

1  
00:00:00,060 --> 00:00:07,680  
Bryant isn't it true that when this

2  
00:00:04,470 --> 00:00:10,679  
first bill was first brought up it was

3  
00:00:07,680 --> 00:00:15,690  
brought up because of problem with the

4  
00:00:10,679 --> 00:00:18,480  
recent problem with the recent

5  
00:00:15,690 --> 00:00:21,359  
yesterday's bond election in Dallas and

6  
00:00:18,480 --> 00:00:25,859  
the further true that the county judge

7  
00:00:21,359 --> 00:00:27,750  
said that in that election he would tell

8  
00:00:25,859 --> 00:00:29,789  
the people that this would be part of

9  
00:00:27,750 --> 00:00:32,759  
the bond issue so that they'd know what

10  
00:00:29,789 --> 00:00:34,620  
they're voting on well that in and he

11  
00:00:32,759 --> 00:00:36,870  
further isn't further true at least to

12  
00:00:34,620 --> 00:00:39,960  
me that he said that if the bond issue

13  
00:00:36,870 --> 00:00:41,940  
goes down there's no need for the bill

14

00:00:39,960 --> 00:00:44,700  
and that issue was defeated yesterday

15  
00:00:41,940 --> 00:00:46,559  
that is correct mr. Aglets but that was

16  
00:00:44,700 --> 00:00:48,239  
not the case with regard to the juvenile

17  
00:00:46,559 --> 00:00:49,980  
home which is having to be built because

18  
00:00:48,239 --> 00:00:52,579  
the federal judge ruled that we have to

19  
00:00:49,980 --> 00:00:55,199  
make some changes up there County needs

20  
00:00:52,579 --> 00:00:57,420  
spent two million two million dollars on

21  
00:00:55,199 --> 00:00:59,190  
that project and we're not gonna have it

22  
00:00:57,420 --> 00:01:05,400  
there's no other way to get it mr.

23  
00:00:59,190 --> 00:01:08,640  
Bryant mr. Bryan is it true that if we

24  
00:01:05,400 --> 00:01:11,400  
pass this act we will be authorizing the

25  
00:01:08,640 --> 00:01:13,770  
Commissioner's Court Dallas County to go

26  
00:01:11,400 --> 00:01:16,409  
out get bonds without prior approval of

27  
00:01:13,770 --> 00:01:18,180  
the people that's correct Mr Agnes I'm

28  
00:01:16,409 --> 00:01:20,909  
going to oppose your pill Mr Bryan I

29  
00:01:18,180 --> 00:01:22,320  
don't think it's needed now mr. Sheba

30  
00:01:20,909 --> 00:01:24,000  
Ray's point or gentlemen time has

31  
00:01:22,320 --> 00:01:26,369  
expired the pond was well taken and

32  
00:01:24,000 --> 00:01:29,520  
sustained is there objection to the

33  
00:01:26,369 --> 00:01:31,970  
consideration of this bill here's our

34  
00:01:29,520 --> 00:01:31,970  
objection

35  
00:01:34,560 --> 00:01:39,530  
sure sees five objections the bills

36  
00:01:37,049 --> 00:01:39,530  
withdrawn

37  
00:02:08,259 --> 00:02:16,060  
chair recognize mr. Bryant explain House

38  
00:02:10,450 --> 00:02:18,250  
bill 1549 mr. speaker members this is a

39  
00:02:16,060 --> 00:02:20,170  
local bill from my district attorney

40  
00:02:18,250 --> 00:02:21,459  
it's a permissive bill with the

41

00:02:20,170 --> 00:02:23,410  
committee amendment that simply allows

42  
00:02:21,459 --> 00:02:25,690  
the county commissioners court to pay

43  
00:02:23,410 --> 00:02:27,190  
the district attorney not to exceed the

44  
00:02:25,690 --> 00:02:28,959  
pay of the district judges the

45  
00:02:27,190 --> 00:02:31,510  
Commissioner's Court has requested that

46  
00:02:28,959 --> 00:02:33,880  
we pay them that we pass the bill and it

47  
00:02:31,510 --> 00:02:35,670  
is permissive in nature is there

48  
00:02:33,880 --> 00:02:37,930  
objection to consideration this bill

49  
00:02:35,670 --> 00:02:41,260  
chair hears none lays out House bill

50  
00:02:37,930 --> 00:02:45,760  
1549 a clerk will read the bill House

51  
00:02:41,260 --> 00:02:49,049  
bill 1549 by Bynum following amendment

52  
00:02:45,760 --> 00:02:52,870  
the clerk will read the amendment

53  
00:02:49,049 --> 00:02:54,250  
committee amendment 1 by Clark his

54  
00:02:52,870 --> 00:02:56,860  
reflection to the adoption of the

55  
00:02:54,250 --> 00:02:59,349  
amendment Jerry is not an amendment is

56  
00:02:56,860 --> 00:03:02,049  
adopted of course it occurs on the past

57  
00:02:59,349 --> 00:03:03,489  
engrossment House bill 1549 as amended

58  
00:03:02,049 --> 00:03:05,970  
is there objection

59  
00:03:03,489 --> 00:03:13,120  
chair hears none House bill 1549 is

60  
00:03:05,970 --> 00:03:15,010  
engrossed chair right now mr. Maloney to

61  
00:03:13,120 --> 00:03:17,769  
explain House bill 1588

62  
00:03:15,010 --> 00:03:19,870  
but speaker members House bill 58 simply

63  
00:03:17,769 --> 00:03:23,620  
provides that when you change the

64  
00:03:19,870 --> 00:03:26,980  
business entity of a company that has a

65  
00:03:23,620 --> 00:03:29,920  
mixed beverage permit if you do not

66  
00:03:26,980 --> 00:03:32,620  
change the controlling interest then you

67  
00:03:29,920 --> 00:03:35,970  
do not have to apply for and receive a

68

00:03:32,620 --> 00:03:38,980  
new mixed beverage permit it does have a

69  
00:03:35,970 --> 00:03:41,350  
\$12,000 fiscal note but it's felt that

70  
00:03:38,980 --> 00:03:44,260  
this is \$12,000 that was not really

71  
00:03:41,350 --> 00:03:45,760  
intended to go to the state is the

72  
00:03:44,260 --> 00:03:47,950  
objective the consideration this bill

73  
00:03:45,760 --> 00:03:53,859  
chair hears none lays out House bill

74  
00:03:47,950 --> 00:03:55,859  
1588 clerk read the bill House bill 1588

75  
00:03:53,859 --> 00:04:00,549  
by Maloney

76  
00:03:55,859 --> 00:04:04,349  
Mr Speaker I sent him Palmateer inquiry

77  
00:04:00,549 --> 00:04:08,950  
state you inquired mr. speaker we've got

78  
00:04:04,349 --> 00:04:10,690  
some people from the state agencies that

79  
00:04:08,950 --> 00:04:12,430  
are drawing higher salaries sitting up

80  
00:04:10,690 --> 00:04:14,260  
in the gallery every day watching the

81  
00:04:12,430 --> 00:04:16,570  
legislature now I want to know could you

82  
00:04:14,260 --> 00:04:18,070  
advise me do they get paid while they're

83  
00:04:16,570 --> 00:04:19,600  
sitting up now watching the legislature

84  
00:04:18,070 --> 00:04:20,530  
and not doing a job or

85  
00:04:19,600 --> 00:04:23,020  
they're getting paid while they're

86  
00:04:20,530 --> 00:04:25,240  
setting up in the gallery share is not

87  
00:04:23,020 --> 00:04:28,260  
advised mr. Salem where can I get that

88  
00:04:25,240 --> 00:04:31,270  
information mr. speaker

89  
00:04:28,260 --> 00:04:36,850  
you might ask them that's not a proper

90  
00:04:31,270 --> 00:04:38,530  
parliamentary inquiry mr. Salem question

91  
00:04:36,850 --> 00:04:40,690  
occurs on the past two engrossment House

92  
00:04:38,530 --> 00:04:43,090  
bill 1588 is there objection

93  
00:04:40,690 --> 00:04:51,970  
chair here's non-hospital 1588 is in

94  
00:04:43,090 --> 00:04:54,370  
growth next bill on the calendar is

95

00:04:51,970 --> 00:04:59,830  
House bill 1659 the chair has five

96  
00:04:54,370 --> 00:05:01,540  
objections the bill is withdrawn chair

97  
00:04:59,830 --> 00:05:04,740  
recognize mr. Denton to explain House

98  
00:05:01,540 --> 00:05:04,740  
bill 1661

99  
00:05:14,830 --> 00:05:21,879  
mr. speaker members House bill 1661

100  
00:05:18,599 --> 00:05:24,400  
would bring our state in compliance with

101  
00:05:21,879 --> 00:05:26,289  
federal law and federal regulations

102  
00:05:24,400 --> 00:05:29,259  
relating to the board of nursing home

103  
00:05:26,289 --> 00:05:32,560  
administrators the present time we have

104  
00:05:29,259 --> 00:05:34,990  
a six member board and four members are

105  
00:05:32,560 --> 00:05:38,639  
nursing home administrators the federal

106  
00:05:34,990 --> 00:05:41,080  
law and federal regulations say that

107  
00:05:38,639 --> 00:05:43,180  
nursing home administrator boards which

108  
00:05:41,080 --> 00:05:45,580  
serve to prohibit any single

109  
00:05:43,180 --> 00:05:47,650  
professional institutional category from

110  
00:05:45,580 --> 00:05:49,690  
constituting a majority of the board and

111  
00:05:47,650 --> 00:05:51,969  
which provide that an individual who has

112  
00:05:49,690 --> 00:05:53,830  
a direct financial interest in a nursing

113  
00:05:51,969 --> 00:05:56,020  
home is deemed for the purposes of this

114  
00:05:53,830 --> 00:05:58,180  
route to be considered a representative

115  
00:05:56,020 --> 00:06:00,159  
of the nursing home category the net

116  
00:05:58,180 --> 00:06:02,289  
effect of these rules is to preclude

117  
00:06:00,159 --> 00:06:04,690  
nursing home owners and administrators

118  
00:06:02,289 --> 00:06:08,409  
from constituting a majority now our

119  
00:06:04,690 --> 00:06:10,569  
board has four now the interesting way

120  
00:06:08,409 --> 00:06:13,840  
that that our nursing home board has

121  
00:06:10,569 --> 00:06:16,300  
been able to develop a scheme you might

122

00:06:13,840 --> 00:06:20,110  
say to get around it is that one of the

123  
00:06:16,300 --> 00:06:23,529  
individuals has placed his holdings in a

124  
00:06:20,110 --> 00:06:25,509  
trust and said that well you know I'm

125  
00:06:23,529 --> 00:06:29,169  
out of the picture now so therefore we

126  
00:06:25,509 --> 00:06:31,630  
why all of the of the senior citizen

127  
00:06:29,169 --> 00:06:34,479  
groups in Texas representing some six

128  
00:06:31,630 --> 00:06:36,909  
hundred thousand individuals the Texas

129  
00:06:34,479 --> 00:06:39,400  
Council of senior citizens the Texas

130  
00:06:36,909 --> 00:06:41,349  
Association of senior citizens the Texas

131  
00:06:39,400 --> 00:06:43,120  
retired teachers and on and on mr.

