Fairlady that on the second reading a  
House bill 972 clerk read the bill HB

85

00:10:43,830 --> 00:10:48,330

902 by patenella and others relating to  
certain deadlines and in Texas Election

86

00:10:48,330 --> 00:10:55,110

Code affecting the status of candidates  
okay right now Mitch patenella mr.

87

00:10:55,110 --> 00:10:58,380

speaker members this bill deals with a  
serious problem that we have in the

88

00:10:58,380 --> 00:11:03,540

state of Texas that's the ability to for

persons overseas in our military to be

89

00:11:03,540 --> 00:11:08,400

able to participate in the political  
process what this bill does is increased

90

00:11:08,400 --> 00:11:14,370

by 20 days the periods for certifying  
filing or meeting other deadlines for

91

00:11:14,370 --> 00:11:19,920

elections this bill is supported by the  
County Clerk's Association and I felt

92

00:11:19,920 --> 00:11:24,450

it's a strong step forward to ensuring  
that those people that serve this

93

00:11:24,450 --> 00:11:29,670

country overseas those people who are  
working for oil companies those people

94

00:11:29,670 --> 00:11:32,079

who  
in other parts of the country are able

95

00:11:32,079 --> 00:11:37,540

to participate in the political process  
mr. speaker as Fox while purpose would

96

00:11:37,540 --> 00:11:41,319

the gentleman yield yeah  
Germany owes miss Fox mr. Pat Rinella

97

00:11:41,319 --> 00:11:46,749

I've been reading the house study group  
notes on this bill it does some other

98

00:11:46,749 --> 00:11:52,509

things too doesn't it changes some  
deadlines yes that's a relative to the

99

00:11:52,509 --> 00:11:59,230

election date yes it does between one of the things that is commented upon in

100

00:11:59,230 --> 00:12:05,949

those notes is that it would then create a problem as to the timing of state

101

00:12:05,949 --> 00:12:11,589

political party conventions in general election years that was brought to my

102

00:12:11,589 --> 00:12:17,230

attention late yesterday and today and I've talked with some other persons I am

103

00:12:17,230 --> 00:12:21,730

amenable to working something out on on that problem the end of this legislation

104

00:12:21,730 --> 00:12:26,290

is - I'm sorry Mr Speaker I can't hear mr. white let's get you a little better

105

00:12:26,290 --> 00:12:33,699

automats Pop's remember this take your seats and let's give the members who are

106

00:12:33,699 --> 00:12:39,220

debating the intention where they can hear each other go ahead miss Fox then

107

00:12:39,220 --> 00:12:42,850

to answer your question mr. Fox the intent of this legislation is to ensure

108

00:12:42,850 --> 00:12:46,059

enough time for the county clerks to prepare the ballots and for

109

00:12:46,059 --> 00:12:50,679

certification purposes it has been suggested and I don't have any problems

110

00:12:50,679 --> 00:12:54,879

to allowing the executive committees of  
the respective political parties to make

111

00:12:54,879 --> 00:12:59,290

that certification if you're interested  
in working out amendment I'd be amenable

112

00:12:59,290 --> 00:13:10,059

of doing so so we could work it out on  
third reading yes thank you if there are

113

00:13:10,059 --> 00:13:15,189

no other questions I move adoption

very special guest today to to visit with us for a short period of time

616

01:09:34,509 --> 01:09:40,630

this man is is now an austenite and a Texan at least for a period of two years

617

01:09:40,630 --> 01:09:47,089

he's an author that has authored over 30 volumes some of the names of his works I

618

01:09:47,089 --> 01:09:56,120

think you'll recognize they include Hawaii Centennial the source Chesapeake

619

01:09:56,120 --> 01:10:01,219

and he is now working on what we believe will be is most important and successful

620

01:10:01,219 --> 01:10:06,409

volume a book that has not been titled at this time but it will probably deal

621

01:10:06,409 --> 01:10:32,150

with the state of Texas I'd like to introduce to you mr. James Michener

622

01:10:32,150 --> 01:10:40,110  
speaker Louis representative Smith my  
honorary representative while I'm in

623

01:10:40,110 --> 01:10:49,560  
Texas gentlemen of a legislative body  
ladies of distinction who have won

624

01:10:49,560 --> 01:10:57,210  
election to a major a governmental  
function I do not use idle words when I

625

01:10:57,210 --> 01:11:05,340  
say that I envy you  
your positions because I have run for

626

01:11:05,340 --> 01:11:13,140  
office five times I ran for Congress of  
the United States and was defeated by a

627

01:11:13,140 --> 01:11:19,950  
man who never lost an election now I  
envy that son of a gun he sure knew how

628

01:11:19,950 --> 01:11:27,780  
to how to handle his his opponents and  
he handled me with ease but following

629

01:11:27,780 --> 01:11:35,070  
that which proves that I really did want  
to be a legislator I was elected to a

630

01:11:35,070 --> 01:11:41,280  
variety of public functions and I think  
the best thing I've ever done in my life

631

01:11:41,280 --> 01:11:48,660  
was to spend two years in a great  
convention rewriting the basic law of

632

01:11:48,660 --> 01:11:55,760  
Pennsylvania we were the only major  
state in recent years able to revise a

633

01:11:55,760 --> 01:12:01,380  
constitution fully you failed we  
followed your case with greatest

634

01:12:01,380 --> 01:12:07,800  
interest Maryland failed New York failed  
Michigan failed all the others failed

635

01:12:07,800 --> 01:12:14,989  
and we got ours through largely because  
we had a wonderful bipartisan approach

636

01:12:14,989 --> 01:12:21,210  
and largely because the Republican side  
was led by Bill Scranton one of the

637

01:12:21,210 --> 01:12:25,860  
great Americans that I've had an  
opportunity to work with bill and I were

638

01:12:25,860 --> 01:12:31,050  
on opposite sides of the hall I was the  
secretary of the convention he was the

639

01:12:31,050 --> 01:12:37,500  
leader of the Republican Party and we  
worked out a device whereby we would

640

01:12:37,500 --> 01:12:41,400  
present the consequences of our  
convention

641

01:12:41,400 --> 01:12:48,900  
in four separate parcels to the state  
and that was our salvation not because

642

01:12:48,900 --> 01:12:53,540  
we had done a good job but because we  
had been bright enough to ensure that

643

01:12:53,540 --> 01:12:58,949  
and what that meant was that everybody  
was bitterly opposed to some part of

644

01:12:58,949 --> 01:13:05,340

what we had done but nobody coalesced  
against the whole project and each of

645

01:13:05,340 --> 01:13:10,890

the four parts got through I had the  
distinction of being one of the

646

01:13:10,890 --> 01:13:17,460

Democratic leaders of not winning a  
single thing that I wanted I wanted I

647

01:13:17,460 --> 01:13:21,420

wanted appoint merit appointment of  
judges and we didn't get it

648

01:13:21,420 --> 01:13:26,340

I wanted to reduce the size of the  
legislature Pennsylvania has a

649

01:13:26,340 --> 01:13:31,469

disgracefully large one as you probably  
know the largest in America totally

650

01:13:31,469 --> 01:13:38,750

unwarranted we lost that I wanted to tax  
a church property that was not used for

651

01:13:38,750 --> 01:13:47,550

religious purposes and we got murdered  
on that one I wanted a tax American

652

01:13:47,550 --> 01:13:52,260

Legion property that was not used for  
club purposes and what happened to that

653

01:13:52,260 --> 01:13:57,710

one barely of admits of description and  
so it went

654

01:13:57,710 --> 01:14:04,170

however we did get rid of a few things

that I was interested in we had a system

655

01:14:04,170 --> 01:14:09,300

believe it or not in which we had  
justice of the peace who were paid in

656

01:14:09,300 --> 01:14:12,210

proportion to the number of people they  
found guilty

657

01:14:12,210 --> 01:14:18,630

we had some 600 of them they kept office  
in their back rooms and in the kitchens

658

01:14:18,630 --> 01:14:26,070

we cleaned that up and got a hundred  
highly qualified well paid judges to do

659

01:14:26,070 --> 01:14:32,250

that job in an office away from their  
home and so it went when we were through

660

01:14:32,250 --> 01:14:38,130

I had the one of the greatest honors of  
my life I was appointed by both sides of

