

1  
00:01:06,990 --> 00:01:12,040  
appropriated after the expenditure of

2  
00:01:09,460 --> 00:01:14,260  
rental and movement and temporary

3  
00:01:12,040 --> 00:01:15,790  
quarters for the Senate and I think we

4  
00:01:14,260 --> 00:01:17,770  
were given a figure of something like

5  
00:01:15,790 --> 00:01:19,240  
something between three hundred and

6  
00:01:17,770 --> 00:01:21,940  
eighty thousand dollars and a half a

7  
00:01:19,240 --> 00:01:23,770  
million that would mean that no more

8  
00:01:21,940 --> 00:01:25,899  
than the the difference which would be

9  
00:01:23,770 --> 00:01:29,380  
approximately five hundred thousand

10  
00:01:25,899 --> 00:01:31,600  
dollars would be used in order to settle

11  
00:01:29,380 --> 00:01:32,770  
the condemnation proceeding on the

12  
00:01:31,600 --> 00:01:35,020  
building across the street

13  
00:01:32,770 --> 00:01:41,259  
so that you've got a handle on do you

14

00:01:35,020 --> 00:01:42,550  
not well so to a party Dave I think I

15  
00:01:41,259 --> 00:01:45,310  
think we're safeguarded miss Patterson

16  
00:01:42,550 --> 00:01:47,619  
in this matter I believe in the process

17  
00:01:45,310 --> 00:01:50,649  
and I believe that that the bidding will

18  
00:01:47,619 --> 00:01:52,140  
take care of the expenditure and I think

19  
00:01:50,649 --> 00:01:54,509  
it's a wise one it's a matter of

20  
00:01:52,140 --> 00:01:57,310  
trusting our colleagues across a way

21  
00:01:54,509 --> 00:01:59,530  
they will follow the law they will

22  
00:01:57,310 --> 00:02:01,000  
follow the bidding procedure and they're

23  
00:01:59,530 --> 00:02:03,729  
the ones that have to stand up to the

24  
00:02:01,000 --> 00:02:06,069  
responsibility of being fiscally wise

25  
00:02:03,729 --> 00:02:12,910  
and fiscally conservative in the repairs

26  
00:02:06,069 --> 00:02:14,530  
that are done members I'm offer an

27  
00:02:12,910 --> 00:02:18,130  
amendment that will really clean up this

28  
00:02:14,530 --> 00:02:19,750  
bill what I'm doing in the first section

29  
00:02:18,130 --> 00:02:23,620  
of the bill is changing the six million

30  
00:02:19,750 --> 00:02:25,350  
to two million and I think after if we

31  
00:02:23,620 --> 00:02:29,049  
appropriate that amount of money for

32  
00:02:25,350 --> 00:02:31,480  
them to start this repair operation and

33  
00:02:29,049 --> 00:02:34,420  
after they've got some bids on it and

34  
00:02:31,480 --> 00:02:36,549  
and they can see what they're doing if

35  
00:02:34,420 --> 00:02:39,459  
that is not enough money I'll be the

36  
00:02:36,549 --> 00:02:40,989  
first one to help Carrabelle two to put

37  
00:02:39,459 --> 00:02:42,670  
the money in there to require the Senate

38  
00:02:40,989 --> 00:02:45,130  
because I want it repaired and if

39  
00:02:42,670 --> 00:02:47,709  
they'll send us a bill over here to

40  
00:02:45,130 --> 00:02:49,720  
operate the Senate I'll support that if

41

00:02:47,709 --> 00:02:51,130  
it's anything within reason but I think

42  
00:02:49,720 --> 00:02:52,870  
that we need to clean up this bill I

43  
00:02:51,130 --> 00:02:55,420  
think if we put two million dollars

44  
00:02:52,870 --> 00:02:57,070  
upfront for the damage which has been

45  
00:02:55,420 --> 00:03:00,519  
estimated at seven hundred thousand I

46  
00:02:57,070 --> 00:03:02,320  
think that we are doing the taxpayers of

47  
00:03:00,519 --> 00:03:03,730  
this state of service because I think

48  
00:03:02,320 --> 00:03:05,829  