132  
00:06:41,349 --> 00:06:45,370  
Bussie and mr. Lall hammer and all of

133  
00:06:43,120 --> 00:06:48,069  
his groups have endorsed this and this

134  
00:06:45,370 --> 00:06:50,259  
is part of their legislative program and

135  
00:06:48,069 --> 00:06:52,509  
what we would do we will make it three

136  
00:06:50,259 --> 00:06:54,699  
and three will have three nursing home

137  
00:06:52,509 --> 00:06:57,849  
administrators and three other

138  
00:06:54,699 --> 00:07:00,340  
individuals if the law requires one MD

139  
00:06:57,849 --> 00:07:02,800  
which we leave along it requires one

140  
00:07:00,340 --> 00:07:04,690  
educator with a an interest in public

141  
00:07:02,800 --> 00:07:07,659  
health and medical or nursing home

142  
00:07:04,690 --> 00:07:09,879  
education and in that final position we

143  
00:07:07,659 --> 00:07:12,129  
fill with a senior citizen a person

144  
00:07:09,879 --> 00:07:14,379  
that's 60 years of age and over so I

145  
00:07:12,129 --> 00:07:17,830  
think the law clearly and we've talked

146  
00:07:14,379 --> 00:07:21,370  
to two atw and the Public Health Service

147  
00:07:17,830 --> 00:07:24,039  
it clearly brings our law into public

148  
00:07:21,370 --> 00:07:26,490  
compliance and with little law there

149

00:07:24,039 --> 00:07:28,150  
will be no chance to lose federal funds

150  
00:07:26,490 --> 00:07:30,370  
but

151  
00:07:28,150 --> 00:07:32,080  
but she prayed for dollar generals times

152  
00:07:30,370 --> 00:07:33,430  
expired upon waters well taken and

153  
00:07:32,080 --> 00:07:34,449  
sustain is there objection to the

154  
00:07:33,430 --> 00:07:36,550  
consideration of this bill

155  
00:07:34,449 --> 00:07:39,419  
charioteers none lays out House bill

156  
00:07:36,550 --> 00:07:42,880  
1661 the clerk read the bill House bill

157  
00:07:39,419 --> 00:07:44,770  
1661 by Denton there's no objection to

158  
00:07:42,880 --> 00:07:46,260  
the passage to engrossed in the House

159  
00:07:44,770 --> 00:07:49,090

160  
00:07:46,260 --> 00:07:54,970  
charioteers none House bill 1660 ones in

161  
00:07:49,090 --> 00:07:57,610  
groves chair recognize mr. Preston to

162  
00:07:54,970 --> 00:08:00,940  
explain House bill 1670 for mrs. Vick

163  
00:07:57,610 --> 00:08:03,820  
and gentlemen and ladies this affects

164  
00:08:00,940 --> 00:08:05,860  
only Lamar and Fannin counties we have

165  
00:08:03,820 --> 00:08:07,330  
county attorneys in both those counties

166  
00:08:05,860 --> 00:08:08,860  
who are performing district attorney's

167  
00:08:07,330 --> 00:08:11,410  
duties and also criminal district

168  
00:08:08,860 --> 00:08:13,750

Senate bill 199 we have an amendment to

170

thank them out and in Senate bill 199

171  
00:08:16,720 --> 00:08:21,400  
will be a full state supplement and in

172  
00:08:19,330 --> 00:08:23,860  
this one we only ask that the state

173  
00:08:21,400 --> 00:08:25,449  
supplement their salaries to the amount

174  
00:08:23,860 --> 00:08:27,580  
of \$5,000 each

175  
00:08:25,449 --> 00:08:30,370  
it's pickerel gentleman you German you

176

00:08:27,580 --> 00:08:35,349  
must quote mr. Preston I'm kind of

177  
00:08:30,370 --> 00:08:37,150  
wondering of you know like I didn't know

178  
00:08:35,349 --> 00:08:38,589  
that funds were available to supplement

179  
00:08:37,150 --> 00:08:40,150  
a County Attorney's salary from the

180  
00:08:38,589 --> 00:08:42,430  
state but the state paying for it I've

181  
00:08:40,150 --> 00:08:44,470  
got a some County attorneys who are not

182  
00:08:42,430 --> 00:08:45,760  
being paid enough are they being for are

183  
00:08:44,470 --> 00:08:47,800  
they performing district attorney's

184  
00:08:45,760 --> 00:08:49,660  
duties oh yes in other words they file

185  
00:08:47,800 --> 00:08:51,070  
felony complaints for the district

186  
00:08:49,660 --> 00:08:53,020  
attorney who lives three counties away

187  
00:08:51,070 --> 00:08:54,310  
and this type of thing they know is the

188  
00:08:53,020 --> 00:08:56,110  
district attorney you have district

189  
00:08:54,310 --> 00:08:58,120  
attorney covering your area yes sir why

190  
00:08:56,110 --> 00:08:59,170  
why isn't he doing that he's being well

191  
00:08:58,120 --> 00:09:01,660  
to the state to do it

192  
00:08:59,170 --> 00:09:03,610  
he lives 80 miles away and when

193  
00:09:01,660 --> 00:09:05,589  
something comes up but that's that's

194  
00:09:03,610 --> 00:09:07,510  
sort of an agreement between them is it

195  
00:09:05,589 --> 00:09:10,089  
not it's sort of agreement between them

196  
00:09:07,510 --> 00:09:11,650  
but I mean he the district must be doing

197  
00:09:10,089 --> 00:09:13,690  
that we do not have a district attorney

198  
00:09:11,650 --> 00:09:15,790  
in my County at all or in Fannin County

199  
00:09:13,690 --> 00:09:17,230  
either one oh you have no district

200  
00:09:15,790 --> 00:09:17,650  
attorney none of this type of work no

201  
00:09:17,230 --> 00:09:19,870

212  
00:09:40,630 --> 00:09:44,500

bill 1796 the bills were thrown

241

00:11:54,149 --> 00:11:59,689

next bill on the counter is House bill

242

00:11:56,129 --> 00:11:59,689

1840 withdrawn by the author

243

00:12:08,410 --> 00:12:21,280

chair recognize mr. Olsen to explain

244  
00:12:10,910 --> 00:12:23,810  
House bill 1868 mr. speaker members

245  
00:12:21,280 --> 00:12:28,250  
president statutes require reports of

246  
00:12:23,810 --> 00:12:29,840  
confiscated liquor demon rum we bringing

247  
00:12:28,250 --> 00:12:31,460  
it under control to be filed with the

248  
00:12:29,840 --> 00:12:32,960  
Liquor Control Board the controller and

249  
00:12:31,460 --> 00:12:35,540  
the owner and this is just streamlining

250  
00:12:32,960 --> 00:12:39,110  
the process again obviating the

251  
00:12:35,540 --> 00:12:40,760  
controller since 1949 the controller has

252  
00:12:39,110 --> 00:12:42,350  
only been one request that was made in

253  
00:12:40,760 --> 00:12:44,780  
the controllers office to examine the

254  
00:12:42,350 --> 00:12:46,040  
records and we just simply wipe out the

255  
00:12:44,780 --> 00:12:48,050  
controller in this particular process

256  
00:12:46,040 --> 00:12:50,780  
save a bunch of red tape so you vote in

257

00:12:48,050 --> 00:12:52,670  
the voting against old demon rum and

258  
00:12:50,780 --> 00:12:54,290  
streamline the bureaucracy now moves

259  
00:12:52,670 --> 00:12:56,120  
adoption is there objecting to

260  
00:12:54,290 --> 00:12:59,230  
consideration this bill chair hears none

261  
00:12:56,120 --> 00:13:02,840

264  
00:13:05,410 --> 00:13:10,340

265  
00:13:08,480 --> 00:13:11,690  
the adoption of the amendment chairs

266  
00:13:10,340 --> 00:13:15,280

267  
00:13:11,690 --> 00:13:19,430  
miss mr. speaker parliamentary inquiry

268  
00:13:15,280 --> 00:13:22,040  
stage why was the House bill 1840 that

269  
00:13:19,430 --> 00:13:23,840  
just preceded this one pull down it

270  
00:13:22,040 --> 00:13:26,200  
would drawn by the author yes sir thank

271  
00:13:23,840 --> 00:13:26,200  
you mister

272  
00:13:32,589 --> 00:13:36,610  
the question occurs on a person

273  
00:13:34,240 --> 00:13:37,870  
engrossment of House bill 1868 as a

274  
00:13:36,610 --> 00:13:44,589  
minute is or objection

275  
00:13:37,870 --> 00:13:46,360  
chair is not in 1868 is engrossed chair

276  
00:13:44,589 --> 00:13:49,689  
right now mr. Arnold explain House bill

277  
00:13:46,360 --> 00:13:51,850  
2126 the speaker members this bill

278  
00:13:49,689 --> 00:13:54,819  
relates to excess acreage and state

279  
00:13:51,850 --> 00:13:57,579  
patented land surveys what it does is

280  
00:13:54,819 --> 00:14:00,759  
allow with two landowners

281  
00:13:57,579 --> 00:14:03,879  
each of whom own half of the excess one

282  
00:14:00,759 --> 00:14:06,069  
to decide desires to clear up his title

283  
00:14:03,879 --> 00:14:07,509  
this allows that one person to clear up

284

00:14:06,069 --> 00:14:09,970  
his title without having to join the

285  
00:14:07,509 --> 00:14:11,920  
other I'll move it to dr. mr. speaker

286  
00:14:09,970 --> 00:14:13,749  
with gentlemen you you you Jim Neiman's

287  
00:14:11,920 --> 00:14:15,639  
close out you was close what this what

288  
00:14:13,749 --> 00:14:18,160  
this give up let's say there's two

289  
00:14:15,639 --> 00:14:20,079  
owners of the section with this give one

290  
00:14:18,160 --> 00:14:22,029  
of them the right to buy the excess

291  
00:14:20,079 --> 00:14:23,050  
acreage without any notification to the

292  
00:14:22,029 --> 00:14:24,579  
other no sir

293  
00:14:23,050 --> 00:14:27,129  
no sure does not just means that he does

294  
00:14:24,579 --> 00:14:28,899  
not have to join other one does not have

295  
00:14:27,129 --> 00:14:31,149  
to join in the sale and still get the

296  
00:14:28,899 --> 00:14:32,680  
same benefit from it all it means is

297  
00:14:31,149 --> 00:14:34,990  
that if one person wants the turpis

298  
00:14:32,680 --> 00:14:37,779  
title he does not have to buy all the

299  
00:14:34,990 --> 00:14:39,639  
excess just his proportionate share of

300  
00:14:37,779 --> 00:14:41,740  
the excess well he doesn't have the

301  
00:14:39,639 --> 00:14:43,870  
right to buy the other portion of no

302  
00:14:41,740 --> 00:14:45,309  
sense no sir just like what it's what

303  
00:14:43,870 --> 00:14:47,740  
this does which closes allow the

304  
00:14:45,309 --> 00:14:49,149  
landowner to clear up the title he can't

305  
00:14:47,740 --> 00:14:50,740  
do that now unless the other one joins

306  
00:14:49,149 --> 00:14:53,110  
with it mr. speaker

307  
00:14:50,740 --> 00:14:55,389  
Miss Agnes well gentleman yield he you

308  
00:14:53,110 --> 00:14:57,670

309  
00:14:55,389 --> 00:15:00,189

310  
00:14:57,670 --> 00:15:03,399

you know the listening you knocked out

312  
00:15:03,399 --> 00:15:07,149  
the empowered Authority and substituted

313  
00:15:05,529 --> 00:15:10,420  
the school land board what's the reason

314  
00:15:07,149 --> 00:15:12,490  
for that well that's the entity that has

315  
00:15:10,420 --> 00:15:14,050  
to make a determination if they're just

316  
00:15:12,490 --> 00:15:15,610  
being specific about the Empowered

317  
00:15:14,050 --> 00:15:17,829  
authority has always meant to school and

318  
00:15:15,610 --> 00:15:19,269

members of the House house

329  
00:15:45,310 --> 00:15:51,260  
2174 is attempt to solve the problem

330  
00:15:48,920 --> 00:15:54,290  
that we have on the beaches along the

331  
00:15:51,260 --> 00:15:57,440  
Gulf Coast and it would give general

332  
00:15:54,290 --> 00:15:59,720  
police powers to general law cities and

333  
00:15:57,440 --> 00:16:01,640  
counties to regulate the use of the

334  
00:15:59,720 --> 00:16:03,050  
beaches in the same way that homebrew

335  
00:16:01,640 --> 00:16:05,240  
cities can now do it

336  
00:16:03,050 --> 00:16:12,649

00:26:03,720 --> 00:26:12,990  
resolution SCR 44 by AAG mr. Bynum to

521  
00:26:09,929 --> 00:26:15,169

522  
00:26:12,990 --> 00:26:17,429  
colleagues this is a resolution which

523  
00:26:15,169 --> 00:26:19,889  
grants permission of two insurance

524

this is the this is a Maryland Casualty

530  
00:26:34,769 --> 00:26:39,659  
Company yes all right we have in the

531  
00:26:37,649 --> 00:26:42,929  
claims bill that we passed this morning

532  
00:26:39,659 --> 00:26:45,570  
we've appropriated 449 thousand of

533  
00:26:42,929 --> 00:26:47,340  
dollars to pay this plane so I don't see

534  
00:26:45,570 --> 00:26:50,090  
any need to proceed with Israel

535  
00:26:47,340 --> 00:26:52,530  
can see the state if that's the case

536  
00:26:50,090 --> 00:26:54,570  
this resolution was really originally

537  
00:26:52,530 --> 00:26:55,740  
adopted because when they well they

538  
00:26:54,570 --> 00:26:57,570  
didn't know where we were going to get

539  
00:26:55,740 --> 00:26:59,100  
this process through or not it has been

540  
00:26:57,570 --> 00:27:00,900  
processed through and it's in the claim

541  
00:26:59,100 --> 00:27:02,910  
bill that we passed this morning okay

542  
00:27:00,900 --> 00:27:04,740  
you feel like that's all taken care of

543  
00:27:02,910 --> 00:27:08,190  
them if it were me I'd lay it on the

544  
00:27:04,740 --> 00:27:09,720  
table second you could call as they're

545  
00:27:08,190 --> 00:27:13,410

seven buildings at University of Texas

555  
00:27:37,230 --> 00:27:43,230  
at San Antonio there were a lot of

556  
00:27:39,900 --> 00:27:46,250  
problems in delay of the buildings due

557  
00:27:43,230 --> 00:27:50,210  
to architect designs and that the state

Swartz chair recognize mr. Harris to

567  
00:28:25,910 --> 00:28:31,220

568  
00:28:28,670 --> 00:28:32,510  
fellow members mr. miss gundermen on the

569  
00:28:31,220 --> 00:28:33,410  
forum and permitted the State

570  
00:28:32,510 --> 00:28:35,000  
Archaeologist

571  
00:28:33,410 --> 00:28:37,700  
to go out and dig on the forum and they

572  
00:28:35,000 --> 00:28:40,520  
found a lot of skulls and errors and

573  
00:28:37,700 --> 00:28:41,240  
axes and with the permission of the

574  
00:28:40,520 --> 00:28:43,310  
gunman's

575  
00:28:41,240 --> 00:28:45,890  
all of that was brought back to Austin

576  
00:28:43,310 --> 00:28:47,750  
to be polished up now they refused to

577  
00:28:45,890 --> 00:28:50,540  
return it in mr. mr. Gunderman

578  
00:28:47,750 --> 00:28:53,030  
merely seek authority to sue for the

579  
00:28:50,540 --> 00:28:55,400  
return of these artifacts the the

580  
00:28:53,030 --> 00:28:56,840  
resolution waves no defenses and makes

581

00:28:55,400 --> 00:28:58,760  
North missions and I move its adoption

582  
00:28:56,840 --> 00:29:00,160  
mitts bigger is there objection to

583  
00:28:58,760 --> 00:29:07,910  
adoption of the resolution

584  
00:29:00,160 --> 00:29:11,060  
chairs none SCR 57 is adopted mr. haire

585  
00:29:07,910 --> 00:29:12,800  
smooth blade cr123 on table subject to

586  
00:29:11,060 --> 00:29:15,080  
call is there objection

587  
00:29:12,800 --> 00:29:17,540  
chairs none the motion prevail mr. Baker

588  
00:29:15,080 --> 00:29:19,010  
mr. Lowe half a point of order States

589  
00:29:17,540 --> 00:29:21,380  
point of order when I brought up the

590  
00:29:19,010 --> 00:29:23,990  
bill House bill 13 11 while ago we had

591  
00:29:21,380 --> 00:29:25,910  
you recognized two five objections on

592  
00:29:23,990 --> 00:29:27,410  
the floor and at that time I only saw

593  
00:29:25,910 --> 00:29:28,880  
four and I hadn't been able to find that

594  
00:29:27,410 --> 00:29:30,740  
fifth one yet is there any possibility

595  
00:29:28,880 --> 00:29:34,060  
you could ask to who that fifth are

596  
00:29:30,740 --> 00:29:38,300  
raise the hands the people objected I

597  
00:29:34,060 --> 00:29:41,180  
realize no sir mr. Lowe half the the

598  
00:29:38,300 --> 00:29:47,300  
chair is very careful and the

599  
00:29:41,180 --> 00:29:48,650  
parliamentarian is too we saw and we're

600  
00:29:47,300 --> 00:29:51,050  
very careful to it but you did not

601  
00:29:48,650 --> 00:29:53,540  
record the who those five words I know

602  
00:29:51,050 --> 00:29:55,550  
sir there's two ways we can either take

603  
00:29:53,540 --> 00:29:57,620  
five objections from the floor by show

604  
00:29:55,550 --> 00:29:59,240  
of hands which we insist that they hold

605  
00:29:57,620 --> 00:30:03,230  
up long enough first account carefully

606  
00:29:59,240 --> 00:30:06,700  
or you can file a slip with five names

607  
00:30:03,230 --> 00:30:06,700  
on it either way like

608

00:30:07,800 --> 00:30:13,530  
parliamentary inquiry mr. speaker state

609  
00:30:10,860 --> 00:30:15,780  
you inquire mr. speaker what I'd like to

610  
00:30:13,530 --> 00:30:17,700  
know concerning what mr. laws are saying

611  
00:30:15,780 --> 00:30:19,470  
and what you might be able to tell me

612  
00:30:17,700 --> 00:30:21,360  
that's very important do you know that

613  
00:30:19,470 --> 00:30:23,010

616  
00:30:24,780 --> 00:30:28,680  
have worked real hard to be able to come

617  
00:30:26,400 --> 00:30:30,000

00:54:46,590 --> 00:54:56,030  
move that the house concur and Senate

820  
00:54:49,080 --> 00:54:58,290  
amendment to House bill 290 to this is a

821  
00:54:56,030 --> 00:55:05,430  
little local bill having to do with

822  
00:54:58,290 --> 00:55:09,300  
certificated titles for boats if I might

823  
00:55:05,430 --> 00:55:12,180  
explain mr. Picard members as you all

824

00:55:09,300 --> 00:55:13,680  
recall we with your help we straighten

825  
00:55:12,180 --> 00:55:16,860  
this bill out and it's a whole lot

826  
00:55:13,680 --> 00:55:18,300  
better feel now however we did so much

827  
00:55:16,860 --> 00:55:22,740  
straightening out when we lowered the

828  
00:55:18,300 --> 00:55:24,150  
license fee to \$1 and then we lowered

829  
00:55:22,740 --> 00:55:26,310  
the volume of boats that they'd be

830  
00:55:24,150 --> 00:55:28,920  
dealing with we grandfathered in all

831  
00:55:26,310 --> 00:55:31,470  
existing boats we took out the 14 and

832  
00:55:28,920 --> 00:55:33,570  
foot under foot and under boats we took

833  
00:55:31,470 --> 00:55:35,610  
out the 12 horsepower and under motors

834  
00:55:33,570 --> 00:55:37,650  
from time y'all helped me get all that

835  
00:55:35,610 --> 00:55:39,690  
cleaned up the volume was down where

836  
00:55:37,650 --> 00:55:41,310  
they just kiddin do it for \$1 over in

837  
00:55:39,690 --> 00:55:44,430  
Parks and Wildlife's so the Senate

838  
00:55:41,310 --> 00:55:53,520  
raised the fee to \$2 that's the only

839  
00:55:44,430 --> 00:55:55,140  
change that was made I do appreciate you

840  
00:55:53,520 --> 00:55:58,260  
spending some time on you

841  
00:55:55,140 --> 00:56:00,330  
you know mr. Muhsin sure we mention that

842  
00:55:58,260 --> 00:56:02,640  
when the bill first started out on the

843  
00:56:00,330 --> 00:56:05,040  
one-dollar the parks and while I felt

844  
00:56:02,640 --> 00:56:07,170  
like they could do it for \$1 with all

845  
00:56:05,040 --> 00:56:09,690  
the boats included is that correct that

846  
00:56:07,170 --> 00:56:12,000  
that was the feeling we had started out

847  
00:56:09,690 --> 00:56:14,820  
at \$3 then it came down to \$2 in

848  
00:56:12,000 --> 00:56:16,410  
committee \$1 on the floor okay they

849  
00:56:14,820 --> 00:56:18,240  
finally went to them and they finally

850  
00:56:16,410 --> 00:56:20,070  
said they could operate it with \$1 if

851

00:56:18,240 --> 00:56:23,670  
all the votes was under since the

852  
00:56:20,070 --> 00:56:25,260  
smaller boats which I objected taken out

853  
00:56:23,670 --> 00:56:27,450  
but when a small votes were taken out

854  
00:56:25,260 --> 00:56:30,000  
isn't it not so that the parts and while

855  
00:56:27,450 --> 00:56:33,210  
I feel there's no way that they can do

856  
00:56:30,000 --> 00:56:35,400  
it with for \$1 that's right they I've

857  
00:56:33,210 --> 00:56:36,869  
got a revised fiscal note up here and

858  
00:56:35,400 --> 00:56:39,660  
they've just got to have two

859  
00:56:36,869 --> 00:56:41,579  
isn't it isn't it always true that when

860  
00:56:39,660 --> 00:56:43,680  
an agency were required to do something

861  
00:56:41,579 --> 00:56:47,609  
don't we always fund them like any other

862  
00:56:43,680 --> 00:56:50,759  
agency controller or anyone else we're

863  
00:56:47,609 --> 00:56:52,739  
usually fund until be paid for its own

864  
00:56:50,759 --> 00:56:57,059  
in its own weight in other words yes

865  
00:56:52,739 --> 00:56:59,609  
service we thank you mr. picah with

866  
00:56:57,059 --> 00:57:01,680  
gentleman yield we happy to yield come

867  
00:56:59,609 --> 00:57:03,059  
on yells mr. Wilson mr. Munsen where

868  
00:57:01,680 --> 00:57:04,979  
they do with all that money that they

869  
00:57:03,059 --> 00:57:07,950  
used it they didn't spend down there on

870  
00:57:04,979 --> 00:57:09,329  
Jill Wives Park why can't they use some

871  
00:57:07,950 --> 00:57:11,130  
of that money that did not build in the

872  
00:57:09,329 --> 00:57:15,180  
park for mr. white to license these

873  
00:57:11,130 --> 00:57:17,099  
boats I'm not invited mr. Wilson they're

874  
00:57:15,180 --> 00:57:19,200  
good boats Association hadn't let me

875  
00:57:17,099 --> 00:57:21,119  
know about that one are they are they

876  
00:57:19,200 --> 00:57:23,609  
gone are they gonna take this money that

877  
00:57:21,119 --> 00:57:25,259  
their license in these boats and spend

878

00:57:23,609 --> 00:57:26,849  
it on something else like to have that

879  
00:57:25,259 --> 00:57:30,509  
money we've appropriated for mr. wives

880  
00:57:26,849 --> 00:57:33,359  
Park no sir they can't do that under law

881  
00:57:30,509 --> 00:57:35,729  
now under the fund that has if there

882  
00:57:33,359 --> 00:57:39,089  
really does go to general revenue no sir

883  
00:57:35,729 --> 00:57:41,640  
it goes to the dedicated fund 59 which

884  
00:57:39,089 --> 00:57:43,499  
the second priority after paying all

885  
00:57:41,640 --> 00:57:46,079  
expenses is I will give it a par and

886  
00:57:43,499 --> 00:57:48,210  
wildlife some more dedicated firms what

887  
00:57:46,079 --> 00:57:51,950  
I'm trying to do is get that money

888  
00:57:48,210 --> 00:57:54,119  
available for Joe Rives Park

889  
00:57:51,950 --> 00:57:57,450  
let's make over the gentleman yield

890  
00:57:54,119 --> 00:57:59,130  
CEO mr. Munsen yes sir mr. Munsen you

891  
00:57:57,450 --> 00:58:01,589  
remember when we first debated this bill

892  
00:57:59,130 --> 00:58:03,989  
our total members of the House that next

893  
00:58:01,589 --> 00:58:06,509  
session may be back to raise this fee

894  
00:58:03,989 --> 00:58:07,920  
you remember I told him that yes sir

895  
00:58:06,509 --> 00:58:09,930  
well it only took him a week and a half

896  
00:58:07,920 --> 00:58:13,380  
didn't it jump not two years

897  
00:58:09,930 --> 00:58:14,880  
well mr. Baker I can't I don't think

898  
00:58:13,380 --> 00:58:17,130  
that they're doing that I've looked at

899  
00:58:14,880 --> 00:58:19,469  
the fiscal note and it's just trying to

900  
00:58:17,130 --> 00:58:21,329  
get it on a break-even bus bigger let's

901  
00:58:19,469 --> 00:58:25,289  
mark the gentleman yield yes sir yeah

902  
00:58:21,329 --> 00:58:27,479  
with Muslim mr. Munsen after the recent

903  
00:58:25,289 --> 00:58:29,940  
experiences some of the House members do

904  
00:58:27,479 --> 00:58:45,960  
you think maybe we could put canoes

905

00:58:29,940 --> 00:58:49,670  
under this bill genuinely yes let this

906  
00:58:45,960 --> 00:58:49,670  
money go through the general revenue

907  
00:58:49,920 --> 00:58:55,720  
well it's my understanding that we want

908  
00:58:53,200 --> 00:58:59,759  
to make sure that if there is any

909  
00:58:55,720 --> 00:59:02,140  
surplus that if who wants to make sure I

910  
00:58:59,759 --> 00:59:06,069  
wanted to make sure that it go for

911  
00:59:02,140 --> 00:59:09,369  
parkland and that's the way the priority

912  
00:59:06,069 --> 00:59:12,069  
is that's the way the priority is is

913  
00:59:09,369 --> 00:59:14,529  
outlined you you you just gonna raise

914  
00:59:12,069 --> 00:59:19,710  
the fees on the boats and points on the

915  
00:59:14,529 --> 00:59:23,430  
notes and no sir no sir no sir

916  
00:59:19,710 --> 00:59:25,450  
I'm serious about going general revenue

917  
00:59:23,430 --> 00:59:27,309  
everyone else has to come here NASA

918  
00:59:25,450 --> 00:59:30,069  
legislature for something and we're

919  
00:59:27,309 --> 00:59:36,029  
making a an empire over there and giving

920  
00:59:30,069 --> 00:59:36,029  
them their money direct and they run it

921  
00:59:37,109 --> 00:59:45,579  
and why not go through the general

922  
00:59:40,569 --> 00:59:47,289  
revenue well any legislature ought to

923  
00:59:45,579 --> 00:59:50,079  
tell them how to spend the money you're

924  
00:59:47,289 --> 00:59:51,970  
like they do that any other it's my

925  
00:59:50,079 --> 00:59:53,410  
understanding the legislature will be

926  
00:59:51,970 --> 00:59:55,299  
telling them how to spend that money

927  
00:59:53,410 --> 00:59:57,489  
since they appropriate the funds and

928  
00:59:55,299 --> 00:59:59,079  
tell them how to use the funds in some

929  
00:59:57,489 --> 01:00:02,109  
people now I know but they build up

930  
00:59:59,079 --> 01:00:05,170  
these big funds and buy these seagoing

931  
01:00:02,109 --> 01:00:08,920  
vessels and we don't have any any way to

932

01:00:05,170 --> 01:00:10,749  
keep them from it mystically I think we

933  
01:00:08,920 --> 01:00:12,940  
have plenty of ways to keep them from it

934  
01:00:10,749 --> 01:00:15,309  
I've got the statute that we have the

935  
01:00:12,940 --> 01:00:18,430  
priorities that say just exactly how

936  
01:00:15,309 --> 01:00:21,220  
they have to spend from 59 well would

937  
01:00:18,430 --> 01:00:24,730  
you mind that we if we just amend it to

938  
01:00:21,220 --> 01:00:29,499  
transfer the excess that they have out

939  
01:00:24,730 --> 01:00:32,170  
in front 19 to the general fund mr. Lee

940  
01:00:29,499 --> 01:00:35,289  
I don't think this bill is a proper

941  
01:00:32,170 --> 01:00:37,960  
vehicle if you think it's fun 59 that

942  
01:00:35,289 --> 01:00:41,440  
it's in there I have not be of the

943  
01:00:37,960 --> 01:00:45,759  
latest statement on fund 59 and actually

944  
01:00:41,440 --> 01:00:48,700  
the fun is decreased 19 may part about

945  
01:00:45,759 --> 01:00:51,309  
fun 19 well i on this bill and anything

946  
01:00:48,700 --> 01:00:53,769  
to do with find 19 and I'd really well

947  
01:00:51,309 --> 01:00:54,970  
you just building up another fun no sir

948  
01:00:53,769 --> 01:00:57,490  
I'm not building up another

949  
01:00:54,970 --> 01:00:59,890  
fine all we're trying to do is just make

950  
01:00:57,490 --> 01:01:04,060  
this system breakeven not cost the state

951  
01:00:59,890 --> 01:01:07,030  
any money then bring their breaking even

952  
01:01:04,060 --> 01:01:08,350  
now and what we're - if you've got some

953  
01:01:07,030 --> 01:01:10,780  
problems with Parks and Wildlife

954  
01:01:08,350 --> 01:01:13,570  
Department bigger that's not here mr.

955  
01:01:10,780 --> 01:01:13,990  
speaker it's Agnes will the gentleman

956  
01:01:13,570 --> 01:01:16,060  
yield

957  
01:01:13,990 --> 01:01:18,790  
um it wasn't Gemma Neil's my signature

958  
01:01:16,060 --> 01:01:23,500  
mr. Munsen do water peds come under your

959

01:01:18,790 --> 01:01:25,990  
bill no sir they certainly don't mr.

960  
01:01:23,500 --> 01:01:27,910  
speaker gentleman yield mr. Munsen yes

961  
01:01:25,990 --> 01:01:29,560  
sir gentleman yields reading mr. Munsen

962  
01:01:27,910 --> 01:01:32,740  
that we debated this bill for some time

963  
01:01:29,560 --> 01:01:35,140  
as you recall but I think maybe we ought

964  
01:01:32,740 --> 01:01:38,020  
to refresh the houses memory don't you

965  
01:01:35,140 --> 01:01:40,710  
think on the fact that the this bill

966  
01:01:38,020 --> 01:01:44,710  
came about to try to protect people that

967  
01:01:40,710 --> 01:01:46,720  
the price of motors today several

968  
01:01:44,710 --> 01:01:48,460  
hundreds of dollars and people try to

969  
01:01:46,720 --> 01:01:50,200  
finance them at the bank they can't do

970  
01:01:48,460 --> 01:01:52,450  
it because there's no title number to it

971  
01:01:50,200 --> 01:01:54,550  
isn't it true that with this bill we

972  
01:01:52,450 --> 01:01:55,810  
would get this protection the banker

973  
01:01:54,550 --> 01:01:57,850  
would have it the people could borrow

974  
01:01:55,810 --> 01:01:59,620  
money and the bankers would loan the

975  
01:01:57,850 --> 01:02:01,570  
money and he would protect them from

976  
01:01:59,620 --> 01:02:03,760  
loss and from robbery from being stolen

977  
01:02:01,570 --> 01:02:07,060  
off of the we have them still right out

978  
01:02:03,760 --> 01:02:09,660  
of state parks isn't that right I think

979  
01:02:07,060 --> 01:02:13,410  
that's true the insurance rates will

980  
01:02:09,660 --> 01:02:16,900  
very probably go down for insuring boats

981  
01:02:13,410 --> 01:02:19,690  
it's going to give persons a title it's

982  
01:02:16,900 --> 01:02:21,490  
cheaper than really what they have to

983  
01:02:19,690 --> 01:02:23,410  
file now with the secretary of state

984  
01:02:21,490 --> 01:02:25,780  
when the person gets a loan it cost some

985  
01:02:23,410 --> 01:02:27,310  
three dollars every time they get a

986

01:02:25,780 --> 01:02:28,780  
financing statement filed in the

987  
01:02:27,310 --> 01:02:30,910  
Secretary of State and most of the time

988  
01:02:28,780 --> 01:02:32,890  
they'll file one also on the county that

989  
01:02:30,910 --> 01:02:35,350  
caused some \$6 now isn't it true that

990  
01:02:32,890 --> 01:02:37,510  
any little motor boat which is not even

991  
01:02:35,350 --> 01:02:39,430  
covered ten and twelve horse that cost

992  
01:02:37,510 --> 01:02:41,590  
five and six hundred dollars is more

993  
01:02:39,430 --> 01:02:43,180  
than a used car certainly the people

994  
01:02:41,590 --> 01:02:45,640  
ought to be protected with a \$2.00

995  
01:02:43,180 --> 01:02:47,710  
license or \$2.00 fee to protect their

996  
01:02:45,640 --> 01:02:49,660  
interest and the bank's interest and

997  
01:02:47,710 --> 01:02:51,610  
others that be willing to borrow money

998  
01:02:49,660 --> 01:02:52,180  
if they had this law isn't that so yes

999  
01:02:51,610 --> 01:02:54,820  
sir

1000  
01:02:52,180 --> 01:02:58,600  
it's a one-time charge mr. speaker

1001  
01:02:54,820 --> 01:03:00,340  
members of two dollars and it's a it has

1002  
01:02:58,600 --> 01:03:01,990  
a grandfather clause and all of those at

1003  
01:03:00,340 --> 01:03:03,910  
present time do not have to license

1004  
01:03:01,990 --> 01:03:06,099  
unless the purchase is made

1005  
01:03:03,910 --> 01:03:08,859  
only on new boats that's right and a

1006  
01:03:06,099 --> 01:03:10,000  
trade a saleable boat right I think the

1007  
01:03:08,859 --> 01:03:12,809  
house should know this thank you very

1008  
01:03:10,000 --> 01:03:16,180  
much thank you mr. Spink resuming you

1009  
01:03:12,809 --> 01:03:18,579  
yes miss listen what's the total income

1010  
01:03:16,180 --> 01:03:23,819  
expected from this registration fee that

1011  
01:03:18,579 --> 01:03:28,990  
total the total well per year over year

1012  
01:03:23,819 --> 01:03:30,789  
per year it's additional revenue in 1976

1013

01:03:28,990 --> 01:03:32,559  
is projected at two hundred ninety two

1014  
01:03:30,789 --> 01:03:35,079  
thousand eight hundred sixty six dollars

1015  
01:03:32,559 --> 01:03:36,519  
you know if if we would take that four

1016  
01:03:35,079 --> 01:03:38,349  
hundred thousand dollars that we took

1017  
01:03:36,519 --> 01:03:40,450  
away from parks and wildlife yesterday

1018  
01:03:38,349 --> 01:03:41,920  
and dedicated funds and give it back to

1019  
01:03:40,450 --> 01:03:44,319  
the parts of Wildlife we would have to

1020  
01:03:41,920 --> 01:03:47,829  
charge these guys a nickel for it how

1021  
01:03:44,319 --> 01:03:49,299  
did you vote on that remember yesterday

1022  
01:03:47,829 --> 01:03:51,339  
in the appropriations bill mr. baggage

1023  
01:03:49,299 --> 01:03:53,160  
cared is amendment to take that two

1024  
01:03:51,339 --> 01:03:55,809  
hundred thousand dollars from the two

1025  
01:03:53,160 --> 01:03:57,730  
dedicated funds that were going to the

1026  
01:03:55,809 --> 01:03:59,589  
attorney general's office yes sir well

1027  
01:03:57,730 --> 01:04:01,839  
one of the things that bothers me is

1028  
01:03:59,589 --> 01:04:04,930  
we're going to pass laws to require

1029  
01:04:01,839 --> 01:04:06,220  
registration fees to dedicate money and

1030  
01:04:04,930 --> 01:04:07,509  
then we're going to come right along and

1031  
01:04:06,220 --> 01:04:08,259  
take that dedicated money and put it

1032  
01:04:07,509 --> 01:04:10,420  
somewhere else

1033  
01:04:08,259 --> 01:04:12,400  
no sir that's not the case in this bill

1034  
01:04:10,420 --> 01:04:14,859  
if you'll come down here and look at the

1035  
01:04:12,400 --> 01:04:17,470  
fiscal note it's basically a break-even

1036  
01:04:14,859 --> 01:04:19,359  
proposition and I can assure you that

1037  
01:04:17,470 --> 01:04:21,039  
our you don't think I wanted to come

1038  
01:04:19,359 --> 01:04:23,160  
back to the house again but I don't

1039  
01:04:21,039 --> 01:04:27,759  
think you did

1040

01:04:23,160 --> 01:04:31,539  
mr. speaker I where you gentlemen you

1041  
01:04:27,759 --> 01:04:34,869  
gentlemen toes back being would you

1042  
01:04:31,539 --> 01:04:38,109  
repeat to the house what you told us was

1043  
01:04:34,869 --> 01:04:43,210  
the reason that we had to be increase

1044  
01:04:38,109 --> 01:04:45,519  
from \$1 to \$2 when they got to put the

1045  
01:04:43,210 --> 01:04:47,500  
pencil to the bill as it was amended by

1046  
01:04:45,519 --> 01:04:49,420  
the house when who got to put in the

1047  
01:04:47,500 --> 01:04:51,549  
pencil - parks and wildlife and the

1048  
01:04:49,420 --> 01:04:53,470  
Legislative Budget board the Legislative

1049  
01:04:51,549 --> 01:04:56,890  
Budget board prepared a new fiscal note

1050  
01:04:53,470 --> 01:05:00,789  
we reduced the volume of transactions

1051  
01:04:56,890 --> 01:05:03,430  
being handled under this bill we took

1052  
01:05:00,789 --> 01:05:05,109  
out the existing boats we took out the

1053  
01:05:03,430 --> 01:05:07,660  
little boats we took out the little

1054  
01:05:05,109 --> 01:05:08,830  
motors they then determined what it

1055  
01:05:07,660 --> 01:05:11,020  
would cost

1056  
01:05:08,830 --> 01:05:13,480  
right the program and it came back that

1057  
01:05:11,020 --> 01:05:15,760  
one dollar would not meet the operating

1058  
01:05:13,480 --> 01:05:18,280  
costs this was presented to the Senate

1059  
01:05:15,760 --> 01:05:19,990  
the Senate amended the bill to two

1060  
01:05:18,280 --> 01:05:20,590  
dollars and passed it on the consent

1061  
01:05:19,990 --> 01:05:23,320  
calendar

1062  
01:05:20,590 --> 01:05:26,320  
so you mean the big objection is that

1063  
01:05:23,320 --> 01:05:28,750  
that the parks and wildlife claim that

1064  
01:05:26,320 --> 01:05:32,950  
the dollar fee is not going to be

1065  
01:05:28,750 --> 01:05:35,710  
sufficient to support the the paperwork

1066  
01:05:32,950 --> 01:05:37,690  
involved in the program right and and

1067

01:05:35,710 --> 01:05:40,030  
and Parks and Wildlife doesn't feel like

1068  
01:05:37,690 --> 01:05:42,430  
with all the money that they waste and

1069  
01:05:40,030 --> 01:05:44,080  
spend around the state and in building

1070  
01:05:42,430 --> 01:05:45,910  
their eight million dollar buildings etc

1071  
01:05:44,080 --> 01:05:48,520  
that they can't come up with a few

1072  
01:05:45,910 --> 01:05:51,100  
little bucks that's going to take to to

1073  
01:05:48,520 --> 01:05:53,200  
administer this program mr. Holsten back

1074  
01:05:51,100 --> 01:05:55,150  
if you're concerned about the building I

1075  
01:05:53,200 --> 01:05:57,910  
take it out of the appropriations bill

1076  
01:05:55,150 --> 01:05:59,740  
as you know the building is in there mr.