661

01:14:38,130 --> 01:14:43,560

the house to chair the committee that  
put the whole thing into effect and we

662

01:14:43,560 --> 01:14:49,409

used a little device that I recommend to  
anybody modifying a constitution we

663

01:14:49,409 --> 01:14:55,789

enacted a schedule whereby if the  
House and Senate did not do by a certain

664

01:14:55,789 --> 01:15:01,909

time what the revision asked them to do  
the thing became law and then they had

665

01:15:01,909 --> 01:15:08,449

to knock it out well with that weapon I  
spent another year in a house just like

666

01:15:08,449 --> 01:15:13,939

this not as beautiful not as spacious  
not populated by as many interesting

667

01:15:13,939 --> 01:15:19,309

looking people I must say trying to  
revise the the workings of Pennsylvania

668

01:15:19,309 --> 01:15:26,659

so when I come before you I do so as a  
man who has enormous respect for what

669

01:15:26,659 --> 01:15:34,479

you do who wishes he were one of you who  
hopes that what you do prospers and

670

01:15:34,479 --> 01:15:40,189

hopes that you do better than that we  
have been able to do in Pennsylvania we

671

01:15:40,189 --> 01:15:46,789

do not set a very high standard to beat  
but but we try and I think that's the

672

01:15:46,789 --> 01:15:55,010

noblest thing that can be said about a  
state legislature while we were in this

673

01:15:55,010 --> 01:16:06,169

job we went through a reapportionment on  
the 1970 census and we lost seats so

674

01:16:06,169 --> 01:16:12,169

that the reapportionment for the  
Congress was a very bitter affair I was

675

01:16:12,169 --> 01:16:17,179

very pleased to see that since you  
people gained seats you had no trouble

676

01:16:17,179 --> 01:16:27,049  
with your reapportionment and I think  
you were very fortunate I am asked how

677  
01:16:27,049 --> 01:16:33,409  
my work is going and I have reached only  
a one or two very careful conclusions so

678  
01:16:33,409 --> 01:16:38,599  
far I'm a prudent man I've only been  
here half a year I'll be here two more

679  
01:16:38,599 --> 01:16:45,549  
years the only thing I've concluded so  
far is that the University of Houston

680  
01:16:45,549 --> 01:16:50,489  
has a better basketball team and the  
University of Texas

681  
01:16:50,489 --> 01:17:00,090  
a writer is always looking for good  
stories and the best one to come along

682  
01:17:00,090 --> 01:17:06,020  
so far is that announcement by the  
Confederate Air Force down in Harlington

683  
01:17:06,020 --> 01:17:13,530  
they said this summer we are going to  
have a reunion of the Air Force we're

684  
01:17:13,530 --> 01:17:18,660  
going to reenact the Battle of the  
Pacific we have real airplanes we have

685  
01:17:18,660 --> 01:17:23,700  
real pilots we have real ammunition we  
have real bombs and it's going to be a

686  
01:17:23,700 --> 01:17:29,340  
wingding and they said we have these  
zeros and Betty's and other planes of

687

01:17:29,340 --> 01:17:35,010

Japan we're inviting over three Japanese pilots who were also in the war and we

688

01:17:35,010 --> 01:17:39,360

had these great Messerschmitts and Wolf's and the rest from Germany and

689

01:17:39,360 --> 01:17:44,340

although they were not in the Pacific we're inviting over three German pilots

690

01:17:44,340 --> 01:17:49,890

and we are gonna have a wingding I said you you you have real ammunition he said

691

01:17:49,890 --> 01:17:56,940

yes we have real bullets we have real bombs we have real flares we even have a

692

01:17:56,940 --> 01:18:02,489

real atomic bomb but we are not going to use it unless we can find a likely

693

01:18:02,489 --> 01:18:12,180

target in Oklahoma I will by the end of my work in your beautiful state have

694

01:18:12,180 --> 01:18:17,160

been I would suppose in each of your districts I've probably already been in

695

01:18:17,160 --> 01:18:23,550

three-fourths of them and will correct the the absences shortly this is a

696

01:18:23,550 --> 01:18:29,090

marvelous state the third thing I've learned is that you take it seriously

697

01:18:29,090 --> 01:18:36,390

but you really do have a Texas attitude which other states do not have and it's

698

01:18:36,390 --> 01:18:43,200

my job to try to define what that is to  
get good stories representing it and to

699

01:18:43,200 --> 01:18:50,850

present your great state to the other 49  
states of our Union in a novel which I

700

01:18:50,850 --> 01:18:55,190

hope a lot of people will read which  
will encourage a lot of them come down

701

01:18:55,190 --> 01:19:00,830

and do what I'm doing to look you over I  
may God bless you and the work you have

702

01:19:00,830 --> 01:19:29,090

to do and the rest of this session I'm  
so pleased to be here with you thank you

703

01:19:29,090 --> 01:19:34,920

that's missing before you leave I have a  
couple of things I would like to that

704

01:19:34,920 --> 01:19:40,350

was passed here last week commemorating

705

of the big Texas gavel will let you take

706

think it would be proper and thank you

admire this young lady and I know her

748

01:26:16,340 --> 01:26:20,930  
personally and I know her family and she

01:26:20,930 --> 01:26:26,570  
we have in this state and I feel that  
we're awfully awfully glad to have her

than that let me see how learning - you

757

01:27:50,830 --> 01:27:56,560

have learn thing - you have learnt they  
dear Homer hey Homer okay let's start

758

01:27:56,560 --> 01:28:00,190

all over  
I'm Gloria and this is my friend Homer

759

01:28:00,190 --> 01:28:10,600

the dummy she always says that so you'll  
know which one of us is the dummy okay

760

01:28:10,600 --> 01:28:18,239

okay so you're the littlest huh no  
actually hummert the word is pronounced

761

01:28:18,239 --> 01:28:25,840

ventriloquist that's what I said  
so you're though they trickle is tall if

762

01:28:25,840 --> 01:28:31,179

you want to call it that can you do what  
that guy does on teeth Li what's that

763

01:28:31,179 --> 01:28:38,080

can you say a bottle of barrel without  
moving your lips why you know like the

764

01:28:38,080 --> 01:28:43,330

guy does on TV goes a bottle of beer a  
bottle of there a bottle of there a

765

01:28:43,330 --> 01:28:49,290

bottle of beer bottle the very bottom of  
there a bottle of there

766

01:28:49,429 --> 01:29:04,580

Oh big bottle of beer Oh big bottle of  
Budweiser beer Oh big bubbly bottle of

767

01:29:04,580 --> 01:29:11,659

Budweiser beer can you say that without  
moving your lips now how the heck did I

768

01:29:11,659 --> 01:29:16,340

do it tell me how her while we're on  
that subject

769

01:29:16,340 --> 01:29:34,250

do you drink alcoholic beverages do fish  
swim oh that's very interesting

770

01:29:34,250 --> 01:29:44,000

are you a hard drinker Lord no was one  
of the easiest things I do well what's

771

01:29:44,000 --> 01:29:50,239

your favorite brand I like old squirrel  
you got any of that old squirrel no I

772

01:29:50,239 --> 01:29:54,650

don't believe we do but I think they got  
some old crow in the back nose I don't

773

01:29:54,650 --> 01:30:02,469

never do why not I don't want to fly I

just want to hop around a little bit I

774

01:30:02,469 --> 01:30:07,670

understand that especially for this day  
that you have made up some poetry to

775

01:30:07,670 --> 01:30:14,800

recite for the gentleman yeah he'll why  
don't you do that okay ready

776

01:30:14,800 --> 01:30:20,239

she held me tightly in her arms what  
could I do

777

01:30:20,239 --> 01:30:30,770

but linger I ran my hands through her  
hair and a cootie bit my finger why

778

01:30:30,770 --> 01:30:36,530

don't why don't we move on along and you  
do your famous story that you do all

779

01:30:36,530 --> 01:30:39,860

over the state of Texas this is a very  
dangerous tongue twister and I'm sure

780

01:30:39,860 --> 01:30:44,140

all of you politicians would need to try  
it one time without moving your lips

781

01:30:44,140 --> 01:30:48,530

this is very dangerous and if we do make  
a mistake we're in quite a bit of

782

01:30:48,530 --> 01:30:54,020

trouble so we've never made a mistake so  
why don't you go ahead thanks a lot sure

783

01:30:54,020 --> 01:30:56,320

go ahead

784

01:30:57,349 --> 01:31:05,030

you see it's my plane the story about

the two little snakes hissing in the pit

785

01:31:06,110 --> 01:31:13,440

don't move your lips so there are these  
two little snakes and aids hissing in

786

01:31:13,440 --> 01:31:18,269

the pit and the longest they can doubt  
said who you know snakes doing they said