we're gonna save the state's the money I

49  
00:03:03,730 --> 00:03:07,750  
really believe that that's the reason

50  
00:03:05,829 --> 00:03:11,290  
our purpose from here well Jim and you

51  
00:03:07,750 --> 00:03:13,390  
offer a question you heels mr. Patterson

52  
00:03:11,290 --> 00:03:14,709  
what you're trying to do here if I

53  
00:03:13,390 --> 00:03:15,540  
followed what you've been saying what

54  
00:03:14,709 --> 00:03:18,060  
your language say

55

00:03:15,540 --> 00:03:19,829

is that you want the people Texas to

56

00:03:18,060 --> 00:03:22,560

know that we're willing to in this house

57

00:03:19,829 --> 00:03:25,290

to join with the Senate to repair the

58

00:03:22,560 --> 00:03:27,180

fire loss and what your further saying

59

00:03:25,290 --> 00:03:28,799

if I understand you right is that if the

60

00:03:27,180 --> 00:03:31,170

Senate wishes to come back to this body

61

00:03:28,799 --> 00:03:32,909

and say we need four million dollars or

62

00:03:31,170 --> 00:03:35,510

five million dollars to continue the

63

00:03:32,909 --> 00:03:38,040

operations of the Senate as a result of

64

00:03:35,510 --> 00:03:40,170

either the fire loss or because they

65

00:03:38,040 --> 00:03:43,319

spent money in excess of what they had

66

00:03:40,170 --> 00:03:45,239

budgeted over the last biennium of this

67

00:03:43,319 --> 00:03:46,980

biennium that you're willing to consider

68

00:03:45,239 --> 00:03:49,319  
that but let's do it by separate pieces

69  
00:03:46,980 --> 00:03:51,659  
of legislation and not come through with

70  
00:03:49,319 --> 00:03:53,370  
an omnibus type of approach as being

71  
00:03:51,659 --> 00:03:55,049  
done here this morning that's right

72  
00:03:53,370 --> 00:04:00,450  
missed you all right like respects all

73  
00:03:55,049 --> 00:04:03,409  
I'm asking for chair recognizes mr.

74  
00:04:00,450 --> 00:04:07,340  
president speak against the amendment

75  
00:04:03,409 --> 00:04:10,319  
that's making members you know we could

76  
00:04:07,340 --> 00:04:12,359  
revert to the appropriations process

77  
00:04:10,319 --> 00:04:13,919  
that's followed in some other states I

78  
00:04:12,359 --> 00:04:15,720  
was in Arkansas one time and they tell

79  
00:04:13,919 --> 00:04:17,099  
me they passed by 500 appropriations

80  
00:04:15,720 --> 00:04:18,299  
bill during the session that's a high in

81  
00:04:17,099 --> 00:04:22,560  
the world you keep up with what you're

82  
00:04:18,299 --> 00:04:24,780  
doing that way we don't do that in this

83  
00:04:22,560 --> 00:04:26,760  
state we do consolidate appropriation we

84  
00:04:24,780 --> 00:04:28,169  
will consolidate a great great number of

85  
00:04:26,760 --> 00:04:30,389  
appropriation when we bring you the

86  
00:04:28,169 --> 00:04:31,979  
general appropriations acts that's the

87  
00:04:30,389 --> 00:04:34,740  
way we operate in Texas I think it's a

88  
00:04:31,979 --> 00:04:35,970  
very efficient system and I see really

89  
00:04:34,740 --> 00:04:39,270  
no difference here we're certainly not

90  
00:04:35,970 --> 00:04:41,610  
setting any precedent by providing this

91  
00:04:39,270 --> 00:04:44,570  
appropriations for about four or five

92  
00:04:41,610 --> 00:04:47,070  
different items of expenditures I can

93  
00:04:44,570 --> 00:04:50,490  
see included here in a way this this

94  
00:04:47,070 --> 00:04:53,520  
bill is drafted furthermore if you take

95

00:04:50,490 --> 00:04:57,840  
the the two billion dollars that mr.