1077  
01:05:57,910 --> 01:06:01,600  
Munsen I'm concerned about Parks and

1078  
01:05:59,740 --> 01:06:02,860  
Wildlife I'm getting tired of Parks and

1079  
01:06:01,600 --> 01:06:05,080  
Wildlife acting like they're the

1080  
01:06:02,860 --> 01:06:07,780  
legislature it's time to the legislature

1081  
01:06:05,080 --> 01:06:10,390  
tell Parks and Wildlife whose boss and I

1082  
01:06:07,780 --> 01:06:12,280  
mate that we have to on your bill but I

1083  
01:06:10,390 --> 01:06:14,050  
think it's about time that we do it and

1084  
01:06:12,280 --> 01:06:15,400  
I and I hate it your bill then but I'm

1085  
01:06:14,050 --> 01:06:17,470  
getting sick and tired of Parks and

1086  
01:06:15,400 --> 01:06:19,660  
Wildlife telling a legislature what to

1087  
01:06:17,470 --> 01:06:22,510  
do and I am also getting sick and tired

1088  
01:06:19,660 --> 01:06:24,310  
of not listening to our mandates just

1089  
01:06:22,510 --> 01:06:26,680  
tell somebody I'd like to suggest speak

1090  
01:06:24,310 --> 01:06:29,470  
legislative budget dress reviewed these

1091  
01:06:26,680 --> 01:06:30,940  
video mr. Munson yes I wear gentleman

1092  
01:06:29,470 --> 01:06:32,890  
yields mr. Munson I'm going to take a

1093  
01:06:30,940 --> 01:06:35,290  
different direction and mr. holsombach

1094

01:06:32,890 --> 01:06:38,050

I'm not too worried about parks and

1095

01:06:35,290 --> 01:06:39,850

wildlife out here I'm worried about the

1096

01:06:38,050 --> 01:06:42,610

increase how much did you increase it

1097

01:06:39,850 --> 01:06:46,090

over what it came out of the house it

1098

01:06:42,610 --> 01:06:51,040

came out of the house at \$1 we increased

1099

01:06:46,090 --> 01:06:53,080

it to \$2 being part of the one of the

1100

01:06:51,040 --> 01:06:54,700

main reasons that that I think a lot of

1101

01:06:53,080 --> 01:06:57,490

the people in here went along with it

1102

01:06:54,700 --> 01:06:58,900

was because of the fact that we didn't

1103

01:06:57,490 --> 01:07:00,640

figure that too many people would mind

1104

01:06:58,900 --> 01:07:03,730

paying that dollar but now that you've

1105

01:07:00,640 --> 01:07:05,500

done you've doubled it you really put a

1106

01:07:03,730 --> 01:07:07,420

lot of us in a position where we really

1107

01:07:05,500 --> 01:07:10,090

can't support this bill as it is

1108  
01:07:07,420 --> 01:07:11,530  
well mr. Raines are you familiar that if

1109  
01:07:10,090 --> 01:07:13,750  
you go down to buy a boat and you

1110  
01:07:11,530 --> 01:07:16,660  
finance it today what it costs you to

1111  
01:07:13,750 --> 01:07:17,950  
get the financing statement file do you

1112  
01:07:16,660 --> 01:07:20,200  
know what that cost is

1113  
01:07:17,950 --> 01:07:22,359  
and I have a volume a boat owner and I

1114  
01:07:20,200 --> 01:07:24,910  
know what it is and it did you know what

1115  
01:07:22,359 --> 01:07:26,800  
it hasn't had any any extra any extra

1116  
01:07:24,910 --> 01:07:29,020  
burden put on me at this point as far as

1117  
01:07:26,800 --> 01:07:30,940  
the boaters concern won't have any extra

1118  
01:07:29,020 --> 01:07:32,700  
burden unless you buy a new boat I

1119  
01:07:30,940 --> 01:07:35,500  
bought a new boat

1120  
01:07:32,700 --> 01:07:37,210  
you got anybody didn't have the problem

1121

01:07:35,500 --> 01:07:38,890  
didn't have to go and find and pay a

1122  
01:07:37,210 --> 01:07:41,320  
dollar to register two dollars to

1123  
01:07:38,890 --> 01:07:44,890  
register my boat no but you had to play

1124  
01:07:41,320 --> 01:07:47,140  
six dollars to have this your lien filed

1125  
01:07:44,890 --> 01:07:51,820  
in Austin and in the county where you on

1126  
01:07:47,140 --> 01:07:54,000  
the boat this will eliminate that cost

1127  
01:07:51,820 --> 01:07:58,990  
actually it'll be cheaper

1128  
01:07:54,000 --> 01:08:01,900  
no how will it be cheaper how will it be

1129  
01:07:58,990 --> 01:08:03,970  
cheap Dave when you finance a boat this

1130  
01:08:01,900 --> 01:08:05,770  
short mood race point of order gentle

1131  
01:08:03,970 --> 01:08:08,530  
tires fired point of water well taken

1132  
01:08:05,770 --> 01:08:11,650  
abstain mr. speaker mr. chairman my

1133  
01:08:08,530 --> 01:08:13,180  
movies time be extended oh he's hideous

1134  
01:08:11,650 --> 01:08:15,670  
getting kind of hungry but I'll take the

1135  
01:08:13,180 --> 01:08:17,140  
motion mr. McDonnell moves gentlemen

1136  
01:08:15,670 --> 01:08:22,089  
time to be extended all those in favor

1137  
01:08:17,140 --> 01:08:24,250  
say aye all opposed no I believe they're

1138  
01:08:22,089 --> 01:08:28,810  
getting hungry mr. MacDonald it sure

1139  
01:08:24,250 --> 01:08:32,290  
sounds like you recognize mr. bailiff

1140  
01:08:28,810 --> 01:08:34,480  
our motion mr. picker members so I move

1141  
01:08:32,290 --> 01:08:36,489  
that we not concur in Senate amendments

1142  
01:08:34,480 --> 01:08:41,259  
to House bill 290 - and that he'd be

1143  
01:08:36,489 --> 01:08:43,779  
sent to a conference committee all right

1144  
01:08:41,259 --> 01:08:45,969  
members mr. Vaile sends up mr. Munsen

1145  
01:08:43,779 --> 01:08:48,910  
moves concurring Senate amendments to

1146  
01:08:45,969 --> 01:08:50,920  
House bill 290 - mr. Vaile offers a

1147  
01:08:48,910 --> 01:08:53,440  
substitute motion that house not

1148

01:08:50,920 --> 01:08:56,759  
concurrence and amendments and this bill

1149  
01:08:53,440 --> 01:08:56,759  
be sent to a conference committee

1150  
01:09:21,199 --> 01:09:28,670  
all right mr. Madsen's mr. Bulger a

1151  
01:09:26,569 --> 01:09:31,940  
favor against let's review what's

1152  
01:09:28,670 --> 01:09:35,270  
happened here we are talking about one

1153  
01:09:31,940 --> 01:09:37,370  
dollar is the only change in this bill

1154  
01:09:35,270 --> 01:09:39,799  
that was made if you want to take up the

1155  
01:09:37,370 --> 01:09:41,330  
house time more if you want to have a

1156  
01:09:39,799 --> 01:09:42,080  
conference committee I'll leave it to

1157  
01:09:41,330 --> 01:09:44,630  
your will

1158  
01:09:42,080 --> 01:09:46,940  
there's no doubt about the goodness and

1159  
01:09:44,630 --> 01:09:48,980  
the need for this legislation I think

1160  
01:09:46,940 --> 01:09:51,319  
we've reviewed all the arguments you've

1161  
01:09:48,980 --> 01:09:53,600  
seen the editorials all in support of it

1162  
01:09:51,319 --> 01:09:56,090  
if you want to take the time to have a

1163  
01:09:53,600 --> 01:09:58,400  
conference committee I certainly respect

1164  
01:09:56,090 --> 01:10:00,920  
your judgment however I would suggest

1165  
01:09:58,400 --> 01:10:02,750  
that for one dollar we're certainly

1166  
01:10:00,920 --> 01:10:06,140  
taking an awful lot of the state's time

1167  
01:10:02,750 --> 01:10:16,190  
at a late point in the session and I

1168  
01:10:06,140 --> 01:10:17,929  
would I would just I've been here a

1169  
01:10:16,190 --> 01:10:19,610  
while I hadn't figured out a way you

1170  
01:10:17,929 --> 01:10:21,320

1171  
01:10:19,610 --> 01:10:26,120  
will of the house is there any other way

1172  
01:10:21,320 --> 01:10:29,440  
didn't do it y'all have had so much good

1173  
01:10:26,120 --> 01:10:37,489  
judgment on this legislation thus far

1174  
01:10:29,440 --> 01:10:39,679

statement mr. speaker members I know

1177  
01:10:42,110 --> 01:10:45,830  
you're all familiar with this bill but

1178  
01:10:43,850 --> 01:10:48,080  
that we're talking about one dollar that

1179  
01:10:45,830 --> 01:10:49,250  
sounds like it's awful cheap but it's

1180  
01:10:48,080 --> 01:10:51,590  
another two hundred three hundred

1181  
01:10:49,250 --> 01:10:53,510  
thousand dollars to all those poor

1182  
01:10:51,590 --> 01:10:55,580

1183  
01:10:53,510 --> 01:10:58,100  
only reparation they can afford they've

1184  
01:10:55,580 --> 01:10:59,690  
got to go to trouble lasting and doing

1185  
01:10:58,100 --> 01:11:00,860  
all this stuff with parks wildlife

1186  
01:10:59,690 --> 01:11:03,920

1207

01:13:24,320 --> 01:13:26,680

prevails

1208

01:13:41,560 --> 01:13:45,000

oh that it somebody

1209

01:13:48,449 --> 01:13:56,640

emotion president members I move to

1211

01:13:56,640 --> 01:14:08,400

01:14:12,810 --> 01:14:21,449

six all those in favor say aye

1216  
01:14:17,340 --> 01:14:23,280  
miss Baker well could we have a look at

1217  
01:14:21,449 --> 01:14:24,719  
this man let's back up mr. P veto wants

1218  
01:14:23,280 --> 01:14:27,030  
to explain it just a little bit I want

1219  
01:14:24,719 --> 01:14:29,100  
to ask him one question one bit I uh

1220  
01:14:27,030 --> 01:14:30,870  
my general yields mister mister C veto

1221  
01:14:29,100 --> 01:14:33,239  
is this your tax reform major we're

1222  
01:14:30,870 --> 01:14:35,790  
getting ready to approve now instead of

1223  
01:14:33,239 --> 01:14:39,210  
that bill was killed in the Senate

1224  
01:14:35,790 --> 01:14:43,020  
Finance Committee this is the kind of

1225  
01:14:39,210 --> 01:14:44,520  
school superintendents bill I'm in

1226  
01:14:43,020 --> 01:14:47,520  
speaker members let me tell you what's

1227  
01:14:44,520 --> 01:14:48,960  
happened the Senate don't ever could get

1228  
01:14:47,520 --> 01:14:52,760  
out of committee in all the way we could

1229

01:14:48,960 --> 01:14:55,380  
pass it in the Senate was to exempt

1230  
01:14:52,760 --> 01:14:57,840  
those counties that have common school

1231  
01:14:55,380 --> 01:14:59,310  
districts I like to call reverted

1232  
01:14:57,840 --> 01:15:01,080  
independent school districts that is

1233  
01:14:59,310 --> 01:15:03,390  
school districts with a independent

1234  
01:15:01,080 --> 01:15:06,530  
school districts with less than 150 a DA

1235  
01:15:03,390 --> 01:15:09,300  
and real high school districts so all

1236  
01:15:06,530 --> 01:15:11,130  
all we're gaining out of our bill that

1237  
01:15:09,300 --> 01:15:14,760  
passed out of the house with over 100

1238  
01:15:11,130 --> 01:15:16,500  
votes is we're getting rid of 39 elected

1239  
01:15:14,760 --> 01:15:18,870  
County school superintendents in those

1240  
01:15:16,500 --> 01:15:22,770  
counties that have no common school

1241  
01:15:18,870 --> 01:15:24,390  
districts as you know this bill went to

1242  
01:15:22,770 --> 01:15:26,880  
conference the conference committee

1243  
01:15:24,390 --> 01:15:30,480  
worked out what if we thought was a real

1244  
01:15:26,880 --> 01:15:31,949  
good compromise that would allow high

1245  
01:15:30,480 --> 01:15:35,280  
school superintendents and those

1246  
01:15:31,949 --> 01:15:37,290  
counties with 200 ABA or above in common

1247  
01:15:35,280 --> 01:15:40,710  
school districts the Senate in their

1248  
01:15:37,290 --> 01:15:43,290  
great wisdom refused to concur on a tie

1249  
01:15:40,710 --> 01:15:47,400  
vote with the lieutenant governor

1250  
01:15:43,290 --> 01:15:49,170  
casting the tie vote so we're laugh it's

1251  
01:15:47,400 --> 01:15:51,080  
either this or nothing and I ask that we

1252  
01:15:49,170 --> 01:15:53,210  
do concur at least we'll get rid of

1253  
01:15:51,080 --> 01:15:54,950  
in those counties that have no common

1254  
01:15:53,210 --> 01:15:55,340  
school district mr. piccolo gentleman

1255  
01:15:54,950 --> 01:15:57,560  
yield

1256

01:15:55,340 --> 01:15:59,690  
you let people talk oh yeah Germany must

1257  
01:15:57,560 --> 01:16:01,300  
present a photo have you reduced the

1258  
01:15:59,690 --> 01:16:03,890  
salaries of those remaining

1259  
01:16:01,300 --> 01:16:05,870  
superintendents in any way we've reduced

1260  
01:16:03,890 --> 01:16:07,580  
the salaries and those remaining school

1261  
01:16:05,870 --> 01:16:13,970  
superintendents in the appropriations

1262  
01:16:07,580 --> 01:16:16,880  
bill yesterday by vote of 99y a vote in

1263  
01:16:13,970 --> 01:16:20,740  
this bill this bill does not okay thank

1264  
01:16:16,880 --> 01:16:23,900  
you mr. speaker with the gentleman yield

1265  
01:16:20,740 --> 01:16:25,820  
Blake there's two people told I as well

1266  
01:16:23,900 --> 01:16:27,230  
as all the other members I'm sure are

1267  
01:16:25,820 --> 01:16:29,000  
wondering just what does this do to my

1268  
01:16:27,230 --> 01:16:30,110  
County School Superintendent in Shelby

1269  
01:16:29,000 --> 01:16:32,720  
County that's all of it do you have a

1270  
01:16:30,110 --> 01:16:35,360  
common school district yes he has to

1271  
01:16:32,720 --> 01:16:39,110

1272  
01:16:35,360 --> 01:16:42,050  
he will stay there under this bill yes

1273  
01:16:39,110 --> 01:16:43,370

01:16:42,050 --> 01:16:46,190  
get to conference committee to keep

1275  
01:16:43,370 --> 01:16:48,260  
their name but we'd opted yesterday and

1276  
01:16:46,190 --> 01:16:50,690  
the appropriations but juror amendment

1277  
01:16:48,260 --> 01:16:54,140  
on the appropriations bill did not

1278  
01:16:50,690 --> 01:16:55,850  
prohibit the county from increasing here

1279  
01:16:54,140 --> 01:16:58,760  
selling it back up to 25 in three so

1280

01:21:07,340 --> 01:21:10,910  
officers date was originally referred to

1336  
01:21:09,650 --> 01:21:12,410  
Committee on state affairs the house

1337

01:21:10,910 --> 01:21:14,390  
companion bill was referred to the

1338  
01:21:12,410 --> 01:21:15,620  
Committee on health aware of welfare

1339  
01:21:14,390 --> 01:21:16,520  
therefore the chair after further

1340  
01:21:15,620 --> 01:21:18,800  
investigation

1341  
01:21:16,520 --> 01:21:20,660  
now corrects that referral a Senate bill

1342  
01:21:18,800 --> 01:21:24,650  
528 to the Committee on health and

1343  
01:21:20,660 --> 01:21:26,210  
welfare that's bigger thoughts of

1344  
01:21:24,650 --> 01:21:30,890  
following Commerce Committee didn't we

1345  
01:21:26,210 --> 01:21:33,350

1346  
01:21:30,890 --> 01:21:35,750  
could we back up and add all the names

1347  
01:21:33,350 --> 01:21:38,870  
of that citation not to a citation

1348  
01:21:35,750 --> 01:21:41,420  
motion misstatement conference committee

1349  
01:21:38,870 --> 01:21:47,320

1369  
01:22:34,400 --> 01:22:38,870  
said that I had knocked a bell off of

1370  
01:22:36,800 --> 01:22:40,310  
the calendar and he was the author of it

1371  
01:22:38,870 --> 01:22:41,900  
is there any way that a man can be an

1372  
01:22:40,310 --> 01:22:44,920  
author of a bill to not be a member of

1373  
01:22:41,900 --> 01:22:49,130  
the House no sir

1374

amendment by Barrientos Ameen committee

1390  
01:34:14,469 --> 01:34:33,580  
amendment mr. Barrientos article 5

1391

01:34:20,460 --> 01:34:36,449  
appropriations bill mr. Barrientos to

1392

explain the amendment

1393  
01:34:47,229 --> 01:35:06,159  
but speaker members in your house bill

1394  
01:34:55,840 --> 01:35:09,269  
on page 535 under subsection C the third

1395  
01:35:06,159 --> 01:35:11,979  
paragraph deals with legal holidays

1396  
01:35:09,269 --> 01:35:14,920  
presently it reads legal holidays this

1397  
01:35:11,979 --> 01:35:18,010  
is for university and college employees

1398  
01:35:14,920 --> 01:35:20,050  
again reads legal holidays and Christmas

1399  
01:35:18,010 --> 01:35:21,670  
holiday periods to be observed by

1400  
01:35:20,050 --> 01:35:22,690  
agencies of higher education special

1401  
01:35:21,670 --> 01:35:25,630  
schools under the State Board of

1402  
01:35:22,690 --> 01:35:28,329  
Education shall not exceed the number of

1403  
01:35:25,630 --> 01:35:32,079  
days specified in this subsection my

1404  
01:35:28,329 --> 01:35:35,949  
amendment simply says will change the

1405  
01:35:32,079 --> 01:35:42,159  
words where it says shall not exceed to

1406  
01:35:35,949 --> 01:35:45,039  
the words be the same as what this

1407  
01:35:42,159 --> 01:35:46,360  
speaker mr. Kaster raised point order

1408  
01:35:45,039 --> 01:35:49,659  
against further consideration this

1409  
01:35:46,360 --> 01:35:52,030  
amendment in that it's amending an

1410  
01:35:49,659 --> 01:35:56,699  
improper paragraph that it's vague and

1411  
01:35:52,030 --> 01:35:56,699  
indifferent bring part out down front

1412  
01:37:02,960 --> 01:37:08,969  
miss bigger let's Clark

1413  
01:37:07,050 --> 01:37:11,489

1414  
01:37:08,969 --> 01:37:15,440  
inhibit we're nothing down here pretty

1415  
01:37:11,489 --> 01:37:15,440  
big hunt to find to find another one huh

1416  
01:37:34,800 --> 01:37:40,610  
alright pulling harder withdrawal mr.

1417  
01:37:36,900 --> 01:37:40,610  
Kathryn amendments was thrown miss berry

1418

01:39:03,000 --> 01:39:08,770  
mid speaker miss McAllister

1419  
01:39:05,970 --> 01:39:15,280  
parliamentary inquiry stage inquire

1420  
01:39:08,770 --> 01:39:18,040  
while we're on hold when you saw the

1421  
01:39:15,280 --> 01:39:21,190  
elucidate little on what the speaker

1422  
01:39:18,040 --> 01:39:24,580  
mentioned yesterday concerning the 72 48

1423  
01:39:21,190 --> 01:39:27,190  
and 24 hour rules which go into effect

1424  
01:39:24,580 --> 01:39:30,160  
Friday night week are they subject to

1425  
01:39:27,190 --> 01:39:30,730  
suspension on a 4/5 vote since our house

1426  
01:39:30,160 --> 01:39:32,710  
rules

1427  
01:39:30,730 --> 01:39:34,420  
okay mr. McAllister I won't hit my

1428  
01:39:32,710 --> 01:39:36,970  
assistant up here and turn this over to

1429  
01:39:34,420 --> 01:39:41,620  
him so that he can define all that again

1430  
01:39:36,970 --> 01:39:46,390  
the left-hander that speaker miss

1431  
01:39:41,620 --> 01:39:50,620  
McAllister in your discussion yesterday

1432  
01:39:46,390 --> 01:39:53,770  
on the 72 48 and 24 hour rules are they

1433  
01:39:50,620 --> 01:39:56,530  
subject to suspension on a on a poor

1434  
01:39:53,770 --> 01:39:58,240  
Pittsburgh miss McAllister in your rule

1435  
01:39:56,530 --> 01:39:59,560  
subject can you rule the house subject

1436  
01:39:58,240 --> 01:40:02,260  
to expansion if the chair will recognize

1437  
01:39:59,560 --> 01:40:06,310  
anybody for suspension they the chariot

1438  
01:40:02,260 --> 01:40:12,060  
era here rhetoric here iterated Katie

1439  
01:40:06,310 --> 01:40:14,500  
was talking boy it's that bus not over

1440  
01:40:12,060 --> 01:40:18,820  
the chair made it very clear that the

1441  
01:40:14,500 --> 01:40:24,550  
rule that the 72-hour rule the 48-hour

1442  
01:40:18,820 --> 01:40:25,630  
rule and the 24-hour rule well I wanted

1443  
01:40:24,550 --> 01:40:27,090  
you to have an understanding of it

1444  
01:40:25,630 --> 01:40:29,740  
because it's the intention of the chair

1445

01:40:27,090 --> 01:40:31,570  
not to suspend those rules in other

1446  
01:40:29,740 --> 01:40:35,440  
words you have to get recognition and

1447  
01:40:31,570 --> 01:40:36,940  
and you're not going to be real it's

1448  
01:40:35,440 --> 01:40:39,100  
going to be the intention of the chair

1449  
01:40:36,940 --> 01:40:43,450  
not to sip in those rules mr. McAllister

1450  
01:40:39,100 --> 01:40:46,510  
is there anything meaningful about the

1451  
01:40:43,450 --> 01:40:48,760  
168 our room and speaker or do we still

1452  
01:40:46,510 --> 01:40:51,250  
have one of those there was that one was

1453  
01:40:48,760 --> 01:40:55,180  
there when we play football that's the

1454  
01:40:51,250 --> 01:40:59,490  
week group we play football tomorrow

1455  
01:40:55,180 --> 01:40:59,490  
night mr. speaker seven o'clock

1456  
01:41:00,059 --> 01:41:09,570  
well you may want to clerk will read the

1457  
01:41:01,920 --> 01:41:11,099  
amendment amendment by barrientos amen

1458  
01:41:09,570 --> 01:41:13,949  
committee amendment wand to Senate bill

1459  
01:41:11,099 --> 01:41:21,059  
52 mr. Barry anti supplying their

1460  
01:41:13,949 --> 01:41:23,849  
amendment mr. speaker members this is on

1461  
01:41:21,059 --> 01:41:27,750  
the same subsection it's the second

1462  
01:41:23,849 --> 01:41:30,949  
paragraph under subsection C and all I'm

1463  
01:41:27,750 --> 01:41:34,230  
doing is changing the language to assure

1464  
01:41:30,949 --> 01:41:38,820  
that college and university employees

1465  
01:41:34,230 --> 01:41:41,159  
shall receive the holidays set out in

1466  
01:41:38,820 --> 01:41:43,469  
this subsection the way it reads now it

1467  
01:41:41,159 --> 01:41:46,020  
says shall not exceed and I'm changing

1468  
01:41:43,469 --> 01:41:48,960  
it to be the same as the number of days

1469  
01:41:46,020 --> 01:41:58,829  
specified in this subsection low

1470  
01:41:48,960 --> 01:42:03,210  
adoption mark against amendment mr.