787

01:31:18,269 --> 01:31:22,440

or hissing in our pit  
she said I'm down here saying I hit gold

788

01:31:22,440 --> 01:31:29,429

and this is pops is pitting hissing it  
so the toothless makes a leather Dolan

789

01:31:29,429 --> 01:31:33,690

older and Lissa's pots pit started in it  
miss Potts came out said who knows

790

01:31:33,690 --> 01:31:38,789

something's doing what he said to her  
hissing in your hip she said oh don't

791

01:31:38,789 --> 01:31:44,179

hissing not here to get you old hit the  
hiss and told you go back and hissing it

792

01:31:44,179 --> 01:31:47,360

sit down

793

01:31:51,250 --> 01:31:56,870

so the turtle snake slid back to their  
own pit started in it again the mother

794

01:31:56,870 --> 01:31:59,540

snake came out said who you know  
something's doing they said we're

795

01:31:59,540 --> 01:32:04,070

hissing in our kit she said I thought I

told you to go to this is pots in

796

01:32:04,070 --> 01:32:08,090

spitting hissing it weird when older  
mrs. Potts as pit start his then it miss

797

01:32:08,090 --> 01:32:12,890

Potts came outside who you little snakes  
doing we said who are hissing in your

798

01:32:12,890 --> 01:32:19,820

pit she said well done isn't my pet you  
got young pit to hissing so why don't

799

01:32:19,820 --> 01:32:23,950

you go back and hissing it so here we  
are

800

01:32:23,950 --> 01:32:29,900

mama snake shook her head and said that  
blades all I knew mrs. Potts when she

801

01:32:29,900 --> 01:32:33,370

didn't have a pet to hiss in

802

01:32:43,420 --> 01:32:48,890

we have a song to do for all of you  
today and I want you to listen to it

803

01:32:48,890 --> 01:32:52,820

because I chose it especially for you

842

01:37:44,240 --> 01:37:47,890

the state federal office in Washington

843

01:37:50,530 --> 01:37:58,250

following amendment clerk rayji  
amendment amendment by Dee Hudson and

844

01:37:58,250 --> 01:38:03,560

hollow L share recognized mr. Salinas to  
explain the amendment you explain the

845

01:38:03,560 --> 01:38:09,350

minute mr. Nunes members and miss Baker  
this is the amendment that I agreed to

846

01:38:09,350 --> 01:38:19,220

take on Thursday mr. Halliwell Mr Hudson  
have drafted it and and the it's

847

01:38:19,220 --> 01:38:25,420

acceptable to me you don't explain a  
little bit more

848

01:38:27,140 --> 01:38:31,680

let's give mrs. Lynch the attention he  
can explain the amendment I will explain

849

01:38:31,680 --> 01:38:40,050

it in Spanish for all you disadvantaged  
monolinguals this is the amendment that

850

01:38:40,050 --> 01:38:46,110

allows the office to to accept  
contributions and what we did we drafted

851

01:38:46,110 --> 01:38:51,750

the amendments so that that this money  
could not be used to pay any person or

852

01:38:51,750 --> 01:38:57,930

staff person that is working for the the  
office at the time that the donation is

853

01:38:57,930 --> 01:39:03,120

accepted and the state auditor will  
audit the financial transactions of the

854

01:39:03,120 --> 01:39:07,710

office on a yearly basis miss speaker  
miss Cory and purpose gentleman yield yo

855

01:39:07,710 --> 01:39:13,260

mr. Salinas yes Gemma neos miss Cory mr.  
Salinas that means then that someone

856

01:39:13,260 --> 01:39:17,820

who's not on board at the time of  
contribution has been made can be paid

857

01:39:17,820 --> 01:39:22,950

out of these funds or their that is they  
can be paid if they are hired after a

858

01:39:22,950 --> 01:39:26,850

contribution is made that is correct  
what do you perceive the purpose of

859

01:39:26,850 --> 01:39:33,060

these funds will be what will the money  
be used for well the amendment the money

860

01:39:33,060 --> 01:39:37,440

will be used to further any objectives  
of the office and those objectives were

861

01:39:37,440 --> 01:39:41,700

clearly stated to you on Thursday and

that being that that we want to make

862

01:39:41,700 --> 01:39:47,070

sure that Texas at Washington is not underrepresented that we get our fair

863

01:39:47,070 --> 01:39:50,520

share of federal monies and federal programs they're allocated to the

864

01:39:50,520 --> 01:39:55,770

state's well as this tantamount to a lobby organization it always has been a

865

01:39:55,770 --> 01:40:00,210

lobby organization just like your lobbyist for Waco we're going to lobby

866

01:40:00,210 --> 01:40:04,500

in Washington for Texas but do we have lobbyists from other state agencies in

867

01:40:04,500 --> 01:40:09,060

Washington likewise why do we have lobbyists that represent

868

01:40:09,060 --> 01:40:13,050

other agencies of the state for example that the Department of Ag the State

869

01:40:13,050 --> 01:40:17,280

Department of Agriculture or the Department of Human Resources or any of

870

01:40:17,280 --> 01:40:23,400

the like no so this office is not only the office that lobbyists for the state

871

01:40:23,400 --> 01:40:30,570

of Texas but also it's the office that that informs us on what is going on in

872

01:40:30,570 --> 01:40:37,650

Washington and we I hope I hope that we  
get a person that

873

01:40:37,650 --> 01:40:41,790

represent the agriculture point of view  
at the Washington level we have not had

874

01:40:41,790 --> 01:40:46,170

a person that's a AG specialist so to  
speak and in that office but miss

875

01:40:46,170 --> 01:40:50,370

waiting to have sure Duss that she is  
going to hire or employ someone that the

876

01:40:50,370 --> 01:40:54,710

at the office that will be dealing  
directly with agricultural issues

877

01:40:54,710 --> 01:40:59,670

well it's your understanding then and we  
don't have people from any other state

878

01:40:59,670 --> 01:41:04,200

agencies in Washington specifically for  
the purpose of determining what their

879

01:41:04,200 --> 01:41:08,940

counterparts in Washington may be doing  
and that's why we need this particular

880

01:41:08,940 --> 01:41:17,100

office the office has been in existence  
since 1965 and this what we're doing is

881

01:41:17,100 --> 01:41:22,310

is recreating the office it's under  
sunset on the sense that review process

882

01:41:22,310 --> 01:41:26,580

that came up a sense that we're  
recreating the office but now this

883

01:41:26,580 --> 01:41:31,430  
office was established for the purpose  
of maintaining a liaison between

884  
01:41:31,430 --> 01:41:34,650  
Washington DC in the state of Texas and  
that exactly

885  
01:41:34,650 --> 01:41:39,600  
thank you mister lenez the question on  
the adoption of the amendment the

886

and it takes us Election Code affecting  
the status of candidates right now much

934

01:46:29,960 --> 01:46:33,290

Matt Anela  
mr. speaker members this is the bill

935

01:46:33,290 --> 01:46:38,150

that we passed out last Thursday which  
deals with allowing additional time for

936

01:46:38,150 --> 01:46:42,410

certification other deadlines so that we  
can mail out absentee ballots in a

937

01:46:42,410 --> 01:46:46,700

timely fashion for overseas voters I  
believe there will be a friendly

938

01:46:46,700 --> 01:46:50,870

amendment offer

this bill the following amendment quote

939

01:46:50,870 --> 01:46:56,150

read the amendment

and then it by Hill and Stannis Wallis J

940

01:46:56,150 --> 01:47:03,500

recognizer mr. Pat no you won't explain

the amendment what this amendment does

941

01:47:03,500 --> 01:47:07,850

is change some of the objections that

the two political parties have raised

942

01:47:07,850 --> 01:47:12,679

allows the state executive committees of

either political party to certify the

943

01:47:12,679 --> 01:47:16,130

candidates and therefore the party

conventions would still remain at the

944

01:47:16,130 --> 01:47:19,850

same times that they're currently

allowed maybe you've heard the amendment

945

01:47:19,850 --> 01:47:23,570

is there any objection to the adoption

of the amendment the chair is now the

946

01:47:23,570 --> 01:47:28,659

amendment is adopted

question on his own passions moment

947

01:47:28,659 --> 01:47:34,389

flesh nails on final passage of House

Bill 972 all those in favor signify by

948

01:47:34,389 --> 01:47:43,429  
throat opposed no House bill 1972  
finally pass chair lay down on second

949  
01:47:43,429 --> 01:47:52,429  
reading HJ r29 clerk read the bill HJ  
r29 by Cody proposing a constitutional

950  
01:47:52,429 --> 01:47:57,110  
amendment relating to the powers of  
state chartered banks okay right now mr.