96  
00:04:53,520 --> 00:04:59,970  
Patterson is allocated here for repair

97  
00:04:57,840 --> 00:05:02,099  
and renovation of the Capitol

98  
00:04:59,970 --> 00:05:04,050  
if you just divide that out by the 61

99  
00:05:02,099 --> 00:05:06,780  
thousand square feet that is named

100  
00:05:04,050 --> 00:05:08,699  
damage to varying degrees as I said I'd

101  
00:05:06,780 --> 00:05:11,400  
say that all of it is severely damaged

102  
00:05:08,699 --> 00:05:12,509  
but that comes out to about \$30 a square

103  
00:05:11,400 --> 00:05:15,990  
foot

104  
00:05:12,509 --> 00:05:18,539  
I don't know that may do it and he may

105  
00:05:15,990 --> 00:05:20,550  
not we don't know because until as I

106  
00:05:18,539 --> 00:05:22,919  
said before let me just reiterate until

107  
00:05:20,550 --> 00:05:24,750  
the cleanup is accomplished and until

108  
00:05:22,919 --> 00:05:25,200  
someone can get in there and find out

109  
00:05:24,750 --> 00:05:27,240  
what

110  
00:05:25,200 --> 00:05:29,040  
we really don't know what the estimates

111  
00:05:27,240 --> 00:05:31,980  
are going to be the fact that we don't

112  
00:05:29,040 --> 00:05:35,070  
know as mr. Garcia pointed out does not

113  
00:05:31,980 --> 00:05:37,020  
give anybody a blank check we have a

114  
00:05:35,070 --> 00:05:39,000  
bidding process that will be followed

115  
00:05:37,020 --> 00:05:40,950  
just as we follow for all bits in this

116  
00:05:39,000 --> 00:05:43,380  
state where it will go to the lowest

117  
00:05:40,950 --> 00:05:46,410  
bidder and as long as of course he's

118  
00:05:43,380 --> 00:05:48,180  
doing can do the work but we have all

119  
00:05:46,410 --> 00:05:50,460  
the safeguards in the world in the way

120  
00:05:48,180 --> 00:05:53,340  
this is done furthermore it's going to

121  
00:05:50,460 --> 00:05:56,100  
the Senate itself and I can assure you

122

00:05:53,340 --> 00:05:57,720  
that they're going to be they're going

123  
00:05:56,100 --> 00:06:00,000  
to follow all the proper procedures in

124  
00:05:57,720 --> 00:06:02,160  
the handling of these funds just like we

125  
00:06:00,000 --> 00:06:05,070  
do in the house so I would move the

126  
00:06:02,160 --> 00:06:10,730  
table of the Patterson amendment the

127  
00:06:05,070 --> 00:06:16,620  
question is on mr. Patterson a close on

128  
00:06:10,730 --> 00:06:18,480  
yes mr. speaker members

129  
00:06:16,620 --> 00:06:22,590  
I think we've debated this issue long

130  
00:06:18,480 --> 00:06:25,500  
enough I think we all understand what

131  
00:06:22,590 --> 00:06:27,810  
we're talking about I think that if you

132  
00:06:25,500 --> 00:06:30,480  
vote for my amendment you'll be voting

133  
00:06:27,810 --> 00:06:33,890  
for wise expenditure of the state's

134  
00:06:30,480 --> 00:06:37,380  
money and I think that's all we're doing

135  
00:06:33,890 --> 00:06:40,080  
again mr. pencil pointed out that

136  
00:06:37,380 --> 00:06:41,310  
there's 61,000 squirter damage you know

137  
00:06:40,080 --> 00:06:45,660  
I don't know how much damage is over

138  
00:06:41,310 --> 00:06:47,520  
there but it was it was understood that

139  
00:06:45,660 --> 00:06:49,380  
there was about a fourth of the capital

140  
00:06:47,520 --> 00:06:50,990  
damage I don't think it was that much of

141  
00:06:49,380 --> 00:06:53,940  
the capital damage in the first place

142  
00:06:50,990 --> 00:06:55,860  
and I personally don't think it will

143  
00:06:53,940 --> 00:06:58,950  
take that much money to do this work I

144  
00:06:55,860 --> 00:07:00,150  
think that we can do it within a million

145  
00:06:58,950 --> 00:07:02,850  
and a half or two million dollars worth

146  
00:07:00,150 --> 00:07:04,530  
of damage from just the conversations

147  
00:07:02,850 --> 00:07:06,870  
I've had with people about this damage

148  
00:07:04,530 --> 00:07:08,460  
and I have really no idea other than

149

00:07:06,870 --> 00:07:11,580  
just the conversations I've had with

150  
00:07:08,460 --> 00:07:15,810  
people that have looked at it but once

151  
00:07:11,580 --> 00:07:17,700  
we allow them two million dollars and we

152  
00:07:15,810 --> 00:07:20,460  
appropriate two million dollars then

153  
00:07:17,700 --> 00:07:23,340  
think these bidders will start looking

154  
00:07:20,460 --> 00:07:24,780  
at what is available to bid and I think

155  
00:07:23,340 --> 00:07:27,210  
it may make some of these bidders do a

156  
00:07:24,780 --> 00:07:28,700  
little better job of bidding on this

157  
00:07:27,210 --> 00:07:32,090  
repair than they would

158  
00:07:28,700 --> 00:07:34,010  
I really do miss beaker miss may-lah

159  
00:07:32,090 --> 00:07:36,050  
purpose gentleman yield you have missed

160  
00:07:34,010 --> 00:07:37,520  
and gentleman knows miss Miller mr.

