
00:28:13,840 --> 00:28:16,210
looked at the property and turned it

566
00:28:15,580 --> 00:28:20,289
down

567
00:28:16,210 --> 00:28:23,230
now I'm telling you something members we

568
00:28:20,289 --> 00:28:26,080
are making a terrible mistake here today

569
00:28:23,230 --> 00:28:27,669
and you're not living up to your own if

570
00:28:26,080 --> 00:28:31,750
you don't get the answers to the

571
00:28:27,669 --> 00:28:33,120
questions as to who's going to move into

572
00:28:31,750 --> 00:28:35,890
this building

573
00:28:33,120 --> 00:28:39,280
how much win are they paying at the

574
00:28:35,890 --> 00:28:41,320
present time how much where they play it

575
00:28:39,280 --> 00:28:43,150
at the present time and when they move

576
00:28:41,320 --> 00:28:46,920
into this building how much reader we're

577
00:28:43,150 --> 00:28:49,200
going to be saving mr. Baker

578
00:28:46,920 --> 00:28:51,909
[Music]

579
00:28:49,200 --> 00:28:55,419
jung-yoon gentleman yield Macmillan are

580
00:28:51,909 --> 00:28:57,730
you SP Berto would you restate those

581

00:28:55,419 --> 00:29:00,039
figures on the tax valuations that you

582
00:28:57,730 --> 00:29:01,950
had on the on the land I didn't I didn't

583
00:29:00,039 --> 00:29:06,730
catch the one you gave on the building

584
00:29:01,950 --> 00:29:08,980
yes in order on the land itself it's on

585
00:29:06,730 --> 00:29:10,490
the tax road at 70 and this is a new

586
00:29:08,980 --> 00:29:12,800
evaluation this year

587
00:29:10,490 --> 00:29:17,840
seventy seven thousand eight hundred

588
00:29:12,800 --> 00:29:19,429
twenty dollars alright and you stated a

589
00:29:17,840 --> 00:29:22,340
figure on the building what was that

590
00:29:19,429 --> 00:29:24,500
well these are the improvements there on

591
00:29:22,340 --> 00:29:27,559
the tax roll and they're being protested

592
00:29:24,500 --> 00:29:30,800
to at five hundred seventy eight

593
00:29:27,559 --> 00:29:32,720
thousand eight hundred dollars included

594
00:29:30,800 --> 00:29:34,220
in these improvements is this office

595
00:29:32,720 --> 00:29:38,179
building they've been talking about

596
00:29:34,220 --> 00:29:41,600
which is 65% depreciated according to

597
00:29:38,179 --> 00:29:45,140
the estimate it's on the tax roll it

598
00:29:41,600 --> 00:29:48,770
three dollars point oh six per square

599
00:29:45,140 --> 00:29:50,900
foot do you know a little something mr.

600
00:29:48,770 --> 00:29:54,679
Nalan about contracting I know a little

601
00:29:50,900 --> 00:29:56,990
something about buildings I know my own

602
00:29:54,679 --> 00:29:59,390
personal knowledge that you cannot buy

603
00:29:56,990 --> 00:30:00,830
and have installed good carpet for ten

604
00:29:59,390 --> 00:30:03,080
dollars per square foot

605
00:30:00,830 --> 00:30:05,030
much less renovate a building do you

606
00:30:03,080 --> 00:30:06,800
know what percentage of value mr. Biba's

607
00:30:05,030 --> 00:30:08,900
oh they are assessing on and this on

608

00:30:06,800 --> 00:30:13,490
this land and these improvements yes sir

609
00:30:08,900 --> 00:30:15,830
is the appraisal at 100% fair market

610
00:30:13,490 --> 00:30:17,570
value all right so that totals if my

611
00:30:15,830 --> 00:30:19,640
figures are correct about six hundred

612
00:30:17,570 --> 00:30:21,980
and fifty five thousand dollars well I

613
00:30:19,640 --> 00:30:23,630
had it at six hundred fifty six thousand

614
00:30:21,980 --> 00:30:27,050
you may be correct well that's just a

615
00:30:23,630 --> 00:30:29,170
general figure do you have any idea mr.

616
00:30:27,050 --> 00:30:31,820
P veto what kind of value that the

617
00:30:29,170 --> 00:30:35,000
taxable value is placed on say up a

618
00:30:31,820 --> 00:30:36,890
residence and no no it's my

619
00:30:35,000 --> 00:30:39,010
understanding that only appraisal

620
00:30:36,890 --> 00:30:42,800
they're trying to get fair market value

621
00:30:39,010 --> 00:30:45,679
mr. Nalan but I have not studied our

622
00:30:42,800 --> 00:30:48,770
process down there I do not know thank

623
00:30:45,679 --> 00:30:51,050
you but the owners do say that it's too

624
00:30:48,770 --> 00:30:53,179
high that it that there's a bad mistake

625
00:30:51,050 --> 00:30:56,390
on this shameful property have it Leland

626
00:30:53,179 --> 00:30:58,460
600 out you go mr. Ebert oh yes sir

627
00:30:56,390 --> 00:31:00,559
gentleman yield mr. Leland mr. Pedro you

628
00:30:58,460 --> 00:31:03,470
you referred to a rumor that you heard

629
00:31:00,559 --> 00:31:05,750
that the property was valued at how much

630
00:31:03,470 --> 00:31:06,860
the rumor I heard you know I'm not

631
00:31:05,750 --> 00:31:08,270
asking you to give a whole lot of

632
00:31:06,860 --> 00:31:10,370
credibility to that but I thought that

633
00:31:08,270 --> 00:31:13,250
the rumor was strong enough that the

634
00:31:10,370 --> 00:31:15,650
house are they aware of it that there

635

00:31:13,250 --> 00:31:18,460
was a person here yesterday says that

636
00:31:15,650 --> 00:31:21,200
this property was offered to him at

637
00:31:18,460 --> 00:31:22,299
\$250,000 that he went and looked at the

638
00:31:21,200 --> 00:31:23,889
property

639
00:31:22,299 --> 00:31:26,440
and he turned it down it was not

640
00:31:23,889 --> 00:31:27,909
purchase it for the 250,000 I don't know

641
00:31:26,440 --> 00:31:29,409
whether that's true or not and I was

642
00:31:27,909 --> 00:31:30,669
hearsay I already talked about the

643
00:31:29,409 --> 00:31:32,979
credibility of the room and you

644
00:31:30,669 --> 00:31:35,259
questioned the credibility question

645
00:31:32,979 --> 00:31:37,899
inside when when who did you hear the

646
00:31:35,259 --> 00:31:44,830
rumor from I heard it from another

647
00:31:37,899 --> 00:31:46,149
member who's a member you know he

648
00:31:44,830 --> 00:31:48,159
doesn't mind he obviously doesn't money

649
00:31:46,149 --> 00:31:52,570
was laughing on as the the people last

650
00:31:48,159 --> 00:31:53,019
night who's who's the member who was a

651
00:31:52,570 --> 00:31:57,399
member

652
00:31:53,019 --> 00:31:59,049
Wayne it was a member I don't know when

653
00:31:57,399 --> 00:32:00,639
he wants me to give his neighbor not

654
00:31:59,049 --> 00:32:10,690
shake your head one way I know that mr.

655
00:32:00,639 --> 00:32:12,459
grant all righty shook his head yes all

656
00:32:10,690 --> 00:32:13,779
right it was mr. grabbed it tell me the

657
00:32:12,459 --> 00:32:20,769
road it was mr. grant

658
00:32:13,779 --> 00:32:28,509
are you are you apprised are you miss

659
00:32:20,769 --> 00:32:31,649
miss mr. Pete oh yes are you ordered

660
00:32:28,509 --> 00:32:31,649
well taken and sustained

661
00:32:32,940 --> 00:32:37,299
that's Baby Doe sends up an amendment

662

00:32:35,349 --> 00:32:38,859
mr. Parker most stable question occurs

663
00:32:37,299 --> 00:32:40,419
on a motion to table all those in favor

664
00:32:38,859 --> 00:32:41,889
the most stable bowtie all those opposed

665
00:32:40,419 --> 00:32:44,429
to vote no it's a record vote the clerk

666
00:32:41,889 --> 00:32:44,429
arena Vale

667
00:33:05,760 --> 00:33:09,050
all members voted

668
00:33:10,690 --> 00:33:14,160
all I'm about it

669
00:33:26,480 --> 00:33:29,950
show about the Nugent voting aye

670
00:33:57,890 --> 00:34:03,530
there being 60 hours and 77 knows a

671
00:34:00,470 --> 00:34:05,330
motion to table fails parliamentary

672
00:34:03,530 --> 00:34:07,549
inquiry mr. speaker state you inquire

673
00:34:05,330 --> 00:34:11,629
mr. Garcia in the event the pivotal

674
00:34:07,549 --> 00:34:13,940
amendment is adopted and the \$1,000,000

675
00:34:11,629 --> 00:34:16,220
is set aside but the construction of the

676
00:34:13,940 --> 00:34:18,440
William B Travis there's a sufficient

677
00:34:16,220 --> 00:34:20,179
affirmative vote to do this is it

678
00:34:18,440 --> 00:34:23,330
possible to go back on a subsequent

679
00:34:20,179 --> 00:34:24,950
amendment and jerk this million dollars

680
00:34:23,330 --> 00:34:27,770
out of this William V private estate

681
00:34:24,950 --> 00:34:34,760
office building and place it on some

682
00:34:27,770 --> 00:34:36,379
other construction I don't think so I

683
00:34:34,760 --> 00:34:38,690
think they were tired at mr. in other

684
00:34:36,379 --> 00:34:40,820
words words once we vote in favor of the

685
00:34:38,690 --> 00:34:41,869
pivotal amendment those who desire to

686
00:34:40,820 --> 00:34:44,869
vote in that fashion

687
00:34:41,869 --> 00:34:45,859
it ties up that million dollars despite

688
00:34:44,869 --> 00:34:48,250
the fact that there's been no

689

00:34:45,859 --> 00:34:50,359
recommendation on the part of anybody to

690
00:34:48,250 --> 00:34:51,679
construct this women B tribe estate

691
00:34:50,359 --> 00:34:59,450
office burns that's correct

692
00:34:51,679 --> 00:35:01,430
Thank You mr. speaker mr. Reyes

693
00:34:59,450 --> 00:35:03,950
parliamentary inquiry state you inquire

694
00:35:01,430 --> 00:35:06,410
mr. Reyes under the following the same

695
00:35:03,950 --> 00:35:09,380
lines that mr. Garcia was mentioning

696
00:35:06,410 --> 00:35:11,240
while ago wouldn't at this at this point

697
00:35:09,380 --> 00:35:14,420
wouldn't substitutes to that amendment

698
00:35:11,240 --> 00:35:18,070
be available to change the pivot

699
00:35:14,420 --> 00:35:18,070
amendment yes that's correct

700
00:36:03,550 --> 00:36:06,659
[Music]

701
00:36:49,050 --> 00:36:56,980
mr. speaker just just a minute mr.

702
00:36:54,849 --> 00:36:58,869
Jensen for what purpose do you recognize

703
00:36:56,980 --> 00:37:02,349
me for emotion for the previous question

704
00:36:58,869 --> 00:37:03,910
not at this point mr. Dennison previous

705
00:37:02,349 --> 00:37:05,859
question on appropriation to be able to

706
00:37:03,910 --> 00:37:07,780
shortcut a lot of folks off oh no no

707
00:37:05,859 --> 00:37:10,119
previous question on the pivotal

708
00:37:07,780 --> 00:37:12,460
amendment we're fixing to have a vote on

709
00:37:10,119 --> 00:37:14,470
a pivot to amendment mr. you wouldn't

710
00:37:12,460 --> 00:37:16,420
want to cut parliamentary inquiry

711
00:37:14,470 --> 00:37:18,520
are there substitutes for the P veto

712
00:37:16,420 --> 00:37:19,089
amendment being offered at this time not

713
00:37:18,520 --> 00:37:23,260
at this time

714
00:37:19,089 --> 00:37:28,990
thank you chair recognizes mr. Sutton

715
00:37:23,260 --> 00:37:31,960
against the amendment mr. speaker and

716

00:37:28,990 --> 00:37:33,910
members members let's have a little

717
00:37:31,960 --> 00:37:43,690
order so we can listen to the debate on

718
00:37:33,910 --> 00:37:47,890
this bill mr. speaker and members we had

719
00:37:43,690 --> 00:37:53,380
this yesterday time and time again I did

720
00:37:47,890 --> 00:37:57,450
not take the microphone because I felt

721
00:37:53,380 --> 00:38:02,050
that the building itself the land itself

722
00:37:57,450 --> 00:38:06,030
could stand on its own Sigma this has

723
00:38:02,050 --> 00:38:12,099
become a political issue rather than one

724
00:38:06,030 --> 00:38:15,220
that deals with property now what Wow

725
00:38:12,099 --> 00:38:19,720
the reason I have offered this office

726
00:38:15,220 --> 00:38:26,980
building to this house and to the state

727
00:38:19,720 --> 00:38:31,450
of Texas for many reasons first it's in

728
00:38:26,980 --> 00:38:34,300
my district it's near downtown and San

729
00:38:31,450 --> 00:38:39,849
Antonio is no different from any other

730
00:38:34,300 --> 00:38:46,000
city in the state or in this nation

731
00:38:39,849 --> 00:38:48,820
downtown is rundown downtown all over

732
00:38:46,000 --> 00:38:55,680
this country all over the state has

733
00:38:48,820 --> 00:38:59,349
deteriorated this property is a good buy

734
00:38:55,680 --> 00:39:01,450
this is six and a half acres and I ask

735
00:38:59,349 --> 00:39:04,950
you where

736
00:39:01,450 --> 00:39:10,650
in any city certainly a metropolitan

737
00:39:04,950 --> 00:39:14,100
area can you buy six and a half acres

738
00:39:10,650 --> 00:39:18,220
for seven hundred and fifty thousand

739
00:39:14,100 --> 00:39:20,020
dollars now you can talk about what's on

740
00:39:18,220 --> 00:39:23,890
the tax roll I don't know what it's on

741
00:39:20,020 --> 00:39:25,480
the tax roll bar I know what my home is

742
00:39:23,890 --> 00:39:29,530
on the tax rolls

743

00:39:25,480 --> 00:39:34,980

I know but some other property is far

744

00:39:29,530 --> 00:39:42,550

and in San Antonio we evaluate property

745

00:39:34,980 --> 00:39:48,700

25 percent of its true value but I offer

746

00:39:42,550 --> 00:39:54,010

this building not only as a building for

747

00:39:48,700 --> 00:39:56,380

San Antonio but I envision that in the

748

00:39:54,010 --> 00:39:59,940

state of Texas will have to be like

749

00:39:56,380 --> 00:40:05,970

other states we're going to need

750

00:39:59,940 --> 00:40:11,740

regional offices and this location is

751

00:40:05,970 --> 00:40:15,760

only a block and a half from IH 37 which

752

00:40:11,740 --> 00:40:20,620

connects all the expressways in San

753

00:40:15,760 --> 00:40:24,630

Antonio and this building in time not

754

00:40:20,620 --> 00:40:29,940

only a little serve San Antonio but also

755

00:40:24,630 --> 00:40:34,870

parts of South Texas this is a dip bar

756

00:40:29,940 --> 00:40:39,310

I'm not going to belabor it I would not

757
00:40:34,870 --> 00:40:42,520
offer it if it were not a good bar and

758
00:40:39,310 --> 00:40:46,180
again I say this is six and a half acres

759
00:40:42,520 --> 00:40:49,750
is a very very accessible to the people

760
00:40:46,180 --> 00:40:52,840
it's one block from Houston Street a

761
00:40:49,750 --> 00:40:57,040
main artery one block from Commerce

762
00:40:52,840 --> 00:41:01,180
Street our main artery bus lines on both

763
00:40:57,040 --> 00:41:08,590
straights accessible to the people of

764
00:41:01,180 --> 00:41:11,789
San Antonio so my colleagues I offer you

765
00:41:08,590 --> 00:41:16,949
this and I certainly hope

766
00:41:11,789 --> 00:41:23,519
that you will do not me but the state of

767
00:41:16,949 --> 00:41:29,699
Texas are good by voting to bring this

768
00:41:23,519 --> 00:41:32,809
building to San Antonio Thank You mr.