951  
01:47:57,110 --> 01:48:09,130  
Cody the speaker members HJ are 29 is a  
joint resolution which simply will put

952  
01:48:09,130 --> 01:48:15,679  
parity between state banks and national  
banks first of all let me read what

953  
01:48:15,679 --> 01:48:21,830  
we're doing here in amending article 16  
section 16 it says the corporate body

954  
01:48:21,830 --> 01:48:25,429  
created by virtue of the power granted  
by this section notwithstanding any

955  
01:48:25,429 --> 01:48:30,350  
other provision this section has the  
same rights and that are or may be

956  
01:48:30,350 --> 01:48:35,210  
granted to national banks of the United  
States and mr. speaker there is a

957  
01:48:35,210 --> 01:48:41,120  
committee amendment and I'd like to lay  
that out at this time following a

958  
01:48:41,120 --> 01:48:47,540  
committee amendment clerk already  
amendment committee amendment and my

959

01:48:47,540 --> 01:48:54,590

Wallis share right now mr. Cole explain  
the amendment the speaker and members

960

01:48:54,590 --> 01:48:59,340

what this corrective amendment does he  
just adds two

961

01:48:59,340 --> 01:49:02,460

the following words to the end of the  
sentence that I just got through reading

962

01:49:02,460 --> 01:49:08,190

in section 1 see that says domiciled in  
this state we wanted to make sure that

963

01:49:08,190 --> 01:49:14,670

we were talking about banks domiciled in  
the state remembers what we have here in

964

01:49:14,670 --> 01:49:18,870

this day and time is you're well aware  
is the fact that we've got a blurred

965

01:49:18,870 --> 01:49:26,280

banking image and with savings and loans  
credit unions mortgage firms going into

966

01:49:26,280 --> 01:49:30,930

the banking business we're simply trying  
to get a competitive stance and what's

967

01:49:30,930 --> 01:49:37,200

what hjr 29 simply does is going to give  
equality and it's going to preserve it

968

01:49:37,200 --> 01:49:41,970

if we're going to keep our dual banking  
system in this state this is the

969

01:49:41,970 --> 01:49:48,720

approach it's needed consequently what  
we're going to do with hjr 29 is simply

970

01:49:48,720 --> 01:49:55,740

allow state banks the right to  
participate and the right to compete mr.

971

01:49:55,740 --> 01:50:01,170

speaker mr. Kemp  
I yield the MS Cody it's just a moment I

972

01:50:01,170 --> 01:50:06,750

will speak German does not yield test  
time miss Kim what we will have here of

973

01:50:06,750 --> 01:50:15,360

course is protecting the integrity of  
the state dual banking system and it

974

01:50:15,360 --> 01:50:21,870

will allow the banking commission and  
the commissioner if needed to simply

975

01:50:21,870 --> 01:50:27,540

make decisions which may be necessary in  
the event that the feds change and this

976

01:50:27,540 --> 01:50:30,720

is approximately what we're going to do  
we'll send it to the people they're

977

01:50:30,720 --> 01:50:33,960

going to make the ultimate decision of  
course since we're amending the

978

01:50:33,960 --> 01:50:39,150

Constitution and this is what we're  
going to do here is simply give the

979

01:50:39,150 --> 01:50:43,110

banking commission and the banking  
commissioner the flexibility to make the

980

01:50:43,110 --> 01:50:49,650

moves necessary and should that time

come while we are not in session during

981

01:50:49,650 --> 01:50:55,200

the interim then they could act and save any possible delay I'll yield this time

982

01:50:55,200 --> 01:50:59,160

my speaker one moment mr. Coe do you still are speaking on the amendment mr.

983

01:50:59,160 --> 01:51:05,370

Cody have you passed that I'm past that okay remember this adopt the amendment

984

01:51:05,370 --> 01:51:08,940

is there any objection to the adoption of the amendment chair none the

985

01:51:08,940 --> 01:51:15,670

committee amendment is adopted Germany OHS Thomas Gambel mr. Cody Texas

986

01:51:15,670 --> 01:51:20,050

has had an inordinate number of banking scandals in the past and I could mention

987

01:51:20,050 --> 01:51:23,620

the number of my name I guess sharp sound is one of the more famous ones and

988

01:51:23,620 --> 01:51:29,350

and this bill sounds to me like it has has the effect of blanket change in the

989

01:51:29,350 --> 01:51:32,320

way the state banks will be able to conduct themselves because they'll be

990

01:51:32,320 --> 01:51:36,010

able to start conducting themselves under the same rules and regulations as

991

01:51:36,010 --> 01:51:40,210

the national banks isn't this opening  
the door and it doesn't have the effect

992

01:51:40,210 --> 01:51:43,720  
of repealing some of the reform  
legislation that was passed as a result

993

01:51:43,720 --> 01:51:48,340  
of sharp sound and other similar  
scandals in a state banking system no

994

01:51:48,340 --> 01:51:55,720  
mr. Kemp I don't think so at all what we  
are simply saying here is we cannot

995

01:51:55,720 --> 01:52:01,120  
anticipate and as you're well aware of  
course Congress is the one who makes the

996

01:52:01,120 --> 01:52:06,250  
rules for the national banks operating  
here and Congress can make any necessary

997

01:52:06,250 --> 01:52:11,110  
changes any time that they see fit and  
what we're trying to do here is just

998

01:52:11,110 --> 01:52:16,510  
simply giving the banking Commission the  
authority mr. Kemp to act if he needs to

999

01:52:16,510 --> 01:52:21,790  
this is what we're saying we just want  
to be competitive and and this is

1000

01:52:21,790 --> 01:52:30,370  
something we have to almost do mr. Kemp  
today we've got 750 state banks we've

1001

01:52:30,370 --> 01:52:35,980  
got a little over 700 national banks  
with a hundred charters being have been

1002

01:52:35,980 --> 01:52:39,760

granted and during the process of being issued and to answer your question no

1003

01:52:39,760 --> 01:52:44,050

sir no this in no way would take away any matters from the banking commission

1004

01:52:44,050 --> 01:52:47,860

and the people who work there if anything I think it's going to keep them

1005

01:52:47,860 --> 01:52:52,000

more competitive and on their toes mr. Kemp okay and as far as protecting the

1006

01:52:52,000 --> 01:52:55,270

the people who have their money into banks or who I've invested in stocks in

1007

01:52:55,270 --> 01:52:58,870

the banks those measures that the legislators have taken in the past to

1008

01:52:58,870 --> 01:53:03,700

protect us from the scandals like sharps down will be built into this system as

1009

01:53:03,700 --> 01:53:06,520

well in the US Congress will take care of the sort of problems that the

1010

01:53:06,520 --> 01:53:10,330

Legislature's had to take care of in the past well I can't speak for Congress now

1011

01:53:10,330 --> 01:53:14,680

mr. Kemp oh and what they're going to do but I'm willing to say here that I'll

1012

01:53:14,680 --> 01:53:19,150

put full trust in the integrity and the efficiency of the banking commission yes

1013

01:53:19,150 --> 01:53:21,670

sir

you're not going to see that we're not

1014

01:53:21,670 --> 01:53:24,130

going to we're not changing anything mr.  
camp

1015

01:53:24,130 --> 01:53:28,690

all we're doing we're simply saying that  
we're going to give them the authority

1016

01:53:28,690 --> 01:53:37,270

to do this thank you Thank You mr.  
chairman mr. speaker i move passage

1017

01:53:37,270 --> 01:53:43,110

third reading and I'll need a a record  
vote on this mr. speaker get it

1018

01:53:52,590 --> 01:53:58,750

adoption and passage of House Joint

1019

01:53:58,750 --> 01:54:04,179

those in favor vote aye those opposed

1020

01:54:04,179 --> 01:54:08,280

vote no to record vote the clerk will  
ring the bell

1021

01:54:24,760 --> 01:54:33,670

so Miss Halliwell vote and I show mr.  
Gore sailboat and I remember will give

1022

01:54:33,670 --> 01:54:36,780

1023

01:54:45,280 --> 01:54:52,119

Silvestre Cobra Bowden I have all  
members voted so with J Gibson boat and

1024

01:54:52,119 --> 01:55:01,420

I so miss Edwards and held Edwards  
voting I have all members voting all

1025

01:55:01,420 --> 01:55:09,280

members voted there'd be 126 eyes eight  
nose seven president not voting eight

1026

01:55:09,280 --> 01:55:12,420

yard  
twenty-nine

1027

01:55:22,289 --> 01:55:27,690

Pierre laid out on the second reading  
hjr for clerk read the bill

1028

01:55:27,690 --> 01:55:31,869

har four by bush proposing a  
constitutional amendment relating to the

1029

01:55:31,869 --> 01:55:35,739

state commission on Judicial Conduct and  
the authority and procedure discipline