161  
00:07:36,050 --> 00:07:39,110  
Patterson I don't know about your

162  
00:07:37,520 --> 00:07:41,000  
constituents but back home ever since

163  
00:07:39,110 --> 00:07:42,560  
this fire I've had some interest

164  
00:07:41,000 --> 00:07:45,410  
expressed by about every other person

165  
00:07:42,560 --> 00:07:48,020  
I've talked to regarding the fire and

166  
00:07:45,410 --> 00:07:49,760  
what happened in the fire and why these

167  
00:07:48,020 --> 00:07:51,200  
things are done or those things are done

168  
00:07:49,760 --> 00:07:54,320  
I don't think my folks were familiar

169  
00:07:51,200 --> 00:07:55,880  
with the practices that we had and I

170  
00:07:54,320 --> 00:07:58,670  
don't know about yours but isn't what

171  
00:07:55,880 --> 00:08:00,290  
you're trying to do is just to keep the

172  
00:07:58,670 --> 00:08:02,720  
house from having to go back and explain

173  
00:08:00,290 --> 00:08:04,340  
something else to their constituents on

174  
00:08:02,720 --> 00:08:05,900  
top of that aren't you trying to save

175  
00:08:04,340 --> 00:08:07,460  
the house from possibly a little more

176

00:08:05,900 --> 00:08:09,530  
embarrassment that we've already

177  
00:08:07,460 --> 00:08:14,090  
experienced as a legislature in general

178  
00:08:09,530 --> 00:08:17,120  
Mayor Smith I believe by reducing the

179  
00:08:14,090 --> 00:08:19,550  
amount of money in this bill I can go

180  
00:08:17,120 --> 00:08:21,890  
home to my constituents and face them

181  
00:08:19,550 --> 00:08:24,380  
face to face and say hey you know we're

182  
00:08:21,890 --> 00:08:27,080  
going to make the people that are doing

183  
00:08:24,380 --> 00:08:30,740  
the repair we're going to make them come

184  
00:08:27,080 --> 00:08:33,229  
in with some some estimates you know in

185  
00:08:30,740 --> 00:08:34,820  
a better range we'll have a better

186  
00:08:33,229 --> 00:08:36,740  
handle on the dollars that are going to

187  
00:08:34,820 --> 00:08:39,380  
be spent than we would have if we just

188  
00:08:36,740 --> 00:08:41,060  
put a figure out there just floating

189  
00:08:39,380 --> 00:08:45,650  
around and I think that six million is

190  
00:08:41,060 --> 00:08:46,670  
it speaker well just Lazo you here miss

191  
00:08:45,650 --> 00:08:49,340  
Patterson yes

192  
00:08:46,670 --> 00:08:50,810  
Gemma neon is possible mr. Patterson you

193  
00:08:49,340 --> 00:08:52,850  
know you and I both serve on the same

194  
00:08:50,810 --> 00:08:57,020  
committee yeah where this bill come

195  
00:08:52,850 --> 00:08:58,670  
through but don't you believe that that

196  
00:08:57,020 --> 00:09:00,680  
the other side of the house is just as

197  
00:08:58,670 --> 00:09:02,780  
conservative as we are and when it comes

198  
00:09:00,680 --> 00:09:07,910  
to spending money zand that they have

199  
00:09:02,780 --> 00:09:09,860  
the same constituency that we have well

200  
00:09:07,910 --> 00:09:11,840  
they have to go back to their district

201  
00:09:09,860 --> 00:09:15,560  
and face the same constituency that we

202  
00:09:11,840 --> 00:09:18,380  
have to face well you know I just rather

203

00:09:15,560 --> 00:09:20,030  
not comment you know I think I know we

204  