1471  
01:41:58,829 --> 01:42:04,710  
speaker and members there's not a great

1472

01:42:03,210 --> 01:42:07,289  
deal wrong with this particular

1473  
01:42:04,710 --> 01:42:09,389  
amendment in except that is just a

1474  
01:42:07,289 --> 01:42:12,199  
little bit more restrictive than we

1475  
01:42:09,389 --> 01:42:15,090  
think it should be for higher education

1476  
01:42:12,199 --> 01:42:16,980  
there might come a time when the days

1477  
01:42:15,090 --> 01:42:18,840  
have to be just a little bit different

1478  
01:42:16,980 --> 01:42:21,630  
and would affect their class schedule in

1479  
01:42:18,840 --> 01:42:23,070  
some way and that is the reason that we

1480  
01:42:21,630 --> 01:42:26,400  
are opposing this this particular

1481  
01:42:23,070 --> 01:42:28,469  
amendment and we're not going to vote

1482  
01:42:26,400 --> 01:42:30,420  
ask the table it we're just going to

1483  
01:42:28,469 --> 01:42:36,869  
vote it up or down I'd ask you to vote

1484  
01:42:30,420 --> 01:42:39,840  
no against the amendment that's very

1485  
01:42:36,869 --> 01:42:42,420  
entered to close on his amendment mr.

1486  
01:42:39,840 --> 01:42:46,590  
speaker members all I'm trying to do is

1487  
01:42:42,420 --> 01:42:48,510  
assure assure that our University and

1488  
01:42:46,590 --> 01:42:50,369  
college employees are treated the same

1489  
01:42:48,510 --> 01:42:53,909  
as every other state employee in the

1490  
01:42:50,369 --> 01:42:57,119  
state of Texas too often these employees

1491  
01:42:53,909 --> 01:42:59,639  
have been the stepchildren

1492  
01:42:57,119 --> 01:43:02,340  
of our state employment and all I'm

1493  
01:42:59,639 --> 01:43:04,610  
doing with this language is saying that

1494  
01:43:02,340 --> 01:43:08,309  
they shall receive the holidays

1495  
01:43:04,610 --> 01:43:10,500  
specified under this section the way

1496  
01:43:08,309 --> 01:43:12,310  
it's written now it's conceivable that

1497  
01:43:10,500 --> 01:43:16,310  
they could cut

1498  
01:43:12,310 --> 01:43:18,320  
holidays to less than are set out in

1499

01:43:16,310 --> 01:43:20,449  
this section it says in this section

1500  
01:43:18,320 --> 01:43:24,140  
shall not exceed and all I'm doing is

1503  
01:43:26,210 --> 01:43:29,840  
saying is treat them the same as every

1504  
01:43:27,679 --> 01:43:34,040

1522  
01:44:58,960 --> 01:45:05,340  
amendment amendment by Blythe the men

1523  
01:45:02,800 --> 01:45:17,790  
committee substitute to Senate bill 52

1524  
01:45:05,340 --> 01:45:17,790  
mr. Blythe mr. Blythe mr. Reyes

1525  
01:45:30,570 --> 01:45:54,750  
no it's not mr. Reyes on the floor of

1526

01:45:36,630 --> 01:45:57,470  
the house memory is withdrawn following

1527  
01:45:54,750 --> 01:46:01,050  
a moment a clerk will read the amendment

1528  
01:45:57,470 --> 01:46:04,920  
amendment by Ragsdale and others mr.

1529  
01:46:01,050 --> 01:46:07,490  
Ragsdale on the floor mr. Ragsdale to

1530  
01:46:04,920 --> 01:46:07,490  
explain his amendment

1531  
01:46:14,739 --> 01:46:21,310  
mr. speaker members this is a rather

1532  
01:46:17,410 --> 01:46:26,560  
simple amendment what I like to do is to

1533  
01:46:21,310 --> 01:46:30,340  
restore the language in section 56 that

1534  
01:46:26,560 --> 01:46:35,800  
was a contained in that section a couple

1535  
01:46:30,340 --> 01:46:40,630  
of years ago what it does is to remove

1536  
01:46:35,800 --> 01:46:42,160  
the the the governor's request that the

1537  
01:46:40,630 --> 01:46:45,250  
Attorney General take action in

1538  
01:46:42,160 --> 01:46:47,020  
discrimination cases thereby leaving it

1539  
01:46:45,250 --> 01:46:53,170  
up to the discretion of the Attorney

1540  
01:46:47,020 --> 01:46:58,120  
General I move adoption its cache to

1541  
01:46:53,170 --> 01:46:58,920  
speak against a moment mr. speaker and

1542  
01:46:58,120 --> 01:47:02,310  
members

1543  
01:46:58,920 --> 01:47:04,030  
this provision is merely stating

1544  
01:47:02,310 --> 01:47:07,180  
something that's already in the

1545  
01:47:04,030 --> 01:47:10,540  
Constitution and is really not necessary

1546  
01:47:07,180 --> 01:47:13,390  
I think that by putting this writer in

1547  
01:47:10,540 --> 01:47:15,310  
there it may confuse the issue between

1548  
01:47:13,390 --> 01:47:18,640  
the constitutional provisions and a

1549  
01:47:15,310 --> 01:47:21,580  
rider provision and then essentially it

1550  
01:47:18,640 --> 01:47:24,219  
puts the burden on the Attorney General

1551  
01:47:21,580 --> 01:47:27,540  
of being a gentle Ombudsman now the

1552  
01:47:24,219 --> 01:47:29,680  
Attorney General is extremely

1553

01:47:27,540 --> 01:47:32,050  
short-handed they're extremely busy

1554  
01:47:29,680 --> 01:47:33,880  
we're constantly giving them new

1555  
01:47:32,050 --> 01:47:37,090  
attorneys we spent money to increase

1556  
01:47:33,880 --> 01:47:38,920  
their quarters in the provision that's

1557  
01:47:37,090 --> 01:47:40,840  
already in there what he's deleting

1558  
01:47:38,920 --> 01:47:44,340  
already is upon the request of the

1559  
01:47:40,840 --> 01:47:46,840  
governor now you have the governor has a

1560  
01:47:44,340 --> 01:47:49,330  
large division than the executive branch

1561  
01:47:46,840 --> 01:47:52,330  
of the government he's responsible under

1562  
01:47:49,330 --> 01:47:54,219  
previous legislation for ensuring fair

1563  
01:47:52,330 --> 01:47:55,239  
hiring practices the elimination of

1564  
01:47:54,219 --> 01:47:57,670  
discrimination

1565  
01:47:55,239 --> 01:47:59,110  
there's statutes covering this well

1566  
01:47:57,670 --> 01:48:01,330  
there's the constitutional provisions

1567  
01:47:59,110 --> 01:48:04,060  
right yes well gentlemen you yell that's

1568  
01:48:01,330 --> 01:48:08,050  
caster when a gentleman finishes mr. I

1569  
01:48:04,060 --> 01:48:10,900  
could do so that the Attorney General

1570  
01:48:08,050 --> 01:48:12,160  
upon these allegations and the recourse

1571  
01:48:10,900 --> 01:48:14,890  
that governor can go ahead and

1572  
01:48:12,160 --> 01:48:16,780  
investigate them I think it'll can

1573  
01:48:14,890 --> 01:48:18,850  
confuse the issue I do not think there

1574  
01:48:16,780 --> 01:48:20,950  
will be any more greater enforcement of

1575  
01:48:18,850 --> 01:48:22,030  
these discrimination provisions then

1576  
01:48:20,950 --> 01:48:25,390  
there is right now

1577  
01:48:22,030 --> 01:48:26,330  
and I you German you have a drag now mr.

1578  
01:48:25,390 --> 01:48:28,670  
Kaster what did

1579  
01:48:26,330 --> 01:48:31,490  
mean when you said that the governor is

1580

01:48:28,670 --> 01:48:33,920  
it has the responsibility by law now for

1581  
01:48:31,490 --> 01:48:37,190  
to eliminate discrimination well the

1582  
01:48:33,920 --> 01:48:39,920  
executive branch he sure does how what

1583  
01:48:37,190 --> 01:48:41,920  
law we passed any discrimination

1584  
01:48:39,920 --> 01:48:45,020  
practices or fair hiring practices

1585  
01:48:41,920 --> 01:48:46,220  
against mr. Kaster you aware that you

1586  
01:48:45,020 --> 01:48:48,140  
aware that I'm the author those

1587  
01:48:46,220 --> 01:48:52,310  
amendments and I know quite well what

1588  
01:48:48,140 --> 01:48:55,970  
you speak up you know the the the

1589  
01:48:52,310 --> 01:48:57,980  
Attorney General last last summer well I

1590  
01:48:55,970 --> 01:49:01,070  
thought senator akin wrote this one last

1591  
01:48:57,980 --> 01:49:02,930  
year well some of it can change this one

1592  
01:49:01,070 --> 01:49:07,070  
last year this will restore his language

1593  
01:49:02,930 --> 01:49:08,810  
from the Cystic sixty second session the

1594  
01:49:07,070 --> 01:49:10,880  
language is exactly what is exactly the

1595  
01:49:08,810 --> 01:49:13,210  
way it was two years ago senator akin

1596  
01:49:10,880 --> 01:49:17,720  
wanted a restriction placed upon

1597  
01:49:13,210 --> 01:49:20,120  
enforcement of discrimination statutes

1598  
01:49:17,720 --> 01:49:22,280  
or riders and he placed that language in

1599  
01:49:20,120 --> 01:49:24,380  
there all I'm doing is allowing that the

1600  
01:49:22,280 --> 01:49:26,150  
Attorney General to do what he has by

1601  
01:49:24,380 --> 01:49:28,010  
authorization by law to do that a number

1602  
01:49:26,150 --> 01:49:32,860  
of other instances now and that is to

1603  
01:49:28,010 --> 01:49:36,590  
enforce discrimination were to enforce

1604  
01:49:32,860 --> 01:49:38,270  
the provisions against discrimination

1605  
01:49:36,590 --> 01:49:40,460  
where any feels it is applicable that's

1606  
01:49:38,270 --> 01:49:41,870  
all well the committee feels there's

1607

01:49:40,460 --> 01:49:43,430  
adequate protections against

1608  
01:49:41,870 --> 01:49:46,520  
discrimination and I therefore move to

1609  
01:49:43,430 --> 01:49:48,730  
table that's raggedy other clothes on at

1610  
01:49:46,520 --> 01:49:48,730  
the moment

1611  
01:49:53,900 --> 01:50:00,600  
mr. speaker members mr. caster

1612  
01:49:58,400 --> 01:50:01,440  
apparently has no idea what he's talking

1613  
01:50:00,600 --> 01:50:03,420  
about

1614  
01:50:01,440 --> 01:50:04,350  
mr. pickels gentleman you see oh that's

1615  
01:50:03,420 --> 01:50:07,470  
right though gentleman yields

1616  
01:50:04,350 --> 01:50:09,810  
mathematics mr. eggox did sound me like

1617  
01:50:07,470 --> 01:50:11,190  
for mr. Kaster was up here talking he

1618  
01:50:09,810 --> 01:50:13,380  
was just trying to figure out some

1619  
01:50:11,190 --> 01:50:16,230  
something to mumble across this

1620  
01:50:13,380 --> 01:50:19,140  
microphone is some excuse why we

1621  
01:50:16,230 --> 01:50:22,020  
shouldn't provide for you know the

1622  
01:50:19,140 --> 01:50:23,460  
enforcement of the racial guidelines

1623  
01:50:22,020 --> 01:50:26,100  
that need to be established within

1624  
01:50:23,460 --> 01:50:27,750  
within our agencies and is that what you

1625  
01:50:26,100 --> 01:50:30,540  
thought was happening I certainly did

1626  
01:50:27,750 --> 01:50:32,520  
mr. Lennox did he make any sense to you

1627  
01:50:30,540 --> 01:50:35,100  
at all about what he was saying mr.

1628  
01:50:32,520 --> 01:50:37,920  
Maddox it's he certainly didn't as you

1629  
01:50:35,100 --> 01:50:39,810  
know I authored the amendments last time

1630  
01:50:37,920 --> 01:50:41,370  
during the last session which were

1631  
01:50:39,810 --> 01:50:43,050  
attached to this appropriation bill

1632  
01:50:41,370 --> 01:50:44,940  
which outlawed discrimination and

1633  
01:50:43,050 --> 01:50:46,680  
employment I've been trying to get a

1634

01:50:44,940 --> 01:50:48,510  
bill through this house now to place

1635  
01:50:46,680 --> 01:50:50,580  
this in a statutory law and have had

1636  
01:50:48,510 --> 01:50:53,670  
hearings held up until the very end of

1637  
01:50:50,580 --> 01:50:57,720  
this session but I seek to do right now

1638  
01:50:53,670 --> 01:50:59,370  
is to restore at least the change at

1639  
01:50:57,720 --> 01:51:01,890  
least a portion of what's already in

1640  
01:50:59,370 --> 01:51:03,780  
this week appropriations bill regarding

1641  
01:51:01,890 --> 01:51:06,330  
discrimination to provide that the

1642  
01:51:03,780 --> 01:51:08,580  
Attorney General without a request a

1643  
01:51:06,330 --> 01:51:10,860  
specific request by the governor if he

1644  
01:51:08,580 --> 01:51:12,060  
deemed it necessary to take action on

1645  
01:51:10,860 --> 01:51:15,080  
his own and this is certainly not

1646  
01:51:12,060 --> 01:51:17,820  
unprecedented what you're asking for is

1647  
01:51:15,080 --> 01:51:20,580  
if within some any of these state

1648  
01:51:17,820 --> 01:51:23,040  
agencies out here that are actively

1649  
01:51:20,580 --> 01:51:24,600  
practicing discrimination what you want

1650  
01:51:23,040 --> 01:51:27,510  
to have done is you want to allow the

1651  
01:51:24,600 --> 01:51:30,090  
Attorney General to take action against

1652  
01:51:27,510 --> 01:51:32,160  
the state agencies without having to

1653  
01:51:30,090 --> 01:51:34,140  
have the prior request the governor to

1654  
01:51:32,160 --> 01:51:35,280  
take that action is that right yes mr.