769
00:41:29,699 --> 00:41:36,599
paper tow against them for the amendment

770

00:41:32,809 --> 00:41:38,759
mr. speaker members let me have your

771
00:41:36,599 --> 00:41:40,679
attention let me just visit with you a

772
00:41:38,759 --> 00:41:42,389
little bit about the arguments the

773
00:41:40,679 --> 00:41:45,659
arguments are they can tear down some

774
00:41:42,389 --> 00:41:47,639
buildings and make some parking space my

775
00:41:45,659 --> 00:41:50,069
friends how much is it going to cost to

776
00:41:47,639 --> 00:41:52,409
tear down the buildings rip up the

777
00:41:50,069 --> 00:41:54,749
foundation and put in parking space we

778
00:41:52,409 --> 00:41:58,169
don't know this and I'm not here telling

779
00:41:54,749 --> 00:41:59,909
you today that this is a good buy or bad

780
00:41:58,169 --> 00:42:02,249
Buy I don't know and you don't know

781
00:41:59,909 --> 00:42:03,959
either roar the pictures they haven't

782
00:42:02,249 --> 00:42:05,549
told you yet whether the pictures in the

783
00:42:03,959 --> 00:42:07,859
Capitol Complex or not and we're

784
00:42:05,549 --> 00:42:08,999
entitled to know that they had pictures

785
00:42:07,859 --> 00:42:10,919
here last year and they look so

786
00:42:08,999 --> 00:42:13,199
cotton-picking horrible they didn't

787
00:42:10,919 --> 00:42:15,389
bring them back for you to look at today

788
00:42:13,199 --> 00:42:17,759
no we're entitled to see those pictures

789
00:42:15,389 --> 00:42:19,139
were entitled to see some real estimates

790
00:42:17,759 --> 00:42:22,319
is what it's going to cost to renovate

791
00:42:19,139 --> 00:42:24,359
this place we're entitled to know how

792
00:42:22,319 --> 00:42:26,549
many of these offices that they've got

793
00:42:24,359 --> 00:42:29,579
really no long term contracts and how

794
00:42:26,549 --> 00:42:30,989
long it's going to take to get out of

795
00:42:29,579 --> 00:42:33,259
some of these are the builders into this

796
00:42:30,989 --> 00:42:36,029
building even it could be done for

797

00:42:33,259 --> 00:42:37,679
\$250,000 wait I'll to know where the

798
00:42:36,029 --> 00:42:40,079
carpet they plan on putting in in these

799
00:42:37,679 --> 00:42:42,239
buildings is stolen or purchased you

800
00:42:40,079 --> 00:42:44,369
know at \$10 a square foot to renovate a

801
00:42:42,239 --> 00:42:45,869
building that have to steal the carpet

802
00:42:44,369 --> 00:42:47,939
that will not either buy the carpet to

803
00:42:45,869 --> 00:42:51,239
put into the st. Mystere will gentleman

804
00:42:47,939 --> 00:42:55,889
yield not at this time I will just tell

805
00:42:51,239 --> 00:42:59,369
our rewards we do not know anything that

806
00:42:55,889 --> 00:43:01,859
any amateur businessman would want to

807
00:42:59,369 --> 00:43:05,819
know before he goes and buys a piece of

808
00:43:01,859 --> 00:43:07,589
property now they haven't come here and

809
00:43:05,819 --> 00:43:09,719
showed you any facts at all they haven't

810
00:43:07,589 --> 00:43:12,299
even showed showing you a plat they say

811
00:43:09,719 --> 00:43:15,299
there are roads leading to it I'm sure

812
00:43:12,299 --> 00:43:16,850
that there is but can you go by Jeep car

813
00:43:15,299 --> 00:43:18,860
automobile how you

814
00:43:16,850 --> 00:43:21,410
to get to utter these railroads or these

815
00:43:18,860 --> 00:43:22,970
are hard service roads now I'm getting a

816
00:43:21,410 --> 00:43:24,980
little bit ridiculous but I'm not doing

817
00:43:22,970 --> 00:43:27,320
any more ridiculous and they have been

818
00:43:24,980 --> 00:43:29,120
to you you're entitled to know these

819
00:43:27,320 --> 00:43:31,120
things if they really want to put an

820
00:43:29,120 --> 00:43:33,740
office building in downtown San Antonio

821
00:43:31,120 --> 00:43:37,120
they're less point of comity let's study

822
00:43:33,740 --> 00:43:39,710
it during their trip and let's find out

823
00:43:37,120 --> 00:43:41,990
I'll now you know mr. speaker you know

824

00:43:39,710 --> 00:43:44,270
when you admit the white there's big toe

825
00:43:41,990 --> 00:43:46,280
minute ago you made some remarks about

826
00:43:44,270 --> 00:43:49,220
who wants to go there you fern to state

827
00:43:46,280 --> 00:43:51,080
agencies when you said that save this a

828
00:43:49,220 --> 00:43:52,550
state office building yes sir

829
00:43:51,080 --> 00:43:54,050
you don't think mister peep-toe are we

830
00:43:52,550 --> 00:43:55,670
supposed to run a poll of the state

831
00:43:54,050 --> 00:43:58,910
agencies do you determine what they want

832
00:43:55,670 --> 00:44:01,160
mr. white I think yes I think we should

833
00:43:58,910 --> 00:44:02,840
taking consideration the needs of the

834
00:44:01,160 --> 00:44:04,880
state agencies the people they're going

835
00:44:02,840 --> 00:44:06,560
to serve whether in the right location

836
00:44:04,880 --> 00:44:08,900
you haven't told us this or any of the

837
00:44:06,560 --> 00:44:11,060
people that are far this amendment have

838
00:44:08,900 --> 00:44:13,100
not told us they're well do you even

839
00:44:11,060 --> 00:44:14,930
know Joe if they could break the

840
00:44:13,100 --> 00:44:16,520
contracts if they're in right now move

841
00:44:14,930 --> 00:44:17,780
into the bill and if we told them to do

842
00:44:16,520 --> 00:44:19,760
you know how much that would cost

843
00:44:17,780 --> 00:44:21,950
I don't you know I don't know how much

844
00:44:19,760 --> 00:44:23,780
we've written saying mr. let me ask you

845
00:44:21,950 --> 00:44:25,820
this question you know you talk about

846
00:44:23,780 --> 00:44:28,070
the people we are we trying to provide

847
00:44:25,820 --> 00:44:34,400
services in this a part of San Antonio

848
00:44:28,070 --> 00:44:37,190
where services need to be provided or

849
00:44:34,400 --> 00:44:39,620
have you thought that state agencies or

850
00:44:37,190 --> 00:44:41,180
to serve the people and at some times

851

00:44:39,620 --> 00:44:42,890
they ought to get out of those fancy

852
00:44:41,180 --> 00:44:44,810
office buildings if they've got all over

853
00:44:42,890 --> 00:44:49,640
San Antonio and down where they can do

854
00:44:44,810 --> 00:44:52,340
some good sometimes to answer your

855
00:44:49,640 --> 00:44:54,080
question I think that office building

856
00:44:52,340 --> 00:44:55,850
should be where they can serve the

857
00:44:54,080 --> 00:44:57,830
people and nobody has made a study

858
00:44:55,850 --> 00:44:59,570
nobody's come up here from this mic and

859
00:44:57,830 --> 00:45:01,010
says yes this is where the needs are and

860
00:44:59,570 --> 00:45:02,870
yes this is one of the people can be

861
00:45:01,010 --> 00:45:04,730
served let me tell you something this

862
00:45:02,870 --> 00:45:07,850
building they're trying to put off on

863
00:45:04,730 --> 00:45:09,710
you has a value right now 100% for our

864
00:45:07,850 --> 00:45:12,050
market they have three dollars and six

865
00:45:09,710 --> 00:45:15,230
centers square foot I would think that

866
00:45:12,050 --> 00:45:17,030
you would love to know to what this

867
00:45:15,230 --> 00:45:19,120
feeling can actually be purchased park

868
00:45:17,030 --> 00:45:21,830
it's been offered to one person for

869
00:45:19,120 --> 00:45:23,840
250,000 I don't know that but I'm enough

870
00:45:21,830 --> 00:45:25,440
of businessman to please my way on air

871
00:45:23,840 --> 00:45:26,670
with cash in my hand

872
00:45:25,440 --> 00:45:30,839
I could probably buy this building

873
00:45:26,670 --> 00:45:33,030
anywhere from 250,000 to 500,000 if he

874
00:45:30,839 --> 00:45:35,460
knows he's going to get Cash's hand I

875
00:45:33,030 --> 00:45:36,960
know darn good well that this building

876
00:45:35,460 --> 00:45:38,849
could be purchased somewhere in that

877
00:45:36,960 --> 00:45:41,609
neighborhood I'm a no businessman and

878

00:45:38,849 --> 00:45:43,530
nothing but made enough deals to be able

879
00:45:41,609 --> 00:45:46,609
to know what land and property can be

880
00:45:43,530 --> 00:45:51,060

881
00:45:46,609 --> 00:45:53,160

882
00:45:51,060 --> 00:45:54,810

886
00:45:59,099 --> 00:46:06,359
let's take it out right now I'm vote on

887

888
00:46:06,359 --> 00:46:09,869

following a momenta clerk will read the

951
00:55:33,029 --> 00:55:39,930
amendment amendment by Craddock I'm in

952
00:55:37,559 --> 00:55:43,109
the committee substitute for Senator Mr

953
00:55:39,930 --> 00:55:45,269
Craddock on his amendment mr. speaker

954
00:55:43,109 --> 00:55:47,039
members I think that we've had enough

955
00:55:45,269 --> 00:55:48,660
amendments trying to move it around and

956
00:55:47,039 --> 00:55:51,150
whether the properties worth the money

957
00:55:48,660 --> 00:55:52,859
and everything else please just listen

958
00:55:51,150 --> 00:55:54,960
to what my amendment does I think it's

959

00:55:52,859 --> 00:55:57,630
the solution I think it gets everybody

960
00:55:54,960 --> 00:55:59,309
out of the situation and whether or not

961
00:55:57,630 --> 00:56:03,089
this is worth the money or not

962
00:55:59,309 --> 00:56:05,759
and all this does is strike the million

963
00:56:03,089 --> 00:56:09,869
dollar figure and make it ten thousand

964
00:56:05,759 --> 00:56:12,150
dollars and and it for it to be used for

965
00:56:09,869 --> 00:56:13,559
an appraisal and evaluation of the

966
00:56:12,150 --> 00:56:15,839
property by the State Building

967
00:56:13,559 --> 00:56:18,539
Commission to determine what the

968
00:56:15,839 --> 00:56:21,749
property's worth whether it is usable

969
00:56:18,539 --> 00:56:23,430
for state offices and if it is and then

970
00:56:21,749 --> 00:56:25,470
the next session the legislature we can

971
00:56:23,430 --> 00:56:27,660
come back here and purchase it but let's

972
00:56:25,470 --> 00:56:29,819
find out what the property's worth we've

973
00:56:27,660 --> 00:56:31,680
had several people now because fee

974
00:56:29,819 --> 00:56:33,269
vetoes talked to one group people to say

975
00:56:31,680 --> 00:56:35,519
it's worth one thing we've got another

976
00:56:33,269 --> 00:56:37,380
group saying it's worth another and we

977
00:56:35,519 --> 00:56:39,839
have no ad no public hearing or

978
00:56:37,380 --> 00:56:42,390
testimony on it let's find out what the

979
00:56:39,839 --> 00:56:44,099
property's worth ten thousand dollars is

980
00:56:42,390 --> 00:56:46,829
more than adequate to have an appraisal

981
00:56:44,099 --> 00:56:49,109
done an evaluation done on the property

982
00:56:46,829 --> 00:56:51,839
and let's see what the property is worth

983
00:56:49,109 --> 00:56:53,670
if it can be renovated for the amount

984
00:56:51,839 --> 00:56:55,440
that we're talking about and we're

985
00:56:53,670 --> 00:56:56,789
talking about a hundred thousand square

986

00:56:55,440 --> 00:56:59,369
feet buildings they're going to tear

987
00:56:56,789 --> 00:57:01,619
down all but 25,000 square feet of it

988
00:56:59,369 --> 00:57:03,359
let's find out if this is practical or

989
00:57:01,619 --> 00:57:06,019
what and I move the adoption of

990
00:57:03,359 --> 00:57:06,019
amendment

991
00:57:08,270 --> 00:57:13,320
mr. Willis to speak against let's bigger

992
00:57:11,820 --> 00:57:15,680
members of house were you giving your

993
00:57:13,320 --> 00:57:18,090
attention for just a minute please

994
00:57:15,680 --> 00:57:19,770
members of the house we've been on this

995
00:57:18,090 --> 00:57:22,170
we've been on the shingle thing a

996
00:57:19,770 --> 00:57:26,490
shankel bill in here for about nine

997
00:57:22,170 --> 00:57:29,190
hours now I think that the legislative

998
00:57:26,490 --> 00:57:32,340
statute of limitations has run on this

999
00:57:29,190 --> 00:57:34,170
building now ladies and gentlemen I've

1000
00:57:32,340 --> 00:57:36,180
been in the legislature a long time and

1001
00:57:34,170 --> 00:57:37,440
I've always found at the the state

1002
00:57:36,180 --> 00:57:39,810
affairs committee of the very

1003
00:57:37,440 --> 00:57:41,130
conservative committee a lot of times I

1004
00:57:39,810 --> 00:57:43,830
haven't agreed with some of the things

1005
00:57:41,130 --> 00:57:45,840
you say representative represented but I

1006
00:57:43,830 --> 00:57:49,170
think that you and I and all of us will

1007
00:57:45,840 --> 00:57:51,540
agree that this committee recommended

1008
00:57:49,170 --> 00:57:53,760
that this building be bought now a

1009
00:57:51,540 --> 00:57:55,860
million dollars is not very much for a

1010
00:57:53,760 --> 00:57:58,160
building to be situated in the heart of

1011
00:57:55,860 --> 00:58:01,530
a metropolitan area at this day and time

1012
00:57:58,160 --> 00:58:04,170
we need a bearing and forward we need a

1013

00:58:01,530 --> 00:58:06,360
baron in Fort Worth to house the various

1014
00:58:04,170 --> 00:58:08,040
agencies of Texas state government and

1015
00:58:06,360 --> 00:58:10,080
if the Lord let's be live and I'll come

1016
00:58:08,040 --> 00:58:12,030
back next section I'm going to introduce

1017
00:58:10,080 --> 00:58:14,370
me off to have either a building place

1018
00:58:12,030 --> 00:58:17,400
in Tarrant County or in Dallas County

1019
00:58:14,370 --> 00:58:18,690
are between the two metropolitan area to

1020
00:58:17,400 --> 00:58:20,640
where we won't have to pay the

1021
00:58:18,690 --> 00:58:22,740
exorbitant rents that we're now playing

1022
00:58:20,640 --> 00:58:23,400
now we've been on is st. for about seven

1023
00:58:22,740 --> 00:58:25,890
or eight hours

1024
00:58:23,400 --> 00:58:28,110
we're on a nine or ten billion dollar

1025
00:58:25,890 --> 00:58:30,450
budget we don't have very much more time

1026
00:58:28,110 --> 00:58:32,490
now for heaven's sakes let's vote this

1027
00:58:30,450 --> 00:58:34,410
amendment down and get on with the

1028
00:58:32,490 --> 00:58:36,810
burden of this legislature because we've

1029
00:58:34,410 --> 00:58:39,270
got more important thing to do that just

1030
00:58:36,810 --> 00:58:42,870
keep on voting amendment amendment on an

1031
00:58:39,270 --> 00:58:44,520
agenda you and I mr. Willis I please

1032
00:58:42,870 --> 00:58:48,750
don't I want to clarify something with

1033
00:58:44,520 --> 00:58:50,280
you mr. Willis I know that if you want

1034
00:58:48,750 --> 00:58:52,050
to build an in Tarrant County you would

1035
00:58:50,280 --> 00:58:53,940
come to state affairs with your

1036
00:58:52,050 --> 00:58:55,830
witnesses and testimony isn't that

1037
00:58:53,940 --> 00:58:58,740
correct sir but I would not question the

1038
00:58:55,830 --> 00:59:00,990
integrity of my members of the

1039
00:58:58,740 --> 00:59:03,000
legislature human come forward and bring

1040

00:59:00,990 --> 00:59:08,160
witnesses and people to testify would

1041
00:59:03,000 --> 00:59:10,740
you not but would you sir I would use

1042
00:59:08,160 --> 00:59:12,780
whatever honorable devise that I could

1043
00:59:10,740 --> 00:59:15,570
watch to secure these

1044
00:59:12,780 --> 00:59:17,910
I am a member of state affairs and do

1045
00:59:15,570 --> 00:59:20,609
you know we never even had a hearing on

1046
00:59:17,910 --> 00:59:22,619
this that this this money was

1047
00:59:20,609 --> 00:59:25,109
recommended by state affairs without a

1048
00:59:22,619 --> 00:59:26,940
hearing it was recommended after we had

1049
00:59:25,109 --> 00:59:29,430
already sent our transmittal letter to

1050
00:59:26,940 --> 00:59:31,470
the appropriative to the appropriations

1051
00:59:29,430 --> 00:59:33,210
committee it was brought back up on a

1052
00:59:31,470 --> 00:59:35,520
motion to reconsider that later

1053
00:59:33,210 --> 00:59:37,859
there was never testimony taken there

1054
00:59:35,520 --> 00:59:40,680
was no witnesses there was no affidavits

1055
00:59:37,859 --> 00:59:42,480
nothing was presented except we got to

1056
00:59:40,680 --> 00:59:45,480
do this for mr. Sutton and that's the

1057
00:59:42,480 --> 00:59:47,520
only thing that was ever said at after

1058
00:59:45,480 --> 00:59:49,290
you at the state affairs committee you

1059
00:59:47,520 --> 00:59:51,570
wouldn't do that you wouldn't dare

1060
00:59:49,290 --> 00:59:54,000
demean yourself or bring down your

1061
00:59:51,570 --> 00:59:56,490
legislative integrity to that amount in

1062
00:59:54,000 --> 00:59:58,890
order to get a bill our building in San

1063
00:59:56,490 --> 01:00:00,690
Antone Dora you wouldn't do it and I ask

1064
00:59:58,890 --> 01:00:03,180
you to stay with us and not do it now

1065
01:00:00,690 --> 01:00:04,770
mr. Spurlock before I let me say to you

1066
01:00:03,180 --> 01:00:06,630
I know you're one of the finest and most

1067

01:00:04,770 --> 01:00:07,890
honorable members of legislature but

1068
01:00:06,630 --> 01:00:09,599
I've been on the Appropriations

1069
01:00:07,890 --> 01:00:11,490
Committee and I have helped insert

1070
01:00:09,599 --> 01:00:13,680
things into the appropriation bill

1071
01:00:11,490 --> 01:00:16,170
that did not come out of a committee on

1072
01:00:13,680 --> 01:00:17,849
many many occasions speaker and I think

1073
01:00:16,170 --> 01:00:22,190
this building is going to be located in

1074
01:00:17,849 --> 01:00:24,690
a black community and it's needed and I

1075
01:00:22,190 --> 01:00:27,000
personally I'd like to see it put there

1076
01:00:24,690 --> 01:00:31,380
because I'll tell you I I don't always

1077
01:00:27,000 --> 01:00:37,710
agree with the minority will be an

1078
01:00:31,380 --> 01:00:40,250
addition what I'm trying to say on just

1079
01:00:37,710 --> 01:00:40,250
one second

1080
01:00:40,349 --> 01:00:45,540
mr. patron and members of the house we

1081
01:00:43,500 --> 01:00:47,640
talk a lot about minorities and wanting

1082
01:00:45,540 --> 01:00:49,680
to help them this is going to be this

1083
01:00:47,640 --> 01:00:54,780
building is going to be placed in a

1084
01:00:49,680 --> 01:00:57,390
minority area and I don't resent what

1085
01:00:54,780 --> 01:00:58,859
mr. Spurlock said but I'm not meant to

1086
01:00:57,390 --> 01:01:00,810
supplement I want to say that I said

1087
01:00:58,859 --> 01:01:03,930
right in front of mr. Sutton and he has

1088
01:01:00,810 --> 01:01:06,390
never one single time happy will you

1089
01:01:03,930 --> 01:01:07,920
please vote for them because it I'm

1090
01:01:06,390 --> 01:01:09,869
nearly or something like that he's

1091
01:01:07,920 --> 01:01:11,910
always presented it to me on the base it

1092
01:01:09,869 --> 01:01:13,650
was a good buy and I think it is a good

1093
01:01:11,910 --> 01:01:16,320
buy but demanding I think we ought to do

1094

01:01:13,650 --> 01:01:16,670
let's vote it up or down and get on with

1095
01:01:16,320 --> 01:01:22,549
our

1096
01:01:16,670 --> 01:01:24,980
picking business are you mr. Willis in

1097
01:01:22,549 --> 01:01:27,109
line of course I noticed the state

1098
01:01:24,980 --> 01:01:29,359
affairs I just in many cases we haven't

1099
01:01:27,109 --> 01:01:32,030
had hearings on bills in other words in

1100
01:01:29,359 --> 01:01:33,890
expediency we don't always take the time

1101
01:01:32,030 --> 01:01:38,020
I mean we've done that but let me ask

1102
01:01:33,890 --> 01:01:41,869
you this as far as the business

1103
01:01:38,020 --> 01:01:43,869
intelligence and efficiency approach if

1104
01:01:41,869 --> 01:01:46,309
we could adopt a very intelligent

1105
01:01:43,869 --> 01:01:48,829
philosophical approach on state office

1106
01:01:46,309 --> 01:01:50,599
buildings instead of paying two years go

1107
01:01:48,829 --> 01:01:52,430
begging go back and repeat that Life

1108
01:01:50,599 --> 01:01:54,829
Center fact I say if we would sit down

1109
01:01:52,430 --> 01:01:56,450
and take two days to figure out where we

1110
01:01:54,829 --> 01:01:59,089
could put state office buildings and

1111
01:01:56,450 --> 01:02:00,799
advertise them a corporation would not

1112
01:01:59,089 --> 01:02:03,440
do business the way the state's doing

1113
01:02:00,799 --> 01:02:05,990
business over these two year lease in

1114
01:02:03,440 --> 01:02:06,619
one day would never get through next

1115
01:02:05,990 --> 01:02:08,750
Christmas

1116
01:02:06,619 --> 01:02:10,730
and and this has been fought but someday

1117
01:02:08,750 --> 01:02:12,140
we'll do this and I think San Antonio

1118
01:02:10,730 --> 01:02:17,420
would be a good pilot program though to

1119
01:02:12,140 --> 01:02:18,920
you I certainly do yeah - I yield mr.

1120
01:02:17,420 --> 01:02:20,480

1121

01:02:18,920 --> 01:02:22,819

1122

01:02:20,480 --> 01:02:25,339

mr. Spurlock sustained a head injury the

1123

01:02:22,819 --> 01:02:26,900

other day on a canoe trip a wire what a

1124

01:02:25,339 --> 01:02:29,630

head injury on a canoe trip

1125

01:02:26,900 --> 01:02:31,579

well no no you're not gonna get me cross

1126

01:02:29,630 --> 01:02:33,829

why I ever been to Spurlock maybe you

1127

01:02:31,579 --> 01:02:35,240

want the ride are you also aware of the

1128

01:02:33,829 --> 01:02:38,930

fact that the chairman of the state

1129

01:02:35,240 --> 01:02:40,579

affairs committee with San Antonio Reyes

1130

01:02:38,930 --> 01:02:42,710

Coast point of order gentlemen time

1131

01:02:40,579 --> 01:02:45,170

1132

01:02:42,710 --> 01:02:46,579

hope you vote this amendment down I've

1133

01:02:45,170 --> 01:02:48,490

moved the table and let's get on with

1134

01:02:46,579 --> 01:02:50,930

our legislative finish mr. picker

1135
01:02:48,490 --> 01:02:52,520
pulmonary inquiry stage inquire mr. Lane

1136
01:02:50,930 --> 01:02:54,440
would it be against the house rules for

1137
01:02:52,520 --> 01:02:55,760
me to recognize Reverend Don mines and

1138
01:02:54,440 --> 01:02:57,170
his family who are missionaries from

1139
01:02:55,760 --> 01:02:58,730
Argentina sitting right up here on the

1140
01:02:57,170 --> 01:03:00,790
gallery we're pleased to have them with

1141
01:02:58,730 --> 01:03:00,790

1142
01:03:02,079 --> 01:03:07,130
chair recognize miss Craddock mr.

1143
01:03:05,270 --> 01:03:11,750
penguin gentlemen yo I yield the

1144
01:03:07,130 --> 01:03:13,579
gentleman yield must be bateau Mr

1145
01:03:11,750 --> 01:03:15,440
Craddock are you aware that I just got

1146
01:03:13,579 --> 01:03:17,630
through talking with the American

1147
01:03:15,440 --> 01:03:20,150
Institute of Real Estate Appraisers in

1148

01:03:17,630 --> 01:03:23,210
San Antonio but said clear mr. George

1149
01:03:20,150 --> 01:03:25,819
Frank's to give me permission to use his

1150
01:03:23,210 --> 01:03:27,630
name and he is a member of the American

1151
01:03:25,819 --> 01:03:30,750
Institute of Real Estate Appraisers

1152
01:03:27,630 --> 01:03:34,140
practicing located in San Antonio and he

1153
01:03:30,750 --> 01:03:36,960
was appalled appalled that this

1154
01:03:34,140 --> 01:03:39,230
legislature is considering buying that

1155
01:03:36,960 --> 01:03:42,000
piece of property without at least

1156
01:03:39,230 --> 01:03:45,960
without at least getting appraisal right

1157
01:03:42,000 --> 01:03:48,390
on the property mr. P veto all my

1158
01:03:45,960 --> 01:03:50,580
amendment does is ask that the State

1159
01:03:48,390 --> 01:03:53,970
Building Commission who's in charge of

1160
01:03:50,580 --> 01:03:56,510
this conduct an appraisal find out what

1161
01:03:53,970 --> 01:03:59,120
the property's worth it doesn't I'm

1162
01:03:56,510 --> 01:04:02,130
Jimmy I know what the property is worth

1163
01:03:59,120 --> 01:04:03,990
give us an appraisal report back to us

1164
01:04:02,130 --> 01:04:05,850
and tell us what it's worth if the

1165
01:04:03,990 --> 01:04:08,070
property's worth this money we can buy

1166
01:04:05,850 --> 01:04:10,230
it if we need it they can tell us we

1167
01:04:08,070 --> 01:04:14,040
need it and we can purchase it at that

1168
01:04:10,230 --> 01:04:16,800
time I'm laying the property I'm gonna

1169
01:04:14,040 --> 01:04:19,110
finish you much credit I'm not saying we

1170
01:04:16,800 --> 01:04:21,390
do or do not need the property but we've

1171
01:04:19,110 --> 01:04:22,580
had no public hearing on it we have no

1172
01:04:21,390 --> 01:04:25,410
idea what it's worth

1173
01:04:22,580 --> 01:04:28,440
obviously some appraisers mr. Peavey Joe

1174
01:04:25,410 --> 01:04:30,090
just talked to one they don't feel like

1175

01:04:28,440 --> 01:04:32,730
it's worth this amount of money I think

1176
01:04:30,090 --> 01:04:36,000
that yeah in a good conscience of people

1177
01:04:32,730 --> 01:04:37,890
in this Legislature should at least go

1178
01:04:36,000 --> 01:04:40,650
out and try and find out what it's worth

1179
01:04:37,890 --> 01:04:42,720
before we spend 1 million dollars how

1180
01:04:40,650 --> 01:04:45,480
much it caught it's got a cost to redo

1181
01:04:42,720 --> 01:04:48,300
it remodel it and whether or not we can

1182
01:04:45,480 --> 01:04:51,090
do it for that people around here for

1183
01:04:48,300 --> 01:04:55,200
not finishing it I may not if you keep

1184
01:04:51,090 --> 01:04:57,900
interrupting me and I think it it's it's

1185
01:04:55,200 --> 01:05:00,210
time that we that we look at this thing

1186
01:04:57,900 --> 01:05:02,250
from a practical viewpoint in a business

1187
01:05:00,210 --> 01:05:04,500
viewpoint and that's a let's get an

1188
01:05:02,250 --> 01:05:06,660
appraisal how many of you would go to

1189
01:05:04,500 --> 01:05:08,640
buy a piece of property in your business

1190
01:05:06,660 --> 01:05:10,650
without ever going in looking at it

1191
01:05:08,640 --> 01:05:13,170
without having anyone look at it that

1192
01:05:10,650 --> 01:05:14,490
was aware of what the situation was or

1193
01:05:13,170 --> 01:05:16,500
without appraising that piece of

1194
01:05:14,490 --> 01:05:19,320
property I don't think any of you would

1195
01:05:16,500 --> 01:05:21,600
and all my amendment does is that is

1196
01:05:19,320 --> 01:05:23,310
appropriate ten thousand dollars so that

1197
01:05:21,600 --> 01:05:29,460
can be done now I'll be glad to yield

1198
01:05:23,310 --> 01:05:30,690
mr. speaker miss Thompson gentleman Mr

1199
01:05:29,460 --> 01:05:33,000
Craddock you know whether or not this

1200
01:05:30,690 --> 01:05:35,160
person who gave us information as pivot

1201
01:05:33,000 --> 01:05:36,690
row was probably upset because he or

1202

01:05:35,160 --> 01:05:38,580
some of his friends didn't make a real

1203
01:05:36,690 --> 01:05:39,030
estate fee off of this property I have

1204
01:05:38,580 --> 01:05:41,550
no I

1205
01:05:39,030 --> 01:05:43,530
but I'm getting \$10,000 to let somebody

1206
01:05:41,550 --> 01:05:44,760
make a feel and at least we're going to

1207
01:05:43,530 --> 01:05:46,650
have a chance to find out what the

1208
01:05:44,760 --> 01:05:49,050
property's worth and as is today I

1209
01:05:46,650 --> 01:05:50,610
haven't seen anybody present one nickels

1210
01:05:49,050 --> 01:05:53,490
worth of facts that it's worth a dollar

1211
01:05:50,610 --> 01:05:57,560
I asked you to vote no on the motion to

1212
01:05:53,490 --> 01:05:59,760
table Mr Craddock sent up an amendment

1213
01:05:57,560 --> 01:06:01,710
mr. Parker moves table

1214
01:05:59,760 --> 01:06:03,390
mr. Willis moved to table the question

1215
01:06:01,710 --> 01:06:05,040
occurs on a motion to table all those in

1216
01:06:03,390 --> 01:06:06,600
favor the most stable vote iolo's poll

1217
01:06:05,040 --> 01:06:08,670
to vote no it's a record vote to clerk a

1218
01:06:06,600 --> 01:06:11,040
ring the bell strict enforcement call

1219
01:06:08,670 --> 01:06:13,790
for a strict enforcement granting vote

1220
01:06:11,040 --> 01:06:13,790
from you - members

1221
01:06:22,329 --> 01:06:26,230
if fellow members voted

1222
01:06:33,740 --> 01:06:42,049
all members voted so much daily get

1223
01:06:37,859 --> 01:06:42,049
voting on of all members voted

1224
01:06:45,540 --> 01:06:49,040
she'll mention idiot voting I

1225
01:07:14,380 --> 01:07:20,650
having 72,000 69 nose the motion to

1226
01:07:17,500 --> 01:07:24,850
table prevails falling a moment to click

1227
01:07:20,650 --> 01:07:28,960
delete amendment amendment by close I

1228
01:07:24,850 --> 01:07:31,630
mean to close on his amendment mr.