1030

01:55:35,739 --> 01:55:39,309

active judges certain retired and former  
judges and certain masters and

1031

01:55:39,309 --> 01:55:45,460

magistrates of the courts cherrick now  
mr. Bush playing Israel mr. speaker and

1032

01:55:45,460 --> 01:55:51,400

members this particular resolution  
amends the section of the Constitution

1033

01:55:51,400 --> 01:55:56,559

which deals with the disciplining of the  
judiciary and then particularly the

1034

01:55:56,559 --> 01:56:02,559

Judicial Conduct Commission as many of  
you know the House Select Committee on

1035  
01:56:02,559 --> 01:56:06,760  
judicial selection which was a  
bipartisan committee with lawyers and

1036  
01:56:06,760 --> 01:56:12,010  
non-lawyers and a number of the members  
of our legislature did an extensive

1037  
01:56:12,010 --> 01:56:16,449  
review of the judiciary last summer and  
recommended some changes in the Judicial

1038  
01:56:16,449 --> 01:56:20,530  
Conduct Commission in the section of  
Constitution that governor's governs

1039  
01:56:20,530 --> 01:56:25,679  
that Commission in addition the  
Judiciary Committee of the house the

1040  
01:56:25,679 --> 01:56:31,349  
Committee on Judicial Affairs have  
reviewed and approved either the

1041  
01:56:31,349 --> 01:56:35,219  
constitutional amendment and the  
enabling legislation that is proposed

1042  
01:56:35,219 --> 01:56:40,210  
briefly the number of judges on the  
Commission has not changed but we add a

1043  
01:56:40,210 --> 01:56:44,139  
municipal court judge and a county court  
of law judge instead of a district judge

1044  
01:56:44,139 --> 01:56:49,719  
in the court of appeals judge reducing  
their numbers by one in addition we

1045  
01:56:49,719 --> 01:56:55,940  
expand the type of conduct meriting

disciplinary action to include

1046

01:56:55,940 --> 01:57:00,900

incompetence for one thing which has not previously been a ground for removal we

1047

01:57:00,900 --> 01:57:05,580

also rank there for purpose if we have a little better honor or could the

1048

01:57:05,580 --> 01:57:12,210

gentleman speak up on something let's do a little both miss right there members

1049

01:57:12,210 --> 01:57:17,220

let's give mr. Bush your attention mr. Bush maybe you can speak up a little bit

1050

01:57:17,220 --> 01:57:22,860

also all right thank you as I was saying as Speaker members we apply discipline

1051

01:57:22,860 --> 01:57:27,690

not only to judges who are sitting on the bench but to masters or magistrates

1052

01:57:27,690 --> 01:57:32,550

who now in many of our urban areas conduct judicial proceedings and who

1053

01:57:32,550 --> 01:57:35,550

have been left out of the prior constitutional amendment and would now

1054

01:57:35,550 --> 01:57:40,140

be included under this provision in addition to increasing the grounds for

1055

01:57:40,140 --> 01:57:45,239

discipline we also in the Constitution provide an additional set of remedies

1056

01:57:45,239 --> 01:57:49,470

which give more flexibility in dealing  
with errant judges than we presently

1057

01:57:49,470 --> 01:57:56,940

have we would be allowed to provide for  
a little broader scope of action finally

1058

01:57:56,940 --> 01:58:00,560

and one of the most important changes  
instead of having the Supreme Court

1059

01:58:00,560 --> 01:58:09,230

review the action of the Commission a  
seven judge a court of appeals panel

1060

01:58:09,230 --> 01:58:13,350

chosen by lot would replace the Supreme  
Court as the body to make this review

1061

01:58:13,350 --> 01:58:17,190

and the Supreme Court under the  
substantial evidence rule would review

1062

01:58:17,190 --> 01:58:23,070

that body's findings if necessary the  
final thing that we've done here is to

1063

01:58:23,070 --> 01:58:29,880

provide that the legislature and in  
future will be able to deal more broadly

1064

01:58:29,880 --> 01:58:36,540

with the laws necessary to further this  
section of the Constitution so that we

1065

01:58:36,540 --> 01:58:39,660

won't be coming back to you again  
hopefully with a constitutional

1066

01:58:39,660 --> 01:58:43,530

amendment as we've had to do previously  
because the law doesn't let us make laws

1067

01:58:43,530 --> 01:58:51,720  
to conform this the rules to the law of  
a constitution by way of information the

1068  
01:58:51,720 --> 01:58:55,890  
Supreme Court has acted in providing  
rules for the removal retirement of

1069  
01:58:55,890 --> 01:59:00,350  
judges and they are also now included as  
under this constitutional provision

1070  
01:59:00,350 --> 01:59:03,989  
unless our questions I move adoption of  
this constitutional amendment mr.

1071  
01:59:03,989 --> 01:59:06,110  
speaker

1072  
01:59:07,679 --> 01:59:13,869  
the question is on adoption and final  
passage hjr for all those in favor vote

1073  
01:59:13,869 --> 01:59:31,300  
aye those opposed vote no it's a record  
vote clerk reading the mail so much

1074  
01:59:31,300 --> 01:59:42,400  
Chris voting on so much y'all voted out  
so much buyers voting aye

1075  
01:59:42,400 --> 01:59:56,980  
so mr. Gore Silvan and I still miss  
Pierce voting aye mister we didn't vote

1076  
01:59:56,980 --> 02:00:10,179  
and I of all members voting of all  
members voting they're being 141 eyes

1077  
02:00:10,179 --> 02:00:19,239  
one no one president not voting har for  
finally passed thank you Miss speaker

1078

02:00:19,239 --> 02:00:21,539  
and members

1079  
02:00:31,469 --> 02:00:39,810  
chair they don't second reading house Bo  
7:30 look read a bill HB 7:30 by Evans

1080  
02:00:39,810 --> 02:00:43,560  
of Terrence relating to the validity of  
signatures on voters petitions in

1081  
02:00:43,560 --> 02:00:46,560  
certain elections okay right now miss  
Evans

1082  
02:00:46,560 --> 02:00:52,610  
it's bigger members House bill 730 deals  
with a format whereby petitions that are

1083  
02:00:52,610 --> 02:00:57,920  
passed around in the municipalities and  
the governmental entities in the state

1084  
02:00:57,920 --> 02:01:03,090  
gives the format whereby they would have  
their signature their voter registration

1085  
02:01:03,090 --> 02:01:07,770  
address and etc the whole purpose of  
this is to verify those petitions in a

1086  
02:01:07,770 --> 02:01:12,690  
lot quicker manner and I believe there  
are a couple of amendments to it and

1087  
02:01:12,690 --> 02:01:17,040  
I'll be happy to answer any questions  
mr. Smith miss speaker miss me what

1088  
02:01:17,040 --> 02:01:23,429  
purpose was gentleman yield are you miss  
man mr. Evans this not only applies to

1089

02:01:23,429 --> 02:01:27,750  
roll back elections under the Texas  
election or education code but it would

1090  
02:01:27,750 --> 02:01:32,790  
also apply to roll back elections under  
our property tax code what did not I

1091  
02:01:32,790 --> 02:01:37,409  
believe it would since it's the latest  
pass statute the property tax which we

1092  
02:01:37,409 --> 02:01:42,090  
passed last time I was discussing that  
with mr. Peavey toe earlier and he said

1093  
02:01:42,090 --> 02:01:46,230  
that he would either like to take it out  
of the property tax code or put an area

1094  
02:01:46,230 --> 02:01:50,429  
in the tax code that would require this  
format and I would rather have it in

1095  
02:01:50,429 --> 02:01:54,480  
rather than to take it out could you  
give me an example since I haven't had

1096  
02:01:54,480 --> 02:01:58,469  
time to get the election code all the  
property tax code to review how many of