1655  
01:51:34,140 --> 01:51:37,740  
Maddox I don't know whether you were

1656  
01:51:35,280 --> 01:51:39,900  
familiar not but the if I'm not mistaken

1657  
01:51:37,740 --> 01:51:43,320  
the community defense Affairs Department

1658  
01:51:39,900 --> 01:51:46,230  
has had anywhere from 10 to 15 or maybe

1659  
01:51:43,320 --> 01:51:48,030  
20 complaints filed against it and there

1660  
01:51:46,230 --> 01:51:50,700  
have been numerous possibly as many as

1661

01:51:48,030 --> 01:51:52,740  
12 complaints which have been validated

1662  
01:51:50,700 --> 01:51:54,919  
on our channel apartment is that the

1663  
01:51:52,740 --> 01:51:57,419  
community affirmed

1664  
01:51:54,919 --> 01:51:59,129  
within the executive break let me ask

1665  
01:51:57,419 --> 01:52:01,530  
this now has he ever asked the Attorney

1666  
01:51:59,129 --> 01:52:03,269  
General to intervene not one time in any

1667  
01:52:01,530 --> 01:52:05,459  
instance you mean the governor hasn't

1668  
01:52:03,269 --> 01:52:07,800  
made any requests the Attorney General

1669  
01:52:05,459 --> 01:52:10,019  
to take any action you're right

1670  
01:52:07,800 --> 01:52:11,369  
is this another example that the problem

1671  
01:52:10,019 --> 01:52:12,449  
just continuing to guess and you're

1672  
01:52:11,369 --> 01:52:14,909  
trying to put some enforcement

1673  
01:52:12,449 --> 01:52:17,579  
provisions as a peeth in this in this

1674  
01:52:14,909 --> 01:52:19,979  
proviso you're right mr. Maddox and I'll

1675  
01:52:17,579 --> 01:52:22,169  
say this about it that the the the

1676  
01:52:19,979 --> 01:52:24,059  
office that the US Office of Equal

1677  
01:52:22,169 --> 01:52:26,909  
Employment Opportunity is going to take

1678  
01:52:24,059 --> 01:52:28,889  
some action if we don't now we can sit

1679  
01:52:26,909 --> 01:52:30,510  
around and wait until they file lawsuits

1680  
01:52:28,889 --> 01:52:32,729  
on after Justice Department files

1681  
01:52:30,510 --> 01:52:34,289  
lawsuits on the state just like they

1682  
01:52:32,729 --> 01:52:36,030  
have on numerous occasions in other

1683  
01:52:34,289 --> 01:52:38,399  
states that we wrote to I say it's time

1684  
01:52:36,030 --> 01:52:40,019  
for us to stand up with a leadership

1685  
01:52:38,399 --> 01:52:41,909  
role so what you're trying to do is get

1686  
01:52:40,019 --> 01:52:44,189  
us to clean up our own house before the

1687  
01:52:41,909 --> 01:52:47,519  
federal court should Williamite justice

1688

01:52:44,189 --> 01:52:50,159  
it everybody's after forcing us to do it

1689  
01:52:47,519 --> 01:52:51,780  
himself well now mr. Maddox I'd like to

1690  
01:52:50,159 --> 01:52:54,359  
point out one other thing about the

1691  
01:52:51,780 --> 01:52:56,249  
existing riders regarding discrimination

1692  
01:52:54,359 --> 01:52:58,800  
and employment in this appropriation

1693  
01:52:56,249 --> 01:53:01,859  
bill and that is that the house

1694  
01:52:58,800 --> 01:53:04,889  
Administration Committee of the January

1695  
01:53:01,859 --> 01:53:07,260  
of December of last year December year

1696  
01:53:04,889 --> 01:53:08,999  
before last requested that the Attorney

1697  
01:53:07,260 --> 01:53:10,469

1698  
01:53:08,999 --> 01:53:13,649

01:53:15,569 --> 01:53:18,479

show mr. Hernandez voting knows so much

1710  
01:54:22,829 --> 01:54:25,699  
Sherman voting aye

1711  
01:54:34,739 --> 01:54:40,190  
maybe

1712  
01:54:36,989 --> 01:54:40,190  
Reyes is here now

1713  
01:54:45,699 --> 01:54:54,130  
everything 66 eyes and 58 nose emotion

1714  
01:54:48,790 --> 01:54:54,940  
table prevails mr. Reyes following

1715

01:54:54,130 --> 01:54:58,449  
amendment a clerk will read the

1716  
01:54:54,940 --> 01:55:00,699  
amendment amendment by Reyes and main

1717  
01:54:58,449 --> 01:55:02,860  
committee took mr. Reyes to explain his

1718  
01:55:00,699 --> 01:55:04,750  
amendment mr. speaker members I have

1719  
01:55:02,860 --> 01:55:07,989  
about three amendments that would I

1720  
01:55:04,750 --> 01:55:10,810  
think provide the state with a situation

1721  
01:55:07,989 --> 01:55:13,840  
where we could economize on the use and

1722  
01:55:10,810 --> 01:55:18,000  
the types of cars that the state state

1723  
01:55:13,840 --> 01:55:20,679  
agencies have presently we have no real

1724  
01:55:18,000 --> 01:55:22,480  
no real knowledge throughout the state

1725  
01:55:20,679 --> 01:55:26,230  
of how many cars we have and what

1726  
01:55:22,480 --> 01:55:29,739  
they're being used for I tried to find

1727  
01:55:26,230 --> 01:55:32,350  
out how many cars we had what size of

1728  
01:55:29,739 --> 01:55:34,210  
engines they had and how much gas the

1729  
01:55:32,350 --> 01:55:35,770  
cars were using and I found out that

1730  
01:55:34,210 --> 01:55:39,010  
nobody in the state has got that

1731  
01:55:35,770 --> 01:55:40,570  
information there's a there's a section

1732  
01:55:39,010 --> 01:55:43,900  
in the appropriations bill this time

1733  
01:55:40,570 --> 01:55:46,510  
around that provides that each of the

1734  
01:55:43,900 --> 01:55:50,170  
agencies in from the controller's office

1735  
01:55:46,510 --> 01:55:52,929  
as to the kinds of cars they've got all

1736  
01:55:50,170 --> 01:55:54,660  
my amendment would do would add his

1737  
01:55:52,929 --> 01:55:57,010  
finger will the gentleman yield

1738  
01:55:54,660 --> 01:55:59,350  
Yeomans finish Frank after he finishes

1739  
01:55:57,010 --> 01:56:01,300  
it all that my amendment would do would

1740  
01:55:59,350 --> 01:56:03,400  
add that when they send that report to

1741  
01:56:01,300 --> 01:56:05,230  
the controllers office about how many

1742

01:56:03,400 --> 01:56:07,660  
cars had gotten what types of cars they

1743  
01:56:05,230 --> 01:56:09,760  
got they would also tell him what

1744  
01:56:07,660 --> 01:56:11,380  
they're using them for so that we could

1745  
01:56:09,760 --> 01:56:13,480  
come back the legislature could come

1746  
01:56:11,380 --> 01:56:15,880  
back next session and be able to make

1747  
01:56:13,480 --> 01:56:18,010  
recommendations about using six-cylinder

1748  
01:56:15,880 --> 01:56:20,410  
cars over the tow ver the eight cylinder

1749  
01:56:18,010 --> 01:56:23,170  
cars so that we could find out how many

1750  
01:56:20,410 --> 01:56:25,719  
we need so that we could we could go

1751  
01:56:23,170 --> 01:56:27,790  
about purchasing those cars this would

1752  
01:56:25,719 --> 01:56:30,190  
provide provide the state with the

1753  
01:56:27,790 --> 01:56:32,440  
savings in two areas one it would

1754  
01:56:30,190 --> 01:56:34,210  
provide us the providers the savings in

1755  
01:56:32,440 --> 01:56:36,190  
the cost of the car of going from an

1756  
01:56:34,210 --> 01:56:38,469  
eight cylinder to a six cylinder if

1757  
01:56:36,190 --> 01:56:42,730  
that's what's required for the job and

1758  
01:56:38,469 --> 01:56:45,870  
the other and the other is the fact that

1759  
01:56:42,730 --> 01:56:48,670  
we would understand and know how much

1760  
01:56:45,870 --> 01:56:50,530  
gas we could be saving if we were going

1761  
01:56:48,670 --> 01:56:54,000  
to move from an eight cylinder to a six

1762  
01:56:50,530 --> 01:56:55,930  
cylinder oh you have a speaker mr. Reyes

1763  
01:56:54,000 --> 01:56:58,340  
yes sir

1764  
01:56:55,930 --> 01:57:00,170  
do you know who has the right to

1765  
01:56:58,340 --> 01:57:03,770  
purchase these vehicles at the present

1766  
01:57:00,170 --> 01:57:06,140  
time well a number of my purchase by the

1767  
01:57:03,770 --> 01:57:08,090  
by the Board of Control and some

1768  
01:57:06,140 --> 01:57:10,370  
approaches by each of the agencies they

1769

01:57:08,090 --> 01:57:12,380  
they buy them on their own at this point

1770  
01:57:10,370 --> 01:57:14,360  
do you have an amendment up there which

1771  
01:57:12,380 --> 01:57:16,550  
would require the Board of Control to

1772  
01:57:14,360 --> 01:57:18,860  
make all purchases and the justification

1773  
01:57:16,550 --> 01:57:22,550  
to be made to the Board of Control for

1774  
01:57:18,860 --> 01:57:24,440  
purchasing no my amendments I don't

1775  
01:57:22,550 --> 01:57:26,780  
require anybody to purchase them my

1776  
01:57:24,440 --> 01:57:28,610  
amendment would own would only deal with

1777  
01:57:26,780 --> 01:57:29,690  
with the way they're going to be used

1778  
01:57:28,610 --> 01:57:31,610  
and the way they're going to be

1779  
01:57:29,690 --> 01:57:33,350  
accounted for well it seems to me that

1780  
01:57:31,610 --> 01:57:34,760  
you've got an extremely responsible

1781  
01:57:33,350 --> 01:57:36,230  
approach on this thing and I'm just

1782  
01:57:34,760 --> 01:57:38,480  
wondering if you want to go one step

1783  
01:57:36,230 --> 01:57:41,000  
further and get a central purchasing

1784  
01:57:38,480 --> 01:57:45,830  
agency also so that we can get fleet

1785  
01:57:41,000 --> 01:57:47,720  
prices for these purchases well I think

1786  
01:57:45,830 --> 01:57:50,060  
I think they have that responsibility

1787  
01:57:47,720 --> 01:57:52,370  
right now you know and I'm not trying to

1788  
01:57:50,060 --> 01:57:54,920  
deal with that Frank right now what I'm

1789  
01:57:52,370 --> 01:57:57,860  
trying to address myself to is the point

1790  
01:57:54,920 --> 01:57:59,750  
of of using say an eight cylinders nine

1791  
01:57:57,860 --> 01:58:02,810  
passenger station wagon to deliver

1792  
01:57:59,750 --> 01:58:04,340  
messages from from one agency here in

1793  
01:58:02,810 --> 01:58:07,040  
Austin to another when they could be

1794  
01:58:04,340 --> 01:58:09,530  
using a six seller Valiant that costs a

1795  
01:58:07,040 --> 01:58:11,840  
lot less that that is is a lot more

1796

01:58:09,530 --> 01:58:13,760  
economical as far as the gas the use of

1797  
01:58:11,840 --> 01:58:15,440  
the gas is concerned well let me commend

1798  
01:58:13,760 --> 01:58:17,830  
you on your approach I think thank you

1799  
01:58:15,440 --> 01:58:17,830  
very much

1800  
01:58:24,290 --> 01:58:29,969  
mr. speaker and members

1801  
01:58:26,840 --> 01:58:33,870  
this amendment sounds like it has a lot

1802  
01:58:29,969 --> 01:58:36,810  
of Appeal but I'm telling you it's a

1803  
01:58:33,870 --> 01:58:38,820  
you're gonna engender the growth of a

1804  
01:58:36,810 --> 01:58:41,130  
bureaucracy if you have people start

1805  
01:58:38,820 --> 01:58:43,140  
keeping all these kind of records about

1806  
01:58:41,130 --> 01:58:45,750  
what kind of gas mileage the car gets

1807  
01:58:43,140 --> 01:58:47,250  
where they're using it and you'll have a

1808  
01:58:45,750 --> 01:58:50,370  
mass of records I don't know how many

1809  
01:58:47,250 --> 01:58:53,790  
cars the state owns but this information

1810  
01:58:50,370 --> 01:58:56,640  
members can be had right now you can

1811  
01:58:53,790 --> 01:58:59,219  
find out what kind of car every agency

1812  
01:58:56,640 --> 01:59:01,679  
has how many cylinders it has right now

1813  
01:58:59,219 --> 01:59:04,800  
so you're going to create a whole new

1814  
01:59:01,679 --> 01:59:06,420  
burden on all these agencies the first

1815  
01:59:04,800 --> 01:59:08,429  
thing they're going to want to do is to

1816  
01:59:06,420 --> 01:59:10,949  
hire some more clerks to tabulate them

1817  
01:59:08,429 --> 01:59:13,440  
to keep track of them because everybody

1818  
01:59:10,949 --> 01:59:15,449  
riding around and any kind of vehicle is

1819  
01:59:13,440 --> 01:59:17,940  
going to have to keep these records now

1820  
01:59:15,449 --> 01:59:21,150  
if it served a purpose I can there might

1821  
01:59:17,940 --> 01:59:24,330  
be some merit but the information is

1822  
01:59:21,150 --> 01:59:26,219  
already available you can find out the

1823

01:59:24,330 --> 01:59:27,210  
necessary information I don't know that

1824  
01:59:26,219 --> 01:59:29,340  
you're gonna be able find out how many

1825  
01:59:27,210 --> 01:59:32,250  
miles per gallon each single car has

1826  
01:59:29,340 --> 01:59:34,890  
that the state has I guess you can

1827  
01:59:32,250 --> 01:59:38,340  
extrapolate it but you can also find out

1828  
01:59:34,890 --> 01:59:41,280  
whether their v8 or six is right now you

1829  
01:59:38,340 --> 01:59:45,090  
get into a tremendous do you buy pay you

1830  
01:59:41,280 --> 01:59:49,199  
know mr. Kaster gentleman yield mr. Peck

1831  
01:59:45,090 --> 01:59:50,969  
where where can I find out that

1832  
01:59:49,199 --> 01:59:54,120  
information our Legislative Budget board

1833  
01:59:50,969 --> 01:59:56,100  
has a breakdown of every vehicle so the

1834  
01:59:54,120 --> 01:59:58,290  
Legislative Council has if it's it's

1835  
01:59:56,100 --> 01:59:59,880  
available in several places all right

1836  
01:59:58,290 --> 02:00:01,830  
they have the information that is

1837  
01:59:59,880 --> 02:00:03,960  
requested that would be requested by

1838  
02:00:01,830 --> 02:00:06,449  
this amendment that's right now whether

1839  
02:00:03,960 --> 02:00:08,190  
the car is an administrative car

1840  
02:00:06,449 --> 02:00:09,570  
maintenance car I think if you look and

1841  
02:00:08,190 --> 02:00:11,010  
you saw it's a truck you could say

1842  
02:00:09,570 --> 02:00:14,909  
that's maintenance of pursuit as a

1843  
02:00:11,010 --> 02:00:18,120  
police car you can find that out too

1844  
02:00:14,909 --> 02:00:21,030  
right now and you're sure that

1845  
02:00:18,120 --> 02:00:23,610  
yes sir I'm positive of it therefore I

1846  
02:00:21,030 --> 02:00:26,040  
move to table mr. s close on his

1847  
02:00:23,610 --> 02:00:30,719  
amendment mr. speaker members I'm

1848  
02:00:26,040 --> 02:00:32,310  
appalled that mr. casters lack of going

1849  
02:00:30,719 --> 02:00:33,930  
and really looking at the amendment the

1850

02:00:32,310 --> 02:00:36,150  
amendment doesn't say anything about

1851  
02:00:33,930 --> 02:00:37,830  
knowledge and development doesn't say

1852  
02:00:36,150 --> 02:00:42,870  
anything about the size of the engine of

1853  
02:00:37,830 --> 02:00:46,050  
the car this bigger gentleman yield yes

1854  
02:00:42,870 --> 02:00:47,790  
jimony let's go through this right if I

1855  
02:00:46,050 --> 02:00:49,140  
heard Mr cash this right he said you can

1856  
02:00:47,790 --> 02:00:51,630  
find out all this information right now

1857  
02:00:49,140 --> 02:00:53,580  
then what he said he said that but you

1858  
02:00:51,630 --> 02:00:55,470  
already spent now if he said that then

1859  
02:00:53,580 --> 02:00:58,710  
why is he imposing you put it in the bud

1860  
02:00:55,470 --> 02:01:00,900  
you're saying that you want it well you

1861  
02:00:58,710 --> 02:01:03,270  
believe me why me believe me a little

1862  
02:01:00,900 --> 02:01:05,760  
bit I don't know why he's opposing it

1863  
02:01:03,270 --> 02:01:09,680  
out but but let me tell you this would

1864  
02:01:05,760 --> 02:01:11,880  
not this would not in any way in any way

1865  
02:01:09,680 --> 02:01:14,460  
provide any more than they're already

1866  
02:01:11,880 --> 02:01:16,710  
asking for they all I'm doing is adding

1867  
02:01:14,460 --> 02:01:18,930  
two to the writer that they've got that

1868  
02:01:16,710 --> 02:01:20,700  
an agency purchasing or operating

1869  
02:01:18,930 --> 02:01:22,350  
passenger car vehicles under the

1870  
02:01:20,700 --> 02:01:24,870  
provision of section shall file with the

1871  
02:01:22,350 --> 02:01:26,610  
Comptroller by September 15 fiscal year

1872  
02:01:24,870 --> 02:01:28,200  
list itemized in the passenger car

1873  
02:01:26,610 --> 02:01:32,340  
vehicles to be maintained and operated

1874  
02:01:28,200 --> 02:01:34,800  
wine is matting is one more is one

1875  
02:01:32,340 --> 02:01:36,900  
section that provides that they show

1876  
02:01:34,800 --> 02:01:39,210  
they shall break them down into the

1877

02:01:36,900 --> 02:01:42,030  
categorical use how they use them and

1878  
02:01:39,210 --> 02:01:44,370  
the reason we need to do that is so that

1879  
02:01:42,030 --> 02:01:47,340  
so that the legislature next time around

1880  
02:01:44,370 --> 02:01:48,720  
will have the knowledge of the use of

1881  
02:01:47,340 --> 02:01:50,550  
those cars so that they can determine

1882  
02:01:48,720 --> 02:01:52,170  
whether that we can go into car pooling

1883  
02:01:50,550 --> 02:01:54,870  
whether they can determine whether

1884  
02:01:52,170 --> 02:01:57,330  
whether they're using that that nine

1885  
02:01:54,870 --> 02:01:59,010  
passenger station wagon to drive up and

1886  
02:01:57,330 --> 02:02:01,440  
back here in Austin with an 8 cylinder

1887  
02:01:59,010 --> 02:02:03,090  
engine in it and if that's happening

1888  
02:02:01,440 --> 02:02:05,430  
then the legislature knows that that's

1889  
02:02:03,090 --> 02:02:06,870  
being used for that and might come back

1890  
02:02:05,430 --> 02:02:08,670  
next session say well you don't need a

1891  
02:02:06,870 --> 02:02:11,400  
nine passenger station we're going to do

1892  
02:02:08,670 --> 02:02:13,230  
that you use a six cylinder for that and

1893  
02:02:11,400 --> 02:02:14,880  
save the gas and save the cost of the

1894  
02:02:13,230 --> 02:02:17,550  
car well betting out what a point I'm

1895  
02:02:14,880 --> 02:02:20,310  
trying to get out though is that are it

1896  
02:02:17,550 --> 02:02:23,720  
true that if all this information is

1897  
02:02:20,310 --> 02:02:26,490  
available over to lvv that it shouldn't

1898  
02:02:23,720 --> 02:02:28,320  
cause a hyoeun of any more secretaries

1899  
02:02:26,490 --> 02:02:30,750  
to give this over the car or it

1900  
02:02:28,320 --> 02:02:33,330  
shouldn't cause any bureaucracy in

1901  
02:02:30,750 --> 02:02:34,920  
orders to take it'll copy that if all

1902  
02:02:33,330 --> 02:02:36,390  
that he says is true then you're not

1903  
02:02:34,920 --> 02:02:38,580  
creating any problem at all are you

1904

02:02:36,390 --> 02:02:40,350  
no we're not we're just we're just if

1905  
02:02:38,580 --> 02:02:41,910  
it's there and if it's available all

1906  
02:02:40,350 --> 02:02:43,900  
they have to do when they go and tell

1907  
02:02:41,910 --> 02:02:45,670  
the controller how many cars under there

1908  
02:02:43,900 --> 02:02:48,040  
under their rider how many cars they

1909  
02:02:45,670 --> 02:02:49,360  
have and all they have to do is add and

1910  
02:02:48,040 --> 02:02:51,160  
say what we're using this one for

1911  
02:02:49,360 --> 02:02:52,780  
administrative purposes we're using this

1912  
02:02:51,160 --> 02:02:54,220  
one for maintenance we're using this one

1913  
02:02:52,780 --> 02:02:55,930  
for a pursuit I think you got a good

1914  
02:02:54,220 --> 02:02:57,520  
amount betting all it would do would

1915  
02:02:55,930 --> 02:02:59,260  
provide us with a little bit of

1916  
02:02:57,520 --> 02:03:01,840  
information of how they're using these

1917  
02:02:59,260 --> 02:03:05,380  
cars so that we might determine how to

1918  
02:03:01,840 --> 02:03:07,060  
purchase them in a future job is do you

1919  
02:03:05,380 --> 02:03:08,500  
I sure will how many other mr. Kaster

1920  
02:03:07,060 --> 02:03:10,180  
mr. Reyes how you gonna find out all

1921  
02:03:08,500 --> 02:03:13,360  
this information by just saying what

1922  
02:03:10,180 --> 02:03:20,590  
category of vehicles in mr. mr. Castro

1923  
02:03:13,360 --> 02:03:22,150  
what the information here what

1924  
02:03:20,590 --> 02:03:25,990  
information are you talking about mr.

1925  
02:03:22,150 --> 02:03:28,480  
Castro all I'm asking where is selling

1926  
02:03:25,990 --> 02:03:30,070  
their engine my amendment they didn't

1927  
02:03:28,480 --> 02:03:32,320  
say anything to about a 6-cylinder

1928  
02:03:30,070 --> 02:03:34,390  
engine all my amendment all my amendment

1929  
02:03:32,320 --> 02:03:36,430  
asks for mr. Castro and that's what I'm

1930  
02:03:34,390 --> 02:03:39,370  
trying to explain to you it's all my

1931

02:03:36,430 --> 02:03:41,950  
amendment asked for is the use the use

1932  
02:03:39,370 --> 02:03:44,920  
of the cars in these categories how are

1933  
02:03:41,950 --> 02:03:46,450  
you using the car are using it one for

1934  
02:03:44,920 --> 02:03:49,540  
administrative purposes for maintenance

1935  
02:03:46,450 --> 02:03:51,550  
purposes for a pursuit purposes yeah mr.

1936  
02:03:49,540 --> 02:03:53,650  
you're the one that was telling us about

1937  
02:03:51,550 --> 02:03:56,080  
you know the number of cylinders also

1938  
02:03:53,650 --> 02:03:57,880  
you're in this together operations

1939  
02:03:56,080 --> 02:03:59,350  
billet they have to make you want me to

1940  
02:03:57,880 --> 02:04:01,510  
finish answering that for you

1941  
02:03:59,350 --> 02:04:03,460  
if you remember now I made some open

1942  
02:04:01,510 --> 02:04:06,400  
remarks that I had a series of

1943  
02:04:03,460 --> 02:04:08,470  
amendments that would help us in that I

1944  
02:04:06,400 --> 02:04:11,770  
think this information will help us

1945  
02:04:08,470 --> 02:04:13,960  
determine in the future if their cars

1946  
02:04:11,770 --> 02:04:15,130  
are being used for pursuit mr. Kaster

1947  
02:04:13,960 --> 02:04:16,840  
you understand you don't want to be

1948  
02:04:15,130 --> 02:04:19,810  
running a six-cylinder chasing somebody

1949  
02:04:16,840 --> 02:04:21,310  
down the highway you see if it's being

1950  
02:04:19,810 --> 02:04:23,170  
used for pursuit you want to have an

1951  
02:04:21,310 --> 02:04:24,910  
eight cylinder you're aware that any

1952  
02:04:23,170 --> 02:04:26,770  
appropriations bill already they have to

1953  
02:04:24,910 --> 02:04:29,470  
maintain these lists and keep them

1954  
02:04:26,770 --> 02:04:31,960  
current mr. Kaster you sure Ben this

1955  
02:04:29,470 --> 02:04:34,210  
appropriations bill where you have to

1956  
02:04:31,960 --> 02:04:36,670  
where you have to maintain the list as

1957  
02:04:34,210 --> 02:04:39,280  
far as the use and show me the

1958

02:04:36,670 --> 02:04:41,320  
categories are using them in well just a

1959  
02:04:39,280 --> 02:04:43,660  
list of cars you then what are they

1960  
02:04:41,320 --> 02:04:45,160  
using them for are they using for

1961  
02:04:43,660 --> 02:04:47,140  
administrative whether you are they

1962  
02:04:45,160 --> 02:04:50,750  
using them to chase people speeders down

1963  
02:04:47,140 --> 02:04:52,760  
the highway you don't know

1964  
02:04:50,750 --> 02:04:54,740  
mr. Zell raised bonobos a Delmas time

1965  
02:04:52,760 --> 02:04:56,480  
card part aborted well taken him some

1966  
02:04:54,740 --> 02:04:59,240  
say she had a no vote on them on the

1967  
02:04:56,480 --> 02:05:01,400  
motion to table mr. Reyes and to have an

1968  
02:04:59,240 --> 02:05:03,020  
amendment its care to move to table

1969  
02:05:01,400 --> 02:05:04,160  
question occurred on a motion table

1970  
02:05:03,020 --> 02:05:07,660  
although favor of the motion they will

1971  
02:05:04,160 --> 02:05:07,660  
go to our laws pose a vote no

1972  
02:05:17,439 --> 02:05:20,789  
the limit Lauren

1973  
02:05:27,050 --> 02:05:30,280  
well I'm loaded

1974  
02:05:41,030 --> 02:05:44,870  
so much neighbors going out

1975  
02:06:01,239 --> 02:06:08,030  
there being 47 and 87 nodes of motion

1976  
02:06:04,280 --> 02:06:10,430  
table fails chair recognizes mr.

1977  
02:06:08,030 --> 02:06:11,840  
personal against the amendment miss

1978  
02:06:10,430 --> 02:06:13,730  
Menken remembered I know most I've just

1979  
02:06:11,840 --> 02:06:16,550  
got back from lunch but let me ask you

1980  
02:06:13,730 --> 02:06:18,800  
to pay close attention to what you're

1981  
02:06:16,550 --> 02:06:21,950  
doing on this particular amendment if

1982  
02:06:18,800 --> 02:06:24,200  
you look on page 543 you'll find two

1983  
02:06:21,950 --> 02:06:26,750  
riders that that pretty well cover this

1984  
02:06:24,200 --> 02:06:28,790  
situation already now all you're doing

1985

02:06:26,750 --> 02:06:30,830  
adding in this rider there's a bunch of

1986  
02:06:28,790 --> 02:06:32,930  
ridiculous reports that's got to be made

1987  
02:06:30,830 --> 02:06:35,180  
to the state comptroller that nobody's

1988  
02:06:32,930 --> 02:06:36,920  
ever going to look at now that's what

1989  
02:06:35,180 --> 02:06:38,719  
you want to do if you want to require

1990  
02:06:36,920 --> 02:06:39,890  
state agent spend more money to send a

1991  
02:06:38,719 --> 02:06:41,510  
lot of reports over the state

1992  
02:06:39,890 --> 02:06:43,790  
comptroller that you're not going to

1993  
02:06:41,510 --> 02:06:46,250  
look at well then that's fine but I

1994  
02:06:43,790 --> 02:06:47,810  
think that's a waste of money and you

1995  
02:06:46,250 --> 02:06:48,800  
talk about bureaucracy this is what

1996  
02:06:47,810 --> 02:06:50,930  
you're doing in this particular

1997  
02:06:48,800 --> 02:06:52,610  
amendment mr. peek now if you just read

1998  
02:06:50,930 --> 02:06:54,680  
those two now well you're say it's

1999  
02:06:52,610 --> 02:06:56,360  
adequately covered with the government

2000  
02:06:54,680 --> 02:06:59,840  
you for a question you owe mr. president

2001  
02:06:56,360 --> 02:07:01,460  
somebody let's go well mr. president do

2002  
02:06:59,840 --> 02:07:03,950  
you have any idea how many more

2003  
02:07:01,460 --> 02:07:05,870  
employees mr. book will ask for next

2004  
02:07:03,950 --> 02:07:07,730  
time if this rider goes on

2005  
02:07:05,870 --> 02:07:09,320  
I'm sure the 34 million dollars we gave

2006  
02:07:07,730 --> 02:07:11,330  
won't be enough but if he has to keep up

2007  
02:07:09,320 --> 02:07:13,790  
with all these farms so this would just

2008  
02:07:11,330 --> 02:07:15,830  
add to the bureaucracy that's right

2009  
02:07:13,790 --> 02:07:17,719  
because they're gonna I don't know how

2010  
02:07:15,830 --> 02:07:19,640  
you can fill out a report to do all this

2011  
02:07:17,719 --> 02:07:21,950  
first of all because he's really saying

2012

02:07:19,640 --> 02:07:23,780  
to show the use of the vehicle I'm sure

2013  
02:07:21,950 --> 02:07:25,100  
one day it may be used for one thing on

2014  
02:07:23,780 --> 02:07:27,020  
another day it may be used for something

2015  
02:07:25,100 --> 02:07:28,280  
else so I'm sure mr. buck or whoever the

2016  
02:07:27,020 --> 02:07:30,469  
Comptroller is it's gonna have to

2017  
02:07:28,280 --> 02:07:33,170  
require a report every day on every car

2018  
02:07:30,469 --> 02:07:36,020  
to keep up with it I'm frankly mr. Reyes

2019  
02:07:33,170 --> 02:07:38,030  
would suggest this but do you call these

2020  
02:07:36,020 --> 02:07:40,219  
people that keep lists like this paper

2021  
02:07:38,030 --> 02:07:42,110  
shufflers or what are these bureaucrats

2022  
02:07:40,219 --> 02:07:43,520  
call that shuffle papers like this I

2023  
02:07:42,110 --> 02:07:45,380  
don't want to pay for sharpeners or

2024  
02:07:43,520 --> 02:07:47,150  
paper stores I think they just store the

2025  
02:07:45,380 --> 02:07:48,140  
paper away and nobody ever looks at it

2026  
02:07:47,150 --> 02:07:50,450  
and I think that's what's wrong with

2027  
02:07:48,140 --> 02:07:52,040  
government today we we require too many

2028  
02:07:50,450 --> 02:07:54,200  
of these kind of reports that don't do

2029  
02:07:52,040 --> 02:07:55,640  
anything did the coyote state government

2030  
02:07:54,200 --> 02:07:57,890  
get into this did the Comptroller

2031  
02:07:55,640 --> 02:07:59,420  
request this language be added to the

2032  
02:07:57,890 --> 02:08:03,200  
bill not to my knowledge

2033  
02:07:59,420 --> 02:08:04,969  
thank you I'd ask you to vote no on this

2034  
02:08:03,200 --> 02:08:06,890  
on this amendment chair ignited

2035  
02:08:04,969 --> 02:08:09,800  
notorious closed on the amendment mr.

2036  
02:08:06,890 --> 02:08:10,420  
speaker members I missed a call well and

2037  
02:08:09,800 --> 02:08:11,800  
and

2038  
02:08:10,420 --> 02:08:14,410  
and the Honorable chairman of the

2039

02:08:11,800 --> 02:08:15,640  
Appropriations Committee here have not

2040  
02:08:14,410 --> 02:08:18,190  
read the amendment

2041  
02:08:15,640 --> 02:08:20,470  
all I'm doing is adding to one of the

2042  
02:08:18,190 --> 02:08:23,140  
farms they have already created they've

2043  
02:08:20,470 --> 02:08:25,150  
got a farm in Section C that asked each

2044  
02:08:23,140 --> 02:08:29,470  
of the agencies to provide with them

2045  
02:08:25,150 --> 02:08:32,020  
provide the controller by September the

2046  
02:08:29,470 --> 02:08:34,030  
15th of the fiscal year lists itemizing

2047  
02:08:32,020 --> 02:08:36,670  
the passenger caring vehicles to be

2048  
02:08:34,030 --> 02:08:39,160  
maintained and operated and all I ask is

2049  
02:08:36,670 --> 02:08:41,680  
to put another line on that same farm

2050  
02:08:39,160 --> 02:08:44,320  
that they've already got they're asking

2051  
02:08:41,680 --> 02:08:46,420  
them to to list and break down into

2052  
02:08:44,320 --> 02:08:48,310  
categories the use of the cars that's

2053  
02:08:46,420 --> 02:08:50,590  
all I'm doing I'm not going to provide

2054  
02:08:48,310 --> 02:08:51,940  
any more paperwork I'm not gonna I'm not

2055  
02:08:50,590 --> 02:08:52,660  
gonna require any more than they already

2056  
02:08:51,940 --> 02:08:54,370  
have

2057  
02:08:52,660 --> 02:08:56,620  
they're already asking for this

2058  
02:08:54,370 --> 02:08:58,060  
information look at your preparations

2059  
02:08:56,620 --> 02:09:00,970  
bill that's already in there all I'm

2060  
02:08:58,060 --> 02:09:02,380  
asking for when they get that farm when

2061  
02:09:00,970 --> 02:09:04,930  
they get that farm that that they're

2062  
02:09:02,380 --> 02:09:06,790  
already asking for to add line number 15

2063  
02:09:04,930 --> 02:09:08,650  
down here and ask them how they're using

2064  
02:09:06,790 --> 02:09:10,900  
it what kind of categories are using it

2065  
02:09:08,650 --> 02:09:12,820  
so if they are using it for a pursuit

2066

02:09:10,900 --> 02:09:14,800  
then we can understand then we can

2067  
02:09:12,820 --> 02:09:17,650  
justify an 8-cylinder car next time

2068  
02:09:14,800 --> 02:09:19,990  
around and if that's what they're using

2069  
02:09:17,650 --> 02:09:21,940  
it forth and we in the legislature can

2070  
02:09:19,990 --> 02:09:23,590  
understand why we got an 8-cylinder car

2071  
02:09:21,940 --> 02:09:25,540  
and that's why we we're going to pay the

2072  
02:09:23,590 --> 02:09:26,290  
extra money and use the extra gas all

2073  
02:09:25,540 --> 02:09:30,430  
year round

2074  
02:09:26,290 --> 02:09:32,290  
miss Miller Jim O'Neill now they've

2075  
02:09:30,430 --> 02:09:34,390  
raised this straw man mr. Reyes that

2076  
02:09:32,290 --> 02:09:35,830  
it's going to create more paperwork and

2077  
02:09:34,390 --> 02:09:37,660  
more red tape and everything and

2078  
02:09:35,830 --> 02:09:38,680  
therefore it would cost more money do

2079  
02:09:37,660 --> 02:09:40,900  
you believe that for a minute

2080  
02:09:38,680 --> 02:09:42,850  
no I don't because they're already mr.