1229

01:07:28,960 --> 01:07:34,630
speaker and members I offer you a

1230
01:07:31,630 --> 01:07:36,400
compromise on this property I don't know

1231
01:07:34,630 --> 01:07:39,100
whether the state of Texas should be

1232
01:07:36,400 --> 01:07:41,110
getting into the real estate business in

1233
01:07:39,100 --> 01:07:44,800
San Antonio or not at this time

1234
01:07:41,110 --> 01:07:46,690
I have some questions about some of the

1235
01:07:44,800 --> 01:07:49,150
arguments that have been presented and

1236
01:07:46,690 --> 01:07:51,970
about the property so I offer you less

1237
01:07:49,150 --> 01:07:54,790
off from \$500,000 for the property and

1238
01:07:51,970 --> 01:07:57,310
if we get into the property bid in San

1239
01:07:54,790 --> 01:07:59,380
Antonio let's get in for bargain this

1240
01:07:57,310 --> 01:08:02,260
amendment would amend the committee

1241
01:07:59,380 --> 01:08:04,750
substitute by inserting the some 500,000

1242
01:08:02,260 --> 01:08:11,830
in place of 1 million dollars and I

1243
01:08:04,750 --> 01:08:15,430
moved its adoption mr. parker posey

1244
01:08:11,830 --> 01:08:19,780
amendment mr. speaker and members the

1245
01:08:15,430 --> 01:08:26,130
effect of mr. closes amendment would be

1246
01:08:19,780 --> 01:08:26,130
that just a man let me get up

1247
01:08:28,709 --> 01:08:33,929
it would be below the amount that that

1248
01:08:31,889 --> 01:08:36,119
we anticipate that it would cause to

1249
01:08:33,929 --> 01:08:38,819
purchase a building plus the fact that

1250
01:08:36,119 --> 01:08:40,949
we have two hundred and fifty thousand

1251
01:08:38,819 --> 01:08:42,749
dollars set in there for the renovation

1252
01:08:40,949 --> 01:08:45,299
I think we've been over this time and

1253
01:08:42,749 --> 01:08:49,619
time again and I'm just gonna ask you to

1254
01:08:45,299 --> 01:08:52,289
vote the table mr. closes motion to

1255
01:08:49,619 --> 01:08:53,400
close close on his amendment I think

1256

01:08:52,289 --> 01:08:56,099
we've been through it and you've heard

1257
01:08:53,400 --> 01:08:57,630
the arguments I say let's let's give

1258
01:08:56,099 --> 01:08:59,549
them an offer of five hundred thousand

1259
01:08:57,630 --> 01:09:01,109
dollars and let it go if it's really not

1260
01:08:59,549 --> 01:09:02,489
a political issue if it's really not all

1261
01:09:01,109 --> 01:09:05,219
that important for us to buy this

1262
01:09:02,489 --> 01:09:07,259
particular property at its particular

1263
01:09:05,219 --> 01:09:08,939
location then let's get into the real

1264
01:09:07,259 --> 01:09:11,099
estate business at a bargain there's no

1265
01:09:08,939 --> 01:09:13,289
appraisal there's no contracts been

1266
01:09:11,099 --> 01:09:15,359
testified to and I think there's serious

1267
01:09:13,289 --> 01:09:18,119
doubts about this property let's do a

1268
01:09:15,359 --> 01:09:19,920
compromise here and and won't you be

1269
01:09:18,119 --> 01:09:22,319
happy if we get this property which is

1270
01:09:19,920 --> 01:09:25,319
very much needed in San Antonio for this

1271
01:09:22,319 --> 01:09:26,880
amount of money move its adoption it's

1272
01:09:25,319 --> 01:09:28,109
closed end up in a moment mr. Parker

1273

1277
01:09:32,989 --> 01:09:36,859
Joe mentioned Nugent voting aye

1278
01:09:45,280 --> 01:09:49,000
have all members voted

1279
01:09:52,709 --> 01:09:55,999
all members voted

1280
01:10:19,599 --> 01:10:31,880
she'll meteo voting at Joe meta Moreno

1282
01:10:31,880 --> 01:10:41,329
voting no so much the hill you're voting

1283

01:10:36,440 --> 01:10:43,449
on Joe Metro Kelly voting no instead of

1284
01:10:41,329 --> 01:10:43,449
I

1285
01:10:57,119 --> 01:11:02,250
they're being 66 eyes and 73 nose one

1286
01:11:00,179 --> 01:11:04,940
Brenda not voting the motion to table

1287
01:11:02,250 --> 01:11:04,940
fails

1288
01:11:37,250 --> 01:11:42,440
let's partner on it a poet in opposition

1289
01:11:40,320 --> 01:11:45,710
to the amendment mr. speaker and members

1290
01:11:42,440 --> 01:11:49,140
the amount that we have set in here

1291
01:11:45,710 --> 01:11:51,630
\$500,000 as I reiterated to you before

1292
01:11:49,140 --> 01:11:56,010
will not be enough to purchase the

1293
01:11:51,630 --> 01:11:59,070
building it will not be enough to do any

1294
01:11:56,010 --> 01:12:01,470
type of renovation on the building this

1295
01:11:59,070 --> 01:12:03,500
amendment if it's placed in there would

1296
01:12:01,470 --> 01:12:05,910
just be in essence in killing the

1297
01:12:03,500 --> 01:12:14,520
killing the bill and we voted on that

1298
01:12:05,910 --> 01:12:16,320
for many times and I would ask you mr.

1299
01:12:14,520 --> 01:12:19,590
Parker do you have any direct knowledge

1300
01:12:16,320 --> 01:12:22,950
that this money won't buy well let me

1301
01:12:19,590 --> 01:12:26,040
say this cam if you take the square

1302
01:12:22,950 --> 01:12:29,520
footage that is there six and a half

1303
01:12:26,040 --> 01:12:32,790
acres and divide it into the purchase

1304
01:12:29,520 --> 01:12:35,630
price of 750,000 that figures out about

1305
01:12:32,790 --> 01:12:38,880
two dollars and 64 cents a square foot

1306
01:12:35,630 --> 01:12:41,550
located right close to the downtown area

1307
01:12:38,880 --> 01:12:44,280
and and I feel like you don't have any

1308
01:12:41,550 --> 01:12:46,200
direct knowledge that it won't buy no no

1309
01:12:44,280 --> 01:12:49,470
sir I could say that I do not have that

1310

01:12:46,200 --> 01:12:52,850
knowledge I would ask you to vote no

1311
01:12:49,470 --> 01:12:55,230
against the closed amendment for

1312
01:12:52,850 --> 01:12:58,130
\$500,000 Jerry recognize mr. close on

1313
01:12:55,230 --> 01:13:01,620
his amendment mr. speaker and members

1314
01:12:58,130 --> 01:13:04,830
I'm convinced that San Antonio needs

1315
01:13:01,620 --> 01:13:07,470
some office space but I'm not convinced

1316
01:13:04,830 --> 01:13:09,600
from the from what's been said from this

1317
01:13:07,470 --> 01:13:11,070
microphone the back mark that this has

1318
01:13:09,600 --> 01:13:12,900
been approached in the proper manner

1319
01:13:11,070 --> 01:13:14,910
there's no appraisal then made of the

1320
01:13:12,900 --> 01:13:16,800
property that I'm aware of I haven't

1321
01:13:14,910 --> 01:13:19,020
heard anything said about a contract or

1322
01:13:16,800 --> 01:13:20,610
an option to purchase we have

1323
01:13:19,020 --> 01:13:23,040
insufficient knowledge about the

1324
01:13:20,610 --> 01:13:26,910
property and I would draw your attention

1325
01:13:23,040 --> 01:13:28,760
to the fact that 5b on page 3 32 says

1326
01:13:26,910 --> 01:13:31,530
nothing about renovating the property

1327
01:13:28,760 --> 01:13:33,770
all it says is acquisition of the

1328
01:13:31,530 --> 01:13:36,360
Prairie shankle property and San Antonio

1329
01:13:33,770 --> 01:13:38,610
\$1,000,000 now to me that means a

1330
01:13:36,360 --> 01:13:41,880
million dollars for the purchase I would

1331
01:13:38,610 --> 01:13:44,340
suggest to you that let's compromise

1332
01:13:41,880 --> 01:13:45,990
let's offer a reasonable price so it's

1333
01:13:44,340 --> 01:13:48,429
cut it in half like we do in my country

1334
01:13:45,990 --> 01:13:50,829
and make this type of an offer

1335
01:13:48,429 --> 01:13:55,869
thousand dollars and I move the adoption

1336
01:13:50,829 --> 01:13:59,590
of this amendment mr. speaker mr.

1337

01:13:55,869 --> 01:14:01,689
speaker mr. Bamberger gentlemen it's

1338
01:13:59,590 --> 01:14:05,559
closed gentleman yield mr. Romberg

1339
01:14:01,689 --> 01:14:06,880
miss close I am from San Antonio and I

1340
01:14:05,559 --> 01:14:10,389
have been in the real estate business

1341
01:14:06,880 --> 01:14:13,599
for the past 15 years and I do know

1342
01:14:10,389 --> 01:14:15,670
values of property and I think I know as

1343
01:14:13,599 --> 01:14:17,229
much as these experts like what's the

1344
01:14:15,670 --> 01:14:19,269
people dough from another area of the

1345
01:14:17,229 --> 01:14:23,219
state to some of the other guys do I

1346
01:14:19,269 --> 01:14:27,849
think the property is well worth it I've

1347
01:14:23,219 --> 01:14:29,999
appraised property I've appeared as it

1348
01:14:27,849 --> 01:14:33,429
used to serve as a condemnation

1349
01:14:29,999 --> 01:14:37,030
Commissioner and in that sell real

1350
01:14:33,429 --> 01:14:38,979
estate in all fields and I just want you

1351
01:14:37,030 --> 01:14:41,920
to know don't be misled by some of these

1352
01:14:38,979 --> 01:14:43,659
people that's their so-called experts

1353
01:14:41,920 --> 01:14:46,239
and tell you what our property is worth

1354
01:14:43,659 --> 01:14:47,559
Santonio Thank You mr. Graham Berger

1355
01:14:46,239 --> 01:14:51,219
I've got a lot of confidence in you but

1356
01:14:47,559 --> 01:14:52,510
I for purchasing this amount amount of

1357
01:14:51,219 --> 01:14:54,459
million dollars worth of property it'd

1358
01:14:52,510 --> 01:14:55,929
be hard to just find my district unless

1359
01:14:54,459 --> 01:14:57,579
you have an appraisal about this

1360
01:14:55,929 --> 01:14:59,590
industry to praise my speaker Jim

1361
01:14:57,579 --> 01:15:01,659
O'Neill are you mr. gentleman yield

1362
01:14:59,590 --> 01:15:03,729
let's move at all are you know why I

1363
01:15:01,659 --> 01:15:06,189
just call another real estate agent in

1364

01:15:03,729 --> 01:15:08,709
San Antonio thanks this is ridiculous

1365
01:15:06,189 --> 01:15:10,959
who says it costs more to renovate the

1366
01:15:08,709 --> 01:15:12,189
property and get it in usable space and

1367
01:15:10,959 --> 01:15:15,670
what we're paying for it

1368
01:15:12,189 --> 01:15:17,289
the \$750,000 says it would cost more to

1369
01:15:15,670 --> 01:15:20,110
get it in shape to where it could be

1370
01:15:17,289 --> 01:15:22,659
used for office space I found out also

1371
01:15:20,110 --> 01:15:24,639
the name of the person that this

1372
01:15:22,659 --> 01:15:26,530
property is listed with his name is

1373
01:15:24,639 --> 01:15:29,439
Frank Gonzalez he's had it listed for

1374
01:15:26,530 --> 01:15:31,030
quite a while has not sold it mr. katsas

1375
01:15:29,439 --> 01:15:33,639
over telephone we'll find out how much

1376
01:15:31,030 --> 01:15:35,650
cash money it actual take part this

1377
01:15:33,639 --> 01:15:37,570
house better wake up what we're doing

1378
01:15:35,650 --> 01:15:39,760
and let's find out the state is getting

1379
01:15:37,570 --> 01:15:42,639
taking it on the chin and we need to

1380
01:15:39,760 --> 01:15:49,599
find out it leads one to sell it to mr.

1381
01:15:42,639 --> 01:15:51,220
Castro over here for ya but Dillon use

1382
01:15:49,599 --> 01:15:53,380
the thought of well I think you made it

1383
01:15:51,220 --> 01:15:55,810
very perceptive observation a moment ago

1384
01:15:53,380 --> 01:15:57,640
that the house are to think about - hey

1385
01:15:55,810 --> 01:15:59,500
and you said while they're talking about

1386
01:15:57,640 --> 01:16:01,480
seven hundred and fifty thousand dollars

1387
01:15:59,500 --> 01:16:03,280
for purchase and and the remainder for

1388
01:16:01,480 --> 01:16:05,350
renovation there's not a thing in the

1389
01:16:03,280 --> 01:16:07,210
world in this appropriations bill that

1390
01:16:05,350 --> 01:16:09,520
would that would prohibit them from

1391

01:16:07,210 --> 01:16:14,530
paying a full million dollars for this

1392
01:16:09,520 --> 01:16:16,900
property is it I'm sorry I didn't hear

1393
01:16:14,530 --> 01:16:18,790
oh my question I know mr. Collard was

1394
01:16:16,900 --> 01:16:20,890
talking to you I said I thought you made

1395
01:16:18,790 --> 01:16:22,780
a perceptive observation this

1396
01:16:20,890 --> 01:16:24,520
appropriation bill appropriates a

1397
01:16:22,780 --> 01:16:25,870
million dollars for purchase doesn't

1398
01:16:24,520 --> 01:16:27,850
acquisition it says nothing about

1399
01:16:25,870 --> 01:16:29,790
remodeling and there's not a thing in

1400
01:16:27,850 --> 01:16:32,170
the world that would prevent the

1401
01:16:29,790 --> 01:16:33,850
building commission from going down and

1402
01:16:32,170 --> 01:16:35,980
paying a million dollars and said that

1403
01:16:33,850 --> 01:16:39,700
the house authorized it by appropriation

1404
01:16:35,980 --> 01:16:41,500
bill that's absolutely correct and if we

1405
01:16:39,700 --> 01:16:45,220
had wanted to control the amount that we

1406
01:16:41,500 --> 01:16:46,780
were going to pay to \$750,000 wouldn't

1407
01:16:45,220 --> 01:16:48,760
it have been proper to put that in the

1408
01:16:46,780 --> 01:16:54,580
appropriation bill in another line item

1409
01:16:48,760 --> 01:16:56,500
for repair yeah yes sir I've I'm sorry I

1410
01:16:54,580 --> 01:16:59,500
had a little all right here I said if we

1411
01:16:56,500 --> 01:17:02,350
if we wanted to pay \$750,000 in the

1412
01:16:59,500 --> 01:17:05,350
remainder for repair we should have made

1413
01:17:02,350 --> 01:17:06,820
that clearly obvious by the language in

1414
01:17:05,350 --> 01:17:07,300
the appropriation bill isn't that

1415
01:17:06,820 --> 01:17:09,700
correct

1416
01:17:07,300 --> 01:17:11,290
i moved to new york old Florida voters

1417
01:17:09,700 --> 01:17:13,540

speaker like myself who has voted

1423
01:17:25,810 --> 01:17:33,490
against this appropriation all along who

1424
01:17:30,270 --> 01:17:35,560
does not think that \$500,000 is

1425
01:17:33,490 --> 01:17:37,330
justified much less a million see I'm

1426
01:17:35,560 --> 01:17:40,120
just kind of talk torn and I don't know

1427
01:17:37,330 --> 01:17:41,440

designate is designed to stop out any

1633
01:43:07,469 --> 01:43:13,949
inflated value that might be arbitrary

1634

01:43:11,340 --> 01:43:15,900
in the minds of the house maybe that's

1635
01:43:13,949 --> 01:43:19,050
one of the reasons you some of you have

1636
01:43:15,900 --> 01:43:22,650
been voting against this particular line

1637
01:43:19,050 --> 01:43:25,860
item I think it is a a substitute which

1638
01:43:22,650 --> 01:43:27,989
we all can vote for and get on with the

1639
01:43:25,860 --> 01:43:30,480
rest of this appropriations bill and I

1640
01:43:27,989 --> 01:43:32,159
would urge you to adopt it and let's get

1641
01:43:30,480 --> 01:43:34,860
on with a business mr. speaker with a

1642
01:43:32,159 --> 01:43:38,780
gentleman you've been missed about ie of

1643
01:43:34,860 --> 01:43:43,199
German yields let's go well mr. Bach

1644
01:43:38,780 --> 01:43:45,690
would the appraisal be for the land the

1645
01:43:43,199 --> 01:43:48,179
land and the office building that land

1646
01:43:45,690 --> 01:43:49,610
the office building purchase sorry sir

1647
01:43:48,179 --> 01:43:52,949
correct that's correct

1648
01:43:49,610 --> 01:43:54,840
all right now suppose that somebody

1649
01:43:52,949 --> 01:43:57,469
offered me a mink coat

1650
01:43:54,840 --> 01:44:03,000
you know like Joe Namath's mink coat and

1651
01:43:57,469 --> 01:44:07,199
enterprise for \$5,000 and he offered it

1652
01:44:03,000 --> 01:44:08,699
to me for \$3,000 I wouldn't buy the coat

1653
01:44:07,199 --> 01:44:11,760
because it wouldn't have any use part

1654
01:44:08,699 --> 01:44:16,020
well in the first place mr. Kile well I

1655
01:44:11,760 --> 01:44:18,780
would be very hesitant if I knew that

1656
01:44:16,020 --> 01:44:21,420
the mink coat was originally five and it

1657
01:44:18,780 --> 01:44:22,189
was offered to you at three I would

1658
01:44:21,420 --> 01:44:24,469
wonder who

1659
01:44:22,189 --> 01:44:26,179
actually appraised the code well let's

1660
01:44:24,469 --> 01:44:28,880
assume that's one of the reasons the MA

1661

01:44:26,179 --> 01:44:30,820
let's assume that the appraisal is

1662
01:44:28,880 --> 01:44:33,380
accurate that I'm getting a good buy

1663
01:44:30,820 --> 01:44:36,469
there's another part of the equation

1664
01:44:33,380 --> 01:44:38,599
that this appropriation even with your

1665
01:44:36,469 --> 01:44:38,959
Amendment does not speak to wouldn't you

1666
01:44:38,599 --> 01:44:41,900
agree

1667
01:44:38,959 --> 01:44:43,610
because when you buy state office

1668
01:44:41,900 --> 01:44:45,590
building or you buy a land to put a

1669
01:44:43,610 --> 01:44:47,570
state office building you want to know

1670
01:44:45,590 --> 01:44:48,919
that you're not paying too much money

1671
01:44:47,570 --> 01:44:52,070
for it and that's what you're talking

1672
01:44:48,919 --> 01:44:53,510
about exactly for us secondly you can't

1673
01:44:52,070 --> 01:44:56,539
say that you're not paying too much

1674
01:44:53,510 --> 01:45:00,169
money for it if the property is not

1675
01:44:56,539 --> 01:45:01,939
suitable to serve people that hopefully

1676
01:45:00,169 --> 01:45:04,699
are served by state agencies would you

1677
01:45:01,939 --> 01:45:07,610
agree with that well mr. Conwell I don't

1678
01:45:04,699 --> 01:45:09,619
think that we have we have spoken to

1679
01:45:07,610 --> 01:45:11,389
that here in this amendment that's not

1680
01:45:09,619 --> 01:45:14,209
that's not the purpose of the amendment

1681
01:45:11,389 --> 01:45:16,039
what I'm trying to do is to resolve the

1682
01:45:14,209 --> 01:45:18,079
problem that we've been working on 12

1683
01:45:16,039 --> 01:45:19,459
9:30 this morning and I think right the

1684
01:45:18,079 --> 01:45:21,050
reason we resolved it mr. Bach the

1685
01:45:19,459 --> 01:45:22,760
reason I asked the question you said

1686
01:45:21,050 --> 01:45:24,409
something that suggested that we'll get

1687
01:45:22,760 --> 01:45:27,380
all of this behind this would be able to

1688

01:45:24,409 --> 01:45:30,050
to reach a general well you and I have

1689
01:45:27,380 --> 01:45:31,880
been here you've been here longer than I

1690
01:45:30,050 --> 01:45:33,469
but we have been here long enough to

1691
01:45:31,880 --> 01:45:35,780
know that there's nothing that ever gets

1692
01:45:33,469 --> 01:45:37,459
completely behind you all I'm saying is

1693
01:45:35,780 --> 01:45:40,579
I think there are more important things

1694
01:45:37,459 --> 01:45:43,489
than this that to vote on today well

1695
01:45:40,579 --> 01:45:45,530
there's only a million dollars well I

1696
01:45:43,489 --> 01:45:47,479
think it'd be less than a million if

1697
01:45:45,530 --> 01:45:49,729
there's a praise over the appraisal

1698
01:45:47,479 --> 01:45:51,469
policy where to go on will the gentleman

1699
01:45:49,729 --> 01:45:53,689
yield mr. Smith you know mr. Bach I will

1700
01:45:51,469 --> 01:45:57,559
yield for a question from mr. Garcia

1701
01:45:53,689 --> 01:45:59,929
Thank You mr. Bach you're very kind mr.