1097  
02:01:58,469 --> 02:02:03,060  
these restrictions on a petition  
signature do we have now under those two

1098  
02:02:03,060 --> 02:02:06,960  
situations I'm primarily just here  
sitting the rollback election process

1099  
02:02:06,960 --> 02:02:12,870  
well of course I'm not sure about the  
you were talking about two codes the

1100

02:02:12,870 --> 02:02:17,580

election code this goes in the election  
cutting education code and the education

1101

02:02:17,580 --> 02:02:21,330

does it by education this would become a  
part of the election code now the

1102

02:02:21,330 --> 02:02:26,760

property tax rollback would just allow  
10% of the signatures this does not

1103

02:02:26,760 --> 02:02:31,020

affect the number of signatures no I'm  
talking about the qualifications what

1104

02:02:31,020 --> 02:02:35,489

what's the present law as far as any  
qualifications that are placed on a a

1105

02:02:35,489 --> 02:02:39,810

person signature under a rollback a tax  
rollback election area

1106

02:02:39,810 --> 02:02:45,060

there is no format no requirements  
rather than just that 10% of the

1107

02:02:45,060 --> 02:02:48,930

signatures would be on a petition the  
problem with that and I have some

1108

02:02:48,930 --> 02:02:52,430

samples down here if you'd like to look  
at them is they come in they sign it and

1109

02:02:52,430 --> 02:02:58,050

that's all that they have to go by and  
then the secretaries or the election

1110

02:02:58,050 --> 02:03:01,890

officer must verify those signatures  
making sure that they're valid within

1111  
02:03:01,890 --> 02:03:05,820  
the municipality and within the other  
things what this will do will allow them

1112  
02:03:05,820 --> 02:03:10,290  
to verify much quicker so that they  
would have the valid signatures surely I

1113  
02:03:10,290 --> 02:03:15,390  
don't have any problem with some of this  
stuff but I do think that a voter a lot

1114  
02:03:15,390 --> 02:03:20,280  
of voters don't carry their registration  
card around with them and I'm afraid

1115  
02:03:20,280 --> 02:03:23,400  
that if we require the registration  
number aren't we going to make it much

1116  
02:03:23,400 --> 02:03:27,450  
more difficult for people to circulate  
these petitions I don't think it would

1117  
02:03:27,450 --> 02:03:31,560  
make it much more difficult to circulate  
those petitions what it's going to do is

1118  
02:03:31,560 --> 02:03:36,180  
the circulator would have the name and  
address so that they could verify it

1119  
02:03:36,180 --> 02:03:41,520  
printed and signed also it does require  
and this and the statute does require a

1120  
02:03:41,520 --> 02:03:45,840  
voter registration because they must be  
a registered

1121  
02:03:45,840 --> 02:03:52,200  
yeah but it you could have a list those

lists are very inexpensive today at a

1122

02:03:52,200 --> 02:03:57,090

dollar a precinct whereby someone who is circulating a petition could could

1123

02:03:57,090 --> 02:04:01,530

verify it very quickly and get the number off of it let me ask you this was

1124

02:04:01,530 --> 02:04:06,330

this legislation asked for by anybody suggested yes it was it was asked for I

1125

02:04:06,330 --> 02:04:11,910

am carrying it for the city secretaries associated see secretary and clerk's

1126

02:04:11,910 --> 02:04:20,100

association Thank You mr. Evans Baker gentlemen you are you miss peep-toe tell

1127

02:04:20,100 --> 02:04:24,960

me it'll miss people don't charlie I've used to do after I visited with mr.

1128

02:04:24,960 --> 02:04:30,360

Smith and you've agreed tomorrow on third reading if the bill

1129

02:04:30,360 --> 02:04:36,990

passes which looks like it's going to to accept an amendment so that these

1130

02:04:36,990 --> 02:04:41,280

requirements can be put in the property tax code itself so anybody reading the

1131

02:04:41,280 --> 02:04:44,010

code would know what to do that's correct

1132

02:04:44,010 --> 02:04:49,980

and if for some reason we can't put that amendment on you're willing to take the

1133

02:04:49,980 --> 02:04:52,860

tax code out from under it I would rather not take

1134

02:04:52,860 --> 02:04:56,520

now from under it I think we could work an amendment where it would be included

1135

02:04:56,520 --> 02:05:00,810

in my property times what I'm saying charlie if for some reason we can't work

1136

02:05:00,810 --> 02:05:04,980

an amendment for third reading I cannot imagine we not being able to

1137

02:05:04,980 --> 02:05:09,719

but I understand but if we can't I don't want to commit Michael I think I can

1138

02:05:09,719 --> 02:05:14,190

draw an amendment they would put it in there all right well we don't have time

1139

02:05:14,190 --> 02:05:16,770

today to get it drawn but what I'm worried about

1140

02:05:16,770 --> 02:05:20,130

yeah you brought it to me about five minutes ago right we didn't have time if

1141

02:05:20,130 --> 02:05:23,820

that's correct but what I'm worried about we don't want to put something

1142

02:05:23,820 --> 02:05:28,889

over the election code it's going to apply to a row by collection and some

1143

02:05:28,889 --> 02:05:34,020  
citizen reads the tax code and thinks  
he's doing everything he needs to do in

1144  
02:05:34,020 --> 02:05:38,070  
order to have a rollback that's correct  
I do not it's not an attempt to confuse

1145  
02:05:38,070 --> 02:05:42,780  
in any ways you don't know all right  
so I'll draw an amendment tonight to put

1146  
02:05:42,780 --> 02:05:48,440  
it in there so that we can take it on  
third reading okay okay

1147  
02:05:50,780 --> 02:05:54,210  
they follow an amendment clerk read the  
amendment

1148  
02:05:54,210 --> 02:06:01,949  
a minute and I Russell Jerry glad mr.  
Russell for an amendment mr. speaker

1149  
02:06:01,949 --> 02:06:07,409  
members what this amendment does if you  
will notice subdivision 3 deals with

1150  
02:06:07,409 --> 02:06:14,369  
verifying the signatures by statistical  
sample presently the the last sentence

1151  
02:06:14,369 --> 02:06:18,540  
reads however the sample may not be  
fewer than 1000 signatures or less than

1152  
02:06:18,540 --> 02:06:22,110  
1% of the total number of signatures  
appearing on the petition whichever is

1153  
02:06:22,110 --> 02:06:25,800  
greater  
what my amendment does is changes the

1154

02:06:25,800 --> 02:06:32,159

one percent to 25 percent in an effort  
to give what I think would be a better

1155

02:06:32,159 --> 02:06:37,889

sample and verification on the  
signatures on the petition it is

1156

02:06:37,889 --> 02:06:42,530

acceptable to the author and I would  
move its adoption

1157

02:06:42,530 --> 02:06:47,070

mr. Russell sends up an amendment it's  
acceptable to the author is any of

1158

02:06:47,070 --> 02:06:53,610

jetsons the adoption of the amendment  
chair here is none sorted the following

1159

02:06:53,610 --> 02:06:59,790

amendment clerk will read the amendment  
amended by green chair right now mr.

1160

02:06:59,790 --> 02:07:03,449

green explain his amendment speaker  
member is this little acceptable

1161

02:07:03,449 --> 02:07:06,590

amendment that just moved the effective  
date to January 1 19

1162

02:07:06,590 --> 02:07:11,720

before the act miss green sends out from  
amendment the amendment is acceptable by

1163

02:07:11,720 --> 02:07:16,220

the author is any objections to the  
adoption of the amendment chairs none

1164

02:07:16,220 --> 02:07:20,600

the amendment is adopted  
question out on passage the third

1165  
02:07:20,600 --> 02:07:26,920  
reading in House bill 730 all those in  
favor signify by they would oppose no

1166  
02:07:26,920 --> 02:07:33,170  
House bill 730 passes third reading  
Cheryl a 10 on second reading House bill

1167  
02:07:33,170 --> 02:07:40,910  
642 court read you read a bill HB 642 by  
Willis relating to awarding the Texas

1168  
02:07:40,910 --> 02:07:46,150  
Department of Human Resources fees for  
court-ordered social studies mr. Willis

1169  
02:07:46,150 --> 02:07:50,570  
mr. speaker and members I have to  
present time under the Family Code on

1170  
02:07:50,570 --> 02:07:55,340  
these cases involving child abuse and  
child production with regard to custody

1171  
02:07:55,340 --> 02:08:01,700  
and adoption at the present time the  
court appoints a kin apart a guardian ad