2081  
02:09:40,900 --> 02:09:44,740  
Vick required I already asked him for

2082  
02:09:42,850 --> 02:09:47,230  
this for part of this information all I

2083  
02:09:44,740 --> 02:09:49,390  
do is say add another line in China what

2084  
02:09:47,230 --> 02:09:50,890  
you going what kind of a what category

2085  
02:09:49,390 --> 02:09:53,410  
you're going to be using it on I'm not

2086  
02:09:50,890 --> 02:09:55,330  
asking for for another farm or anybody

2087  
02:09:53,410 --> 02:09:57,490  
else to look up the farm all I'm saying

2088  
02:09:55,330 --> 02:10:00,580  
is let's make that farm complete I urge

2089  
02:09:57,490 --> 02:10:02,260  
an aye vote on the amendment question

2090  
02:10:00,580 --> 02:10:03,790  
records only adoption of the REA as

2091  
02:10:02,260 --> 02:10:07,290  
amended all those in favor the adoption

2092  
02:10:03,790 --> 02:10:07,290  
about our Lord's oppose or vote no

2093

02:10:20,159 --> 02:10:24,320  
I'm a dancin going know about I'm in for

2094  
02:10:22,290 --> 02:10:24,320  
it

2095  
02:10:28,220 --> 02:10:31,450  
all neighborhood

2096  
02:10:48,550 --> 02:10:53,450  
she went to go say a voting ash I went

2097  
02:10:50,990 --> 02:10:55,840  
to Auto voting a showmance aghast and

2098  
02:10:53,450 --> 02:10:55,840  
voting No

2099  
02:11:12,690 --> 02:11:21,480  
they're being 77061 Noah's emotion the

2100  
02:11:15,750 --> 02:11:25,350  
amendment is adopted following a moment

2101  
02:11:21,480 --> 02:11:28,650  
ago read the amendment amendment by

2102  
02:11:25,350 --> 02:11:30,270  
Reyes amen committee substitution mr.

2103  
02:11:28,650 --> 02:11:32,610  
Reyes to explain his amendment mr.

2104  
02:11:30,270 --> 02:11:33,950  
speaker members this is the next

2105  
02:11:32,610 --> 02:11:37,260  
amendment that I talked to you about

2106  
02:11:33,950 --> 02:11:39,540  
this amendment let me read it to you in

2107  
02:11:37,260 --> 02:11:42,420  
this amendment I think would provide the

2108  
02:11:39,540 --> 02:11:45,480  
agencies with some direction about the

2109  
02:11:42,420 --> 02:11:47,220  
kinds of cars they are to buy this next

2110  
02:11:45,480 --> 02:11:49,890  
biennium and let me read it to you it

2111  
02:11:47,220 --> 02:11:52,560  
says no funds shall be expended on

2112  
02:11:49,890 --> 02:11:54,660  
motorized vehicles and it matter not in

2113  
02:11:52,560 --> 02:11:57,270  
compliance with maximum energy

2114  
02:11:54,660 --> 02:11:59,300  
efficiency for the purpose of this

2115  
02:11:57,270 --> 02:12:01,920  
section maximum energy efficiency

2116  
02:11:59,300 --> 02:12:05,130  
entails the purchase of vehicles having

2117  
02:12:01,920 --> 02:12:07,170  
maximum operational efficiency according

2118  
02:12:05,130 --> 02:12:10,290  
to the function to be performed by said

2119  
02:12:07,170 --> 02:12:12,570  
vehicles all that means is if the

2120

02:12:10,290 --> 02:12:14,670  
Welfare Department has got a nine

2121  
02:12:12,570 --> 02:12:17,010  
passenger station wagon down there and

2122  
02:12:14,670 --> 02:12:19,020  
they're running errands here in Austin

2123  
02:12:17,010 --> 02:12:20,490  
then they don't need to be doing that

2124  
02:12:19,020 --> 02:12:22,410  
what we're saying to them if you're

2125  
02:12:20,490 --> 02:12:26,700  
going to buy a car to replace that car

2126  
02:12:22,410 --> 02:12:29,340  
then buy a six cylinder value and use

2127  
02:12:26,700 --> 02:12:32,190  
that and save the money on the cost of

2128  
02:12:29,340 --> 02:12:34,050  
the car and save the money on the cost

2129  
02:12:32,190 --> 02:12:36,240  
of the gas that you're going to be using

2130  
02:12:34,050 --> 02:12:38,330  
and using a six cylinder over an eight

2131  
02:12:36,240 --> 02:12:40,650  
cylinder that's all this amendment does

2132  
02:12:38,330 --> 02:12:41,730  
someone had some questions about this

2133  
02:12:40,650 --> 02:12:45,750  
because I've talked to a number the

2134  
02:12:41,730 --> 02:12:46,830  
members about it about the DPS how are

2135  
02:12:45,750 --> 02:12:48,720  
you going to how are you going to get

2136  
02:12:46,830 --> 02:12:52,770  
around having those cars

2137  
02:12:48,720 --> 02:12:55,890  
well my amendment reads it the maximum

2138  
02:12:52,770 --> 02:12:58,290  
energy efficiency entails the purchase

2139  
02:12:55,890 --> 02:13:01,200  
of vehicles having maximum operational

2140  
02:12:58,290 --> 02:13:05,100  
efficiency according to the functions to

2141  
02:13:01,200 --> 02:13:07,740  
be performed by said vehicles to me that

2142  
02:13:05,100 --> 02:13:09,810  
means that that if the function to be

2143  
02:13:07,740 --> 02:13:11,730  
performed is one to be used out on the

2144  
02:13:09,810 --> 02:13:14,070  
highway as far as the Highway Patrol is

2145  
02:13:11,730 --> 02:13:16,920  
concerned then they can justify the use

2146  
02:13:14,070 --> 02:13:19,080  
of an 8-cylinder car out on the highway

2147

02:13:16,920 --> 02:13:21,630  
for those purposes if you're if you're

2148  
02:13:19,080 --> 02:13:24,210  
driving between office buildings in

2149  
02:13:21,630 --> 02:13:26,460  
Austin Texas then you aren't then you

2150  
02:13:24,210 --> 02:13:28,890  
ought to have and you should have

2151  
02:13:26,460 --> 02:13:30,750  
a six-cylinder car there should be no

2152  
02:13:28,890 --> 02:13:32,159  
reason why you shouldn't be driving a

2153  
02:13:30,750 --> 02:13:32,940  
six-cylinder car in between those

2154  
02:13:32,159 --> 02:13:35,130  
agencies

2155  
02:13:32,940 --> 02:13:38,130  
you'll save us the cost of the money on

2156  
02:13:35,130 --> 02:13:40,350  
the car from buying a six-cylinder over

2157  
02:13:38,130 --> 02:13:42,989  
an eight cylinder you'll save us not

2158  
02:13:40,350 --> 02:13:45,480  
only the cost on the gasoline but you'll

2159  
02:13:42,989 --> 02:13:47,850  
save us that gasoline in that fuel which

2160  
02:13:45,480 --> 02:13:50,489  
we have in the last couple of years

2161  
02:13:47,850 --> 02:13:53,640  
found out to be so valuable and so

2162  
02:13:50,489 --> 02:13:54,270  
limited I hope you vote with me on this

2163  
02:13:53,640 --> 02:13:56,670  
amendment

2164  
02:13:54,270 --> 02:13:59,460  
I think it'll it'll save us some money I

2165  
02:13:56,670 --> 02:14:01,380  
think it'll save us some gas and I think

2166  
02:13:59,460 --> 02:14:03,270  
we'll get the most maximum effort and

2167  
02:14:01,380 --> 02:14:05,250  
efficiency out of the cars that we

2168  
02:14:03,270 --> 02:14:06,449  
purchase for this state mr. speaker with

2169  
02:14:05,250 --> 02:14:10,340  
the gentleman yield for a question

2170  
02:14:06,449 --> 02:14:14,760  
yes sir mr. yelman yes miss Carlisle

2171  
02:14:10,340 --> 02:14:18,420  
the second sentence mr. Reyes I don't

2172  
02:14:14,760 --> 02:14:21,770  
I'm not sure I understand the meaning

2173  
02:14:18,420 --> 02:14:26,520  
you say for the purpose of this section

2174

02:14:21,770 --> 02:14:28,800  
maximum energy efficiency entails well

2175  
02:14:26,520 --> 02:14:31,500  
what does entails mean how do you mean

2176  
02:14:28,800 --> 02:14:37,140  
it to be interpreted there I mean it to

2177  
02:14:31,500 --> 02:14:39,630  
be interpreted as if if the effort as

2178  
02:14:37,140 --> 02:14:44,940  
far as the department is concerned of

2179  
02:14:39,630 --> 02:14:46,409  
the agency is concerned is to to have a

2180  
02:14:44,940 --> 02:14:49,469  
message of going from building to

2181  
02:14:46,409 --> 02:14:51,830  
building then then that effort is going

2182  
02:14:49,469 --> 02:14:55,080  
to be interpreted as being the the

2183  
02:14:51,830 --> 02:14:57,719  
operation or the function of that of

2184  
02:14:55,080 --> 02:15:01,409  
that individual if the effort entails

2185  
02:14:57,719 --> 02:15:04,380  
pursuit out on the highway then that in

2186  
02:15:01,409 --> 02:15:06,150  
itself is it is the is a function that's

2187  
02:15:04,380 --> 02:15:07,320  
being performed by those individual well

2188  
02:15:06,150 --> 02:15:10,050  
that's what I was afraid of entail

2189  
02:15:07,320 --> 02:15:14,489  
entails really means includes does it

2190  
02:15:10,050 --> 02:15:16,500  
not it could it could mr. Calvo well

2191  
02:15:14,489 --> 02:15:19,620  
that's the danger of the language that

2192  
02:15:16,500 --> 02:15:22,860  
you chose mr. Reyes what what danger mr.

2193  
02:15:19,620 --> 02:15:26,130  
Kaul well the danger that it includes

2194  
02:15:22,860 --> 02:15:29,850  
but does not mean if you mean to say

2195  
02:15:26,130 --> 02:15:34,290  
that you must take into account maximum

2196  
02:15:29,850 --> 02:15:36,519  
energy efficiency along with the purpose

2197  
02:15:34,290 --> 02:15:39,499  
for which the vehicle is you

2198  
02:15:36,519 --> 02:15:41,929  
you know otherwise you run the risk if

2199  
02:15:39,499 --> 02:15:43,719  
entails just means includes and I think

2200  
02:15:41,929 --> 02:15:46,909  
that's the commonly accepted

2201

02:15:43,719 --> 02:15:48,739  
interpretation then we'll all be riding

2202  
02:15:46,909 --> 02:15:51,949  
Honda's because maximum energy

2203  
02:15:48,739 --> 02:15:53,899  
efficiency you know means the least the

2204  
02:15:51,949 --> 02:15:55,550  
most efficient or the least cost and

2205  
02:15:53,899 --> 02:15:57,199  
that's not I'm sure that's not what

2206  
02:15:55,550 --> 02:15:59,989  
you're trying to say but I'm afraid you

2207  
02:15:57,199 --> 02:16:01,880  
may have said that this mr. car well I

2208  
02:15:59,989 --> 02:16:02,869  
don't that's not what I'm trying to say

2209  
02:16:01,880 --> 02:16:05,899  
and I don't think that I know that

2210  
02:16:02,869 --> 02:16:09,739  
doesn't have to you need to read on you

2211  
02:16:05,899 --> 02:16:11,239  
need to read on but but if if you have a

2212  
02:16:09,739 --> 02:16:13,159  
problem with that I'm willing to change

2213  
02:16:11,239 --> 02:16:16,189  
it because my intent is not to try to

2214  
02:16:13,159 --> 02:16:18,800  
try to shackle anybody about the kinds

2215  
02:16:16,189 --> 02:16:20,899  
of cars that they need to buy my intent

2216  
02:16:18,800 --> 02:16:24,229  
in that language is to triumph and in

2217  
02:16:20,899 --> 02:16:26,239  
and prohibit the the the buying of a

2218  
02:16:24,229 --> 02:16:27,919  
nine passenger station wagon if you look

2219  
02:16:26,239 --> 02:16:29,959  
around the capital or if you look around

2220  
02:16:27,919 --> 02:16:31,999  
in Austin you'll see them being used for

2221  
02:16:29,959 --> 02:16:33,469  
messenger service that's a waste of a

2222  
02:16:31,999 --> 02:16:36,199  
car that's a waste of that fuel

2223  
02:16:33,469 --> 02:16:38,479  
consumption on that car and I'm willing

2224  
02:16:36,199 --> 02:16:40,729  
to change it if if you think that

2225  
02:16:38,479 --> 02:16:42,439  
that'll be the problem well I really do

2226  
02:16:40,729 --> 02:16:44,929  
believe there's a problem I'll pull it

2227  
02:16:42,439 --> 02:16:47,599  
down mr. Carlin and we'll put means

2228

02:16:44,929 --> 02:16:48,920  
instead of cash gold for an older

2229  
02:16:47,599 --> 02:16:51,279  
gentleman time expired point of order

2230  
02:16:48,920 --> 02:16:53,809  
well taken abstain

2231  
02:16:51,279 --> 02:16:59,000  
all right the amendment is withdrawn by

2232  
02:16:53,809 --> 02:17:04,540  
the author following a mement o'clock I

2233  
02:16:59,000 --> 02:17:08,739  
read the amendment I'm in bed by Gaston

2234  
02:17:04,540 --> 02:17:08,739  
may ask him to explain the amendment

2235  
02:17:18,620 --> 02:17:24,410  
mr. speaker members we're looking at

2236  
02:17:21,769 --> 02:17:26,809  
basically the same section and if you

2237  
02:17:24,410 --> 02:17:31,849  
look on v45

2238  
02:17:26,809 --> 02:17:34,210  
my brother V 43 subsection 1 of section

2239  
02:17:31,849 --> 02:17:38,120  
17 dealing with passenger vehicles

2240  
02:17:34,210 --> 02:17:39,889  
you'll note that agencies authorized the

2241  
02:17:38,120 --> 02:17:42,559  
purchase maintenance and operation of

2242  
02:17:39,889 --> 02:17:44,510  
passenger other vehicles include the

2243  
02:17:42,559 --> 02:17:45,950  
following agencies now think about these

2244  
02:17:44,510 --> 02:17:48,439  
agencies and whether you want them out

2245  
02:17:45,950 --> 02:17:50,780  
buying a lot of automobiles the Texas

2246  
02:17:48,439 --> 02:17:52,969  
Youth Council the Adjutant General's

2247  
02:17:50,780 --> 02:17:55,399  
Department the Department of Agriculture

2248  
02:17:52,969 --> 02:17:56,210  
the Board of Control the Department of

2249  
02:17:55,399 --> 02:17:58,729  
Corrections

2250  
02:17:56,210 --> 02:18:01,670  
the highway department the Historical

2251  
02:17:58,729 --> 02:18:03,920  
Commission the General Land Office the

2252  
02:18:01,670 --> 02:18:06,109  
Parks and Wildlife Department the

2253  
02:18:03,920 --> 02:18:08,570  
Railroad Commission the Department of

2254  
02:18:06,109 --> 02:18:10,490  
Public Safety the Water Development poor

2255

02:18:08,570 --> 02:18:13,519  
the Water Quality board and the water

2256  
02:18:10,490 --> 02:18:16,910  
Rights Commission very simply members

2257  
02:18:13,519 --> 02:18:19,580  
all my amendment does is require that we

2258  
02:18:16,910 --> 02:18:22,099  
create a central purchasing agency and

2259  
02:18:19,580 --> 02:18:24,019  
the Board of Control to purchase all

2260  
02:18:22,099 --> 02:18:26,750  
vehicles for the state of Texas there's

2261  
02:18:24,019 --> 02:18:28,580  
no reason why this cannot be done in

2262  
02:18:26,750 --> 02:18:30,800  
effect they are purchasing vehicles for

2263  
02:18:28,580 --> 02:18:32,929  
some of the other agencies they have the

2264  
02:18:30,800 --> 02:18:34,790  
facilities at the present time when

2265  
02:18:32,929 --> 02:18:37,399  
other states have put this into practice

2266  
02:18:34,790 --> 02:18:40,040  
they have through purchasing on fleet

2267  
02:18:37,399 --> 02:18:41,840  
Lots and in large quantities saved a

2268  
02:18:40,040 --> 02:18:43,880  
great deal of money it is my

2269  
02:18:41,840 --> 02:18:45,740  
understanding it over 15 million dollars

2270  
02:18:43,880 --> 02:18:48,050  
were saved in the state of California

2271  
02:18:45,740 --> 02:18:50,300  
just by centrally purchasing all of

2272  
02:18:48,050 --> 02:18:52,370  
their motor vehicles I'm sure we can

2273  
02:18:50,300 --> 02:18:54,679  
realize similar savings in the state of

2274  
02:18:52,370 --> 02:18:56,750  
Texas I would urge your support of this

2275  
02:18:54,679 --> 02:18:58,700  
amendment I won't belabor the thing it's

2276  
02:18:56,750 --> 02:19:00,080  
a straight up and down issue miss peg

2277  
02:18:58,700 --> 02:19:02,450  
Adair a point of the thing is just

2278  
02:19:00,080 --> 02:19:04,639  
simply let's create a centralized

2279  
02:19:02,450 --> 02:19:06,410  
purchasing agency on a point or against

2280  
02:19:04,639 --> 02:19:07,969  
further consideration this amendment in

2281  
02:19:06,410 --> 02:19:09,530  
that it is attempting to change

2282

02:19:07,969 --> 02:19:10,580  
statutory law through a rider in the

2283  
02:19:09,530 --> 02:19:13,660  
appropriations bill

2284  
02:19:10,580 --> 02:19:13,660  
whereupon forward

2285  
02:19:45,540 --> 02:19:49,440  
control it said South Pacific

2286  
02:19:50,930 --> 02:19:55,069  
hi there right oh no way

2287  
02:21:55,010 --> 02:21:58,150  
I think what I'll do

2288  
02:22:12,771 --> 02:22:16,061  
I just was going down

2289  
02:22:21,660 --> 02:22:26,800  
mr. caster withdraws his point of order

2290  
02:22:24,340 --> 02:22:29,260  
mr. Gaston withdraws the amendment we're

2291  
02:22:26,800 --> 02:22:32,561  
looking members at some statutory

2292  
02:22:29,260 --> 02:22:34,720  
language that would clear this situation

2293  
02:22:32,561 --> 02:22:36,820  
up in the meantime we'll go ahead and

2294  
02:22:34,720 --> 02:22:40,420  
proceed with the other amendments on the

2295  
02:22:36,820 --> 02:22:44,230  
bill calling a moment a clerk will read

2296  
02:22:40,420 --> 02:22:46,000  
the amendment amendment by Reyes amend

2297  
02:22:44,230 --> 02:22:47,110  
committee substitute mr. Reyes to

2298  
02:22:46,000 --> 02:22:49,180  
explain his amendment mr. speaker

2299  
02:22:47,110 --> 02:22:51,400  
members this is the amendment that mr.

2300  
02:22:49,180 --> 02:22:54,130  
Conwell raised a point on about entails

2301  
02:22:51,400 --> 02:22:55,720  
I've changed entails two means I think

2302  
02:22:54,130 --> 02:22:59,350  
that that and the language that follows

2303  
02:22:55,720 --> 02:23:02,290  
there clarifies the amendment would not

2304  
02:22:59,350 --> 02:23:04,540  
in any way adversely affect the agencies

2305  
02:23:02,290 --> 02:23:07,900  
from performing the proper functions

2306  
02:23:04,540 --> 02:23:10,210  
that there that there's charge within

2307  
02:23:07,900 --> 02:23:12,040  
the state I would hope that you would

2308  
02:23:10,210 --> 02:23:15,430  
vote aye on this amendment thank you

2309

02:23:12,040 --> 02:23:17,890  
very much mr. Castro no military mr.

2310  
02:23:15,430 --> 02:23:21,250  
meegar members this is the amendment

2311  
02:23:17,890 --> 02:23:24,880  
that they were discussing earlier and

2312  
02:23:21,250 --> 02:23:27,850  
they changed one word this amendment is

2313  
02:23:24,880 --> 02:23:29,620  
certainly vague at the very best because

2314  
02:23:27,850 --> 02:23:31,690  
who defines what maximum energy

2315  
02:23:29,620 --> 02:23:33,880  
efficiency is do you go by the federal

2316  
02:23:31,690 --> 02:23:36,400  
government's definition do you go by the

2317  
02:23:33,880 --> 02:23:38,860  
manufacturers definition do you go by

2318  
02:23:36,400 --> 02:23:41,440  
somebody else's definition and what's

2319  
02:23:38,860 --> 02:23:43,360  
maximum operational efficiency and

2320  
02:23:41,440 --> 02:23:45,670  
that's not necessarily one that gets the

2321  
02:23:43,360 --> 02:23:49,030  
least miles per gallon as I interpreted

2322  
02:23:45,670 --> 02:23:53,610  
it could be one that goes 50,000 miles

2323  
02:23:49,030 --> 02:23:56,230  
between an oil change or major overhaul

2324  
02:23:53,610 --> 02:23:58,720  
the problem with this is I don't think

2325  
02:23:56,230 --> 02:24:01,660  
that anybody in state government is

2326  
02:23:58,720 --> 02:24:04,271  
going to know what it means now commonly

2327  
02:24:01,660 --> 02:24:05,800  
bids are put out on vehicles and let's

2328  
02:24:04,271 --> 02:24:08,620  
say that the Department of Public Safety

2329  
02:24:05,800 --> 02:24:12,940  
puts out a bid for a hundred new patrol

2330  
02:24:08,620 --> 02:24:16,870  
cars now they get a low bid and let's

2331  
02:24:12,940 --> 02:24:18,640  
say it's it's the low bid now does this

2332  
02:24:16,870 --> 02:24:20,920  
mean the bid is no good if there's

2333  
02:24:18,640 --> 02:24:24,010  
another bidder who has a higher bid

2334  
02:24:20,920 --> 02:24:25,989  
but this maybe gets point oh five more

2335  
02:24:24,010 --> 02:24:28,239  
miles to the gallon does that mean it's

2336

02:24:25,989 --> 02:24:30,970  
more efficient and maximum energy

2337  
02:24:28,239 --> 02:24:32,620  
efficiency so what do you do about bid

2338  
02:24:30,970 --> 02:24:37,180  
procedures do you have to throw out the

2339  
02:24:32,620 --> 02:24:39,370  
bids bigger tractors mr. Lehri just a

2340  
02:24:37,180 --> 02:24:41,319  
moment gentlemen

2341  
02:24:39,370 --> 02:24:45,220  
tractors and diesels and dump trucks

2342  
02:24:41,319 --> 02:24:47,500  
their motorized vehicles and maybe the

2343  
02:24:45,220 --> 02:24:50,350  
size of the bed is what's wanted to

2344  
02:24:47,500 --> 02:24:52,449  
perform a specific job well no one might

2345  
02:24:50,350 --> 02:24:54,370  
have a smaller bed but maximum

2346  
02:24:52,449 --> 02:24:55,840  
operational efficiency if anybody can

2347  
02:24:54,370 --> 02:24:58,210  
tell me what maximum operational

2348  
02:24:55,840 --> 02:25:01,330  
efficiency is and who's that who defines

2349  
02:24:58,210 --> 02:25:03,100  
it there's no definition anywhere under

2350  
02:25:01,330 --> 02:25:04,930  
the best circumstances an agency is

2351  
02:25:03,100 --> 02:25:06,790  
going to be thoroughly confused as to

2352  
02:25:04,930 --> 02:25:09,220  
what it means in probably the worst

2353  
02:25:06,790 --> 02:25:10,989  
situations it'll just be ignored in

2354  
02:25:09,220 --> 02:25:12,909  
because nobody really know what it means

2355  
02:25:10,989 --> 02:25:15,460  
and I'll yield mr. Larry you know when

2356  
02:25:12,909 --> 02:25:17,439  
you must learn mr. Castro or what

2357  
02:25:15,460 --> 02:25:19,870  
bothers me did you look at this little

2358  
02:25:17,439 --> 02:25:22,600  
fact sheet that mr. Reyes put on our

2359  
02:25:19,870 --> 02:25:25,390  
desk earlier no let me read it to you so

2360  
02:25:22,600 --> 02:25:27,430  
well know what we're talking about it

2361  
02:25:25,390 --> 02:25:30,520  
says that 42 percent of the cars

2362  
02:25:27,430 --> 02:25:33,760  
purchased in fiscal year 1974 were

2363

02:25:30,520 --> 02:25:37,390  
deluxe models with a 350 cubic inch

2364  
02:25:33,760 --> 02:25:42,460  
engine the next big category is regular

2365  
02:25:37,390 --> 02:25:44,739  
4-door sedans with the big 350 v8 32

2366  
02:25:42,460 --> 02:25:47,080  
percent that means 74 percent of the

2367  
02:25:44,739 --> 02:25:50,260  
cars the state's buying how the big

2368  
02:25:47,080 --> 02:25:52,270  
engines our deluxe models well now you

2369  
02:25:50,260 --> 02:25:55,750  
know and I understand it takes in some

2370  
02:25:52,270 --> 02:25:58,210  
pursuit cars a lot of pursuit but his

2371  
02:25:55,750 --> 02:26:01,630  
figures also say excluding pursuit

2372  
02:25:58,210 --> 02:26:03,399  
vehicles so I think maybe his figures

2373  
02:26:01,630 --> 02:26:05,319  
have already taken out look you know the

2374  
02:26:03,399 --> 02:26:06,729  
obvious deal how in the world are we

2375  
02:26:05,319 --> 02:26:09,159  
going to get a handle on it because

2376  
02:26:06,729 --> 02:26:11,739  
there's it's no earthly reason as you

2377  
02:26:09,159 --> 02:26:13,870  
and I both know for 74 percent of the

2378  
02:26:11,739 --> 02:26:16,989  
state vehicles to be deluxe models and

2379  
02:26:13,870 --> 02:26:19,029  
these big engines well the Board of

2380  
02:26:16,989 --> 02:26:20,620  
Control is very careful on screening

2381  
02:26:19,029 --> 02:26:22,359  
these bids and I don't know what the

2382  
02:26:20,620 --> 02:26:23,590  
reasoning is I would imagine looks like

2383  
02:26:22,359 --> 02:26:26,949  
you're careful screening out all the

2384  
02:26:23,590 --> 02:26:32,061  
Lord's cars I don't think so because

2385  
02:26:26,949 --> 02:26:35,601  
they're put out on bids now you must be

2386  
02:26:32,061 --> 02:26:38,570  
but gentlemen Hill gentleman yields me

2387  
02:26:35,601 --> 02:26:40,280  
president mr. Kaster if you were a state

2388  
02:26:38,570 --> 02:26:42,320  
agency had you read this writer how

2389  
02:26:40,280 --> 02:26:43,820  
would you go by complying with it well

2390

02:26:42,320 --> 02:26:45,830  
if I was the Board of Control I wouldn't

2391  
02:26:43,820 --> 02:26:48,500  
even know how to go to comply with it

2392  
02:26:45,830 --> 02:26:51,170  
but again whose definition of maximum

2393  
02:26:48,500 --> 02:26:53,090  
operational efficiency are we using does

2394  
02:26:51,170 --> 02:26:54,771  
that mean if you buy a smaller car and

2395  
02:26:53,090 --> 02:26:56,150  
it doesn't get good gas mileage you got

2396  
02:26:54,771 --> 02:26:58,880  
to you got to turn around sell it the

2397  
02:26:56,150 --> 02:27:00,200  
next day is that that's right I know I

2398  
02:26:58,880 --> 02:27:02,030  
mean are you aware that our

2399  
02:27:00,200 --> 02:27:03,320  
vice-chairman body my new granada the

2400  
02:27:02,030 --> 02:27:04,851  
other day he's getting left miles per

2401  
02:27:03,320 --> 02:27:06,620  
gallon right and that's a small car

2402  
02:27:04,851 --> 02:27:09,800  
medium sized car and yet he's getting

2403  
02:27:06,620 --> 02:27:11,721  
worse mileage in my old car well does

2404  
02:27:09,800 --> 02:27:15,891  
that mean mystic miss speaker will

2405  
02:27:11,721 --> 02:27:18,290  
gentleman yield gentleman you look at oh

2406  
02:27:15,891 --> 02:27:19,940  
well can you consider whether or not a

2407  
02:27:18,290 --> 02:27:22,570  
car has an air-conditioner in

2408  
02:27:19,940 --> 02:27:25,761  
determining maximum operating efficiency

2409  
02:27:22,570 --> 02:27:29,391  
under that amendment I suppose I I don't

2410  
02:27:25,761 --> 02:27:31,550  
know it's very difficult to say in some

2411  
02:27:29,391 --> 02:27:33,230  
of these so-called smaller cars cost

2412  
02:27:31,550 --> 02:27:34,670  
more than the beat our speakers Laroy

2413  
02:27:33,230 --> 02:27:36,620  
gentlemen you you what's happening is

2414  
02:27:34,670 --> 02:27:38,240  
Detroit is going to smaller cars and

2415  
02:27:36,620 --> 02:27:39,860  
make them just as expensive as the big

2416  
02:27:38,240 --> 02:27:44,181  
cars well the gentleman yield mr.