1702
01:45:57,559 --> 01:46:02,780
Bach something was spoken to in one of

1703
01:45:59,929 --> 01:46:04,659
the earlier amendments and that was that

1704
01:46:02,780 --> 01:46:09,610
the million dollars that is in the

1705
01:46:04,659 --> 01:46:12,469
appropriation bill really includes

1706
01:46:09,610 --> 01:46:15,949
250,000 dollars as I understand for

1707
01:46:12,469 --> 01:46:19,130
renovation or for making the buildings

1708
01:46:15,949 --> 01:46:21,619
suitable to use as state offices or are

1709
01:46:19,130 --> 01:46:24,139
you informed of this that that was my

1710
01:46:21,619 --> 01:46:26,449
understanding mr. garden right now i

1711
01:46:24,139 --> 01:46:28,610
think i think that the way you're trying

1712
01:46:26,449 --> 01:46:31,219
to approach the situation I think is a I

1713
01:46:28,610 --> 01:46:33,349
believe it's a proper way one other way

1714
01:46:31,219 --> 01:46:34,499
I appreciate your knocking in you're

1715

01:46:33,349 --> 01:46:36,360
locking in and a

1716
01:46:34,499 --> 01:46:39,510
of the property and you're providing

1717
01:46:36,360 --> 01:46:41,429
that the land and the improvements are

1718
01:46:39,510 --> 01:46:43,940
on that's correct may not be purchased

1719
01:46:41,429 --> 01:46:47,039
for a price not to exceed 10% above

1720
01:46:43,940 --> 01:46:50,219
that's he may I speak to that quick at

1721
01:46:47,039 --> 01:46:52,979
that point mr. Joshua the reason that I

1722
01:46:50,219 --> 01:46:55,860
have provided for the 10% is that I

1723
01:46:52,979 --> 01:46:58,050
think in anybody's appraisal there may

1724
01:46:55,860 --> 01:46:59,579
be a 10% error somewhere one way the

1725
01:46:58,050 --> 01:47:02,550
other I don't know how much experience

1726
01:46:59,579 --> 01:47:05,519
that the house might have had in dealing

1727
01:47:02,550 --> 01:47:08,880
with ma eye appraisers but they do on

1728
01:47:05,519 --> 01:47:11,699
certain occasions deviate from one

1729
01:47:08,880 --> 01:47:13,229
another in other words it may be that

1730
01:47:11,699 --> 01:47:15,989
the State Building Commission might

1731
01:47:13,229 --> 01:47:19,440
desire to secure more than one appraisal

1732
01:47:15,989 --> 01:47:22,019
could that that 10% deviation could that

1733
01:47:19,440 --> 01:47:24,719
rightfully be called local leeway money

1734
01:47:22,019 --> 01:47:27,809
I don't know about that mr. Garcia all

1735
01:47:24,719 --> 01:47:30,329
right but on a more serious pain I think

1736
01:47:27,809 --> 01:47:32,699
representative Bach if your amendment

1737
01:47:30,329 --> 01:47:36,420
were tired together in such a fashion

1738
01:47:32,699 --> 01:47:39,570
that it restricted the the price that is

1739
01:47:36,420 --> 01:47:43,099
to be paid for the building the use to

1740
01:47:39,570 --> 01:47:47,219
which it is intended to be put and the

1741
01:47:43,099 --> 01:47:48,449
renovation money of 250,000 I believe

1742

01:47:47,219 --> 01:47:50,340
that it would be an excellent event

1743
01:47:48,449 --> 01:47:52,199
Leland calls a point of order

1744
01:47:50,340 --> 01:47:54,239
gentleman's time expired properly well

1745
01:47:52,199 --> 01:47:57,030
Darrin is acceptable to the authors of

1746
01:47:54,239 --> 01:47:58,499
the bill and or stain following

1747
01:47:57,030 --> 01:48:05,719
substitute clerk will read the

1748
01:47:58,499 --> 01:48:08,550
substitute amendment to the amendment

1749
01:48:05,719 --> 01:48:11,010
miss Craddock to explain the substitute

1750
01:48:08,550 --> 01:48:12,840
to the amendment to the amendment mr.

1751
01:48:11,010 --> 01:48:14,249
speaker members all this does is that

1752
01:48:12,840 --> 01:48:16,199
and approved by the Building Commission

1753
01:48:14,249 --> 01:48:17,969
so they can look at it from the

1754
01:48:16,199 --> 01:48:19,849
viewpoint of not only what the property

1755
01:48:17,969 --> 01:48:22,349
is worth but can we use it for state

1756
01:48:19,849 --> 01:48:23,760
offices and if so fine I move it's a

1757
01:48:22,349 --> 01:48:25,769
cost creditor would you yield for

1758
01:48:23,760 --> 01:48:28,739
questions Craddock Metzger say I'd be

1759
01:48:25,769 --> 01:48:30,809
glad to you would be with the State

1760
01:48:28,739 --> 01:48:33,900
Building Commission be consulted first

1761
01:48:30,809 --> 01:48:36,119
with reference to usability before you

1762
01:48:33,900 --> 01:48:37,920
went off and got an expensive appraisal

1763
01:48:36,119 --> 01:48:41,639
on the property in other words if they

1764
01:48:37,920 --> 01:48:43,400
said no the location is not suitable the

1765
01:48:41,639 --> 01:48:53,800
structure is not suitable the

1766
01:48:43,400 --> 01:48:53,800
this substitute successful mr. Bartlett

1767
01:48:55,630 --> 01:49:01,580
sure recognized miss peep-toe speaker

1768
01:48:58,730 --> 01:49:04,280
members I'm going to encourage you to

1769

01:49:01,580 --> 01:49:07,430
vote for the Craddock substitute but I

1770
01:49:04,280 --> 01:49:09,470
got apology to make to the house the

1771
01:49:07,430 --> 01:49:13,010
figures I gave you a while ago were not

1772
01:49:09,470 --> 01:49:14,630
correct please listen the seventy seven

1773
01:49:13,010 --> 01:49:18,550
thousand eight hundred twenty dollars on

1774
01:49:14,630 --> 01:49:21,530
the land was the appraisal made by the

1775
01:49:18,550 --> 01:49:22,970
appraisal people the five hundred

1776
01:49:21,530 --> 01:49:24,970
seventy eight thousand eight hundred

1777
01:49:22,970 --> 01:49:28,340
dollars was the appraisal made by the

1778
01:49:24,970 --> 01:49:31,400
appraiser as I told you a while ago they

1779
01:49:28,340 --> 01:49:33,680
were contest in this appraisal I didn't

1780
01:49:31,400 --> 01:49:36,410
call back for mr. Charles Davis the tax

1781
01:49:33,680 --> 01:49:39,530
assessor collector tells me that they

1782
01:49:36,410 --> 01:49:41,750
have met with mr. Perry shankle Jr who

1783
01:49:39,530 --> 01:49:43,250
was protesting the six hundred fifty six

1784
01:49:41,750 --> 01:49:46,250
thousand six hundred twenty dollars

1785
01:49:43,250 --> 01:49:48,110
total appraisal and they have now agreed

1786
01:49:46,250 --> 01:49:50,890
on the following figures and this is

1787
01:49:48,110 --> 01:49:54,230
what is on the tax roll for now

1788
01:49:50,890 --> 01:49:57,560
improvements 144 thousand twenty four

1789
01:49:54,230 --> 01:50:00,740
dollars the way they reach that figure

1790
01:49:57,560 --> 01:50:03,230
is that it was twenty percent good and

1791
01:50:00,740 --> 01:50:05,810
then they knocked out 50% for

1792
01:50:03,230 --> 01:50:07,900
obsolescence so as now in the tax roll

1793
01:50:05,810 --> 01:50:11,150
at ten percent of its original they are

1794
01:50:07,900 --> 01:50:13,850
144 thousand twenty four dollars the

1795
01:50:11,150 --> 01:50:15,380
land remained on the tax roll at senta's

1796

01:50:13,850 --> 01:50:19,250
seven thousand eight hundred twenty

1797
01:50:15,380 --> 01:50:21,170
eight dollars so the entities in San

1798
01:50:19,250 --> 01:50:23,960
Antonio the county the city and the

1799
01:50:21,170 --> 01:50:25,610
schools now how this on the tax roll two

1800
01:50:23,960 --> 01:50:29,620
hundred twenty one thousand eight

1801
01:50:25,610 --> 01:50:29,620
hundred fifty two dollars thank you

1802
01:50:36,940 --> 01:50:42,150
that's close on the substitute mr.