1172  
02:08:01,700 --> 02:08:07,970  
litem and that's the sisters cost but  
during the past few years the Department

1173  
02:08:07,970 --> 02:08:12,260  
of Human Resources have had to provide  
investigators and make investigations

1174  
02:08:12,260 --> 02:08:17,510  
for these very at these cases at a cost  
of about from 200 to \$300 on each

1175  
02:08:17,510 --> 02:08:22,580  
individual case anytime that you have a

case that involves a custody or adoption

1176

02:08:22,580 --> 02:08:27,320

or support of the child and somebody  
asks for that investigation if the

1177

02:08:27,320 --> 02:08:31,610

Department of Human Resources makes it  
and they've been making it two or three

1178

02:08:31,610 --> 02:08:36,050

or four hundred a year why that expense  
has to be borne by the Department of

1179

02:08:36,050 --> 02:08:40,610

Human Resources that it comes out of the  
Child Protection Fund the only thing and

1180

02:08:40,610 --> 02:08:44,900

in going over stating and you having  
these hearing on child abuse well we had

1181

02:08:44,900 --> 02:08:48,200

a lot of testimony to the effect to say  
well why don't you why do you make the

1182

02:08:48,200 --> 02:08:53,720

taxpayers pay for that investigation you  
make the department Human Resources pay

1183

02:08:53,720 --> 02:08:58,520

for it and that's a several hundred  
thousand dollars a year that could be

1184

02:08:58,520 --> 02:09:02,420

used on child abuse of a child  
protection so that's why this bill was

1185

02:09:02,420 --> 02:09:07,850

drawn and in fact the Department of  
Human Resources deleted their request

1186

02:09:07,850 --> 02:09:13,400

for funds to the extent of about  
\$300,000 for each year ah mr. speaker

1187  
02:09:13,400 --> 02:09:19,730  
what Stan as well as well purpose yes I  
understand mr. Willis can you tell me

1188  
02:09:19,730 --> 02:09:23,590  
when the  
when the DHR when you say they are

1189  
02:09:23,590 --> 02:09:30,280  
oftentimes selected who besides the DHR  
is authorized or of what caliber and

1190  
02:09:30,280 --> 02:09:33,880  
what nature is their service to do that  
function besides the DHR that's a real

1191  
02:09:33,880 --> 02:09:37,510  
good question anybody that's a judge  
anybody missed a law that the judge

1192  
02:09:37,510 --> 02:09:41,170  
selects he select anybody wants to I  
mean it could be you or I or any other

1193  
02:09:41,170 --> 02:09:45,550  
agency right Oh another thing this bill  
does if he does select a state agency

1194  
02:09:45,550 --> 02:09:51,610  
while he context it is cost and you and  
I don't have to pay for it does this

1195  
02:09:51,610 --> 02:09:56,380  
money that you want to go directly to  
the DHR if the judge selects you RI to

1196  
02:09:56,380 --> 02:10:00,850  
conduct that study than the fields given  
directly to us what they did instead of

1197

02:10:00,850 --> 02:10:06,250  
asking for \$300,000 in the in their  
budget per year for the event to pay for

1198  
02:10:06,250 --> 02:10:11,230  
these investigations well they left it  
out thinking that no one would would be

1199  
02:10:11,230 --> 02:10:14,560  
opposed to such a bill is this but  
whoever conducts that study is paid

1200  
02:10:14,560 --> 02:10:20,710  
directly yes sir that's right sure yes  
sir can you tell me how often when there

1201  
02:10:20,710 --> 02:10:26,560  
is a study authorized by a judge what  
percentage of the time the DHR does

1202  
02:10:26,560 --> 02:10:31,780  
those studies no sir I can't tell you  
exactly but mr. Barker wife says if they

1203  
02:10:31,780 --> 02:10:35,860  
do they do enough of them that it's  
costing the taxpayers four or five

1204  
02:10:35,860 --> 02:10:44,050  
hundred thousand dollars a year and this  
would require every time if this bill

1205  
02:10:44,050 --> 02:10:48,250  
simply would require that when a study  
has made by the Department of Human

1206  
02:10:48,250 --> 02:10:54,790  
Resources that the judge should assess  
the amount of the investigation say was

1207  
02:10:54,790 --> 02:10:59,830  
\$200 he would assess it to the losing  
litigant and they do the same thing at

1208

02:10:59,830 --> 02:11:03,910  
the present time on the appointed  
guardian ad litem will it require a

1209

02:11:03,910 --> 02:11:08,740  
study in every instance no no sir  
no no statistic wretched of the judge

1210

02:11:08,740 --> 02:11:13,420  
okay and right now the judges have the  
discretion whether they may or may not

1211

02:11:13,420 --> 02:11:17,170  
authorize these studies that's right and  
we're taking that away from the judges

1212

02:11:17,170 --> 02:11:20,890  
that's right sir it was regarded  
Department human only with regard to the

1213

02:11:20,890 --> 02:11:24,550  
taxpayers only with guard to the money  
that your people and my people are

1214

02:11:24,550 --> 02:11:29,410  
paying out and it is that if the  
Department of Human Resources makes this

1215

02:11:29,410 --> 02:11:33,880  
study it's got to be paid for by tax  
funds that you and I

1216

02:11:33,880 --> 02:11:37,540  
and of course we get a part of it from  
the federal government okay under the

1217

02:11:37,540 --> 02:11:40,540  
the current legislation the way it is  
now if that study is authorized and

1218

02:11:40,540 --> 02:11:45,969  
there was a fee mandated by the judge  
then that money goes to the local

1219  
02:11:45,969 --> 02:11:49,870  
Department of Human Resources yours  
would place it in the in the the overall

1220  
02:11:49,870 --> 02:11:52,900  
general revenue fund of the Department  
of Human Resources rather than that

1221  
02:11:52,900 --> 02:11:58,980  
local say the unit that's right if the  
judge if the judge if the judge

1222  
02:11:58,980 --> 02:12:02,980  
designates some local agency to do the  
study though this bill doesn't cover it

1223  
02:12:02,980 --> 02:12:06,850  
top side or bottom but now it goes to  
the the local agency yours would change

1224  
02:12:06,850 --> 02:12:11,320  
and it would go to the to the parent  
agency well no my bill doesn't change

1225  
02:12:11,320 --> 02:12:15,429  
that at all the only thing this bill  
does is this it just says that in these

1226  
02:12:15,429 --> 02:12:21,790  
cases that involve adoption the support  
of children that in the event that the

1227  
02:12:21,790 --> 02:12:27,730  
judge designates the Department of Human  
Resources to make the social study that

1228  
02:12:27,730 --> 02:12:33,460  
he shall designate that he shall say to  
the losing litigant that you gonna have

1229  
02:12:33,460 --> 02:12:36,699  
to pay for it instead of making the

taxpayers pay for it at the present time

1230

02:12:36,699 --> 02:12:41,650

every time the investigation is made by  
the Department of Human Resources way it

1231

02:12:41,650 --> 02:12:46,300

comes down out of taxpayers money it's  
gonna save us about three or four

1232

02:12:46,300 --> 02:12:49,270

hundred thousand dollars a year and that  
money's going to come back to to the

1233

02:12:49,270 --> 02:12:55,210

austin office to be spent by the rather  
than the local unit no sir they just the

1234

02:12:55,210 --> 02:12:58,690

Department of Human Resources just cut  
their budget by three hundred thousand

1235

02:12:58,690 --> 02:13:02,679

dollars now if this bill doesn't pass  
and I understand that it's only in tenth

1236

02:13:02,679 --> 02:13:06,969

calendar and the Senate at the present  
time this bill doesn't press why

1237

02:13:06,969 --> 02:13:11,139

miss Tyler we're gonna have to put in  
some more money in the in the in the pot

1238

02:13:11,139 --> 02:13:17,730

for the department you making sort mr.  
speaker with the gentleman you PMS we

1239

02:13:17,730 --> 02:13:23,620

understand mr. Willis on your particular  
bill is this mainly aimed at the

1240

02:13:23,620 --> 02:13:29,080

situations where the DHR has to investigate child abuse cases and a

1241

02:13:29,080 --> 02:13:33,280

social study is required by the court in that type of situation yes ma'am

1242

02:13:33,280 --> 02:13:39,960

okay it's my understanding that once a complaint has been filed d HR is manda

1243

02:13:39,960 --> 02:13:45,600

to investigate is that correct I don't know because they're all kind of

1244

02:13:45,600 --> 02:13:53,000

complaints filed with DHR this this this this bill here just refers to adoption

1245

02:13:53,000 --> 02:13:57,750

custody and supportive child where you have a parent-child

1246

02:13:57,750 --> 02:14:02,580

relationship involved okay but it would not then take those situations where you

1247

02:14:02,580 --> 02:14:07,280

have general abuse and the DHR is investigating a general abuse complaint

1248

02:14:07,280 --> 02:14:11,430

not unless it devolved one of these three things as the statutes present it

1249

02:14:11,430 --> 02:14:14,430

written okay then custody then would have to be

1250

02:14:14,430 --> 02:14:18,540

the issue and a termination might be broad in that type of situation is that

1251

02:14:18,540 --> 02:14:23,670  
correct okay but the general abuse cases  
would not come in where the department