00:09:18,380 --> 00:09:22,520  
have a lot of good members in the Senate

205  
00:09:20,030 --> 00:09:25,520  
that are conserved if I senator black is

206  
00:09:22,520 --> 00:09:27,080  
a very good friend of mine a very good

207  
00:09:25,520 --> 00:09:28,580  
center and I hope you'll be a friend

208  
00:09:27,080 --> 00:09:32,180  
that well know it's got to happen in

209  
00:09:28,580 --> 00:09:33,980  
faith people well we can't down here

210  
00:09:32,180 --> 00:09:35,630  
we're not supposed to go on faith we're

211  
00:09:33,980 --> 00:09:37,490  
supposed to go on back

212  
00:09:35,630 --> 00:09:39,350  
and figures we're talking about facts

213  
00:09:37,490 --> 00:09:41,810  
and figures here and I think we should

214  
00:09:39,350 --> 00:09:43,510  
have the facts before we we go any

215  
00:09:41,810 --> 00:09:45,860  
further with this

216  
00:09:43,510 --> 00:09:47,990  
there's Patterson sent up an amendment

217  
00:09:45,860 --> 00:09:49,250

697  
00:34:42,360 --> 00:34:48,840

698  
00:34:45,450 --> 00:34:52,320  
resolution I appreciate that more than I

699  
00:34:48,840 --> 00:34:54,210  
can tell you I just want to call a few

700  
00:34:52,320 --> 00:34:56,639  
names I know I'll fail to call some I

701  
00:34:54,210 --> 00:35:00,000  
should but I'm going to start with the

702  
00:34:56,639 --> 00:35:01,560  
name of Dorothy Hallman who is not here

703  
00:35:00,000 --> 00:35:04,020  
of course he used to sit where Betty

704  
00:35:01,560 --> 00:35:05,400  
Marie sits and expressed my appreciation

705  
00:35:04,020 --> 00:35:08,040  
to Dorothy almond

706  
00:35:05,400 --> 00:35:09,810  
Betty Murray all those people that have

707  
00:35:08,040 --> 00:35:13,950  
always helped to make the job of the

708  
00:35:09,810 --> 00:35:16,620  
press easier I particularly want to pay

709  
00:35:13,950 --> 00:35:21,680  
my regards to some of the more liberal

710  
00:35:16,620 --> 00:35:26,880  
members of the house like Milton Fox

711  
00:35:21,680 --> 00:35:32,880  
Tommy Herr the ultra liberal from Grand

712  
00:35:26,880 --> 00:35:34,290  
Saline who bill Halliwell general it's

713  
00:35:32,880 --> 00:35:37,110  
been a play that had been a pleasure to

714  
00:35:34,290 --> 00:35:39,480  
work with y'all I have always said the

715  
00:35:37,110 --> 00:35:42,870  
kindest things about you but it has been

716

00:35:39,480 --> 00:35:46,040  
interesting to cover your work I started

717  
00:35:42,870 --> 00:35:49,890  
out as a sports editor or in Tyler Texas

718  
00:35:46,040 --> 00:35:52,440  
forget many years ago and after I'd been

719  
00:35:49,890 --> 00:35:54,810  
here a while people asked me how I would

720  
00:35:52,440 --> 00:35:59,760  
compare covering politics and government

721  
00:35:54,810 --> 00:36:02,370  
covering sports and my answer was it's

722  
00:35:59,760 --> 00:36:04,470  
very similar the only thing is they

723  
00:36:02,370 --> 00:36:07,220  
don't give you a lineup of all the

724  
00:36:04,470 --> 00:36:09,750  
players in politics

725  
00:36:07,220 --> 00:36:11,810  
I've also they've also said well how did

726  
00:36:09,750 --> 00:36:15,030  
you stand it how have you stood it

727  
00:36:11,810 --> 00:36:18,660  
working here for 37 years in the Capitol