2417

02:27:39,860 --> 02:27:46,011  
speaker gentleman yield mr. Brown aye

2418  
02:27:44,181 --> 02:27:47,630  
mr. Kaster did you know it was getting

2419  
02:27:46,011 --> 02:27:49,311  
close to Memorial Day and the

2420  
02:27:47,630 --> 02:27:50,750  
Indianapolis races are going to start

2421  
02:27:49,311 --> 02:27:52,431  
and they'd like to have that data that

2422  
02:27:50,750 --> 02:27:54,440  
you gave us I think if you could get it

2423  
02:27:52,431 --> 02:28:00,740  
together for him okay

2424  
02:27:54,440 --> 02:28:03,230  
I moved the table tray exploded on his

2425  
02:28:00,740 --> 02:28:06,771  
amendment mr. speaker members I I think

2426  
02:28:03,230 --> 02:28:09,771  
that that if mr. Kaster were just

2427  
02:28:06,771 --> 02:28:11,120  
reading all of my amendment he would

2428  
02:28:09,771 --> 02:28:13,250  
understand that that's what I'm not

2429  
02:28:11,120 --> 02:28:14,870  
speaking to and if all I had put down

2430  
02:28:13,250 --> 02:28:17,120  
was what he was saying then I could

2431  
02:28:14,870 --> 02:28:19,101  
understand his problems but do you need

2432  
02:28:17,120 --> 02:28:22,431  
to read on after having maximum

2433  
02:28:19,101 --> 02:28:23,840  
operational effect efficiency you need

2434  
02:28:22,431 --> 02:28:25,940  
to read a little further and it says

2435  
02:28:23,840 --> 02:28:29,420  
according to the function to be

2436  
02:28:25,940 --> 02:28:31,521  
performed by said vehicle if you got to

2437  
02:28:29,420 --> 02:28:33,561  
move seventy thousand pounds from one

2438  
02:28:31,521 --> 02:28:34,530  
from one agency to another you're not

2439  
02:28:33,561 --> 02:28:37,080  
going to go and you know

2440  
02:28:34,530 --> 02:28:38,971  
going to buy an 8 cylinder passenger car

2441  
02:28:37,080 --> 02:28:40,530  
you it's going to require a flatbed it's

2442  
02:28:38,971 --> 02:28:42,511  
going to require a tractor to move it

2443  
02:28:40,530 --> 02:28:44,610  
with and that's why I put that language

2444

02:28:42,511 --> 02:28:46,860  
in there because I want to provide them

2445  
02:28:44,610 --> 02:28:49,261  
the flexibility to move in those

2446  
02:28:46,860 --> 02:28:51,000  
directions I want to also provide them

2447  
02:28:49,261 --> 02:28:52,920  
the flexibility that if they got a

2448  
02:28:51,000 --> 02:28:55,710  
messenger running between those same two

2449  
02:28:52,920 --> 02:28:58,561  
buildings that they don't go and buy a 9

2450  
02:28:55,710 --> 02:29:00,870  
passenger station wagon to run messages

2451  
02:28:58,561 --> 02:29:02,490  
up and back I want to provide them if

2452  
02:29:00,870 --> 02:29:04,860  
the function is that of a messenger

2453  
02:29:02,490 --> 02:29:07,440  
between office buildings then he ought

2454  
02:29:04,860 --> 02:29:10,050  
to have a smaller car he ought to go and

2455  
02:29:07,440 --> 02:29:11,910  
get a six-cylinder Valiant something

2456  
02:29:10,050 --> 02:29:14,580  
that will cost us a lot less than that 9

2457  
02:29:11,910 --> 02:29:18,120  
passenger car and use a lot less gas

2458  
02:29:14,580 --> 02:29:21,271  
that we're all have been talking about

2459  
02:29:18,120 --> 02:29:25,590  
saving for so long mr. castor made the

2460  
02:29:21,271 --> 02:29:27,870  
point about about what is energy

2461  
02:29:25,590 --> 02:29:29,820  
efficiency what is that going to mean I

2462  
02:29:27,870 --> 02:29:31,320  
guess mr. Fox could give us a good

2463  
02:29:29,820 --> 02:29:33,840  
definition of it he could give us

2464  
02:29:31,320 --> 02:29:35,580  
probably a real good definition of what

2465  
02:29:33,840 --> 02:29:38,431  
we're talking about as far as cars are

2466  
02:29:35,580 --> 02:29:40,590  
concerned but even more so I think the

2467  
02:29:38,431 --> 02:29:43,980  
governor's office on several occasions

2468  
02:29:40,590 --> 02:29:46,590  
has written you what maximum efficiency

2469  
02:29:43,980 --> 02:29:49,920  
is concerned as far as energy while you

2470  
02:29:46,590 --> 02:29:51,210  
drive 55 miles an hour - you try to run

2471

02:29:49,920 --> 02:29:54,420  
that air conditioner as little as

2472  
02:29:51,210 --> 02:29:56,160  
possible that's that's efficiency as far

2473  
02:29:54,420 --> 02:29:58,891  
as that's concerned that's not very hard

2474  
02:29:56,160 --> 02:30:03,240  
to justify and that's not very hard to

2475  
02:29:58,891 --> 02:30:06,931  
come up with all right this time and are

2476  
02:30:03,240 --> 02:30:07,950  
you I could have made it restrictive I

2477  
02:30:06,931 --> 02:30:10,500  
could have made it a lot more

2478  
02:30:07,950 --> 02:30:12,150  
restrictive but it didn't intend that I

2479  
02:30:10,500 --> 02:30:14,431  
didn't intend that didn't intend to

2480  
02:30:12,150 --> 02:30:18,300  
couple anybody's hands about their job I

2481  
02:30:14,431 --> 02:30:21,271  
intended it for them I intended this

2482  
02:30:18,300 --> 02:30:24,120  
amendment for those agencies to do the

2483  
02:30:21,271 --> 02:30:27,090  
job that they've got to do and to take

2484  
02:30:24,120 --> 02:30:30,090  
into consideration the most efficient

2485  
02:30:27,090 --> 02:30:33,120  
the most efficient method of doing that

2486  
02:30:30,090 --> 02:30:35,851  
job and that's why it's it's not broken

2487  
02:30:33,120 --> 02:30:38,210  
down detail by detail I just wanted - to

2488  
02:30:35,851 --> 02:30:40,771  
get us started along the direction of

2489  
02:30:38,210 --> 02:30:42,471  
getting the efficient use of the cars we

2490  
02:30:40,771 --> 02:30:45,750  
buy yes very good

2491  
02:30:42,471 --> 02:30:46,689  
gentleman yes miss item mr. Reyes am i

2492  
02:30:45,750 --> 02:30:48,220  
right in assuming

2493  
02:30:46,689 --> 02:30:50,189  
at all you're asking that these

2494  
02:30:48,220 --> 02:30:53,170  
individuals do in these state agencies

2495  
02:30:50,189 --> 02:30:55,420  
is to use a little common sense and a

2496  
02:30:53,170 --> 02:30:57,459  
little good judgment mr. Salem that's

2497  
02:30:55,420 --> 02:31:00,369  
that's all it ask and that this

2498

02:30:57,459 --> 02:31:02,680  
amendment provides that Lee provides the

2499  
02:31:00,369 --> 02:31:05,020  
leeway provides a situation where they

2500  
02:31:02,680 --> 02:31:06,819  
can if they got that message err they

2501  
02:31:05,020 --> 02:31:08,409  
use and they can determine on their own

2502  
02:31:06,819 --> 02:31:11,229  
mind you don't need a nine-cylinder

2503  
02:31:08,409 --> 02:31:13,180  
station wagon to run boxes between the

2504  
02:31:11,229 --> 02:31:15,999  
two agencies here in Austin you can use

2505  
02:31:13,180 --> 02:31:17,289  
a 6-cylinder valiant and and even if you

2506  
02:31:15,999 --> 02:31:19,569  
want an air condition that you can

2507  
02:31:17,289 --> 02:31:22,180  
air-conditioned and still save money and

2508  
02:31:19,569 --> 02:31:24,279  
gas on a daily basis and you save the

2509  
02:31:22,180 --> 02:31:26,770  
money when you buy the car and you save

2510  
02:31:24,279 --> 02:31:28,779  
the gas every week and every day of the

2511  
02:31:26,770 --> 02:31:30,189  
week every month of the year for that

2512  
02:31:28,779 --> 02:31:34,659  
whole year as long as you're running

2513  
02:31:30,189 --> 02:31:36,579  
that car and that's you know that's mr.

2514  
02:31:34,659 --> 02:31:39,189  
Kaster trying to make your Amendment

2515  
02:31:36,579 --> 02:31:41,289  
sound vague and indefinite and stupid

2516  
02:31:39,189 --> 02:31:43,840  
but I think you've got a good Amendment

2517  
02:31:41,289 --> 02:31:47,109  
and not also did you read this article

2518  
02:31:43,840 --> 02:31:49,420  
in the San Antonio express-news that

2519  
02:31:47,109 --> 02:31:51,729  
says Solon's don't mind wasting someone

2520  
02:31:49,420 --> 02:31:53,380  
else's money did you read that I've seen

2521  
02:31:51,729 --> 02:31:55,600  
the article mr. Salem well don't you

2522  
02:31:53,380 --> 02:31:57,459  
feel that as long as we leave these

2523  
02:31:55,600 --> 02:31:59,140  
state agencies alone and let them do

2524  
02:31:57,459 --> 02:32:00,939  
whatever they think that they want to do

2525

02:31:59,140 --> 02:32:02,260  
that they'll spend that money anyway

2526  
02:32:00,939 --> 02:32:03,999  
they want to spend it without any

2527  
02:32:02,260 --> 02:32:07,329  
direction from the legislature at all

2528  
02:32:03,999 --> 02:32:09,159  
well mr. Salem I'm not I'm not being

2529  
02:32:07,329 --> 02:32:10,869  
vindictive to any state agency at all

2530  
02:32:09,159 --> 02:32:12,999  
don't misunderstand me I want them to do

2531  
02:32:10,869 --> 02:32:15,489  
the job the way the best way they can

2532  
02:32:12,999 --> 02:32:17,319  
all I want to do is provide them with

2533  
02:32:15,489 --> 02:32:19,149  
with the little leadership as far as

2534  
02:32:17,319 --> 02:32:21,399  
this legislature is concerned about

2535  
02:32:19,149 --> 02:32:23,109  
saying look if you got a messenger

2536  
02:32:21,399 --> 02:32:25,300  
you're going to be running around Austin

2537  
02:32:23,109 --> 02:32:27,130  
didn't find him the kind of card that

2538  
02:32:25,300 --> 02:32:28,600  
uses the heart of gold for naught of

2539  
02:32:27,130 --> 02:32:34,149  
German time expired for Nevada well

2540  
02:32:28,600 --> 02:32:37,479  
taken and sustained urge a no vote on

2541  
02:32:34,149 --> 02:32:39,310

2542  
02:32:37,479 --> 02:32:41,170

2543  
02:32:39,310 --> 02:32:42,489

2544  
02:32:41,170 --> 02:32:43,899

2545  
02:32:42,489 --> 02:32:46,350

Boehm is loaded so mr. nobody no ball

2548  
02:33:09,721 --> 02:33:12,261

2550  
02:33:44,450 --> 02:33:50,091

2551  
02:33:47,851 --> 02:33:50,091

2552

02:33:52,190 --> 02:33:56,040

mr. mica remember if you want to clutter

2555  
02:33:57,480 --> 02:34:01,771

2556  
02:33:59,671 --> 02:34:03,601  
this that no state agency can comply

2557  
02:34:01,771 --> 02:34:08,960  
with well go ahead and bow down on this

2558  
02:34:03,601 --> 02:34:11,940

2559  
02:34:08,960 --> 02:34:14,521

2560  
02:34:11,940 --> 02:34:16,710  
you miss I miss Christmas mr. Reyes I

2561  
02:34:14,521 --> 02:34:18,811  
vote awaited in this last time but I had

2562  
02:34:16,710 --> 02:34:22,500  
some question does it include foreign

2563  
02:34:18,811 --> 02:34:24,301  
cars but George I've got I've got an

2564  
02:34:22,500 --> 02:34:26,040  
amendment coming up the third amendment

2565  
02:34:24,301 --> 02:34:29,101  
the last amendment to cure that problem

2566  
02:34:26,040 --> 02:34:31,710  
it does not include foreign court but my

2567  
02:34:29,101 --> 02:34:34,171  
last amendment would provide that you'd

2568  
02:34:31,710 --> 02:34:38,700  
have to buy US made and manufactured

2569  
02:34:34,171 --> 02:34:40,620  
cars okay this pick with gentlemen yell

2570  
02:34:38,700 --> 02:34:42,450  
how are you yeoman yields much getting

2571  
02:34:40,620 --> 02:34:44,131  
been do you know why this committee is

2572  
02:34:42,450 --> 02:34:46,681  
trying to prevent the house and saving

2573  
02:34:44,131 --> 02:34:49,171  
the state of Texas some money well not I

2574  
02:34:46,681 --> 02:34:51,210  
you know I wouldn't give them a problem

2575  
02:34:49,171 --> 02:34:53,011  
but I think they've done a lot of work

2576  
02:34:51,210 --> 02:34:55,320  
on this bill and the pride of authorship

2577  
02:34:53,011 --> 02:34:57,480  
goes a long way here and I just hope

2578  
02:34:55,320 --> 02:34:59,221  
that you'd understand that we need to

2579

02:34:57,480 --> 02:35:00,900  
start at this and we're not going to

2580  
02:34:59,221 --> 02:35:03,480  
shackle anybody and it's not going to be

2581  
02:35:00,900 --> 02:35:05,221  
hard for further for the head of the

2582  
02:35:03,480 --> 02:35:06,811  
Education Agency down the street to

2583  
02:35:05,221 --> 02:35:09,631  
understand if he's doing messenger

2584  
02:35:06,811 --> 02:35:11,400  
service he doesn't need a nine passenger

2585  
02:35:09,631 --> 02:35:13,080  
station wagon to do messenger service

2586  
02:35:11,400 --> 02:35:16,080

2592  
02:35:26,671 --> 02:35:31,110  
any of our agencies the research that we

2593  
02:35:28,500 --> 02:35:34,230

2594  
02:35:31,110 --> 02:35:35,280

2595  
02:35:34,230 --> 02:35:38,671

2599  
02:35:43,381 --> 02:35:47,421  
only adoption of the Reyes amendment

2600  
02:35:48,289 --> 02:35:55,629  
I don't think we were

2601  
02:36:10,200 --> 02:36:14,520  
this speaker I'd like ready to pawn

2602  
02:36:12,240 --> 02:36:16,970  
order on their rank upon motor forward

2603  
02:36:14,520 --> 02:36:16,970  
man spinning

2604  
02:40:13,149 --> 02:40:16,720  
mr. Fenty drove with the daughters

2605  
02:40:15,160 --> 02:40:18,910

2606

02:40:16,720 --> 02:40:20,530

2611  
02:41:16,971 --> 02:41:20,351

what we were found out about gasps long

2613  
02:41:45,670 --> 02:41:49,380

following a momenta clerk will read the

2618  
02:42:31,420 --> 02:42:38,069  
amendment amendment by Alan a music

2619

album to explain the amendment mr.

2620  
02:42:41,920 --> 02:42:47,410  
speaker members there's somewhere in the

2621  
02:42:44,710 --> 02:42:51,189  
neighborhood of the best I can determine

2622  
02:42:47,410 --> 02:42:54,279  
a minimum of 80 million up to upwards up

2623  
02:42:51,189 --> 02:42:58,120  
to 150 million dollars that does not go

2624  
02:42:54,279 --> 02:42:59,890  
through the Treasury miss bigger miss

2625  
02:42:58,120 --> 02:43:01,510  
castor great support against

2626  
02:42:59,890 --> 02:43:03,699  
consideration this rider and it's

2627  
02:43:01,510 --> 02:43:06,040  
changing statutory law through rider and

2628  
02:43:03,699 --> 02:43:08,279  
appropriations bring bring upon a motor

2629  
02:43:06,040 --> 02:43:08,279  
forward

2630  
02:43:29,440 --> 02:43:34,710  
there's a statue says security things

2631  
02:43:31,720 --> 02:43:34,710  
didn't that mean

2632  
02:45:33,811 --> 02:45:51,090  
the amendment is withdrawn for awarded

2633

02:45:36,660 --> 02:45:51,990  
with no amendments withdrawn Pollock

2634  
02:45:51,090 --> 02:45:57,450  
amendment the clerk will read the

2635  
02:45:51,990 --> 02:46:00,500  
amendment amendment by Ragsdale and mr.

2636  
02:45:57,450 --> 02:46:00,500  
Ragsdale to explain his amendment

2637  
02:46:18,181 --> 02:46:30,540  
mr. speaker members this amendment on

2638  
02:46:24,690 --> 02:46:34,061  
section 56 in the area of discrimination

2639  
02:46:30,540 --> 02:46:36,431  
is similar to the last amendment except

2640  
02:46:34,061 --> 02:46:39,550  
that I added in here that none of the

2641  
02:46:36,431 --> 02:46:41,650  
funds appropriated in this bill no money

2642  
02:46:39,550 --> 02:46:44,290  
is derived from the federal through

2643  
02:46:41,650 --> 02:46:46,960  
federal revenue sharing can be spent

2644  
02:46:44,290 --> 02:46:50,380  
where there is a evidence of

2645  
02:46:46,960 --> 02:46:55,900  
discrimination based upon race sex creed

2646  
02:46:50,380 --> 02:46:57,970  
at the national origin it like the First

2647  
02:46:55,900 --> 02:46:59,830  
Amendment removes a provision wherein

2648  
02:46:57,970 --> 02:47:02,021  
the Attorney General has to be

2649  
02:46:59,830 --> 02:47:04,950  
specifically requested by the governor I

2650  
02:47:02,021 --> 02:47:04,950  
move adoption

2651  
02:47:13,209 --> 02:47:19,729  
Miss speaker after speaker members again

2652  
02:47:17,720 --> 02:47:22,130  
the one of the problems with this type

2653  
02:47:19,729 --> 02:47:24,590  
of legislation is the federal government

2654  
02:47:22,130 --> 02:47:26,479  
very clearly says how the money is to be

2655  
02:47:24,590 --> 02:47:28,789  
spent on federal revenue sharing funds

2656  
02:47:26,479 --> 02:47:31,069  
and it specifically says you can't spend

2657  
02:47:28,789 --> 02:47:33,050  
it if you're discriminating the problem

2658  
02:47:31,069 --> 02:47:35,060  
with this amendment is is you put the

2659  
02:47:33,050 --> 02:47:37,789  
Attorney General in the unusual position

2660

02:47:35,060 --> 02:47:40,459  
of filing on a state agency for

2661  
02:47:37,789 --> 02:47:42,739  
violation of a discrimination practice

2662  
02:47:40,459 --> 02:47:46,220  
and then turning right around and having

2663  
02:47:42,739 --> 02:47:47,810  
to defend that institution against his

2664  
02:47:46,220 --> 02:47:50,149  
own charges it's an intolerable

2665  
02:47:47,810 --> 02:47:52,100  
situation the way we have it now the

2666  
02:47:50,149 --> 02:47:54,649  
governor makes the charge the Attorney

2667  
02:47:52,100 --> 02:47:56,959  
General does the prosecution the it's a

2668  
02:47:54,649 --> 02:47:57,800  
very difficult situation that's bigger

2669  
02:47:56,959 --> 02:48:00,289  
oh gentleman yield

2670  
02:47:57,800 --> 02:48:01,760  
yo miss Katherine hey you know reg they

2671  
02:48:00,289 --> 02:48:03,859  
offered one of these anti discrimination

2672  
02:48:01,760 --> 02:48:05,470  
of amendments at the last regular

2673  
02:48:03,859 --> 02:48:06,949  
session the Attorney General he'll is

2674  
02:48:05,470 --> 02:48:08,959  
unconstitutional isn't that correct

2675  
02:48:06,949 --> 02:48:11,209  
that's exactly right and you probably

2676  
02:48:08,959 --> 02:48:12,470  
better just leave this off yeah you're

2677  
02:48:11,209 --> 02:48:14,209  
messing with federal revenue sharing

2678  
02:48:12,470 --> 02:48:15,470  
funds which very clearly speaks to that

2679  
02:48:14,209 --> 02:48:18,649  
I think you're going to have a lot of

2680  
02:48:15,470 --> 02:48:21,739  
trouble I moved to table that's Garcia

2681  
02:48:18,649 --> 02:48:22,999  
to close on the amela mr. big remember

2682  
02:48:21,739 --> 02:48:24,649  
will the gentleman yield

2683  
02:48:22,999 --> 02:48:29,569  
yo mr. say how do you know mr. speaker

2684  
02:48:24,649 --> 02:48:32,390  
mr. Garcia mr. Kaster just indicated

2685  
02:48:29,569 --> 02:48:34,399  
that mr. Halliwell did that that the

2686  
02:48:32,390 --> 02:48:36,289  
Attorney General ruled this this

2687

02:48:34,399 --> 02:48:38,090  
amendment unconstitutional last year

2688  
02:48:36,289 --> 02:48:40,130  
something similar he was vague about

2689  
02:48:38,090 --> 02:48:41,659  
what he meant and in reality this

2690  
02:48:40,130 --> 02:48:42,590  
doesn't have anything to do with what

2691  
02:48:41,659 --> 02:48:44,419  
they turned a general rule

2692  
02:48:42,590 --> 02:48:45,949  
unconstitutional does it mr. garcin

2693  
02:48:44,419 --> 02:48:47,899  
fully aware that that is correct mr.