1803
01:50:40,239 --> 01:50:47,050
speaker members react very short huh

1804
01:50:42,150 --> 01:50:50,320
inquire state to inquire mento if the if

1805
01:50:47,050 --> 01:50:53,139
the Craddock amendment accredit

1806
01:50:50,320 --> 01:50:53,980
substitute for the Bach amendment is

1807
01:50:53,139 --> 01:50:56,320
adopted

1808
01:50:53,980 --> 01:50:58,090
would this preclude further amendments

1809
01:50:56,320 --> 01:51:00,610
to reduce the dollar figure that chosen

1810
01:50:58,090 --> 01:51:01,600
appropriations bill I don't believe that

1811
01:51:00,610 --> 01:51:04,420
it would mr. Howe

1812
01:51:01,600 --> 01:51:05,110
I don't think so either mr. speaker will

1813
01:51:04,420 --> 01:51:13,510
the gentleman yield

1814
01:51:05,110 --> 01:51:16,000
yes gentleman yields mr. right back

1815
01:51:13,510 --> 01:51:17,889
Thank You mr. close do you have a

1816
01:51:16,000 --> 01:51:23,679
homestead residence back where you live

1817
01:51:17,889 --> 01:51:26,260
sir 15 years that's a homestead

1818
01:51:23,679 --> 01:51:27,699
residence all right yes is I don't want

1819
01:51:26,260 --> 01:51:30,699
to went to the market value of your

1820
01:51:27,699 --> 01:51:33,400
residence but do you have an idea what

1821
01:51:30,699 --> 01:51:35,920
is it on the tax rules for less than the

1822
01:51:33,400 --> 01:51:38,949
market value of the present time I think

1823

01:51:35,920 --> 01:51:41,320
so and would you take someone to offer

1824
01:51:38,949 --> 01:51:44,100
you cash for what it's on the tax roll

1825
01:51:41,320 --> 01:51:49,710
now would you take it no wouldn't think

1826
01:51:44,100 --> 01:51:51,730
the mr. speaker members I would

1827
01:51:49,710 --> 01:51:53,800
encourage you to vote for this amendment

1828
01:51:51,730 --> 01:51:54,850
this substitute to the amendment I think

1829
01:51:53,800 --> 01:51:56,739
it's reasonable

1830
01:51:54,850 --> 01:51:59,440
it requires an appraisal of the property

1831
01:51:56,739 --> 01:52:01,300
by an accredited ma our appraiser who is

1832
01:51:59,440 --> 01:52:04,300
selected by the Building Commission and

1833
01:52:01,300 --> 01:52:06,130
it also provides that it has to be

1834
01:52:04,300 --> 01:52:08,199
approved by the Building Commission and

1835
01:52:06,130 --> 01:52:09,880
I think this is acceptable mr. Sutton I

1836
01:52:08,199 --> 01:52:13,060
think it gives San Antonio what they

1837
01:52:09,880 --> 01:52:16,139
need and I recommend that you vote aye

1838
01:52:13,060 --> 01:52:16,139
on this substitute

1839
01:52:19,720 --> 01:52:23,960
all right members we have mr. box

1840
01:52:22,490 --> 01:52:27,740
sending up an amendment to the amendment

1841
01:52:23,960 --> 01:52:28,910
it's Mr Craddock sending up a substitute

1842
01:52:27,740 --> 01:52:32,270
the Balch amendment decried the

1843
01:52:28,910 --> 01:52:33,890
substitute is acceptable to both the

1844
01:52:32,270 --> 01:52:35,540
question occurs only adoption of the

1845
01:52:33,890 --> 01:52:37,430
substitute to the amendment to the

1846
01:52:35,540 --> 01:52:39,710
amendment is there objection to adoption

1847
01:52:37,430 --> 01:52:41,270
share here none the substitute to the

1848
01:52:39,710 --> 01:52:44,480
amendment to the amendment is adopted

1849
01:52:41,270 --> 01:52:46,460
question now occurs on the amendment as

1850

01:52:44,480 --> 01:52:48,830
substituted is there objection to its

1851
01:52:46,460 --> 01:52:52,720
adoption share here none and the

1852
01:52:48,830 --> 01:52:52,720
amendment I substituted is adopted

1853
01:52:52,990 --> 01:53:01,130
all right members Thank You mr. speaker

1854
01:52:55,460 --> 01:53:03,470

1859
01:53:09,530 --> 01:53:18,290

01:54:19,460 --> 01:54:23,000
no objective

1870
01:56:15,900 --> 01:56:19,350
excuse into temple pagoda important

1871
01:56:18,180 --> 01:56:22,940
business on a motion represented

1872
01:56:19,350 --> 01:56:22,940
watching their objection chair here

1873
01:56:39,739 --> 01:56:41,770
Oh

1874
01:57:48,030 --> 01:57:51,020
you better believe it

1875
01:59:07,260 --> 01:59:10,970
that's a Jones of Harris on the floor

1876
01:59:27,170 --> 01:59:30,790
we have to dancing on the floor the

1877

01:59:28,670 --> 01:59:30,790
house

1878
02:00:01,730 --> 02:00:05,320
that's another floor the house

1879
02:00:08,429 --> 02:00:12,020
Matt Johnson on the floor of the house

1880
02:00:19,410 --> 02:00:23,060
Matt Johnson on the firehouse

1881
02:00:53,940 --> 02:01:00,240
following a moment to glory in the

1882
02:00:55,680 --> 02:01:02,120
amendment I remember by Johnson I'm in

1883
02:01:00,240 --> 02:01:06,780
Senate bill 52 committee substitute

1884
02:01:02,120 --> 02:01:09,600
article 3 page Johnson to explain her

1885
02:01:06,780 --> 02:01:13,020
amendment mr. speaker members this

1886
02:01:09,600 --> 02:01:15,660
amendment simply provides a provision

1887
02:01:13,020 --> 02:01:18,000
within this portion of the

1888
02:01:15,660 --> 02:01:21,300
appropriations bill to limit the

1889
02:01:18,000 --> 02:01:25,710
spending of the education and Recreation

1890
02:01:21,300 --> 02:01:34,380
funds for that purpose and our edges

1891
02:01:25,710 --> 02:01:36,050
adoption bargaining there's a second the

1892
02:01:34,380 --> 02:01:38,550
amendment is acceptable

1893
02:01:36,050 --> 02:01:40,200
miss Johnson sends up an amendment it is

1894
02:01:38,550 --> 02:01:47,040
acceptable is the objection to its

1895
02:01:40,200 --> 02:01:52,110
adoption mmm it is acceptable yes the

1896
02:01:47,040 --> 02:01:54,030
amendment is adopted mr. speaker as a

1897
02:01:52,110 --> 02:01:54,420
dual-camera I have a message from the

1898
02:01:54,030 --> 02:01:56,610
Senate

1899
02:01:54,420 --> 02:02:02,340
bring the message forward is there

1900
02:01:56,610 --> 02:02:04,940
objection to the adoption well somebody

1901
02:02:02,340 --> 02:02:04,940
talked about it

1902
02:02:06,830 --> 02:02:12,080
miss Johnson I'm gonna have to come

1903
02:02:09,150 --> 02:02:12,080
explain this a little better

1904

02:02:24,250 --> 02:02:33,400
mr. speaker and members this amendment

1905
02:02:26,810 --> 02:02:33,400
addresses itself to the year

1906
02:04:29,620 --> 02:04:33,190
the amendment is withdrawn

1907
02:04:52,820 --> 02:04:59,400
following a momenta clerk will read the

1908
02:04:54,659 --> 02:05:03,260
amendment amendment to the amendment by

1909
02:04:59,400 --> 02:05:05,730
Johnson Johnson to explain an amendment

1910
02:05:03,260 --> 02:05:07,260
mr. speaker members this is the same

1911
02:05:05,730 --> 02:05:11,730
amendment that was acceptable to the

1912
02:05:07,260 --> 02:05:15,150
author there was some structural wording

1913
02:05:11,730 --> 02:05:18,600
here that has been corrected

1914
02:05:15,150 --> 02:05:29,370
and is placed and you it places a new

1915
02:05:18,600 --> 02:05:31,710
section subsection C on page 354 and it

1916
02:05:29,370 --> 02:05:33,390
simply indicates that it is the

1917
02:05:31,710 --> 02:05:35,850
intention of the legislature that such

1918
02:05:33,390 --> 02:05:38,730
fun should be expended only for the

1919
02:05:35,850 --> 02:05:47,000
purposes in which its appropriated thank

1920
02:05:38,730 --> 02:05:52,340
you that's had mr. pig that's acceptable

1921
02:05:47,000 --> 02:05:52,340
okay miss toaster backless is far away

1922
02:05:54,530 --> 02:05:58,590
miss Johnson would you take the floor so

1923
02:05:56,820 --> 02:06:03,719
you'd answer this question my speakers

1924
02:05:58,590 --> 02:06:08,429
later you ladies mister miss Johnson now

1925
02:06:03,719 --> 02:06:12,330
with this amendment have the effect if

1926
02:06:08,429 --> 02:06:15,540
for instance the prison officials needed

1927
02:06:12,330 --> 02:06:18,840
to build a facility are needed to say

1928
02:06:15,540 --> 02:06:21,239
even renovate a facility an existing

1929
02:06:18,840 --> 02:06:23,850
facility that was not designed for

1930
02:06:21,239 --> 02:06:26,940
education and recreation for instance

1931

02:06:23,850 --> 02:06:28,980
they sailed I don't think that a sail is

1932
02:06:26,940 --> 02:06:31,590
designed for education recreation I

1933
02:06:28,980 --> 02:06:33,630
don't think the maximum-security units

1934
02:06:31,590 --> 02:06:35,100
are designed for education and

1935
02:06:33,630 --> 02:06:37,739
recreation you put this under the

1936
02:06:35,100 --> 02:06:40,140
building program I have no quarrel with

1937
02:06:37,739 --> 02:06:42,989
the concept excuse me it is not on the

1938
02:06:40,140 --> 02:06:45,989
building program it it's it provides a

1939
02:06:42,989 --> 02:06:49,230
provision that governs the education and

1940
02:06:45,989 --> 02:06:51,420
recreation fund and that's all well the

1941
02:06:49,230 --> 02:06:53,489
reason it's placed in there I think you

1942
02:06:51,420 --> 02:06:57,949
might be looking at the way that it had

1943
02:06:53,489 --> 02:07:01,380
been changed earlier and where it was

1944
02:06:57,949 --> 02:07:02,760
put under building programs it is not

1945
02:07:01,380 --> 02:07:05,530
that way

1946
02:07:02,760 --> 02:07:10,719
you have a five coffees your amendment I

1947
02:07:05,530 --> 02:07:14,620
looks right here while I'm reading it

1948
02:07:10,719 --> 02:07:16,840
said at a new paragraph see before the

1949
02:07:14,620 --> 02:07:18,340
words building program that's right all

1950
02:07:16,840 --> 02:07:21,370
right now you're putting it under

1951
02:07:18,340 --> 02:07:32,620
article 3 and it's the fun that relates

1952
02:07:21,370 --> 02:07:34,449
it's after that area okay let me just to

1953
02:07:32,620 --> 02:07:37,420
make sure we get legislative intent

1954
02:07:34,449 --> 02:07:39,670
you're not trying to tie the building

1955
02:07:37,420 --> 02:07:41,080
program down only to these two areas is

1956
02:07:39,670 --> 02:07:44,380
that correct let me explain what I'm

1957
02:07:41,080 --> 02:07:47,320
attempting to do No okay go ahead in the

1958

02:07:44,380 --> 02:07:49,510
past there has been according to the

1959
02:07:47,320 --> 02:07:51,880
Legislative Budget board staff some

1960
02:07:49,510 --> 02:07:55,179
questions about how the money has been

1961
02:07:51,880 --> 02:07:57,670
expended in this area versus the way of

1962
02:07:55,179 --> 02:07:59,890
the way and reason it was collected and

1963
02:07:57,670 --> 02:08:03,340
the way it has been spent in the past

1964
02:07:59,890 --> 02:08:06,130
there were monies that were spent

1965
02:08:03,340 --> 02:08:09,640
illegally toward building from this fund

1966
02:08:06,130 --> 02:08:12,550
all this attempts to do is to ensure

1967
02:08:09,640 --> 02:08:14,500
that this money is spent for the intent

1968
02:08:12,550 --> 02:08:18,190
of which it is collected all right now

1969
02:08:14,500 --> 02:08:22,719
my question is is that your intent by

1970
02:08:18,190 --> 02:08:24,640
this amendment to limit the building

1971
02:08:22,719 --> 02:08:27,250
program at the TDC

1972
02:08:24,640 --> 02:08:28,390
any renovations etc let me finish the

1973
02:08:27,250 --> 02:08:31,179
question I want you to answer it

1974
02:08:28,390 --> 02:08:36,190
directly is it your intent by this

1975
02:08:31,179 --> 02:08:40,199
amendment to prohibit the TDC under the

1976
02:08:36,190 --> 02:08:43,630
building program to spend money outside

1977
02:08:40,199 --> 02:08:45,550
the to areas listed in this amendment

1978
02:08:43,630 --> 02:08:48,790
those two areas being education and

1979
02:08:45,550 --> 02:08:51,489
recreation I am addressing myself to

1980
02:08:48,790 --> 02:08:53,320
this particular fund and this fund only

1981
02:08:51,489 --> 02:08:55,980
now I have another amendment up here

1982
02:08:53,320 --> 02:08:59,290
that relates itself to building this one

1983
02:08:55,980 --> 02:09:01,630
addresses itself only to the education

1984
02:08:59,290 --> 02:09:05,260
and recreation fund and nothing else and

1985

02:09:01,630 --> 02:09:07,210
yes it does indeed restrict building if

1986
02:09:05,260 --> 02:09:09,730
that is not the intent of this money for

1987
02:09:07,210 --> 02:09:12,340
that purpose okay and that is only asked

1988
02:09:09,730 --> 02:09:13,880
to the education and Rec the fund that

1989
02:09:12,340 --> 02:09:15,920
is designated for

1990
02:09:13,880 --> 02:09:17,449
education right that is correct I just

1991
02:09:15,920 --> 02:09:19,580
want to make sure that we had it on tape

1992
02:09:17,449 --> 02:09:21,170
but that's that is the intent of this

1993
02:09:19,580 --> 02:09:28,040
amendment that you're not letting the

1994
02:09:21,170 --> 02:09:30,260
building this amendment is clear I I

1995
02:09:28,040 --> 02:09:32,239
want to make it clear that I have

1996
02:09:30,260 --> 02:09:34,489
another amendment that addresses itself

1997
02:09:32,239 --> 02:09:35,810
to building but it's not this amendment

1998
02:09:34,489 --> 02:09:37,820
well I just wanted to make sure that we

1999
02:09:35,810 --> 02:09:41,780
had it on tape my I have no objection to

2000
02:09:37,820 --> 02:09:42,949
your memo thank you hey Johnson sends up

2001
02:09:41,780 --> 02:09:45,620
an amendment it's acceptable to author

2002
02:09:42,949 --> 02:09:48,070
is there objection to it adoption share

2003
02:09:45,620 --> 02:09:50,090
here down the amendment is adopted

2004
02:09:48,070 --> 02:09:53,870
not like a moment a clerk will read the

2005
02:09:50,090 --> 02:09:55,370
amendment amendment by Johnson I'm in

2006
02:09:53,870 --> 02:09:58,250
this committee substitute for Senate

2007
02:09:55,370 --> 02:10:02,710
bill 52 by striking two million nine

2008
02:09:58,250 --> 02:10:02,710
hundred Johnson to explain remember

2009
02:10:15,260 --> 02:10:21,140
mr. speaker and members this amendment

2010
02:10:18,489 --> 02:10:25,489
perhaps might be the one that mr. Hostin

2011
02:10:21,140 --> 02:10:29,330
bag had in mind this amendment it's to

2012

02:10:25,489 --> 02:10:34,270
strike from the building of the Cofield

2013
02:10:29,330 --> 02:10:37,700
unit \$1,000,000 for the biennium

2014
02:10:34,270 --> 02:10:39,739
\$500,000 for the first year in \$500,000

2015
02:10:37,700 --> 02:10:42,770
for the next year if you would look on

2016
02:10:39,739 --> 02:10:46,400
your desk I have placed on your desk a

2017
02:10:42,770 --> 02:10:49,880
reason why that I am asking for the

2018
02:10:46,400 --> 02:10:55,550
reduction of this amount of money first

2019
02:10:49,880 --> 02:10:58,220
of all it has been said under oath and

2020
02:10:55,550 --> 02:11:00,020
to the committee that it takes about a

2021
02:10:58,220 --> 02:11:02,030
million dollars worth of still to

2022
02:11:00,020 --> 02:11:06,739
complete this particular building

2023
02:11:02,030 --> 02:11:08,600
project I am suggesting that since we

2024
02:11:06,739 --> 02:11:10,930
have passed a bill on correct on

2025
02:11:08,600 --> 02:11:14,510
community based correctional facilities

2026
02:11:10,930 --> 02:11:18,140
that is supposed to relieve the housing

2027
02:11:14,510 --> 02:11:22,550
problem within Department of Corrections

2028
02:11:18,140 --> 02:11:25,250
I am suggesting that we remove this

2029
02:11:22,550 --> 02:11:27,260
\$1,000,000 and finish this project and

2030
02:11:25,250 --> 02:11:32,480
for another reason other than just

2031
02:11:27,260 --> 02:11:34,670
housing inmates we have a crunch on

2032
02:11:32,480 --> 02:11:38,989
money as you know we have some crucial

2033
02:11:34,670 --> 02:11:42,110
issues before us the intent of this unit

2034
02:11:38,989 --> 02:11:45,620
was to house approximately a thousand

2035
02:11:42,110 --> 02:11:47,780
inmates as you also know it's a matter

2036
02:11:45,620 --> 02:11:50,270
of record that the housing money that's

2037
02:11:47,780 --> 02:11:53,810
been appropriated for this unit has been

2038
02:11:50,270 --> 02:11:56,570
apparently misappropriated and if the

2039

02:11:53,810 --> 02:11:58,160
original cost that in the money that has

2040
02:11:56,570 --> 02:12:01,550
been appropriated was spent for that

2041
02:11:58,160 --> 02:12:03,920
project it would be finished now I am

2042
02:12:01,550 --> 02:12:05,810
not so sure that this amount of money in

2043
02:12:03,920 --> 02:12:07,730
the bill will complete that project

2044
02:12:05,810 --> 02:12:11,060
simply because of the way it's been

2045
02:12:07,730 --> 02:12:13,580
handled and because of the way the money

2046
02:12:11,060 --> 02:12:15,680
has been used for other means I am

2047
02:12:13,580 --> 02:12:17,930
saying that if we have already

2048
02:12:15,680 --> 02:12:20,000
appropriated the money has not been used

2049
02:12:17,930 --> 02:12:22,670
for that purpose then apparently the

2050
02:12:20,000 --> 02:12:24,770
need is not so great now and we can do

2051
02:12:22,670 --> 02:12:27,290
without at least one million dollars of

2052
02:12:24,770 --> 02:12:28,460
that money for other purposes other

2053
02:12:27,290 --> 02:12:31,090
purposes that are

2054
02:12:28,460 --> 02:12:33,800
very important to the state other than

2055
02:12:31,090 --> 02:12:37,880
completing a unit to house for a

2056
02:12:33,800 --> 02:12:40,790
thousand inmates when we house 4,000

2057
02:12:37,880 --> 02:12:44,270
people in one area we're asking for

2058
02:12:40,790 --> 02:12:48,710
problems and I would earnestly solicit

2059
02:12:44,270 --> 02:12:51,290
your support and deleting from this

2060
02:12:48,710 --> 02:12:54,560
particular budget at least 1 million

2061
02:12:51,290 --> 02:12:57,590
dollars for the next 2 years and using

2062
02:12:54,560 --> 02:12:59,600
it in another area and leaving the other

2063
02:12:57,590 --> 02:13:02,800
part of the money there to complete the

2064
02:12:59,600 --> 02:13:07,010
facility to be used for other

2065
02:13:02,800 --> 02:13:09,010
appropriate programs an example could be

2066

02:13:07,010 --> 02:13:12,880
education and vocational facilities

2067
02:13:09,010 --> 02:13:12,880
thank you and I would urge its adoption

2068
02:13:14,770 --> 02:13:20,780
the press don't speak against the

2069
02:13:17,060 --> 02:13:24,050
amendment the speaker members the Texas

2070
02:13:20,780 --> 02:13:26,360
Department Corrections is experiencing

2071
02:13:24,050 --> 02:13:28,010
an ever increasing population I believe

2072
02:13:26,360 --> 02:13:30,880
I heard the figure the other day about a

2073
02:13:28,010 --> 02:13:33,170
hundred and twenty inmates per month

2074
02:13:30,880 --> 02:13:35,270
that's about right mr. head would you

2075
02:13:33,170 --> 02:13:37,219
shake your head yes but I know that

2076
02:13:35,270 --> 02:13:40,400
that's more than I think they

2077
02:13:37,219 --> 02:13:43,610
anticipated a few years ago and when the

2078
02:13:40,400 --> 02:13:46,580
co field unit was built it was built

2079
02:13:43,610 --> 02:13:48,860
with the idea of putting one inmate in

2080
02:13:46,580 --> 02:13:51,770
each cell which of course would be the

2081
02:13:48,860 --> 02:13:54,260
ideal situation at the present time

2082
02:13:51,770 --> 02:13:56,870
understand they have about two inmates

2083
02:13:54,260 --> 02:14:00,890
in each cell they have the walls built

2084
02:13:56,870 --> 02:14:03,230
for some additional sales and this money

2085
02:14:00,890 --> 02:14:05,930
would provide for the completion of that

2086
02:14:03,230 --> 02:14:08,810
construction which is already partially

2087
02:14:05,930 --> 02:14:11,719
constructed now it comes down to a

2088
02:14:08,810 --> 02:14:13,790
question of either you finish this are

2089
02:14:11,719 --> 02:14:15,830
you going into a situation which i think

2090
02:14:13,790 --> 02:14:19,040
is very untenable and that is putting

2091
02:14:15,830 --> 02:14:20,690
three or four inmates per cell if

2092
02:14:19,040 --> 02:14:22,070
there's if they're incarcerated in the

2093

02:14:20,690 --> 02:14:23,600
sense of the Department of Correction

2094
02:14:22,070 --> 02:14:26,270
they've got to find a place to put them

2095
02:14:23,600 --> 02:14:28,820
and I for the life of me cannot see were

2096
02:14:26,270 --> 02:14:32,420
cutting their construction funds is

2097
02:14:28,820 --> 02:14:35,270
going to help the situation now miss

2098
02:14:32,420 --> 02:14:38,270
Johnson alluded to a community-based

2099
02:14:35,270 --> 02:14:39,890
correctional program which we had a bill

2100
02:14:38,270 --> 02:14:43,190
in the house last week if

2101
02:14:39,890 --> 02:14:45,380
recall that past here on the floor but

2102
02:14:43,190 --> 02:14:48,830
that bill has not become law and even if

2103
02:14:45,380 --> 02:14:51,020
it does become law before January the

2104
02:14:48,830 --> 02:14:52,580
second or January the 20th if it clears

2105
02:14:51,020 --> 02:14:54,770
the Senate and they're sent to the

2106
02:14:52,580 --> 02:14:57,170
governor it's going to be some time

2107
02:14:54,770 --> 02:14:58,580
before that is put into effect I don't

2108
02:14:57,170 --> 02:15:01,190
know how long it will take

2109
02:14:58,580 --> 02:15:02,630
I remember the bill when it came through

2110
02:15:01,190 --> 02:15:03,830
the social services committee but I

2111
02:15:02,630 --> 02:15:06,950
don't know how long it's going to take

2112
02:15:03,830 --> 02:15:11,000
to do that but with the increasing

2113
02:15:06,950 --> 02:15:13,280
population that we have we need this

2114
02:15:11,000 --> 02:15:15,830
even with our with our community-based

2115
02:15:13,280 --> 02:15:17,990
program if that becomes a reality which

2116
02:15:15,830 --> 02:15:19,160
it certainly has not up to this time

2117
02:15:17,990 --> 02:15:21,530
it's only cleared the floor of this

2118
02:15:19,160 --> 02:15:24,380
house and it was it recalled debated

2119
02:15:21,530 --> 02:15:26,540
quite hotly easily at this time but even

2120

02:15:24,380 --> 02:15:28,120
if it does we need these I think the

2121
02:15:26,540 --> 02:15:36,530
Department of Correction needs these

2122
02:15:28,120 --> 02:15:38,920
empties additional facilities I move

2123
02:15:36,530 --> 02:15:38,920
table

2124
02:15:43,340 --> 02:15:52,800
miss Johnson close honor amendment mr.

2125
02:15:47,969 --> 02:15:59,160
speaker members I think that logic here

2126
02:15:52,800 --> 02:16:04,050
can take the forefront by allowing this

2127
02:15:59,160 --> 02:16:06,060
amendment to be adopted sometimes it's

2128
02:16:04,050 --> 02:16:07,890
difficult I know to vote against a

2129
02:16:06,060 --> 02:16:11,670
committee report that has already come

2130
02:16:07,890 --> 02:16:15,360
out but it's unwise to go along to get

2131
02:16:11,670 --> 02:16:18,719
along and I would suggest that the

2132
02:16:15,360 --> 02:16:21,690
sensible thing to do to avoid much chaos

2133
02:16:18,719 --> 02:16:24,270
that can come about and to spend the

2134
02:16:21,690 --> 02:16:24,870
money wisely would be to adopt this

2135
02:16:24,270 --> 02:16:29,489
amendment

2136
02:16:24,870 --> 02:16:31,290
thank you Miss Johnson sends up

2137
02:16:29,489 --> 02:16:32,880
amendment mr. personal Moses tabled a

2138
02:16:31,290 --> 02:16:34,349
question occurred on a motion table Oh

2139
02:16:32,880 --> 02:16:36,000
Lord favor the motion table about our

2140
02:16:34,349 --> 02:16:38,840
Lord's poll about no it's a record vote

2141
02:16:36,000 --> 02:16:38,840
to clerk to ring the bell

2142
02:16:52,729 --> 02:17:01,120
mr. Jones verse of all members voted

2143
02:17:14,769 --> 02:17:18,240
you met Amanda voting No

2144
02:17:26,740 --> 02:17:31,150
mr. Clark of marriage-building No

2145
02:17:49,040 --> 02:17:53,091
they're being 89 hours and forty two

2146
02:17:51,051 --> 02:17:55,190
knows the motion that they will prevails

2147

02:17:53,091 --> 02:17:57,381
thank you Thank You mr. speaker and

2148
02:17:55,190 --> 02:17:59,570
members for your thoughtlessness mr.

