

**RECORDED TEXAS HISTORIC LANDMARK MARKERS:
2007 Official Texas Historical Marker
Sponsorship Application Form**

Valid November 15, 2006 to January 2, 2007 only

This form constitutes a public request for the Texas Historical Commission (THC) to consider approval of an Official Texas Historical Marker for the topic noted in this application. The THC will review the request and make its determination based on rules and procedures of the program. Filing of the application for sponsorship is for the purpose of providing basic information to be used in the evaluation process. The final determination of eligibility and therefore approval for a state marker will be made by the THC. This form is to be used for subject marker requests only. Please see separate forms for either Historic Texas Cemeteries or Recorded Texas Historic Landmarks.

Proposed marker topic (Official title will be determined by the THC): J. E Herrington House

County: **Collin**

Town (nearest county town on state highway map): **Weston**

Street address of marker site or directions from town noted above: **10855 C. R. 175 Celina, Texas 75009**

NOTE: Recorded Texas Historic Landmark markers must be placed at the structure being marked.

Recorded Texas Historic Landmark markers definition: Recorded Texas Historic Landmark (RTHL) markers are awarded to structures deemed worthy of preservation for their historical associations and architectural significance. RTHL is a legal designation and comes with a measure of protection; it is the highest honor the state can bestow on a historic structure, and the designation is required for this type of marker. The RTHL designation becomes effective upon approval by the THC. Official Texas Historical Markers signify the RTHL designation; designation comes only through application to and approval by the THC and must include public display of an Official Texas Historical Marker. Owners of RTHL-designated structures must give the THC 60 days written notice before any alterations are made to the exterior of the structure. RTHL status is a permanent designation and is not to be removed from the property in the event of a transfer of ownership. Only the THC can remove the designation or recall the marker. The marker must remain with the structure and may not be removed or displayed elsewhere until or unless the THC gives express approval in writing for such action. Once designated as RTHL, properties are subject to provisions of Texas Government Code, Section 442.006(f).

Criteria:

1. **Age:** Structures eligible for the RTHL designation and marker must be at least 50 years old.
2. **Historical significance:** Architectural significance alone is not enough to qualify a structure for the RTHL designation. It must have an equally significant historical association, and that association can come from an event that occurred at the site; through individuals who owned or lived on the property; or, in the case of bridges, industrial plants, schoolhouses and other non-residential properties, through documented significance to the larger community.
3. **Architectural significance:** Structures deemed architecturally significant are outstanding examples of architectural history, either through design, materials, structural type or construction methods. In

THC use only

all cases, eligible architectural properties must display integrity, that is, the structure should be in a good state of repair, maintain its appearance from its period of significance and be considered an exemplary model of preservation. Architectural significance is often best determined by the relevance of the property to broader contexts, including geography. Any changes over the years should be compatible with original design and reflect compliance with accepted preservation practices, e.g., the *Secretary of the Interior's Standards for Rehabilitation*.

4. **Good state of repair:** Structures not considered by the THC to be in a good state of repair—i.e., restored—are ineligible for RTHL designation. The THC reserves the sole right to make that determination relative to eligibility for RTHL markers.

Special considerations for RTHL marker applications: If a structure has been individually listed in the National Register of Historic Places (NRHP) under either Criterion A or B and Criterion C (Architecture), the historical text compiled as part of the National Register nomination process may be submitted as part of the marker process, provided it includes the required reference notes and other documentation. Acceptance of the National Register information for the purposes of the marker process will be up to the sole determination of the THC. Listing in the NRHP does not guarantee approval for an RTHL marker. See the THC web site at <http://www.thc.state.tx.us/markerdesigns/madnrcrit.html> for National Register criteria.

APPLICATION REQUIREMENTS

Any individual, group or CHC may apply to the THC to request an Official Texas Historical Marker for what it deems a worthy topic. Only complete marker application packets that contain all the required elements can be accepted or processed by the THC. For RTHL markers, the required elements are: sponsorship application form; narrative history; documentation; online map (see details below); site plan; floorplan; historic photograph and current photographs clearly showing each side of the structure.

- Completed application packets must be duly reviewed, verified and approved by the county historical commission in the county in which the marker will be placed.
- The sponsorship application form, narrative history and documentation must be in the form of Microsoft Word or Word-compatible documents and submitted via email attachments to the THC by no later than January 2, 2007.
- Required font style and type size are a Times variant and 12-point.
- Narrative histories must be typed in a double-spaced format and include separate sections on context, overview and significance.
- The narrative history must include documentation in the form of reference notes, which can be either footnotes or endnotes. Documentation associated with applications should be broad-based and demonstrate a survey of all available resources, both primary and secondary.
- Applications for RTHL markers must include a current city or county map through TopoZone.com that clearly denotes the proposed marker location. Instructions for using TopoZone.com are available on the THC web site.
- Immediately upon notification of the successful preliminary review of required elements by the THC, a non-refundable application fee of \$100 is required. The fee shall be submitted to the THC within ten working days of application receipt notification.

APPROVAL BY COUNTY HISTORICAL COMMISSION

The duly appointed marker representative (chair or marker chair) noted below for the CHC will be the sole contact to the THC for this marker application. To ensure accuracy, consistency and efficiency, all information to and from the THC relative to the application will be via direct communication with the CHC representative. All other inquiries (calls, emails, letters) to the THC will be referred to the CHC representative for response. By filling out the information below and filing the application with the THC, the CHC representative is providing the THC with notice that the application and documentation have

been reviewed and verified by the CHC and that the material meets all current requirements of the Official Texas Historical Marker Program.

As chair or duly appointed marker chair, I certify the following:

- Representatives of the CHC have met with the potential marker sponsor and discussed the program policies as outlined on the THC web site.
- Representatives have conveyed information on the RTHL designation, including legal restrictions, to the property owner.
- Representatives of the CHC have reviewed the history and documentation for accuracy and made additional notes as necessary.
- It is the determination of the CHC that the structure, history and documentation meet the THC criteria for eligibility.