728  
00:36:15,030 --> 00:36:23,220  
and I said you have to have a hell of a

729  
00:36:18,660 --> 00:36:26,640  
sense of humor I'm going off to one of

730  
00:36:23,220 --> 00:36:30,300  
the smaller political capitals now on

731  
00:36:26,640 --> 00:36:32,460  
the Potomac I'll be seeing politics from

732  
00:36:30,300 --> 00:36:34,640  
the other side of the fence as press

733  
00:36:32,460 --> 00:36:37,350  
secretary to congressman bill Patman I

734  
00:36:34,640 --> 00:36:39,480  
expect to be back down here occasionally

735  
00:36:37,350 --> 00:36:42,030  
I hope I'll get to see some of you again

736  
00:36:39,480 --> 00:36:44,460  
I particularly want to mention

737  
00:36:42,030 --> 00:36:47,850  
one member here in the house I have not

738  
00:36:44,460 --> 00:36:49,350  
had the pleasure of meeting yet but I

739  
00:36:47,850 --> 00:36:50,970  
simply have not gotten over in the early

740  
00:36:49,350 --> 00:36:55,140  
part of the session

741  
00:36:50,970 --> 00:36:58,320

817  
00:40:39,210 --> 00:40:44,640  
appropriations that we discussed

let me urge that you both give us an eye

820  
00:40:47,710 --> 00:40:50,710  
vote on the record vote because we need

821  
00:40:49,480 --> 00:40:53,650  
a hundred votes so it's been going to

822  
00:40:50,710 --> 00:40:55,830  
into immediate effect of course the

823  
00:40:53,650 --> 00:40:59,020  
reason being that they cannot clean up

824

00:40:55,830 --> 00:41:00,810  
the fire debris over there until this

825  
00:40:59,020 --> 00:41:04,360  
bill is signed into law by the governor

826

Pres no love in these monies that we're

831  
00:41:13,810 --> 00:41:18,070  
about to appropriate can you assure us

832  
00:41:16,510 --> 00:41:20,740  
that we can do something with those

833  
00:41:18,070 --> 00:41:23,560  
elevators which are broke all the time

834  
00:41:20,740 --> 00:41:26,340  
and getting stuck between floors maybe

835  
00:41:23,560 --> 00:41:28,390  
we can bring them into a 20th century

836  
00:41:26,340 --> 00:41:30,850  
which elevation she is referring to

837  
00:41:28,390 --> 00:41:33,010  
we've got all of them all of them well

838  
00:41:30,850 --> 00:41:34,660  
we spent we we did appropriate funds for

839  
00:41:33,010 --> 00:41:36,640  
the elevators here the main elevators I

840  
00:41:34,660 --> 00:41:39,820  
call them the one I use in the last

841  
00:41:36,640 --> 00:41:41,260  
session and as far as I know they

842  
00:41:39,820 --> 00:41:43,690  
haven't been stuck between floors this

843  
00:41:41,260 --> 00:41:45,250  
session but if you will come for the

844  
00:41:43,690 --> 00:41:46,570  
Appropriations Committee will handle at

845  
00:41:45,250 --> 00:41:47,980  
it through their regular appropriations

846  
00:41:46,570 --> 00:41:50,560  
so we like to know about those things

847  
00:41:47,980 --> 00:41:53,170  
mr. mr. Barrientos okay well if you can

848  
00:41:50,560 --> 00:41:54,610  
assure me of the elevator on the south

849  
00:41:53,170 --> 00:41:56,590

874  
00:43:32,770 --> 00:43:37,580  
House bill 426 by Hill of travis

875  
00:43:35,740 --> 00:43:47,020  
relating to the payment of property

876  
00:43:37,580 --> 00:43:52,220  
taxes correction HB 426 ball Avella