2149
02:17:57,381 --> 02:18:01,010
speaker this dock even have a message

2150
02:17:59,570 --> 02:18:03,500
from the Senate bring the message

2151
02:18:01,010 --> 02:18:08,421
forward calling a moment ago India

2152
02:18:03,500 --> 02:18:15,140
member amendment to the amendment by

2153
02:18:08,421 --> 02:18:18,830
Denson mr. Danson after dancing on the

2154
02:18:15,140 --> 02:18:21,190
floor chair recognize mr. Danson on his

2155
02:18:18,830 --> 02:18:21,190
amendment

2156
02:18:35,370 --> 02:18:41,559
members my amendment takes out part of

2157
02:18:40,090 --> 02:18:43,450
the governor's Commission on fiscal

2158
02:18:41,559 --> 02:18:46,450
fitness I mean in fact it takes it all

2159
02:18:43,450 --> 02:18:49,630
out this is a small section of the

2160
02:18:46,450 --> 02:18:51,340
overall budget it doesn't amount to fit

2161
02:18:49,630 --> 02:18:54,490
seventy two thousand four hundred twelve

2162
02:18:51,340 --> 02:18:57,370
dollars but the reason I'm running with

2163
02:18:54,490 --> 02:18:59,440
it is I believe there are many sections

2164
02:18:57,370 --> 02:19:02,200
in here that have small amounts that we

2165
02:18:59,440 --> 02:19:03,639
can take out and if you take enough of

2166
02:19:02,200 --> 02:19:06,750
them out it's going to mount to enough

2167
02:19:03,639 --> 02:19:09,730
money that'll make a difference and as I

2168
02:19:06,750 --> 02:19:12,340
skim through this budget looked at areas

2169
02:19:09,730 --> 02:19:15,550
that I think we can live without this is

2170
02:19:12,340 --> 02:19:19,150
one that caught my eye we didn't have

2171
02:19:15,550 --> 02:19:21,400
this four years ago as I understand it

2172
02:19:19,150 --> 02:19:24,700
was put put in the budget and the

2173
02:19:21,400 --> 02:19:26,889
governor's last administration I don't

2174

02:19:24,700 --> 02:19:29,770
know what it does I haven't had a chance

2175
02:19:26,889 --> 02:19:32,110
to ask about it at length I've talked

2176
02:19:29,770 --> 02:19:34,750
briefly as mr. Parker he tells me that

2177
02:19:32,110 --> 02:19:37,179
they've got a full time staff member who

2178
02:19:34,750 --> 02:19:40,000
makes he was making twenty five thousand

2179
02:19:37,179 --> 02:19:42,730
seven hundred and now his proposed

2180
02:19:40,000 --> 02:19:45,190
increase would be twenty seven thousand

2181
02:19:42,730 --> 02:19:47,650
four hundred and at a time when the

2182
02:19:45,190 --> 02:19:49,990
governor has offered the lead saying

2183
02:19:47,650 --> 02:19:52,360
that we should all tighten up and then

2184
02:19:49,990 --> 02:19:54,790
cut out a little bit and save here and

2185
02:19:52,360 --> 02:19:58,240
there I think this is part of the budget

2186
02:19:54,790 --> 02:20:00,730
we could save on now if someone can help

2187
02:19:58,240 --> 02:20:02,740
me to tell me what the the governor's

2188
02:20:00,730 --> 02:20:05,380
Commission on physical fitness does I'd

2189
02:20:02,740 --> 02:20:08,950
like to know I one member the

2190
02:20:05,380 --> 02:20:10,600
legislature has passed the course and I

2191
02:20:08,950 --> 02:20:12,220
don't care to mention his name unless he

2192
02:20:10,600 --> 02:20:16,570
wants get on the mic tell me how he got

2193
02:20:12,220 --> 02:20:19,090
his physical fitness certificate well

2194
02:20:16,570 --> 02:20:21,850
someone said mr. Alec Cory oh I'd like

2195
02:20:19,090 --> 02:20:27,370
I'd like to know how he how he passed

2196
02:20:21,850 --> 02:20:29,850
the physical fitness test let's kneel

2197
02:20:27,370 --> 02:20:33,850
yes yes mr. Marino

2198
02:20:29,850 --> 02:20:36,700
mr. Denson I have also been disturbed

2199
02:20:33,850 --> 02:20:38,560
about this provision and I think it was

2200
02:20:36,700 --> 02:20:40,210
in the appropriations bill it's been on

2201

02:20:38,560 --> 02:20:42,610
it for a long time I know six years ago

2202
02:20:40,210 --> 02:20:44,800
it was on there and what bothers me the

2203
02:20:42,610 --> 02:20:47,800
most and I guess this bothers you is the

2204
02:20:44,800 --> 02:20:49,450
that there is a director and I

2205
02:20:47,800 --> 02:20:50,920
understand that his staff he's got a

2206
02:20:49,450 --> 02:20:53,649
stop of only about three people

2207
02:20:50,920 --> 02:20:55,840
according to the appropriations bill and

2208
02:20:53,649 --> 02:20:56,740
he's making twenty seven or twenty five

2209
02:20:55,840 --> 02:20:59,740
thousand dollars

2210
02:20:56,740 --> 02:21:02,170
that's right mr. Marr I know I see that

2211
02:20:59,740 --> 02:21:06,250
he makes twenty seven thousand and he's

2212
02:21:02,170 --> 02:21:09,220
got secretary that makes seventy five

2213
02:21:06,250 --> 02:21:11,979
hundred he's got almost ten thousand

2214
02:21:09,220 --> 02:21:13,899
dollars for travel that I'm traveling in

2215
02:21:11,979 --> 02:21:16,149
the state of Texas we're a large state

2216
02:21:13,899 --> 02:21:19,390
but ten thousand dollars over I don't

2217
02:21:16,149 --> 02:21:22,390
know that's a lot of traveling hard to

2218
02:21:19,390 --> 02:21:23,530
you know I don't I don't know his name I

2219
02:21:22,390 --> 02:21:26,500
don't know what they do

2220
02:21:23,530 --> 02:21:28,000
I've tried to find this out and I didn't

2221
02:21:26,500 --> 02:21:31,180
have an opportunity to ask the question

2222
02:21:28,000 --> 02:21:32,680
when this article three was laid out and

2223
02:21:31,180 --> 02:21:34,210
I'm at a loss and I really would like

2224
02:21:32,680 --> 02:21:35,920
some help if someone can get on the back

2225
02:21:34,210 --> 02:21:38,020
mic and tell me what the Commission on

2226
02:21:35,920 --> 02:21:41,140
physical fitness does as part of the

2227
02:21:38,020 --> 02:21:43,359
governor's governor's office and I'd

2228

02:21:41,140 --> 02:21:45,640
like to know when if no one can satisfy

2229
02:21:43,359 --> 02:21:47,590
this body I just don't think that we

2230
02:21:45,640 --> 02:21:48,880
should have it in here well I'm glad you

2231
02:21:47,590 --> 02:21:51,460
caught up mr. Benson I think you got a

2232
02:21:48,880 --> 02:21:56,920
real good amendment thank you thank you

2233
02:21:51,460 --> 02:21:58,960
mr. Marino Mr Speaker I would the move

2234
02:21:56,920 --> 02:21:59,430
adoption if there's not a motion to

2235
02:21:58,960 --> 02:22:01,840
table

2236
02:21:59,430 --> 02:22:07,090
okay chair recognizes mr. Parker against

2237
02:22:01,840 --> 02:22:10,689
the amendment mr. speaker members for

2238
02:22:07,090 --> 02:22:14,350
mr. Benson's benefit each of you

2239
02:22:10,689 --> 02:22:18,160
received a copy of an evaluation report

2240
02:22:14,350 --> 02:22:22,990
on all state agencies if mr. Denson

2241
02:22:18,160 --> 02:22:26,560
would have turned to page 2 96 to 97 and

2242
02:22:22,990 --> 02:22:28,780
to 98 every question that he has said

2243
02:22:26,560 --> 02:22:30,670
that he didn't know he could have

2244
02:22:28,780 --> 02:22:33,149
answered it by just reading this

2245
02:22:30,670 --> 02:22:37,420
particular part on physical fitness

2246
02:22:33,149 --> 02:22:41,800
now I think it's high time that the

2247
02:22:37,420 --> 02:22:43,840
state continues to recognize the fact

2248
02:22:41,800 --> 02:22:45,180
that we need people that are physically

2249
02:22:43,840 --> 02:22:48,550
fit

2250
02:22:45,180 --> 02:22:50,710
governor Brisco found in two years ago

2251
02:22:48,550 --> 02:22:54,640
that this was the problem that we were

2252
02:22:50,710 --> 02:22:57,030
not paying attention to and he started

2253
02:22:54,640 --> 02:23:00,360
this physical fitness

2254
02:22:57,030 --> 02:23:03,060
mr. Rooker mr. sunny Rooker is the head

2255

02:23:00,360 --> 02:23:07,850
of this program the budget is

2256
02:23:03,060 --> 02:23:13,620
approximately 69-thousand in 1976 and

2257
02:23:07,850 --> 02:23:20,790
72,000 in 1977 it is the same budget

2258
02:23:13,620 --> 02:23:25,229
that we had in 1973 I mean 74 and 75 now

2259
02:23:20,790 --> 02:23:27,300
this pertains to all ages of physical

2260
02:23:25,229 --> 02:23:29,460
fitness they're trying to disseminate

2261
02:23:27,300 --> 02:23:32,430
the information that's necessary for

2262
02:23:29,460 --> 02:23:35,760
physical fitness to all types of people

2263
02:23:32,430 --> 02:23:38,790
not necessarily just to schools but to

2264
02:23:35,760 --> 02:23:41,729
the elderly to the people in all age

2265
02:23:38,790 --> 02:23:45,420
brackets to industry and they're trying

2266
02:23:41,729 --> 02:23:48,240
to get over the point that we need to

2267
02:23:45,420 --> 02:23:49,890
try to keep ourselves physically fit and

2268
02:23:48,240 --> 02:23:51,979
this is the purpose of this particular

2269
02:23:49,890 --> 02:23:55,170
program mr. speaker the gentleman yield

2270
02:23:51,979 --> 02:23:57,450
yield mr. Parker yes sir doctor my

2271
02:23:55,170 --> 02:23:58,979
concern is the overall budget I think it

2272
02:23:57,450 --> 02:24:00,150
has a lot of fat in it I think there's

2273
02:23:58,979 --> 02:24:03,090
some things in here that we could do

2274
02:24:00,150 --> 02:24:05,210
without now tell me you really believe

2275
02:24:03,090 --> 02:24:08,510
that this is a vital part of our budget

2276
02:24:05,210 --> 02:24:12,180
mr. dents and I feel that this is a part

2277
02:24:08,510 --> 02:24:14,790
it's a token amount of money that is

2278
02:24:12,180 --> 02:24:17,640
being spent I would like to see it

2279
02:24:14,790 --> 02:24:19,950
probably tripled in and quadrupled above

2280
02:24:17,640 --> 02:24:22,200
this amount well you say a token amount

2281
02:24:19,950 --> 02:24:24,420
at 72 thousand dollars but we've got

2282

02:24:22,200 --> 02:24:26,880
we've got dozens of areas in this budget

2283
02:24:24,420 --> 02:24:28,770
that amount to 70 to 200 thousand a half

2284
02:24:26,880 --> 02:24:30,810
million and when you add them up he gets

2285
02:24:28,770 --> 02:24:32,700
up to the billion dollar mark and our

2286
02:24:30,810 --> 02:24:35,820
budget last time was nine point seven

2287
02:24:32,700 --> 02:24:37,770
billion an ounce over 12 billion I think

2288
02:24:35,820 --> 02:24:39,450
we're in which means something like a 20

2289
02:24:37,770 --> 02:24:40,979
percent increase doesn't this concern

2290
02:24:39,450 --> 02:24:42,210
you I don't you think we should look at

2291
02:24:40,979 --> 02:24:45,120
some of these areas we might live

2292
02:24:42,210 --> 02:24:46,500
without and cut them out mr. Danson as a

2293
02:24:45,120 --> 02:24:49,439
member of the Appropriations Committee

2294
02:24:46,500 --> 02:24:51,390
that sent in the committee and one of

2295
02:24:49,439 --> 02:24:54,780
the members that stayed there constantly

2296
02:24:51,390 --> 02:24:57,390
and having been there for over 600 hours

2297
02:24:54,780 --> 02:24:58,091
and listening to this I feel like I put

2298
02:24:57,390 --> 02:24:59,771
my time

2299
02:24:58,091 --> 02:25:01,571
they're trying to listen and trying to

2300
02:24:59,771 --> 02:25:04,871
take out the things that I thought we're

2301
02:25:01,571 --> 02:25:08,230
not necessary and I sincerely feel that

2302
02:25:04,871 --> 02:25:10,571
this program is just we're just funding

2303
02:25:08,230 --> 02:25:12,610
it on a token basis I would like to see

2304
02:25:10,571 --> 02:25:14,681
it on on a much higher basis but the

2305
02:25:12,610 --> 02:25:16,421
committee did not go along with that mr.

2306
02:25:14,681 --> 02:25:19,171
Parker who is the gentleman who's the

2307
02:25:16,421 --> 02:25:21,701
head of this commission

2308
02:25:19,171 --> 02:25:25,271
well mr. Rucker is the executive

2309

02:25:21,701 --> 02:25:27,581
director I do not know the the chairman

2310
02:25:25,271 --> 02:25:29,381
of the board I can get that for you but

2311
02:25:27,581 --> 02:25:31,061
I do not have that did he come and

2312
02:25:29,381 --> 02:25:34,150
testify before the Appropriations

2313
02:25:31,061 --> 02:25:36,730
Committee and ask for the salary what

2314
02:25:34,150 --> 02:25:44,650
did what what did he what has he done to

2315
02:25:36,730 --> 02:25:46,961
justify well a \$1400 salary \$1,400 well

2316
02:25:44,650 --> 02:25:49,871
he was making twenty five thousand seven

2317
02:25:46,961 --> 02:25:51,761
hundred and his proposed salary at end

2318
02:25:49,871 --> 02:25:53,531
of seventy seven will be twenty seven

2319
02:25:51,761 --> 02:25:55,931
thousand four hundred am I correct my

2320
02:25:53,531 --> 02:25:57,971
figure well the increase that we gave to

2321
02:25:55,931 --> 02:26:02,561
him was based on the fact that we gave

2322
02:25:57,971 --> 02:26:05,741
it to all of the exempt salaries and we

2323
02:26:02,561 --> 02:26:07,571
just had a figure that we that we

2324
02:26:05,741 --> 02:26:09,331
adjusted along line it was an adjustment

2325
02:26:07,571 --> 02:26:11,650
it was not necessarily a raise a

2326
02:26:09,331 --> 02:26:14,591
cost-of-living adjustment that we put

2327
02:26:11,650 --> 02:26:16,841
where's where's Mr Zucker's office it's

2328
02:26:14,591 --> 02:26:18,071
here in in Austin I do not have the

2329
02:26:16,841 --> 02:26:20,381
exact address

2330
02:26:18,071 --> 02:26:22,601
what does he do does he travel around

2331
02:26:20,381 --> 02:26:25,360
makes speeches about well yes sir he

2332
02:26:22,601 --> 02:26:27,581
does he he meets with various groups he

2333
02:26:25,360 --> 02:26:29,980
might meet with a group in Dallas made

2334
02:26:27,581 --> 02:26:34,900
up of school people made up of Industry

2335
02:26:29,980 --> 02:26:36,610
made up of people of various units there

2336

02:26:34,900 --> 02:26:40,061
that would like to know a little bit

2337
02:26:36,610 --> 02:26:42,251
about physical fitness and what programs

2338
02:26:40,061 --> 02:26:43,381
that they should try to instigate well

2339
02:26:42,251 --> 02:26:45,551
don't don't every high school

2340
02:26:43,381 --> 02:26:47,261
Independent School District have some

2341
02:26:45,551 --> 02:26:49,241
kind of athletic program where they have

2342
02:26:47,261 --> 02:26:51,911
coaches they have teachers they're gem

2343
02:26:49,241 --> 02:26:54,851
instructors isn't this their their job

2344
02:26:51,911 --> 02:26:57,281
isn't this their responsibility and well

2345
02:26:54,851 --> 02:26:59,411
we couldn't do that for seventy two

2346
02:26:57,281 --> 02:27:01,541
thousand dollars this man has designed

2347
02:26:59,411 --> 02:27:04,030
one of the physical fitness programs

2348
02:27:01,541 --> 02:27:06,130
that they're using in the

2349
02:27:04,030 --> 02:27:08,620
military service at the present time an

2350
02:27:06,130 --> 02:27:10,601
outstanding individual own on physical

2351
02:27:08,620 --> 02:27:13,300
fitness and he's just trying to take his

2352
02:27:10,601 --> 02:27:15,070
expertise and trying to transfer it to

2353
02:27:13,300 --> 02:27:16,601
people that will actually do the

2354
02:27:15,070 --> 02:27:19,300
carrying out of the physical fitness

2355
02:27:16,601 --> 02:27:21,070
program he is not gonna get out there

2356
02:27:19,300 --> 02:27:23,440
and direct the physical fitness mr.