2694  
02:48:45,949 --> 02:48:49,760  
Ragsdale let me let me just make a very

2695  
02:48:47,899 --> 02:48:51,619  
brief statement and then I will yield to

2696  
02:48:49,760 --> 02:48:54,199  
the questions for mr. Baker or any

2697  
02:48:51,619 --> 02:48:55,669  
others you know mr. Kaster says that

2698  
02:48:54,199 --> 02:48:58,850  
we're attempting to mess around with

2699  
02:48:55,669 --> 02:49:01,220  
federal revenue money where members

2700  
02:48:58,850 --> 02:49:03,169  
that's exactly what the appropriation

2701  
02:49:01,220 --> 02:49:06,140  
bill does and I'll call your attention

2702  
02:49:03,169 --> 02:49:08,180  
to section 56 which reversed the

2703  
02:49:06,140 --> 02:49:09,800  
discriminatory discriminatory practices

2704  
02:49:08,180 --> 02:49:12,050  
which is the section that were

2705  
02:49:09,800 --> 02:49:14,479  
attempting to amend and it says none of

2706  
02:49:12,050 --> 02:49:17,689  
the funds appropriated in this act shall

2707  
02:49:14,479 --> 02:49:19,189  
be expended by agencies etc well you've

2708  
02:49:17,689 --> 02:49:21,199  
got a hundred and fifty five million

2709  
02:49:19,189 --> 02:49:23,771  
dollars in federal revenue sharing money

2710  
02:49:21,199 --> 02:49:25,501  
in this Act these federal

2711  
02:49:23,771 --> 02:49:28,690  
new sharing ponds are sprinkled

2712  
02:49:25,501 --> 02:49:30,610  
throughout the appropriations provided

2713  
02:49:28,690 --> 02:49:32,051  
for in this act and they are messing

2714

02:49:30,610 --> 02:49:34,091  
with federal federal revenue sharing

2715  
02:49:32,051 --> 02:49:36,101  
money I'd like to call your attention to

2716  
02:49:34,091 --> 02:49:37,421  
the fact that about a month or a month

2717  
02:49:36,101 --> 02:49:39,461  
and a half ago the League of Women

2718  
02:49:37,421 --> 02:49:41,440  
Voters undertook an investigation and

2719  
02:49:39,461 --> 02:49:43,751  
they found out that Texas was in clear

2720  
02:49:41,440 --> 02:49:45,851  
violation of the provisions of the bill

2721  
02:49:43,751 --> 02:49:47,620  
that gave rise to federal revenue

2722  
02:49:45,851 --> 02:49:49,330  
sharing monies they had a press

2723  
02:49:47,620 --> 02:49:51,160  
conference right here in this capital

2724  
02:49:49,330 --> 02:49:52,811  
they lodged a complaint with the

2725  
02:49:51,160 --> 02:49:54,490  
Attorney General of the state of Texas

2726  
02:49:52,811 --> 02:49:56,141  
and went forward and lodged a complaint

2727  
02:49:54,490 --> 02:49:58,900  
with the Attorney General of the United

2728  
02:49:56,141 --> 02:50:01,391  
States at this time President Ford is

2729  
02:49:58,900 --> 02:50:03,341  
considering whether or not to request to

2730  
02:50:01,391 --> 02:50:05,051  
the Congress that they extend the act

2731  
02:50:03,341 --> 02:50:07,660  
which gave rise to the federal revenue

2732  
02:50:05,051 --> 02:50:10,841  
sharing monies and if we're in violation

2733  
02:50:07,660 --> 02:50:13,931  
of the Act which provided us were the

2734  
02:50:10,841 --> 02:50:19,721  
316 million dollars that we appropriated

2735  
02:50:13,931 --> 02:50:22,240  
during the 74-73 275 biennium then that

2736  
02:50:19,721 --> 02:50:23,771  
is going to possibly possibly be

2737  
02:50:22,240 --> 02:50:25,841  
considered against us when we start

2738  
02:50:23,771 --> 02:50:28,271  
talking about federal revenue sharing

2739  
02:50:25,841 --> 02:50:31,211  
monies for the next five years now why

2740  
02:50:28,271 --> 02:50:32,771  
is this important you know that 360

2741

02:50:31,211 --> 02:50:33,971  
million dollars permitted the governor

2742  
02:50:32,771 --> 02:50:36,761  
of the state of Texas to keep the

2743  
02:50:33,971 --> 02:50:40,690  
promise he said that we will have no new

2744  
02:50:36,761 --> 02:50:42,370  
taxes during my tenure and it was only

2745  
02:50:40,690 --> 02:50:44,801  
through this revenue sharing money that

2746  
02:50:42,370 --> 02:50:47,801  
we were able that he was able to comply

2747  
02:50:44,801 --> 02:50:49,961  
and I suggested you gentlemen that if we

2748  
02:50:47,801 --> 02:50:52,240  
do not respond by putting this in the

2749  
02:50:49,961 --> 02:50:54,400  
appropriation bill by speaking the

2750  
02:50:52,240 --> 02:50:56,051  
federal revenue sharing monies we may be

2751  
02:50:54,400 --> 02:50:58,030  
putting ourselves in a position of

2752  
02:50:56,051 --> 02:51:00,311  
forwarding some money that will result

2753  
02:50:58,030 --> 02:51:02,230  
in an act on the part of our legislature

2754  
02:51:00,311 --> 02:51:03,700  
of the future having to pass the

2755  
02:51:02,230 --> 02:51:05,650  
greatest tax bill that you have ever

2756  
02:51:03,700 --> 02:51:07,690  
seen so I asked you gentlemen

2757  
02:51:05,650 --> 02:51:09,761  
to vote with us on this amendment and I

2758  
02:51:07,690 --> 02:51:10,511  
will do the questions mr. speaker the

2759  
02:51:09,761 --> 02:51:12,641  
gentleman yield

2760  
02:51:10,511 --> 02:51:15,910  
yo mr. Garcia yes sir yummy-yum is big

2761  
02:51:12,641 --> 02:51:19,391  
miss Garcia first of all as far as the

2762  
02:51:15,910 --> 02:51:23,080  
federal money is concerned the state

2763  
02:51:19,391 --> 02:51:25,631  
legislature can mandate by language

2764  
02:51:23,080 --> 02:51:27,190  
saying that it's the Attorney General is

2765  
02:51:25,631 --> 02:51:28,801  
specifically responsible for the

2766  
02:51:27,190 --> 02:51:31,690  
enforcement because that federal money

2767  
02:51:28,801 --> 02:51:32,910  
the enforcement is by the federal

2768

02:51:31,690 --> 02:51:34,800  
attorneys by the

2769  
02:51:32,910 --> 02:51:36,660  
US attorney mr. Beck I don't agree with

2770  
02:51:34,800 --> 02:51:39,090  
you because I don't agree with you

2771  
02:51:36,660 --> 02:51:41,460  
because that money that money is given

2772  
02:51:39,090 --> 02:51:43,470  
to us under this Republic law and we are

2773  
02:51:41,460 --> 02:51:45,870  
delegated with the responsibility of in

2774  
02:51:43,470 --> 02:51:47,880  
a conscientious fashion appropriating it

2775  
02:51:45,870 --> 02:51:49,980  
in different to different agencies and

2776  
02:51:47,880 --> 02:51:52,320  
institutions and to comply with a

2777  
02:51:49,980 --> 02:51:54,061  
mandate of the federal law but in

2778  
02:51:52,320 --> 02:51:56,040  
addition to giving us the money they

2779  
02:51:54,061 --> 02:51:57,750  
also give us a responsibility to see

2780  
02:51:56,040 --> 02:51:59,580  
that it is properly used and if it is

2781  
02:51:57,750 --> 02:52:01,470  
not properly used then our Attorney

2782  
02:51:59,580 --> 02:52:03,510  
General should see to the enforcement of

2783  
02:52:01,470 --> 02:52:05,880  
to see to the prosecution of the

2784  
02:52:03,510 --> 02:52:07,800  
violations I understand that but we

2785  
02:52:05,880 --> 02:52:09,660  
can't say that we're going to put the

2786  
02:52:07,800 --> 02:52:11,250  
Attorney General in the place of the US

2787  
02:52:09,660 --> 02:52:12,601  
Attorney well then if that is the

2788  
02:52:11,250 --> 02:52:14,220  
question or the part of our gentleman

2789  
02:52:12,601 --> 02:52:15,930  
time expired part of our well taken and

2790  
02:52:14,220 --> 02:52:21,120  
sustained gentlemen board no on the

2791  
02:52:15,930 --> 02:52:23,430  
motion to table mr. Ragsdale sends up an

2792  
02:52:21,120 --> 02:52:24,811  
amendment mr. personal move table the

2793  
02:52:23,430 --> 02:52:26,820  
question occurred on a motion table all

2794  
02:52:24,811 --> 02:52:28,470  
those favoring the voice of table vote

2795

02:52:26,820 --> 02:52:31,430  
aye all opposed vote no it's a record

2796  
02:52:28,470 --> 02:52:31,430  
vote to clerk to ring a bell

2797  
02:52:39,479 --> 02:52:43,040  
so much dude you're putting a

2798  
02:52:45,350 --> 02:52:49,120  
she let you go so you have Arabic no

2799  
02:52:52,330 --> 02:52:59,500  
have all members voted all members voted

2800  
02:53:22,750 --> 02:53:26,490  
Shoom is wetting them voting no

2801  
02:53:43,489 --> 02:53:52,710  
every big 91 I was paid to to knows

2802  
02:53:45,979 --> 02:53:55,800  
motion table prevails calling a moment

2803  
02:53:52,710 --> 02:53:58,590  
clerk iridium Emma and they meant by

2804  
02:53:55,800 --> 02:54:02,180  
Denton mr. Denton to explain him and mr.

2805  
02:53:58,590 --> 02:54:06,239  
Parker tricks mr. Parker explaining Emma

2806  
02:54:02,180 --> 02:54:09,330  
members this mr. speaker members is to

2807  
02:54:06,239 --> 02:54:11,520  
say as an amendment by mr. Denton it

2808  
02:54:09,330 --> 02:54:13,290  
says none of the money appropriated by

2809  
02:54:11,520 --> 02:54:15,689  
this Act may be transferred from one

2810  
02:54:13,290 --> 02:54:18,359  
agency or a department to another agency

2811  
02:54:15,689 --> 02:54:21,090  
or department or from one appropriation

2812  
02:54:18,359 --> 02:54:24,000  
item or program to another appropriation

2813  
02:54:21,090 --> 02:54:26,790  
atom our programs unless such transfer

2814  
02:54:24,000 --> 02:54:31,069  
is specifically authorized by this act

2815  
02:54:26,790 --> 02:54:31,069  
and it is acceptable to the committee

2816  
02:54:32,750 --> 02:54:37,050  
mr. didn't send up amendment mr. Parker

2817  
02:54:35,520 --> 02:54:37,649  
says acceptable is there objection to

2818  
02:54:37,050 --> 02:54:39,390  
adoption

2819  
02:54:37,649 --> 02:54:41,550  
chair here not in the amendment is

2820  
02:54:39,390 --> 02:54:46,319  
adopted following amendment clerk will

2821  
02:54:41,550 --> 02:54:49,050  
read the amendment amendment by Denson

2822

02:54:46,319 --> 02:54:53,699  
I'm in Senate bill 52 mr. Danson to

2823  
02:54:49,050 --> 02:54:56,130  
explain his amendment ma'am it's worth

2824  
02:54:53,699 --> 02:54:58,790  
drawn by the author following amendment

2825  
02:54:56,130 --> 02:54:58,790  
the clerk will read the amendment

2826  
02:54:59,810 --> 02:55:07,470  
amendment by Marino mr. Marino somebody

2827  
02:55:05,069 --> 02:55:09,930  
give us a Marino hand well miss Murray

2828  
02:55:07,470 --> 02:55:12,210  
might stay there this is restating what

2829  
02:55:09,930 --> 02:55:13,550  
statutory law is we don't have any

2830  
02:55:12,210 --> 02:55:15,989  
objection to it it has to do with

2831  
02:55:13,550 --> 02:55:18,029  
provisions for the handicapped in

2832  
02:55:15,989 --> 02:55:19,710  
construction and remodeling and it's

2833  
02:55:18,029 --> 02:55:21,090  
acceptable to the committee all right

2834  
02:55:19,710 --> 02:55:23,279  
mr. Marino serves up an amendment is

2835  
02:55:21,090 --> 02:55:26,130  
accepted with others it objective option

2836  
02:55:23,279 --> 02:55:27,890  
Jerian an amendment is adopted following

2837  
02:55:26,130 --> 02:55:29,670  
a moment de Klerk or any amendment

2838  
02:55:27,890 --> 02:55:32,729  
amendment by dent

2839  
02:55:29,670 --> 02:55:39,439  
m in Senate bill 52 mr. Denton to

2840  
02:55:32,729 --> 02:55:39,439  
explain the amendment mr. Denton

2841  
02:55:40,470 --> 02:55:45,830  
no didn't mr. Denton on the floor of the

2842  
02:55:43,680 --> 02:55:45,830  
house

2843  
02:55:57,750 --> 02:56:07,529  
I don't know it's already laid out inter

2844  
02:56:05,460 --> 02:56:11,189  
Denton to explain his amendment mr.

2845  
02:56:07,529 --> 02:56:12,600  
speaker members I now this is evidently

2846  
02:56:11,189 --> 02:56:14,899  
just a little too tough for the

2847  
02:56:12,600 --> 02:56:18,359  
Appropriations Committee to accept

2848  
02:56:14,899 --> 02:56:20,279  
there's something I feel very important

2849

02:56:18,359 --> 02:56:23,069  
in the appropriations bill and I want

2850  
02:56:20,279 --> 02:56:25,920  
you to pay very careful attention and

2851  
02:56:23,069 --> 02:56:28,109  
that I think before long it's going to

2852  
02:56:25,920 --> 02:56:30,569  
be something that is going to absolutely

2853  
02:56:28,109 --> 02:56:33,420  
mandate that the legislature take a look

2854  
02:56:30,569 --> 02:56:35,430  
at it if you recall just about every

2855  
02:56:33,420 --> 02:56:38,460  
president at a college and university

2856  
02:56:35,430 --> 02:56:41,069  
receives a supplement a salary

2857  
02:56:38,460 --> 02:56:43,200  
supplement it's now moved

2858  
02:56:41,069 --> 02:56:46,560  
of course the Commissioner of mhtml

2859  
02:56:43,200 --> 02:56:49,229  
receives one even the Xavier director

2860  
02:56:46,560 --> 02:56:53,040  
the Admiral Nimitz museum receives one

2861  
02:56:49,229 --> 02:56:55,200  
and maybe several more oh and that's the

2862  
02:56:53,040 --> 02:56:58,020  
requirement now the appropriations bill

2863  
02:56:55,200 --> 02:57:00,950  
that they file information with the

2864  
02:56:58,020 --> 02:57:03,239  
Secretary of State now the difficulty is

2865  
02:57:00,950 --> 02:57:05,910  
that it really doesn't tell us anything

2866  
02:57:03,239 --> 02:57:09,600  
and my amendment spells it out so that

2867  
02:57:05,910 --> 02:57:12,239  
they will report specifically the person

2868  
02:57:09,600 --> 02:57:14,399  
receiving the salary supplement and a

2869  
02:57:12,239 --> 02:57:17,279  
report to the Secretary of State the

2870  
02:57:14,399 --> 02:57:21,060  
name in the address of specific sources

2871  
02:57:17,279 --> 02:57:23,189  
now the problem that we have is simply

2872  
02:57:21,060 --> 02:57:25,950  
let's take for instance the MHMR

2873  
02:57:23,189 --> 02:57:30,180  
commissioner as an example all you'll

2874  
02:57:25,950 --> 02:57:32,819  
you'll see beside that would be mhm our

2875  
02:57:30,180 --> 02:57:35,550  
foundation for the University of Texas

2876

02:57:32,819 --> 02:57:38,640  
president there's a phone call the

2877  
02:57:35,550 --> 02:57:41,819  
Chancellor's council this legislature

2878  
02:57:38,640 --> 02:57:44,970  
and the people of Texas have no idea as

2879  
02:57:41,819 --> 02:57:47,310  
to who is contributing money to this

2880  
02:57:44,970 --> 02:57:51,870  
foundation that then supplements the

2881  
02:57:47,310 --> 02:57:54,630  
salary or to what trust fund the set up

2882  
02:57:51,870 --> 02:57:58,890  
are and so on this measurement will

2883  
02:57:54,630 --> 02:58:03,300  
simply clarify and specifically relate

2884  
02:57:58,890 --> 02:58:10,380  
just exactly who supplements that

2885  
02:58:03,300 --> 02:58:12,149  
individual salary mr. speaker yes sir no

2886  
02:58:10,380 --> 02:58:13,680  
mr. speaker I'd like to raise the point

2887  
02:58:12,149 --> 02:58:15,359  
of order against further consideration

2888  
02:58:13,680 --> 02:58:17,220  
of this amendment states Ron Waterman

2889  
02:58:15,359 --> 02:58:20,489  
Tanuja water of order is that it's not

2890  
02:58:17,220 --> 02:58:22,170  
germane to the bill my further point of

2891  
02:58:20,489 --> 02:58:24,060  
order is an appropriation bill may

2892  
02:58:22,170 --> 02:58:26,399  
contain provisions or riders which

2893  
02:58:24,060 --> 02:58:29,220  
detail limit or restrict the use of

2894  
02:58:26,399 --> 02:58:31,739  
state funds that this is an attempt to

2895  
02:58:29,220 --> 02:58:33,779  
rewrite statutory law in a rider an

2896  
02:58:31,739 --> 02:58:36,630  
appropriations bill and contravention of

2897  
02:58:33,779 --> 02:58:43,470  
the Attorney General's opinions v 12 53

2898  
02:58:36,630 --> 02:58:49,670  
and V 12 54 you need at least two more

2899  
02:58:43,470 --> 02:58:49,670  
points rangabati motor-powered business

2900  
03:05:52,980 --> 03:05:55,880  
this is good

2901  
03:06:28,090 --> 03:06:32,500  
mr. Nugent raised his point of order

2902  
03:06:33,130 --> 03:06:36,529  
against further consideration of the

2903

03:06:35,270 --> 03:06:39,700  
Denton amendment the point of order is

2904  
03:06:36,529 --> 03:06:39,700  
well taken and sustained

2905  
03:06:51,190 --> 03:06:55,540  
but he but he was expanding the

2906  
03:07:01,580 --> 03:07:08,359  
following a member to clerk or any

2907  
03:07:03,140 --> 03:07:11,479  
amendment amendment by Denson I'm in

2908  
03:07:08,359 --> 03:07:16,340  
Senate bill 52 committee substitute page

2909  
03:07:11,479 --> 03:07:18,590  
5 - mr. Danson known as amendment mr.

2910  
03:07:16,340 --> 03:07:20,870  
speaker members if I have your attention

2911  
03:07:18,590 --> 03:07:25,540  
let me explain it before mr. Nugent

2912  
03:07:20,870 --> 03:07:29,030  
makes a point of order this is a short

2913  
03:07:25,540 --> 03:07:32,569  
amendment it does something that we can

2914  
03:07:29,030 --> 03:07:33,890  
do the present time anyway but it's

2915  
03:07:32,569 --> 03:07:36,260  
something that should be put in the

2916  
03:07:33,890 --> 03:07:39,439  
appropriations bill in fact it should be

2917  
03:07:36,260 --> 03:07:43,160  
there in big bold letters forever agency

2918  
03:07:39,439 --> 03:07:46,460  
had to see this is called the agency had

2919  
03:07:43,160 --> 03:07:51,229  
responsibility amendment and let me read

2920  
03:07:46,460 --> 03:07:55,100  
it to you any agency head who initiates

2921  
03:07:51,229 --> 03:07:57,800  
makes or approves is responsible for

2922  
03:07:55,100 --> 03:07:59,600  
expenditure under this act who has found

2923  
03:07:57,800 --> 03:08:02,689  
to have acted with a total lack of

2924  
03:07:59,600 --> 03:08:04,609  
fiscal responsibility or has been

2925  
03:08:02,689 --> 03:08:07,729  
grossly negligent in connection with

2926  
03:08:04,609 --> 03:08:10,520  
said expenditure selbee shall be subject

2927  
03:08:07,729 --> 03:08:13,970  
to reprimand or recommended dismissal by

2928  
03:08:10,520 --> 03:08:15,200  
the legislature now mr. speaker may have

2929  
03:08:13,970 --> 03:08:17,630  
better artists thinking with the

2930

03:08:15,200 --> 03:08:19,580  
gentleman yield okay just not I'm not I

2931  
03:08:17,630 --> 03:08:20,630  
just a minute mr. Denton we're going to

2932  
03:08:19,580 --> 03:08:24,460  
get a little order before we proceed

2933  
03:08:20,630 --> 03:08:24,460  
with it where the debate

2934  
03:08:34,739 --> 03:08:45,210  
it's bigger with a gentleman you just as

2935  
03:08:37,439 --> 03:08:46,649  
soon as we get little order mr. Denton

2936  
03:08:45,210 --> 03:08:48,090  
would you yield to mr. Denton yes

2937  
03:08:46,649 --> 03:08:49,470  
thank you note at this time one minute

2938  
03:08:48,090 --> 03:08:53,609  
at this time that didn't let me finish

2939  
03:08:49,470 --> 03:08:57,149  
explaining this amendment members by law

2940  
03:08:53,609 --> 03:08:59,279  
and by our constitutional set up agency

2941  
03:08:57,149 --> 03:09:01,770  
heads are supposed to be responsible to

2942  
03:08:59,279 --> 03:09:03,960  
the executive branch the government the

2943  
03:09:01,770 --> 03:09:06,540  
governor's office and the legislature

2944  
03:09:03,960 --> 03:09:09,000  
now the only resent of the taxpayers of

2945  
03:09:06,540 --> 03:09:11,340  
course the only responsibilities that

2946  
03:09:09,000 --> 03:09:14,010  
agency heads have to us is through this

2947  
03:09:11,340 --> 03:09:15,899  
appropriations bill and as you have seen

2948  
03:09:14,010 --> 03:09:18,000  
for the last couple of days it's very

2949  
03:09:15,899 --> 03:09:19,410  
difficult to send them any messages at

2950  
03:09:18,000 --> 03:09:21,479  
all because it's very extremely

2951  
03:09:19,410 --> 03:09:23,939  
difficult mr. Connolly gentleman yield

2952  
03:09:21,479 --> 03:09:24,569  
their appropriations and let me finish

2953  
03:09:23,939 --> 03:09:25,949  
my remarks

2954  
03:09:24,569 --> 03:09:29,580  
just a minute yield at that time mr.

2955  
03:09:25,949 --> 03:09:32,040  
Denton as you can see it's very

2956  
03:09:29,580 --> 03:09:33,960  
difficult to even cut any appropriations

2957

03:09:32,040 --> 03:09:36,120  
once it's been instituted and once a

2958  
03:09:33,960 --> 03:09:38,279  
agency has been set up for a board or

2959  
03:09:36,120 --> 03:09:41,699  
any other expenditure under the

2960  
03:09:38,279 --> 03:09:43,890  
appropriations bill now what what this

2961  
03:09:41,699 --> 03:09:47,760  
amendment would do which we can do

2962  
03:09:43,890 --> 03:09:51,180  
anyway is by resolution passed by this

2963  
03:09:47,760 --> 03:09:54,270  
house sent to the governor and recommend

2964  
03:09:51,180 --> 03:09:57,149  
a reprimand or dismissal of that agency

2965  
03:09:54,270 --> 03:10:00,080  
head if we can prove that that

2966  
03:09:57,149 --> 03:10:02,939  
expenditure was fiscally irresponsible

2967  
03:10:00,080 --> 03:10:04,979  
or there was gross negligence in making

2968  
03:10:02,939 --> 03:10:07,560  
a decision to make that expenditure

2969  
03:10:04,979 --> 03:10:10,080  
I don't think that is too much to ask to

2970  
03:10:07,560 --> 03:10:12,029  
make agency heads responsible to the

2971  
03:10:10,080 --> 03:10:13,770  
legislature now you're going to have

2972  
03:10:12,029 --> 03:10:15,479  
members getting up here and saying that

2973  
03:10:13,770 --> 03:10:17,069  
weakness because now it shouldn't be in

2974  
03:10:15,479 --> 03:10:26,340  
the delegation spin all the gentleman

2975  
03:10:17,069 --> 03:10:29,580  
yield states point of order mr. Kyle

2976  
03:10:26,340 --> 03:10:31,319  
well I like to raise a point of order

2977  
03:10:29,580 --> 03:10:34,859  
against further consideration of this

2978  
03:10:31,319 --> 03:10:37,890  
amendment in that it violates rule 19

2979  
03:10:34,859 --> 03:10:40,279  
section 2 of the house proves bringing

2980  
03:10:37,890 --> 03:10:40,279  
point forward

2981  
03:11:52,820 --> 03:12:01,760  
one of orders withdrawn speaker with

2982

as I got up and I guess it may have been

2987  
03:12:12,800 --> 03:12:17,391  
a mistake but I mentioned the Admiral

2988  
03:12:15,021 --> 03:12:24,440

might stop some really serious waste in

2999  
03:12:52,070 --> 03:12:56,931  
state government that big certainly

3000  
03:12:53,780 --> 03:12:59,570

03:12:56,931 --> 03:13:03,021  
set up where someone was executive

3002

3005  
03:13:12,260 --> 03:13:15,220