877  
00:43:47,020 --> 00:43:55,580  
it's all about o.j reg madam it's all

878

00:43:52,220 --> 00:43:58,730  
about them mr. speaker members House

879  
00:43:55,580 --> 00:44:01,160  
bill 4 to 6 is before you today it

880  
00:43:58,730 --> 00:44:06,680  
relates to the payment of property taxes

881  
00:44:01,160 --> 00:44:08,920  
as you all we'll know the 254 counties

882  
00:44:06,680 --> 00:44:12,920  
in this state were allowed to give

883  
00:44:08,920 --> 00:44:14,960  
property tax discounts in in the various

884  
00:44:12,920 --> 00:44:16,670  
counties each taxing entity in the

885  
00:44:14,960 --> 00:44:19,430  
county could give this discount

886  
00:44:16,670 --> 00:44:22,450  
well my County Cameron County could not

887  
00:44:19,430 --> 00:44:24,890  
our people did not get a tax roll out

888  
00:44:22,450 --> 00:44:27,020  
therefore there's litigation and

889  
00:44:24,890 --> 00:44:29,870  
therefore the taxpayers of Cameron

890  
00:44:27,020 --> 00:44:31,790  
County and 8 other counties did not get

891  
00:44:29,870 --> 00:44:34,550  
the tax relief that they were seeking

892  
00:44:31,790 --> 00:44:38,840  
and that is the tax discount

893  
00:44:34,550 --> 00:44:42,080  
it's the 3% 2% 1% discount that is in

894  
00:44:38,840 --> 00:44:44,810  
the property tax code right now this

895  
00:44:42,080 --> 00:44:49,820  
bill has received the governor's

896  
00:44:44,810 --> 00:44:52,820  
emergency tag for the reason that if we

897  
00:44:49,820 --> 00:44:55,940  
do not get this signed into law within

898  
00:44:52,820 --> 00:44:57,320  
the next 10 to 15 days then

899  
00:44:55,940 --> 00:45:00,500  
the people at Cameron County and these

900  
00:44:57,320 --> 00:45:01,880  
other eight affected counties will not

901  
00:45:00,500 --> 00:45:04,250  
be able to take advantage of this

902  
00:45:01,880 --> 00:45:06,620  
discount it cannot apply retroactively

903  
00:45:04,250 --> 00:45:07,940  
leaves the problem otherwise I certainly

904  
00:45:06,620 --> 00:45:13,790  
would have wanted it to go through the

905

00:45:07,940 --> 00:45:17,330  
normal course of business the bill is

906  
00:45:13,790 --> 00:45:20,120  
set up with a lot of flexibility if

907  
00:45:17,330 --> 00:45:21,830  
there is a county or taxing entity I

908  
00:45:20,120 --> 00:45:23,690  
should say more appropriately a taxing

909  
00:45:21,830 --> 00:45:26,540  
entity that does not want to give the

910  
00:45:23,690 --> 00:45:28,550  
discount they don't have to if they do

911  
00:45:26,540 --> 00:45:31,460  
give the discount they've got an

912  
00:45:28,550 --> 00:45:33,020  
extended delinquency period and they've

913  
00:45:31,460 --> 00:45:36,080  
got to live with that and go through the

914  
00:45:33,020 --> 00:45:38,000  
120-day period but it's set up so that

915  
00:45:36,080 --> 00:45:40,730  
we can give the discount or not give the

916  
00:45:38,000 --> 00:45:42,560  
dick discount each taxing entity will

917  
00:45:40,730 --> 00:45:47,270  
work on its own accord and be allowed

918  
00:45:42,560 --> 00:45:49,070  
that option members this bill passed the

919  
00:45:47,270 --> 00:45:53,000  
Ways and Means Committee unanimously

920  
00:45:49,070 --> 00:45:55,250