2357
02:27:21,070 --> 02:27:26,950
Danson Thank You mr. Park thank you miss

2358
02:27:23,440 --> 02:27:28,960
bigger yes with gesture gentleman yields

2359
02:27:26,950 --> 02:27:31,120
miss gasser miss Park isn't it true that

2360
02:27:28,960 --> 02:27:33,490
dr. Kenneth Cooper probably the most

2361
02:27:31,120 --> 02:27:35,710
outstanding authority in the entire

2362
02:27:33,490 --> 02:27:39,160
world is a member of this commission had

2363

02:27:35,710 --> 02:27:43,530
no charge to the state mr. Kaster I have

2364
02:27:39,160 --> 02:27:46,721
great confidence in mr. Rucker he has a

2365
02:27:43,530 --> 02:27:47,261
background that's unparalleled by anyone

2366
02:27:46,721 --> 02:27:49,061
a time

2367
02:27:47,261 --> 02:27:50,620
how about dr. Kenneth Cooper who's a

2368
02:27:49,061 --> 02:27:51,971
member of the ball that's right

2369
02:27:50,620 --> 02:27:53,920
and if you go up there to his clinic

2370
02:27:51,971 --> 02:27:57,400
just to get a physical you know

2371
02:27:53,920 --> 02:27:58,271
exam it's about 270,000 coats part of

2372
02:27:57,400 --> 02:28:00,311
order times

2373
02:27:58,271 --> 02:28:02,550
gentleman timecard corner waterwheel

2374
02:28:00,311 --> 02:28:06,601
taking that mr. Speaker I move to table

2375
02:28:02,550 --> 02:28:06,601
mister dancing to close on his amendment

2376
02:28:07,740 --> 02:28:13,210
members aiyah

2377
02:28:10,021 --> 02:28:16,721
and in just a moment let me use my

2378
02:28:13,210 --> 02:28:18,870
statement the primary reason I don't

2379
02:28:16,721 --> 02:28:21,670
have anything against physical fitness I

2380
02:28:18,870 --> 02:28:23,830
belong the YMCA and I've tried to go as

2381
02:28:21,670 --> 02:28:25,480
regular as possible but I just think

2382
02:28:23,830 --> 02:28:27,311
this is something that the local

2383
02:28:25,480 --> 02:28:30,340
districts can take care of I think we

2384
02:28:27,311 --> 02:28:33,101
have some outstanding athletic programs

2385
02:28:30,340 --> 02:28:34,780
in our schools and I just I think it's I

2386
02:28:33,101 --> 02:28:36,730
think it's bad I just think it's part of

2387
02:28:34,780 --> 02:28:39,070
the budget we can do it out and if we

2388
02:28:36,730 --> 02:28:40,840
could find about three dozen areas like

2389
02:28:39,070 --> 02:28:42,940
this we can save some money and spend it

2390

02:28:40,840 --> 02:28:45,780
on something a really really significant

2391
02:28:42,940 --> 02:28:48,250
thing like education or some other areas

2392
02:28:45,780 --> 02:28:49,690
many gentlemen speaking with the

2393
02:28:48,250 --> 02:28:53,320
gentleman here yes

2394
02:28:49,690 --> 02:28:55,330
Yemen yields men Thompson mr. Benson are

2395
02:28:53,320 --> 02:28:58,061
you aware that one of the functions that

2396
02:28:55,330 --> 02:29:00,670
this Commission performs is by providing

2397
02:28:58,061 --> 02:29:02,200
some type of recreational activities for

2398
02:29:00,670 --> 02:29:02,891
senior citizens throughout the state of

2399
02:29:02,200 --> 02:29:04,960
Texas

2400
02:29:02,891 --> 02:29:07,601
well miss Thompson I don't know how they

2401
02:29:04,960 --> 02:29:10,000
could reply to anything 72,000 most of

2402
02:29:07,601 --> 02:29:11,530
its salaries and staff help when you're

2403
02:29:10,000 --> 02:29:12,940
paying some people for staff how could

2404
02:29:11,530 --> 02:29:14,540
they be setting anything up

2405
02:29:12,940 --> 02:29:16,130
well mr. Danson evening your

2406
02:29:14,540 --> 02:29:18,050
area and your legislative district in

2407
02:29:16,130 --> 02:29:19,790
Houston this commission has provided and

2408
02:29:18,050 --> 02:29:22,960
set up programs for senior citizens that

2409
02:29:19,790 --> 02:29:25,160
you as a representative of your district

2410
02:29:22,960 --> 02:29:26,690
representative I also provide the same

2411
02:29:25,160 --> 02:29:32,720
services as in mine and throughout the

2412
02:29:26,690 --> 02:29:35,480
state of Texas mr. mr. speaker I'll

2413
02:29:32,720 --> 02:29:37,370
yield Gilman yield much later mr. Benson

2414
02:29:35,480 --> 02:29:39,050
I had the same concern that you had as a

2415
02:29:37,370 --> 02:29:40,430
matter of fact I served on a Health and

2416
02:29:39,050 --> 02:29:42,290
Welfare Committee that considered the

2417

02:29:40,430 --> 02:29:44,660
budget for the Commission on physical

2418
02:29:42,290 --> 02:29:47,180
fitness and I was the one that made the

2419
02:29:44,660 --> 02:29:49,730
motion to strike the money that was

2420
02:29:47,180 --> 02:29:52,010
placed in there for the Commission which

2421
02:29:49,730 --> 02:29:54,290
would have rendered the Commission

2422
02:29:52,010 --> 02:29:56,750
totally ineffective well not existent

2423
02:29:54,290 --> 02:29:58,790
for all practical purposes then after

2424
02:29:56,750 --> 02:30:01,160
after reasonable consideration the

2425
02:29:58,790 --> 02:30:02,780
reconsideration on my part I talked to

2426
02:30:01,160 --> 02:30:04,040
the Commission that the commissioners

2427
02:30:02,780 --> 02:30:06,140
the people that were working with the

2428
02:30:04,040 --> 02:30:08,570
Commission about what they wanted to do

2429
02:30:06,140 --> 02:30:10,910
and they told me that what they wanted

2430
02:30:08,570 --> 02:30:13,190
to do was to expand their program to go

2431
02:30:10,910 --> 02:30:15,560
into the different nursing homes where

2432
02:30:13,190 --> 02:30:18,440
they were caring for the senior citizens

2433
02:30:15,560 --> 02:30:21,590
of the state and advise them as to how

2434
02:30:18,440 --> 02:30:24,170
to appropriately deal with the physical

2435
02:30:21,590 --> 02:30:26,330
fitness of the senior citizens at that

2436
02:30:24,170 --> 02:30:27,680
point I went back to the two chairmen

2437
02:30:26,330 --> 02:30:29,570
Nabors who's the chairman of the Health

2438
02:30:27,680 --> 02:30:32,390
and Welfare Committee and talked to him

2439
02:30:29,570 --> 02:30:34,460
by reconsidering my motion and they did

2440
02:30:32,390 --> 02:30:36,680
that and in total agreed with me that

2441
02:30:34,460 --> 02:30:41,330
they should reinstate the budget that

2442
02:30:36,680 --> 02:30:44,360
that that we have now we went in effect

2443
02:30:41,330 --> 02:30:45,920
that did not that did not have an effect

2444

02:30:44,360 --> 02:30:47,510
on the Appropriations Committee so we

2445
02:30:45,920 --> 02:30:49,880
had to fight in the Appropriations

2446
02:30:47,510 --> 02:30:52,370
Committee to then put the money back in

2447
02:30:49,880 --> 02:30:54,410
which took a two-thirds vote in the

2448
02:30:52,370 --> 02:30:57,680
Appropriations Committee to put the

2449
02:30:54,410 --> 02:30:59,720
money back into the the budget they

2450
02:30:57,680 --> 02:31:01,430
Appropriations Committee committee in

2451
02:30:59,720 --> 02:31:03,890
its wisdom did find that this was a

2452
02:31:01,430 --> 02:31:06,470
reasonable amount of money that we were

2453
02:31:03,890 --> 02:31:07,850
asking for to be reinstated they

2454
02:31:06,470 --> 02:31:10,430
reinstated the money and the

2455
02:31:07,850 --> 02:31:14,300
commissioners promise to use this money

2456
02:31:10,430 --> 02:31:16,700
as an extension into and as an extension

2457
02:31:14,300 --> 02:31:20,330
to the alternative care programs in the

2458
02:31:16,700 --> 02:31:22,610
in the budget for the the physical

2459
02:31:20,330 --> 02:31:25,340
fitness of the senior citizens now how

2460
02:31:22,610 --> 02:31:26,510
can you disagree with them involving

2461
02:31:25,340 --> 02:31:28,729
themselves and help

2462
02:31:26,510 --> 02:31:30,770
the senior citizens when this is not an

2463
02:31:28,729 --> 02:31:32,270
inordinate amount of money that we're

2464
02:31:30,770 --> 02:31:33,890
talking about this is a reasonable

2465
02:31:32,270 --> 02:31:36,859
amount of money all they want to do is

2466
02:31:33,890 --> 02:31:38,600
advise the advise people that are

2467
02:31:36,859 --> 02:31:40,760
working in an alternative care they're

2468
02:31:38,600 --> 02:31:42,649
doing stuff like like checking blood

2469
02:31:40,760 --> 02:31:44,029
pressures in the homes and so forth of

2470
02:31:42,649 --> 02:31:46,069
the senior citizens not just in a

2471

02:31:44,029 --> 02:31:48,800
nursing homes but also in the homes of

2472
02:31:46,069 --> 02:31:51,290
senior citizens that identified who need

2473
02:31:48,800 --> 02:31:53,090
that kind of program well I don't think

2474
02:31:51,290 --> 02:31:55,279
I have time to answer your question I

2475
02:31:53,090 --> 02:31:57,830
thank you your question took up my time

2476
02:31:55,279 --> 02:32:00,700
but also I'm asking you how common are

2477
02:31:57,830 --> 02:32:03,920
let's try to rethink i'ma try reply

2478
02:32:00,700 --> 02:32:05,689
later I really I agree with your concern

2479
02:32:03,920 --> 02:32:08,270
and I don't question your integrity in

2480
02:32:05,689 --> 02:32:10,550
this area and I know your your track

2481
02:32:08,270 --> 02:32:13,250
record is long for helping people I just

2482
02:32:10,550 --> 02:32:15,620
feel that we've got a bunch of areas in

2483
02:32:13,250 --> 02:32:17,450
this budget that can be cut and because

2484
02:32:15,620 --> 02:32:19,819
we've got some things like public school

2485
02:32:17,450 --> 02:32:21,290
finance that we voted out of here and

2486
02:32:19,819 --> 02:32:23,630
which I voted against because I didn't

2487
02:32:21,290 --> 02:32:25,370
think we had adequate money into it to

2488
02:32:23,630 --> 02:32:27,439
solve the problems of Rodriguez and the

2489
02:32:25,370 --> 02:32:28,550
other problems and I think that what

2490
02:32:27,439 --> 02:32:30,649
we're doing here is we're spending

2491
02:32:28,550 --> 02:32:32,840
things on our own areas that are less

2492
02:32:30,649 --> 02:32:34,939
important than the schoolchildren in

2493
02:32:32,840 --> 02:32:36,410
this state and I just wish that we had

2494
02:32:34,939 --> 02:32:39,380
about a hundred amendments that would

2495
02:32:36,410 --> 02:32:40,880
take out about a billion dollars where

2496
02:32:39,380 --> 02:32:43,819
we could put it into something that is

2497
02:32:40,880 --> 02:32:46,189
vital to our state's public school

2498

02:32:43,819 --> 02:32:47,899
finance but man this is just one star to

2499
02:32:46,189 --> 02:32:50,120
take out one set you're talking about

2500
02:32:47,899 --> 02:32:53,149
the you're talking about the credibility

2501
02:32:50,120 --> 02:32:55,399
of trying to direct money into areas

2502
02:32:53,149 --> 02:32:57,410
dealing with with the school children

2503
02:32:55,399 --> 02:32:59,000
this is one of one of those areas this

2504
02:32:57,410 --> 02:33:00,979
money deals with the school children

2505
02:32:59,000 --> 02:33:02,840
also it deals with the senior citizens

2506
02:33:00,979 --> 02:33:05,240
we're talking about helping people who

2507
02:33:02,840 --> 02:33:07,370
ordinarily can't help themselves less

2508
02:33:05,240 --> 02:33:09,260
well I think the minds of children and

2509
02:33:07,370 --> 02:33:12,859
and bilingual education giving them a

2510
02:33:09,260 --> 02:33:14,660
good sound solid educational basis to go

2511
02:33:12,859 --> 02:33:16,370
out in the world is more important than

2512
02:33:14,660 --> 02:33:18,080
the governor's staff sending someone

2513
02:33:16,370 --> 02:33:20,660
around to lecture on physical fitness

2514
02:33:18,080 --> 02:33:22,550
yes divided priorities to me do you

2515
02:33:20,660 --> 02:33:23,960
disagree with the fact that there's no

2516
02:33:22,550 --> 02:33:25,850
difference as we know you thought of our

2517
02:33:23,960 --> 02:33:28,370
Laura Gilman times part part of our well

2518
02:33:25,850 --> 02:33:31,250
taking a sustained mr. Danson sends up

2519
02:33:28,370 --> 02:33:32,660
an amendment but it's Park opposed table

2520
02:33:31,250 --> 02:33:34,500
question occurred on a motion table all

2521
02:33:32,660 --> 02:33:36,330
those play with most table go down

2522
02:33:34,500 --> 02:33:43,160
vote no to record voter clerk arena they

2523
02:33:36,330 --> 02:33:43,160
are she went to Hutchinson voting aye

2524
02:33:47,569 --> 02:33:53,520
she'll mr. hull

2525

02:33:49,140 --> 02:33:55,680

read the amendment amendment to the

2550
02:37:03,709 --> 02:37:08,749
amendment by Bigham i'm in the committee

2551
02:37:06,469 --> 02:37:09,279
substitute for Senate bill 52 by adding

2552

02:37:08,749 --> 02:37:11,539

on

2553

02:37:09,279 --> 02:37:20,239

mr. Bingham to explain the amendment the

2554

02:37:11,539 --> 02:37:22,699

amendment ok mr. speaker members my

2555

02:37:20,239 --> 02:37:26,079

amendment proposes to put two million

2556

02:37:22,699 --> 02:37:29,329

dollars into the Bicentennial Commission

2557

02:37:26,079 --> 02:37:31,909

funding for the state of Texas they came

2558

02:37:29,329 --> 02:37:35,119

before the Appropriations Committee

2559

02:37:31,909 --> 02:37:36,859

asking for this money and I think they

2560

02:37:35,119 --> 02:37:39,199

had the amount of money down to what

2561

02:37:36,859 --> 02:37:41,899

they consider to be their necessity or

2562

02:37:39,199 --> 02:37:43,520

need and this is to be made available to

2563

02:37:41,899 --> 02:37:47,089

the different municipalities and cities

2564

02:37:43,520 --> 02:37:49,549

across the state of Texas to be provide

2565

02:37:47,089 --> 02:37:52,819

or to aid them providing they come up

2566
02:37:49,549 --> 02:37:54,890
with equally matching funds with funding

2567
02:37:52,819 --> 02:37:58,520
that they might have some type of

2568
02:37:54,890 --> 02:38:00,859
permanent dedication to the celebration

2569
02:37:58,520 --> 02:38:02,779
of Bicentennial and I submit to you that

2570
02:38:00,859 --> 02:38:05,689
this will be something that will go into

2571
02:38:02,779 --> 02:38:08,469
all of our districts that we can all be

2572
02:38:05,689 --> 02:38:11,839
proud of and be used and aid in

2573
02:38:08,469 --> 02:38:13,909
celebration of this occasion and I urge

2574
02:38:11,839 --> 02:38:18,379
the inclusion of this money within the

2575
02:38:13,909 --> 02:38:22,390
bill mr. Nugent speak against the

2576
02:38:18,379 --> 02:38:24,729
amendment mr. speaker and members this

2577
02:38:22,390 --> 02:38:27,489
\$2,000,000 if we want to celebrate

2578
02:38:24,729 --> 02:38:30,739
should be given to the schoolchildren

2579

02:38:27,489 --> 02:38:33,669
rather than passed along to try and buy

2580
02:38:30,739 --> 02:38:36,709
some public recognition of patriotism

2581
02:38:33,669 --> 02:38:38,509
there is a serious question here also as

2582
02:38:36,709 --> 02:38:41,749
to whether or not we constitutionally

2583
02:38:38,509 --> 02:38:44,329
can make grants to cities counties and

2584
02:38:41,749 --> 02:38:47,479
other local public agencies for

2585
02:38:44,329 --> 02:38:49,009
permanent constructions a very serious

2586
02:38:47,479 --> 02:38:51,350
question it's the same one we discussed

2587
02:38:49,009 --> 02:38:54,439
last night it just teeters on the edge

2588
02:38:51,350 --> 02:38:56,989
is what you can or can't and the two

2589
02:38:54,439 --> 02:38:59,180
million dollars is not a needed

2590
02:38:56,989 --> 02:39:02,449
expenditure if they want to celebrate

2591
02:38:59,180 --> 02:39:04,189
the Bicentennial then certainly the

2592
02:39:02,449 --> 02:39:05,930
permanent constructions that are going

2593
02:39:04,189 --> 02:39:07,000
to remain in their communities and be

2594
02:39:05,930 --> 02:39:09,520
owned by their local

2595
02:39:07,000 --> 02:39:11,530
mental agencies should be paid for by

2596
02:39:09,520 --> 02:39:15,610
the people who are celebrating it there

2597
02:39:11,530 --> 02:39:18,550
is no need for us from a state level to

2598
02:39:15,610 --> 02:39:21,100
assist them with tax dollars in buying

2599
02:39:18,550 --> 02:39:23,860
public recognition of patriotism I moved

2600
02:39:21,100 --> 02:39:26,500
with a gentleman yield mr. Garcia miss

2601
02:39:23,860 --> 02:39:28,750
Neal mr. Nugent I yield gentleman you

2602
02:39:26,500 --> 02:39:30,730
withdraw the motion to table mr. mr.

2603
02:39:28,750 --> 02:39:33,190
Nugent um I'm concerned about just

2604
02:39:30,730 --> 02:39:35,590
throwing out a blanket two million

2605
02:39:33,190 --> 02:39:37,450
dollars to the American Revolution

2606

02:39:35,590 --> 02:39:39,460
Bicentennial Commission of Texas without

2607
02:39:37,450 --> 02:39:41,860
some structure of guidelines that

2608
02:39:39,460 --> 02:39:44,860
they're to follow in determining how to

2609
02:39:41,860 --> 02:39:47,890
disburse these funds regardless of the

2610
02:39:44,860 --> 02:39:49,810
willingness to match are you acquainted

2611
02:39:47,890 --> 02:39:52,240
as to how mr. Bingham proposes to do

2612
02:39:49,810 --> 02:39:54,580
this I do not know how mr. bigger

2613
02:39:52,240 --> 02:39:57,280
proposes to do it but I can look at the

2614
02:39:54,580 --> 02:39:59,500
amendment here and I can suggest to you

2615
02:39:57,280 --> 02:40:02,050
the way that it'll be done it'll be a

2616
02:39:59,500 --> 02:40:03,760
political grab bag and who he was the

2617
02:40:02,050 --> 02:40:05,230
biggest grab and the quickest strike

2618
02:40:03,760 --> 02:40:07,030
will get it for his community and

2619
02:40:05,230 --> 02:40:08,830
everybody else will do without mr.

2620
02:40:07,030 --> 02:40:11,590
Nugent do you mean to tell me that this

2621
02:40:08,830 --> 02:40:13,600
this committee this commission would not

2622
02:40:11,590 --> 02:40:15,520
follow the first in time as the first in

2623
02:40:13,600 --> 02:40:17,500
right theory that we have honored for

2624
02:40:15,520 --> 02:40:22,660
years and years in state government what

2625
02:40:17,500 --> 02:40:24,580
is that I moved to table

2626
02:40:22,660 --> 02:40:29,320
mr. Bingham close on the amendment the

2627
02:40:24,580 --> 02:40:31,600
amendment mr. speaker members there are

2628
02:40:29,320 --> 02:40:34,870
a lot of political grab bags I suppose

2629
02:40:31,600 --> 02:40:36,910
and I don't know that anyone of us would

2630
02:40:34,870 --> 02:40:39,040
be trying to take on just advantage of

2631
02:40:36,910 --> 02:40:41,260
trying to obtain money from our

2632
02:40:39,040 --> 02:40:44,140
districts and surely that isn't what mr.

2633

02:40:41,260 --> 02:40:45,910
Nugent was was alluding to but I do

2634
02:40:44,140 --> 02:40:48,220
submit to you that this money can be

2635
02:40:45,910 --> 02:40:50,110
used across this state and can aid some

2636
02:40:48,220 --> 02:40:52,480
people that need it and when he's

2637
02:40:50,110 --> 02:40:55,090
talking about structures this money is

2638
02:40:52,480 --> 02:40:56,680
to be used in some of the historical

2639
02:40:55,090 --> 02:40:58,720
sites that the people of these

2640
02:40:56,680 --> 02:41:02,080
communities feel need to be preserved

2641
02:40:58,720 --> 02:41:03,970
and it'll be doing a service in fact in

2642
02:41:02,080 --> 02:41:05,560
helping preserve some of the antique

2643
02:41:03,970 --> 02:41:07,630
markers and buildings and structures

2644
02:41:05,560 --> 02:41:09,910
around this state that these different

2645
02:41:07,630 --> 02:41:12,160
communities are choosing to use as their

2646
02:41:09,910 --> 02:41:14,140
Bisons in your program and it's an

2647
02:41:12,160 --> 02:41:16,840
effort not only to recognize and to

2648
02:41:14,140 --> 02:41:18,880
participate but to also preserve

2649
02:41:16,840 --> 02:41:21,130
certain Texas history in all the

2650
02:41:18,880 --> 02:41:24,220
counties the communities in the village

2651
02:41:21,130 --> 02:41:25,870
of this state and I I don't think we're

2652
02:41:24,220 --> 02:41:27,550
wasting the money because it's something

2653
02:41:25,870 --> 02:41:29,050
that isn't just going down the drain

2654
02:41:27,550 --> 02:41:31,990
it's something of a permanent nature

2655
02:41:29,050 --> 02:41:33,609
that is to be used for it isn't an

2656
02:41:31,990 --> 02:41:35,080
ongoing program that we're going to

2657
02:41:33,609 --> 02:41:37,470
continually have to pump money into

2658
02:41:35,080 --> 02:41:40,180
either this is only a one-time

2659
02:41:37,470 --> 02:41:42,460
appropriation to provide money to those

2660

02:41:40,180 --> 02:41:44,649
areas of our state and to our districts

2661
02:41:42,460 --> 02:41:48,100
that want to do something along this

2662
02:41:44,649 --> 02:41:52,260
nature not urge you to vote no on the

2663
02:41:48,100 --> 02:41:57,010
motion to table this bigger miss mcgoun

2664
02:41:52,260 --> 02:41:58,479
purpose stage inquiry you have any idea

2665
02:41:57,010 --> 02:42:02,560
when we're going on to the education

2666
02:41:58,479 --> 02:42:04,780
section when we finish article three mr.

2667

2670
02:42:07,990 --> 02:42:11,020

2671

recognize them mr. Boone be about three

2673
02:42:12,760 --> 02:42:22,180
amendments mr. Bingham sends up an

2674
02:42:20,500 --> 02:42:24,990
amendment mr. Newton Nugent moves the

2675
02:42:22,180 --> 02:42:29,670

2679

have all voted

2685
02:43:19,330 --> 02:43:23,850
so mr. LAN Dolan know instead of I

2686
02:43:34,470 --> 02:43:40,819
they're being 113 eyes and 20a is the

2687

02:43:37,680 --> 02:43:40,819
motion to table prevails

2688
02:43:56,601 --> 02:44:02,690
farling amendment the amendment the

2689
02:43:58,370 --> 02:44:04,851
clerk read the amendment amendment to

2690
02:44:02,690 --> 02:44:07,461
the amendment by Bigham I'm in the

2691
02:44:04,851 --> 02:44:11,751
committee substitute mr. begum on the

2692
02:44:07,461 --> 02:44:13,160
amendment to the amendment mr. speaker

2693
02:44:11,751 --> 02:44:15,291
members this is an almost identical

2694
02:44:13,160 --> 02:44:17,570
amendment the only thing is we change it

2695
02:44:15,291 --> 02:44:19,431
from two to one so that hopefully at

2696
02:44:17,570 --> 02:44:21,261
least there'll be some money that this

2697
02:44:19,431 --> 02:44:22,851
commission that you're going to spend

2698
02:44:21,261 --> 02:44:25,280
two hundred thousand dollars on will

2699
02:44:22,851 --> 02:44:27,831
have something to work for and because

2700
02:44:25,280 --> 02:44:29,450
both House and Senate versions do

2701
02:44:27,831 --> 02:44:30,831
include the Commission but you're not

2702
02:44:29,450 --> 02:44:32,841
giving them any money to do anything

2703
02:44:30,831 --> 02:44:34,971
with and they do have a program they do

2704
02:44:32,841 --> 02:44:38,421
have things they would like to do that

2705
02:44:34,971 --> 02:44:41,870
would aid I think all of Texas and I

2706
02:44:38,421 --> 02:44:43,610
urge you vote aye on the motion or the

2707
02:44:41,870 --> 02:44:49,101
amendment trying to put at least 1

2708
02:44:43,610 --> 02:44:50,751
million dollars into this cause mr.