1252  
02:14:23,670 --> 02:14:31,620  
is simply investigating a child thank  
you remember the question on page two

1253  
02:14:31,620 --> 02:14:39,739  
third reading a House bill 642 all those  
in favor signify by those opposed no

1254  
02:14:39,739 --> 02:14:44,630  
House bill 642 passage third reading

1255  
02:14:47,330 --> 02:14:56,430  
cheering a dot a House bill 639 clerk  
read the bill HB 639 by Hill related to

1256  
02:14:56,430 --> 02:15:01,489  
the federal post card application for an  
absentee ballot okay right now mr. Hill

1257  
02:15:01,489 --> 02:15:05,880  
mr. speaker members House bill 639  
relates to the federal post card

1258  
02:15:05,880 --> 02:15:12,780  
application currently when an overseas  
voter registers to vote on that federal

1259  
02:15:12,780 --> 02:15:17,730  
postcard he registers to vote and  
request an absentee ballot the law

1260  
02:15:17,730 --> 02:15:22,560  
currently says that a notary has to  
verify that signature it's almost

1261  
02:15:22,560 --> 02:15:26,760  
impossible for many of these people that  
are overseas to have access to a notary

1262

02:15:26,760 --> 02:15:31,290  
and because of a request from the  
federal voting assistance program in

1263

02:15:31,290 --> 02:15:35,070  
Washington they have asked that we  
delete this requirement I think there's

1264

02:15:35,070 --> 02:15:40,110  
one amendment to be added to the bill  
following amendment don't read the

1265

02:15:40,110 --> 02:15:50,200  
amendment amendment by echoes and  
Patchen Ella she recognized echoes

1266

02:15:50,200 --> 02:15:55,730  
members what this amendment does and  
it's acceptable to the author is says

1267

02:15:55,730 --> 02:15:59,420  
that if you are going to be voting  
absentee that you don't have to use the

1268

02:15:59,420 --> 02:16:05,660  
u.s. mails to go overseas that you can  
use it by the first section allows you

1269

02:16:05,660 --> 02:16:09,950  
to mail to an address in the United  
States for forwarding to delivery to the

1270

02:16:09,950 --> 02:16:14,210  
voter at a location outside the United  
States what this does is allows them to

1271

02:16:14,210 --> 02:16:17,540  
go in a company courier or by the  
military forces they can carry the

1272

02:16:17,540 --> 02:16:22,550  
packages overseas the second says that  
they may return it by contract carrier

1273

02:16:22,550 --> 02:16:26,510

regulated common carrier rather than by  
u.s. mails because it's in the last

1274

02:16:26,510 --> 02:16:31,130

election some of the mail services to  
China was taken six or eight months we

1275

02:16:31,130 --> 02:16:34,670

weren't able to have people vote in the  
last election person who sends up from

1276

02:16:34,670 --> 02:16:38,030

amendment the amendment is acceptable to  
the author and the question is on the

1277

02:16:38,030 --> 02:16:41,960

adoption of the amendment all those in  
favor of daps another amendment signify

1278

02:16:41,960 --> 02:16:48,980

by those opposed no amendment is adopted  
question on passes third reading house

1279

02:16:48,980 --> 02:16:57,200

bill 639 all those in favor signify by  
old opposed no House bill 639 passed the

1280

02:16:57,200 --> 02:17:01,160

131 by Watson relating to workers

1282

02:17:07,969 --> 02:17:13,940

compensation and funeral benefits mr.  
Watson mr. speaker and members this is

1283

02:17:13,940 --> 02:17:19,790

House bill 131 increases the minimum  
funeral benefits paid under workers comp

1284  
02:17:19,790 --> 02:17:28,099  
from 12 \$1,250 to \$2,500 unless his  
question I move the adoption question

02:17:28,099 --> 02:17:34,280  
passes third reading House bill 131 all  
those in favor signify by those opposed

1286  
02:17:34,280 --> 02:17:40,700  
no I'll be a 131 passed a third reading  
Thank You fair lady that on second

1287  
02:17:40,700 --> 02:17:47,270  
reading House bill 44 read a bill HB 44  
by Bush relating to certain powers

1288  
02:17:47,270 --> 02:17:50,330  
duties and procedures of the state  
commission on judicial conduct and the

1289  
02:17:50,330 --> 02:17:54,650  
discipline of judges  
okay recognize mr. Bush mr. speaker

1290  
02:17:54,650 --> 02:17:59,090  
members this is the companion bill to  
the constitutional amendment it tracks

1291  
02:17:59,090 --> 02:18:01,410  
the same language in the constitutional  
amendment in the

1292  
02:18:01,410 --> 02:18:07,740  
on the first page for willful violations  
of the texas penal statutes the Code of

1293  
02:18:07,740 --> 02:18:14,130  
Judicial Conduct or incompetence and  
performance of duties in addition deals

1294  
02:18:14,130 --> 02:18:17,670  
with the confidentiality the papers and

records file with the Commission they

1295

02:18:17,670 --> 02:18:21,960

remain confidential until such time as  
formal proceedings are actually

1296

02:18:21,960 --> 02:18:28,020

instituted and in progress and then they  
lose their confidentiality this is a big

1297

02:18:28,020 --> 02:18:32,040

change because previously the records  
before the Commission were confidential

1298

02:18:32,040 --> 02:18:36,719

and they did not become public until an  
appeal to a court was taken as actually

1299

02:18:36,719 --> 02:18:41,730

in progress section 15 a gives  
notification to the complaint that we've

1300

02:18:41,730 --> 02:18:45,900

not given before and that is the person  
who files a complaint was never told

1301

02:18:45,900 --> 02:18:50,490

what happened to their complaints this  
is a major reform to give the person who

1302

02:18:50,490 --> 02:18:55,080

actually filed a complaint against judge  
information on what happened to the

1303

02:18:55,080 --> 02:19:00,060

complaint and you'll see there in line 9  
there that they have to be devised that

1304

02:19:00,060 --> 02:19:04,010

it has no basis and has been dismissed  
that appropriate action has been taken

1305

02:19:04,010 --> 02:19:07,770

and the nature which will not be disclosed if it's confidential

1306

02:19:07,770 --> 02:19:12,660

our formal proceedings have been instituted so that the person who brings

1307

02:19:12,660 --> 02:19:17,429

the complaint will be under the law advised of what action is taken by the

1308

02:19:17,429 --> 02:19:22,770

legislature finally finally the annual report which has previously been

1309

02:19:22,770 --> 02:19:28,350

non-existent will now come into effect we will now have an annual report to the

1310

02:19:28,350 --> 02:19:32,310

legislature of the actions of this commission and they will be required to

1311

02:19:32,310 --> 02:19:38,010

advise us about their activities to include the role of the Commission you

1312

02:19:38,010 --> 02:19:41,100

have more information statistical data on the judges they've disciplined the

1313

02:19:41,100 --> 02:19:45,030

number of complaints and that sort of thing which we are previously not known

1314

02:19:45,030 --> 02:19:51,510

unless we had an oversight hearing such as we had last year finally we provide

1315

02:19:51,510 --> 02:19:56,521

money for the distribution of the report which is not very expensive there are

1316

02:19:56,521 --> 02:20:00,271

three committee amendments which must be laid out at this time before we can take

1317

02:20:00,271 --> 02:20:05,040

to you in the original bill the publicity of the act pending action

1321

02:20:20,430 --> 02:20:27,360

would take place at the time that the formal complaint was actually set up for

1322

02:20:27,360 --> 02:20:32,580

hearing this will now provide that it will not be formally exposed to the

1323

02:20:32,580 --> 02:20:37,050

public until the formal hearing and other evidence are actually in progress

1324