2709
02:44:49,101 --> 02:44:53,391
Nugent's speak against the amendment to

2710
02:44:50,751 --> 02:44:55,001
the amendment mr. speaker and members we

2711
02:44:53,391 --> 02:44:58,461
have money for the Bicentennial

2712
02:44:55,001 --> 02:45:00,620
Commission's operation and activities in

2713
02:44:58,461 --> 02:45:03,440
the appropriations bill at the present

2714

02:45:00,620 --> 02:45:06,501
time these are funds which are for

2715
02:45:03,440 --> 02:45:08,450
permanent constructions and they are

2716
02:45:06,501 --> 02:45:10,490
funds for permanent constructions which

2717
02:45:08,450 --> 02:45:13,131
are not delineated nor any guidelines

2718
02:45:10,490 --> 02:45:14,751
given for the matching funds the rate

2719
02:45:13,131 --> 02:45:17,870
are the expensive and manner of

2720
02:45:14,751 --> 02:45:21,381
expenditure at the present time for the

2721
02:45:17,870 --> 02:45:23,570
year 76 and 77 we have a hundred and

2722
02:45:21,381 --> 02:45:25,910
thirty thousand dollars and sixty seven

2723
02:45:23,570 --> 02:45:28,761
thousand dollars respectively I moved to

2724
02:45:25,910 --> 02:45:31,011
table mr. Bingham close on the amendment

2725
02:45:28,761 --> 02:45:32,931
all right mr. speaker members he's

2726
02:45:31,011 --> 02:45:34,581
exactly right he gave you the figures

2727
02:45:32,931 --> 02:45:36,410
but what I'm telling you is all this is

2728
02:45:34,581 --> 02:45:39,081
doing is funding that Commission as to

2729
02:45:36,410 --> 02:45:40,791
their salaries and their travel and it

2730
02:45:39,081 --> 02:45:42,381
has nothing to do with the program that

2731
02:45:40,791 --> 02:45:43,961
they're trying to put together to be

2732
02:45:42,381 --> 02:45:46,791
worked out across the state of Texas

2733
02:45:43,961 --> 02:45:48,051
this is simply funding someone and not

2734
02:45:46,791 --> 02:45:49,761
giving them any money to actually

2735
02:45:48,051 --> 02:45:51,620
operate under in the programs that

2736
02:45:49,761 --> 02:45:54,320
they've created and come up with another

2737
02:45:51,620 --> 02:45:56,091
suggestion I would like if you can to

2738
02:45:54,320 --> 02:45:58,730
vote for this to at least get it into

2739
02:45:56,091 --> 02:46:00,320
the House bill since it's not in the

2740
02:45:58,730 --> 02:46:02,181
Senate bill at least this would give us

2741

02:46:00,320 --> 02:46:04,400
an option of going into conference and

2742
02:46:02,181 --> 02:46:04,630
maybe working out some method that we

2743
02:46:04,400 --> 02:46:07,689
could

2744
02:46:04,630 --> 02:46:09,910
some money available and I'm urge you to

2745
02:46:07,689 --> 02:46:11,860
vote no on the motion to table

2746
02:46:09,910 --> 02:46:13,780
mr. Bingham sends up an amendment to the

2747
02:46:11,860 --> 02:46:15,550
amendment mr. Nugent moves the table of

2748
02:46:13,780 --> 02:46:17,410
votes on the motion table all those in

2749
02:46:15,550 --> 02:46:24,160
favor vote out all opposed vote no and

2750
02:46:17,410 --> 02:46:31,090

2758
02:47:34,330 --> 02:47:40,180
motion to table prevails falling

2759
02:47:38,650 --> 02:47:42,330
amendment to the amendment Curt read the

2760
02:47:40,180 --> 02:47:42,330

2773
02:48:45,590 --> 02:48:52,039

2781
02:49:13,159 --> 02:49:18,739
provide said park before they dig one

2782
02:49:16,069 --> 02:49:22,100
more shovel of dirt to build a new state

2783
02:49:18,739 --> 02:49:24,829
office building for themselves and

2784
02:49:22,100 --> 02:49:27,050
that's the first part of it second

2785
02:49:24,829 --> 02:49:29,749
Amendment says only after the Parks and

2786

2789
02:49:35,239 --> 02:49:42,560
County there is hereby appropriated the

2790
02:49:39,649 --> 02:49:45,050
unexpended balance of appropriations to

2791
02:49:42,560 --> 02:49:48,289
build a building as provided in the

2792
02:49:45,050 --> 02:49:51,109
general appropriation made by the 62nd

2793
02:49:48,289 --> 02:49:56,239
legislature regular session Senate bill

2794
02:49:51,109 --> 02:49:59,989
11 less said Park as approved this

2795

02:49:56,239 --> 02:50:02,810
speaker mr. Bach perfect members I want

2796
02:49:59,989 --> 02:50:04,880
over selamat explain - hello mr. Weiss I

2797
02:50:02,810 --> 02:50:08,239
got this amendment hold on mr. white

2798
02:50:04,880 --> 02:50:11,329
block for review but well the gentleman

2799
02:50:08,239 --> 02:50:13,189
yield I yield to mr. Bachman mister are

2800
02:50:11,329 --> 02:50:16,010
you mr. Bachman I feel it not at this

2801
02:50:13,189 --> 02:50:17,810
time mr. Barr getting fun now members

2802
02:50:16,010 --> 02:50:20,060
I'll tell you why I have this amendment

2803
02:50:17,810 --> 02:50:23,060
because we up here are supposed to be

2804
02:50:20,060 --> 02:50:26,419
making policy for the state of Texas now

2805
02:50:23,060 --> 02:50:26,660
in 1967 the legislature said that there

2806
02:50:26,419 --> 02:50:28,630
sure

2807
02:50:26,660 --> 02:50:32,360
via Park in Calhoun County Texas

2808
02:50:28,630 --> 02:50:35,240
adjacent to Fishing Pier State Park the

2809
02:50:32,360 --> 02:50:37,660
legislature appropriated money in 1969

2810
02:50:35,240 --> 02:50:40,130
they appropriated the money again in

2811
02:50:37,660 --> 02:50:42,500
1971 when I was a freshman member of the

2812
02:50:40,130 --> 02:50:44,060
legislature the governor of Texas signed

2813
02:50:42,500 --> 02:50:46,580
the appropriation bill with that money

2814
02:50:44,060 --> 02:50:48,350
in there for two years I went over to

2815
02:50:46,580 --> 02:50:50,510
the Parks and Wildlife Department center

2816
02:50:48,350 --> 02:50:52,280
Schwartz in the cell and we asked them

2817
02:50:50,510 --> 02:50:54,530
when are you gonna build a park like the

2818
02:50:52,280 --> 02:50:55,040
legislature put in the appropriation

2819
02:50:54,530 --> 02:50:57,979
bill

2820
02:50:55,040 --> 02:50:59,840
well they said a speaker we're not quite

2821
02:50:57,979 --> 02:51:03,590
ready in the middle that park yet hold

2822

02:50:59,840 --> 02:51:05,000
on mister one that's a northern states

2823
02:51:03,590 --> 02:51:06,560
point of water mister a I'd like to

2824
02:51:05,000 --> 02:51:11,060
raise the point of our that under under

2825
02:51:06,560 --> 02:51:13,040
Rule 19 section two this amendment would

2826
02:51:11,060 --> 02:51:15,290
violate the second section and that it

2827
02:51:13,040 --> 02:51:17,689
and that it seeks to the men to general

2828
02:51:15,290 --> 02:51:20,140
law bring your point of order down front

2829
02:51:17,689 --> 02:51:20,140
mister race

2830
02:51:34,079 --> 02:51:42,849
water water withdrawn proceed mr. white

2831
02:51:38,489 --> 02:51:44,559
in late 1973 one of the parks and

2832
02:51:42,849 --> 02:51:46,209
wildlife commissioners at a meeting over

2833
02:51:44,559 --> 02:51:49,179
the Parks and Wildlife Department said

2834
02:51:46,209 --> 02:51:51,219
mr. white we want to help you but I want

2835
02:51:49,179 --> 02:51:54,009
to tell you that your Bureau Park does

2836
02:51:51,219 --> 02:51:55,809
not fit in with our priorities now

2837
02:51:54,009 --> 02:51:58,270
gentlemen that's what we're here for

2838
02:51:55,809 --> 02:52:00,789
today that's what I think this

2839
02:51:58,270 --> 02:52:04,449
legislature is supposed to do and that's

2840
02:52:00,789 --> 02:52:06,249
to make the priorities of Texas and I'll

2841
02:52:04,449 --> 02:52:07,959
tell you what the Parks and Wildlife

2842
02:52:06,249 --> 02:52:10,359
Department does with your priorities

2843
02:52:07,959 --> 02:52:12,279
they build 8 million-dollar buildings

2844
02:52:10,359 --> 02:52:15,159
out here in south of town so they'll

2845
02:52:12,279 --> 02:52:17,259
have a nice place to to work and there's

2846
02:52:15,159 --> 02:52:19,389
a whole bunch of folks in Texas they can

2847
02:52:17,259 --> 02:52:21,639
serve out there south of town with eight

2848
02:52:19,389 --> 02:52:23,829
million dollars now you talk about the

2849

02:52:21,639 --> 02:52:25,869
rate of inflation going up you bet it's

2850
02:52:23,829 --> 02:52:27,849
going up but do they ask me if they ask

2851
02:52:25,869 --> 02:52:30,489
for one more dollar to build their

2852
02:52:27,849 --> 02:52:32,949
building no and I'll tell you why

2853
02:52:30,489 --> 02:52:36,009
because they put more than they needed

2854
02:52:32,949 --> 02:52:39,279
in the appropriation bill four years ago

2855
02:52:36,009 --> 02:52:41,859
now that's the kind of priorities we

2856
02:52:39,279 --> 02:52:44,109
have in Texas that's what we ought to be

2857
02:52:41,859 --> 02:52:46,569
talking about here today we ought to be

2858
02:52:44,109 --> 02:52:53,589
talking about who makes the policy for

2859
02:52:46,569 --> 02:52:55,839
this state all right now let me tell you

2860
02:52:53,589 --> 02:52:58,119
what they say I've heard I've heard the

2861
02:52:55,839 --> 02:53:00,189
talk from the front microphone about the

2862
02:52:58,119 --> 02:53:02,859
fishermen all has helped the Attorney

2863
02:53:00,189 --> 02:53:05,699
General because we've got the fishermen

2864
02:53:02,859 --> 02:53:08,559
we want to protect the fishermen sponge

2865
02:53:05,699 --> 02:53:11,229
three million nine hundred thousand

2866
02:53:08,559 --> 02:53:15,219
dollars out of the fisherman's fund for

2867
02:53:11,229 --> 02:53:17,499
an eight million dollar bounty I'll go a

2868
02:53:15,219 --> 02:53:19,689
little bit further let's let's build

2869
02:53:17,499 --> 02:53:22,359
some park lands we need them in the

2870
02:53:19,689 --> 02:53:24,429
cities we need them throughout Texas two

2871
02:53:22,359 --> 02:53:26,889
million nine hundred and seventy four

2872
02:53:24,429 --> 02:53:29,770
thousand dollars to bail the building

2873
02:53:26,889 --> 02:53:32,559
south of town now that's what the Parks

2874
02:53:29,770 --> 02:53:35,439
and Wildlife Department is doing with

2875
02:53:32,559 --> 02:53:38,619
your money and the people of Texas is

2876

02:53:35,439 --> 02:53:41,139
money they building them or museum and a

2877
02:53:38,619 --> 02:53:44,339
Hanging Gardens of Babylon out there

2878
02:53:41,139 --> 02:53:44,339
south of town

2879
02:53:47,160 --> 02:53:52,480
now I get to the old special boat fun

2880
02:53:50,170 --> 02:53:55,000
we're going to pick up another eight

2881
02:53:52,480 --> 02:54:01,150
hundred ninety-two thousand dollars from

2882
02:53:55,000 --> 02:54:04,830
the boat operators in Texas is it going

2883
02:54:01,150 --> 02:54:04,830
to do one thing for the people of Texas

2884
02:54:07,980 --> 02:54:12,670
Ono mr. Wyatt one second mr. speaker

2885
02:54:10,660 --> 02:54:14,830
while he's finishing up if you'd have

2886
02:54:12,670 --> 02:54:21,910
the congregation stand and turn to force

2887
02:54:14,830 --> 02:54:24,101
47 I'll pass the plate this bigger one

2888
02:54:21,910 --> 02:54:30,550
gentleman yield now will the pasture

2889
02:54:24,101 --> 02:54:33,580
yield of mr. Bob about at this time it's

2890
02:54:30,550 --> 02:54:37,271
bark argue for a question for mr. ball

2891
02:54:33,580 --> 02:54:39,550
faster yields response mr. Wyden you and

2892
02:54:37,271 --> 02:54:42,370
I have had much luck getting the Parks

2893
02:54:39,550 --> 02:54:44,530
and Wildlife to be very attentive

2894
02:54:42,370 --> 02:54:46,720
heavily no mr. Bopp we don't fit into

2895
02:54:44,530 --> 02:54:48,340
their priorities and I think now is the

2896
02:54:46,720 --> 02:54:51,190
time for us to tell them they don't fit

2897
02:54:48,340 --> 02:54:53,170
in ours the best mr. Wein I always knew

2898
02:54:51,190 --> 02:54:55,120
that but I just never didn't know that

2899
02:54:53,170 --> 02:54:58,540
there were more than 19 people that felt

2900
02:54:55,120 --> 02:55:01,210
that way in this house I would I would

2901
02:54:58,540 --> 02:55:03,580
hope that that the members wouldn't you

2902
02:55:01,210 --> 02:55:05,710
would listen to what you're saying what

2903

02:55:03,580 --> 02:55:07,960
really happened at that particular point

2904
02:55:05,710 --> 02:55:12,521
now let's really get down to the facts

2905
02:55:07,960 --> 02:55:15,160
is it is it you and the legislature

2906
02:55:12,521 --> 02:55:16,811
under the bill which which you were most

2907
02:55:15,160 --> 02:55:20,561
interested in because it was in your

2908
02:55:16,811 --> 02:55:23,230
district past appropriate appropriations

2909
02:55:20,561 --> 02:55:25,090
for the construction of a state park by

2910
02:55:23,230 --> 02:55:27,460
the parks and wildlife is that correct

2911
02:55:25,090 --> 02:55:30,130
mr. Bob and and the next thing you knew

2912
02:55:27,460 --> 02:55:31,540
that money that was appropriated for

2913
02:55:30,130 --> 02:55:33,760
that particular purpose

2914
02:55:31,540 --> 02:55:36,730
all of a sudden disappeared into some

2915
02:55:33,760 --> 02:55:38,860
other priority which the legislature

2916
02:55:36,730 --> 02:55:41,290
hadn't spoken to it that correct that is

2917
02:55:38,860 --> 02:55:43,811
absolutely correct mr. Park the

2918
02:55:41,290 --> 02:55:46,510
regulation I think the question of

2919
02:55:43,811 --> 02:55:48,641
appropriate money point blank the Parks

2920
02:55:46,510 --> 02:55:50,380
and Wildlife we've given them 30 million

2921
02:55:48,641 --> 02:55:53,050
dollars this year we asked yesterday

2922
02:55:50,380 --> 02:55:55,271
where is it going it's going into the

2923
02:55:53,050 --> 02:55:57,341
plan well in the plan you

2924
02:55:55,271 --> 02:55:59,530
that office building you got all this

2925
02:55:57,341 --> 02:56:02,650
other business over there that they

2926
02:55:59,530 --> 02:56:06,610
interested in now it's time that they

2927
02:56:02,650 --> 02:56:09,040
understand and the that the priorities

2928
02:56:06,610 --> 02:56:11,141
and the policy of the state is made in

2929
02:56:09,040 --> 02:56:13,511
the legislature yes but Miss why don't

2930

02:56:11,141 --> 02:56:15,580
you shouldn't arrest mr. Caldwell raise

2931
02:56:13,511 --> 02:56:17,261
the part of our fastest times expired to

2932
02:56:15,580 --> 02:56:21,311
port waters well taken and sustained

2933
02:56:17,261 --> 02:56:24,780
good good a minute mr. white the

2934
02:56:21,311 --> 02:56:24,780
amendment is withdrawn but Mr Wyatt

2935
02:56:27,360 --> 02:56:34,391
following amendments the amendments were

2936
02:56:29,471 --> 02:56:36,400
to read the amendment amendment to the

2937
02:56:34,391 --> 02:56:40,001
amendment by Wyeth our main committee

2938
02:56:36,400 --> 02:56:42,551
amendment to Senate bill 52 on page page

2939
02:56:40,001 --> 02:56:44,080
three days live to explain the

2940
02:56:42,551 --> 02:56:47,171
amendments all the way I want a border

2941
02:56:44,080 --> 02:56:48,910
state spry water Misco well I raise a

2942
02:56:47,171 --> 02:56:51,040
point of order against further

2943
02:56:48,910 --> 02:56:54,521
consideration of this amendment in that

2944
02:56:51,040 --> 02:56:58,721
it violates rule 19 section two the

2945
02:56:54,521 --> 02:57:01,950
amendment would re-appropriate any

2946
02:56:58,721 --> 02:57:06,101
unexpended balance into the general fund

2947
02:57:01,950 --> 02:57:09,221
from funds unexpended from fun 31 which

2948
02:57:06,101 --> 02:57:11,171
is a statutory fund and thereby would

2949
02:57:09,221 --> 02:57:13,181
contravene general law it's an attempt

2950
02:57:11,171 --> 02:57:14,801
to amend general law by a rider to the

2951
02:57:13,181 --> 02:57:17,940
appropriation bill bring your point of

2952
02:57:14,801 --> 02:57:17,940
order down front miss Cara

2953
03:00:06,410 --> 03:00:13,590
mr. speaker mr. bird

2954

mrs. picker can you give me any

2955
03:00:13,590 --> 03:00:17,670
indication how under the rules of the

2956
03:00:16,080 --> 03:00:19,920
house I might be able to recognize a

2957

03:00:17,670 --> 03:00:21,600
group from San Antonio st. Gerard's

2958
03:00:19,920 --> 03:00:23,939
Elementary School sitting in a balcony

2959
03:00:21,600 --> 03:00:32,720
in the manner that you dish did mr. work

2960
03:00:23,939 --> 03:00:35,069
miss bird mr. speaker part of me Brown

this break mr. speaker and members of

2963
03:00:38,069 --> 03:00:42,870
the house may I take this opportunity

2964
03:00:39,479 --> 03:00:45,600
and behalf of our bear County senator

2965
03:00:42,870 --> 03:00:47,640
senator frank la partie know to present

2966
03:00:45,600 --> 03:00:50,430
the certificate and the flag that hung

2967
03:00:47,640 --> 03:00:52,649
over the Capitol today to representative

2968
03:00:50,430 --> 03:00:54,689
DJ Sutton for our new office building in

2969
03:00:52,649 --> 03:00:58,910
San Antonio I'm sure they would be happy

2970
03:00:54,689 --> 03:00:58,910
to accept it mr. sir mr. brown

2971
03:03:18,070 --> 03:03:27,040
point of order is withdrawn the wide

2972
03:03:19,900 --> 03:03:29,400
amendment is withdrawn also limit the

2973
03:03:27,040 --> 03:03:32,141
amendment clerk read the amendment

2974
03:03:29,400 --> 03:03:33,671
amendment to the amendment by Munson I'm

2975
03:03:32,141 --> 03:03:35,860
in committee substitute to Senate bill

2976
03:03:33,671 --> 03:03:37,391
52 by adding the following chair

2977
03:03:35,860 --> 03:03:40,830
recognizes mr. Munsen to explain the

2978
03:03:37,391 --> 03:03:43,570
amendment the speaker members this just

2979
03:03:40,830 --> 03:03:45,870
appropriates the fun in our little boat

2980
03:03:43,570 --> 03:03:55,570
certificate of title bill and I

2981
03:03:45,870 --> 03:03:57,580
successful it all this does is it

2982
03:03:55,570 --> 03:03:59,440
successful the committee is just a rider

2983
03:03:57,580 --> 03:04:01,181
on our boat certificate of title bill

2984

03:03:59,440 --> 03:04:03,400
that we've already fought the battle on

2985
03:04:01,181 --> 03:04:05,261
been speed doesn't spend anymore money

2986
03:04:03,400 --> 03:04:07,421
doesn't have anything to do it just make

2987
03:04:05,261 --> 03:04:11,471
sure that the funds are appropriated for

2988
03:04:07,421 --> 03:04:14,171
Parks and Wildlife to to you know to set

2989
03:04:11,471 --> 03:04:16,000
up the program I just was advised that

2990
03:04:14,171 --> 03:04:17,561
you had to have a rider in the

2991
03:04:16,000 --> 03:04:23,761
preparation bill to make sure we didn't

2992
03:04:17,561 --> 03:04:23,761
have any questions are you going to do

2993
03:04:28,801 --> 03:04:32,610
she recognized mr. president speak

2994
03:04:30,780 --> 03:04:37,501
against the amendment let's begin

2995
03:04:32,610 --> 03:04:39,570
members now this bill House bill 290 2

2996
03:04:37,501 --> 03:04:40,980
is still pending it has not been signed

2997
03:04:39,570 --> 03:04:42,480
by the governor I don't want the Senate

2998
03:04:40,980 --> 03:04:43,881
passed or not I didn't get that straight

2999
03:04:42,480 --> 03:04:47,490
I remember we passed here on the house

3000
03:04:43,881 --> 03:04:50,190
but this is not a proper matter I in my

3001
03:04:47,490 --> 03:04:52,501
opinion to put in the bill here on the

3002
03:04:50,190 --> 03:04:55,410
floor if that bill is signed by the

3003
03:04:52,501 --> 03:05:00,751
governor in time that's not passed the

3004
03:04:55,410 --> 03:05:02,580
Senate I - I've told members we're

3005
03:05:00,751 --> 03:05:11,580
having a hard time hearing even down

3006
03:05:02,580 --> 03:05:14,190
here when this bill passes if it passes

3007
03:05:11,580 --> 03:05:16,021
in time of course we can take care of it

3008
03:05:14,190 --> 03:05:17,940
in Congress but there are there are

3009
03:05:16,021 --> 03:05:20,101
probably a hundred bills like this bloke

3010
03:05:17,940 --> 03:05:21,961
around in the legislative process and we

3011

03:05:20,101 --> 03:05:23,881
could just go on and on when he

3012
03:05:21,961 --> 03:05:25,980
contingencies in the appropriations bill

3013
03:05:23,881 --> 03:05:28,591
for that reason I would move that we

3014
03:05:25,980 --> 03:05:30,660
table this amendment mr. chairman I mean

3015
03:05:28,591 --> 03:05:33,690
this bigger will the Chairman yield mr.

3016
03:05:30,660 --> 03:05:36,980
president the gentleman has moved a

3017
03:05:33,690 --> 03:05:36,980
table mr. Halliwell and

3018
03:05:39,110 --> 03:05:43,040
all right mr. Munsen to close on the

3019
03:05:41,540 --> 03:05:45,410
amendment I'll just withdraw the

3020
03:05:43,040 --> 03:05:47,061
amendment I it's just a technical

3021
03:05:45,410 --> 03:05:48,920
procedure that I understood has been

3022
03:05:47,061 --> 03:05:51,021
passed for the house and passed for the

3023
03:05:48,920 --> 03:05:53,330
Senate I'm gonna ask the house to concur

3024
03:05:51,021 --> 03:05:55,220
in a minor Senate amendment later but it

3025
03:05:53,330 --> 03:05:56,390
doesn't have you know this doesn't cost

3026
03:05:55,220 --> 03:05:58,250
any money in it

3027
03:05:56,390 --> 03:06:00,771
I was just advised this was a proper

3028
03:05:58,250 --> 03:06:01,910
procedure mr. Preston was saying the

3029
03:06:00,771 --> 03:06:03,440
proper procedures to put it in a

3030
03:06:01,910 --> 03:06:05,960
conference committee I won't bother you

3031
03:06:03,440 --> 03:06:07,580
with any more time it doesn't spend any

3032
03:06:05,960 --> 03:06:13,160
more money than you've already voted on

3033
03:06:07,580 --> 03:06:16,311
the amendment is we put already on chair

3034
03:06:13,160 --> 03:06:28,521
recognizes mr. Caldwell for explanation

3035
03:06:16,311 --> 03:06:33,320
of article for the speaker members

3036
03:06:28,521 --> 03:06:41,510
article 4 as you noticed the higher

3037
03:06:33,320 --> 03:06:49,360
education article we have expended in 19

3038

03:06:41,510 --> 03:06:53,170
and 74 in article 4 2.2 billion dollars

3039
03:06:49,360 --> 03:06:57,380
budgeted for this year this Kalev antifa

3040
03:06:53,170 --> 03:07:02,570
2.5 billion dollars the bill before you

3041
03:06:57,380 --> 03:07:07,580
in 76 would expend 2.8 billion dollars

3042
03:07:02,570 --> 03:07:10,430
and in fiscal 77 almost three billion

3043
03:07:07,580 --> 03:07:12,050
dollars two billion nine hundred seventy

3044
03:07:10,430 --> 03:07:14,090
nine million two hundred twenty six

3045
03:07:12,050 --> 03:07:17,030
thousand three hundred ninety four

3046
03:07:14,090 --> 03:07:20,750
dollars this article runs the gauntlet

3047
03:07:17,030 --> 03:07:27,070
all the colleges universities junior

3048
03:07:20,750 --> 03:07:32,811
colleges Central Education Agency and I

3049
03:07:27,070 --> 03:07:35,090
think with the input of more members who

3050
03:07:32,811 --> 03:07:38,330
took an interest in this article than

3051
03:07:35,090 --> 03:07:41,680
ever before I honestly believe that it

3052
03:07:38,330 --> 03:07:43,820
is more reflective of the broader

3053
03:07:41,680 --> 03:07:47,510
interest of the people to the extent

3054
03:07:43,820 --> 03:07:49,569
that we honestly mirror that than ever

3055
03:07:47,510 --> 03:07:52,989
before because there there

3056
03:07:49,569 --> 03:07:55,029
been a great deal of influence from

3057
03:07:52,989 --> 03:07:57,100
outside the members of the appropriation

3058
03:07:55,029 --> 03:08:01,510
committee alone as you know under the

3059
03:07:57,100 --> 03:08:04,499
new rules and I think for that reason if

3060
03:08:01,510 --> 03:08:09,339
for no other you will find this article

3061
03:08:04,499 --> 03:08:16,180
more acceptable than ever before in the

3062
03:08:09,339 --> 03:08:19,779
past and I urge your attention well I

3063
03:08:16,180 --> 03:08:22,089
don't your attention I just Roy you're

3064
03:08:19,779 --> 03:08:24,669
listening Roy I think we did a pretty

3065

03:08:22,089 --> 03:08:26,109
good job on article four and I think

3066
03:08:24,669 --> 03:08:27,999
it's worthy of the support of these

3067
03:08:26,109 --> 03:08:34,209
members whether they hear us or not

3068
03:08:27,999 --> 03:08:39,600
would you agree all right Melchor no

3069
03:08:34,209 --> 03:08:42,760
charters with us that makes three and I

3070
03:08:39,600 --> 03:08:45,550
do invite your attention it's a no

3071
03:08:42,760 --> 03:08:49,560
subject is more important to the people

3072
03:08:45,550 --> 03:08:52,689
in this state and I think that if we

3073
03:08:49,560 --> 03:08:57,100
will pay attention listen to the

3074
03:08:52,689 --> 03:09:00,850
speakers consider the amendments vote

3075
03:08:57,100 --> 03:09:03,760
them up or down I think that you will

3076
03:09:00,850 --> 03:09:05,289
have done your duty and made the state a

3077
03:09:03,760 --> 03:09:11,439
little bit better place in which to live

3078
03:09:05,289 --> 03:09:13,839
and be glad to you for this speaker I'm

3079
03:09:11,439 --> 03:09:16,839
sorry mr. mayor maneuver question PEO

3080
03:09:13,839 --> 03:09:20,319
miss Carlisle mr. Germany is matÃ©o mr.

3081
03:09:16,839 --> 03:09:22,569
Conwell in in assigning the

3082
03:09:20,319 --> 03:09:26,350
appropriation figures to the various

3083
03:09:22,569 --> 03:09:28,569
junior colleges that you all use the

3084
03:09:26,350 --> 03:09:30,459
projections for a full-time student

3085
03:09:28,569 --> 03:09:33,999
equivalents or did you go on a different

3086
03:09:30,459 --> 03:09:36,999
basis we use the current figures by

3087
03:09:33,999 --> 03:09:38,829
amendment in the committee process when

3088
03:09:36,999 --> 03:09:41,949
we started and of course when the budget

3089
03:09:38,829 --> 03:09:46,600
board met there were no there was

3090
03:09:41,949 --> 03:09:51,100
nothing but estimated figures we adopted

3091
03:09:46,600 --> 03:09:54,430
the truth figures that we got oh I think

3092

03:09:51,100 --> 03:09:57,569
probably the latter part of April

3093
03:09:54,430 --> 03:09:59,170
that's right now but how much how much

3094
03:09:57,569 --> 03:10:02,530
money was

3095
03:09:59,170 --> 03:10:04,780
sign to each Junior College on the basis

3096
03:10:02,530 --> 03:10:06,450
of the latter figure of full-time

3097
03:10:04,780 --> 03:10:11,520
student equivalents

3098
03:10:06,450 --> 03:10:11,520
yeah the figure on that no just just

3099
03:10:40,640 --> 03:10:46,920
yes would you restate the question one

3100
03:10:44,430 --> 03:10:49,740
more time Bob I wanted to figure to find

3101
03:10:46,920 --> 03:10:51,900
out on what basis you were figuring the

3102
03:10:49,740 --> 03:10:54,720
allocation to the junior colleges and

3103
03:10:51,900 --> 03:10:56,130
how much you are allocating in dollars

3104
03:10:54,720 --> 03:10:58,920
and cents for a full-time student

3105
03:10:56,130 --> 03:11:00,930
equivalents on the basis of project that

3106
03:10:58,920 --> 03:11:03,000
civilians are what you mean contact

3107
03:11:00,930 --> 03:11:17,100
hours we don't use contact hours I

3108
03:11:03,000 --> 03:11:24,320
understand all right if you look at page

3109
03:11:17,100 --> 03:11:28,500
4 6 and 4/7 you will find the rates and

3110
03:11:24,320 --> 03:11:30,330
they're applied uniformly throughout the

3111
03:11:28,500 --> 03:11:33,960
system junior college and community

3112
03:11:30,330 --> 03:11:36,271
college system will help these arm if

3113
03:11:33,960 --> 03:11:38,700
they're applied uniformly as I look at

3114
03:11:36,271 --> 03:11:41,460
the San Antonio Junior College figures

3115
03:11:38,700 --> 03:11:44,460
he doesn't seem that they are applied

3116
03:11:41,460 --> 03:11:46,320
uniformly it seems to me that we're

3117
03:11:44,460 --> 03:11:50,310
somewhere close to 1 million dollars

3118
03:11:46,320 --> 03:11:53,960
short of it nine hundred and four

3119

03:11:50,310 --> 03:11:53,960
thousand dollars to be exact

3120
03:11:59,360 --> 03:12:07,910
what happened there the committee - made

3121
03:12:03,230 --> 03:12:11,180
a decision to subtract from each junior

3122
03:12:07,910 --> 03:12:13,130
college that used emergency the

3123
03:12:11,180 --> 03:12:17,900
emergency appropriation that was passed

3124
03:12:13,130 --> 03:12:22,150
several months ago for salaries and so a

3125
03:12:17,900 --> 03:12:22,150
subtraction was made I think from five

3126
03:12:23,230 --> 03:12:31,580
when they're four yeah they were fine

3127
03:12:28,400 --> 03:12:34,940
that the subtraction was made because

3128
03:12:31,580 --> 03:12:37,010
the committee felt that the legislature

3129
03:12:34,940 --> 03:12:40,811
had been told and that the governor's

3130
03:12:37,010 --> 03:12:44,150
message reflected an emergency for

3131
03:12:40,811 --> 03:12:47,170
operations and maintenance and the

3132
03:12:44,150 --> 03:12:52,690
running of the institution and not for

3133
03:12:47,170 --> 03:12:52,690
increased salaries so the committee a

3134
03:12:52,840 --> 03:13:00,500
motion was made and adopted that the

3135
03:12:56,500 --> 03:13:03,521
junior colleges that in the opinion of

3136
03:13:00,500 --> 03:13:03,521
the committee violate

3137
03:14:13,739 --> 03:14:15,799
you
